After issuance of the notice to proceed with construction, the Operator shall furnish to the Owner's Representative samples required by the specifications or by the Owner's Representative, for the Owner Representative's approval. The Owner's review and approval shall not be unreasonably withheld, conditioned, or delayed and shall be made in a time frame so as not to delay the Operator or Contractor. Samples shall be delivered to the Owner's Representative as specified or as directed. The Operator shall prepay all shipping charges on samples. Materials or equipment for which samples are required may not be used in the work until the Owner's Representative approves them in writing. Approval of a sample is only for the characteristics or use named in the approval and may not be construed to change or modify any requirement of the Contract Documents. Substitutions are not permitted unless approved in writing by the Owner's Representative.

6.2. LABELS.

Each sample must be labeled to show:

a. Name of Project building or facility, Project title, and contract number;

b. Name of Operator and (if appropriate) Prime Construction Contractor and subcontractor;

c. Identification of material or equipment, with specification requirement;

d. Place of origin; and

e. Name of producer and brand (if any).

6.3. MARKINGS.

Samples of finish materials must have additional markings that will identify them under the finish schedules.

6.4. COVER LETTER.

The Operator shall mail under separate cover a letter, in triplicate, submitting each shipment of samples and containing the information required in Sections 6.2 and 6.3 above. The Operator shall also enclose a copy of that letter with the shipment and send a copy to the Owner's Representative on the Project.

6.5. USE OF SAMPLES.

Approved samples not destroyed in testing will be sent to the Owner's Representative at the Project. Approved samples of hardware in good condition will be marked for identification and may be used in the work. Materials and equipment incorporated in the work must match the approved samples. Samples not destroyed in testing and not approved will be returned at the Operator's expense if the Operator so requests in writing at the time of submission.

6.6. FAILURE.

Failure of any material to pass the specified tests will be sufficient cause for refusal to consider, under this Agreement, any further samples of the same brand or make of that material. The Owner reserves the right to disapprove any material or equipment that has previously proved unsatisfactory as determined in Owner's sole discretion in service.

6.7. TESTING.

Samples of materials or equipment delivered on the site or in place may be taken by the Owner's Representative for testing. Failure of a sample to meet the requirements of the Contract Documents may void previous approvals of the item tested. The Operator shall replace materials or equipment found not to have met requirements of the Contract Documents, unless Owner, in its sole discretion, elects to accept an equitable downward adjustment to the GMP in lieu of such replacement.

6.8 COST OF TESTING.

The Operator shall pay for all costs of construction testing, including sampling, field tests, laboratory tests, inspection services to verify soil classifications, moisture density of soils, observation of subgrades to receive compacted structural fill for building and pavement support, observation of pavement subgrades to receive compacted base course material, observation of fill placement and field density testing, observation of footing subgrades to evaluate suitable bearing, observation of concrete pours, field concrete slump testing, air content testing, molding of concrete cylinders, laboratory curing and compression testing of concrete, observation of steel installation, ultra-sonic testing of steel moment connections, steel weld testing. The Operator shall provide written reports of observations, recommendations, and testing activities as the project progresses. Written report will be made on a biweekly basis to the Owner. All tests pertaining to physical or chemical properties of materials must be made in a laboratory approved by the Owner's Representative. The Operator shall include all applicable tests required by ASTM in the specifications. The specifications will also include all tests and inspections required by Codes and Standards.

The Owner will pay for the costs of any other tests deemed necessary, and related engineering services, unless the tests indicate that the workmanship or materials used by the Operator are not in conformance with the Construction Documents, approved shop drawings, or the approved materials. In this event, the Operator shall pay for the tests, remove all work and material failing to conform, and replace with work and materials in full conformity, without additional cost to the Owner.

6.9 INVENTORY OF SAMPLES.

The Operator shall maintain an inventory of all approved samples until final inspection of the Project. Such samples shall be available to Owner for additional viewing, inspection and testing, as deemed necessary by Owner, at all times.

ARTICLE VII

MEASUREMENTS, DRAWINGS, SPECIFICATIONS

7.1. REQUIREMENT FOR VERIFICATION OF MEASUREMENTS/ON SITE DOCUMENTS.

a. The Operator shall keep at the site copies of all drawings and specifications related to the Contract Documents and shall at all time give the Owner's Representative and designated representative access to them.

b. When the word "similar" appears on the drawings, it has a general meaning and must not be interpreted as meaning identical, and all details must be worked out in relation to their location and connection with other parts of the work.

c. In case of discrepancy either in figures, drawings, or specifications, the matter must be promptly submitted to A-E, who shall provide a determination in writing, for approval by the Owner's Representative in writing. Any adjustment by the Operator without such approval will be at the Operator's own risk and expense. The Operator shall furnish from time to time such detailed drawings and other information as may be deemed reasonably necessary by Owner's Representative.

d. The Operator shall verify all dimensions shown of existing work, and all dimensions required for work that is to connect with work now in place, by actual measurement of the existing work. Any discrepancies between the requirements of the Contract Documents and the existing conditions shall be referred to the Owner's Representative for a determination in writing before the Operator performs any work affected by these discrepancies.

7.2. DRAWINGS AND SPECIFICATIONS REQUIREMENTS.

The following requirements apply to Operator's responsibility to cause the Plans and Specifications to be prepared:

a. Required technical specifications shall be prepared in accordance with the highest industry standards. Specifications must be complete, concise, and free of repetition and ambiguity. Care must be exercised to avoid specifying the same work in more than one section and to avoid duplication or conflict with the general provisions, special provisions, and the drawings.

b. The specifications shall be submitted on 8-1/2"x11" sheets.

c. If guide specifications are not furnished, typical specifications developed and used by the A-E in general practice consistent with the highest industry standards shall be used in preparing contract specifications. The CSI Format for Construction Specifications, CSI Document MP-2A, shall be used in the arrangement of Project specifications.

d. Testing to establish compliance with the Contract Documents for critical items or critical portions of the work shall be specified as the Operator's responsibility. Testing shall be consistent with that required under standard commercial practices. Any testing requirements specified do not limit the Owner from having additional testing and inspection performed in Owner's discretion.

e. Submittals such as shop drawings, samples, and certificates shall be specified as necessary to establish compliance with the Contract Documents for critical portions of the work. The Operator should not require submittals for minor commercial items or for items of marginal value. The Operator shall include in the mechanical and electrical sections the extent of a manufacturer's literature, rating data, performance curves, spare part lists, and shop drawings that must be furnished for review and approval before procurement.

f. The specifications shall require the Operator to make field tests of heating and air conditioning systems to demonstrate that the equipment will perform as required. The results of the tests are to be submitted before the final inspection. Manufacturer's representatives may be required for inspection, start-up, and instructions in the operation and maintenance of equipment and the Operator shall ensure their presence for such purposes if requested by the Owner.

g. The specifications shall require that the Operator furnish manufacturer's manuals, spare parts lists, diagrams, instructions, performance data, curves, and shop drawings as approved for major items of equipment to be installed in the work.

h. All required drawings shall be prepared and furnished as reproducible tracings. All final drawings must be 8-1/2"x11, 11"x17," 18"x24," 24"x36," or 30"x42," trim-to-trim, with Owner title block, graphic scale, and metric conversion table. Drawing methods and quality must permit satisfactory, clear, and legible one-half (1/2) size reproduction. Lettering on the drawings will not be smaller in height than .12 (1/8) inch freehand or .10 inch mechanical.

i. All final drawings shall be detailed working drawings as necessary for efficient execution of the construction work. They must conform with the above general requirements and the requirements previously stated. All original drawings must be prepared at an adequate scale to properly present the design data development including detailed features. Drawing scales for buildings or structures smaller than 1/8-inch = 1'-0" are not permitted without prior written approval of the Owner's Representative.

j. The electrical design must be separated into two plans when necessary to avoid congestion: one devoted to the power, receptacle, telephone, fire alarm and intercommunication systems, and the other to lighting. Similarly, the plumbing and heating/air conditioning must be separated when necessary to avoid congestion. A minimum scale of 1/4-inch = 1'-0" must be used for all details of areas of congestion such as mechanical rooms, toilet rooms, and the like, and as may otherwise be reasonably designated by the Owner's Representative. Drawing scale for site, utility, or other related work (work outside the five foot building line), including details (engineer's) must clearly and adequately reflect the design data developed. Drawings must be organized and provide appropriate details of the site work (layout, grading, paving, and drainage) and the utilities (water, sewer, gas, power, and communications) separate from the building and/or structure drawings.

k. All design submissions prepared using CADD support shall be accompanied by electronic files of the submission in AutoCad.

l. Any discrepancies in figures, drawings, specifications, or submittals shall be promptly resolved by the Operator. Copies of all Requests For Information (RFI) or other correspondence, including confirmations of verbal instructions between the A-E and the Prime Construction Contractor or the Operator required to resolve deficiencies, shall be furnished to the Owner's Representative.

7.3. SHOP DRAWINGS, COORDINATION DRAWINGS, AND SCHEDULES.

a. The Operator shall submit to the Owner's Representative, in triplicate, a schedule listing all items that will be furnished for review and approval no later than thirty (30) days after final approval of Plans and Specifications. For example, the schedule must include shop drawings and manufacturer's literature, test procedures, test results, certificates of compliance, material samples, and special guarantees, etc. The schedule must indicate the type of item, contract requirement reference, the Operator's scheduled date for submitting the above items, identification of the first scheduled activity and projected needs for approval answers to support procurement or installation. In preparing the schedule, reasonable time will be allowed for review, approval, and possible re-submittal. Also, the scheduling shall be coordinated with the approved construction progress chart. The Operator must revise and/or update the schedule as the Owner's Representative reasonably directs. Such revised schedule must be made available to the Owner's Representative for monitoring.

b. The Operator shall submit to the Owner's Representative shop drawings, coordination drawings, and schedules for approval as required by the specifications or requested by the Owner's Representative, as follows:

   1. Shop drawings shall include fabrication, erection, and setting drawings, schedule drawings, manufacturer's scale drawings, wiring and control diagrams, cuts or entire catalogs, pamphlets, descriptive literature, and performance and test data.

   2. Drawings and schedules, other than catalogs, pamphlets and similar printed material, shall be reviewed, signed and submitted in reproducible form with three prints made by a process approved by the Owner's Representative. Upon approval, the reproducible form will be returned to the Operator who shall furnish the number of additional prints, not to exceed ten. The Operator shall submit shop drawings in catalog, pamphlet, and similar printed form in a minimum of four copies plus as many additional copies as the Operator may desire or need for the use of subcontractors.

c. Before submitting shop drawings on the mechanical and electrical work, the Operator shall obtain the Owner's Representative's written approval of lists of mechanical and electrical equipment and materials as required by the specifications.

d. The Operator must check the drawings and schedules and coordinate them (by means of coordination drawings whenever required) with the work of all trades involved before submission, indicating approval on them. Drawings and schedules submitted without evidence of subcontractors/trades' approval may be returned for resubmission.

e. Each shop drawing or coordination drawing must have a blank area 5 x 5 inches, located adjacent to the title block. The title block must display:

   1. Number and title of drawing;

   2. Date of drawing or revision;

   3. Name of Project building or facility;

   4. Name of Operator and, if appropriate, of Subcontractor submitting drawing;

   5. Clear identity of contents and location on the work; and

   6. Project title and contract number.

f. Unless otherwise provided in this Agreement, or otherwise directed by the Owner's Representative, shop drawings, coordination drawings, and schedules must be submitted by Operator sufficiently in advance of construction requirements to permit ten (10) calendar days for checking and appropriate action. Such items shall be submitted to the Owner's Representative (2 copies) for review concurrently with the A-E's review.

g. Except as otherwise provided in subparagraph h. below, approval of drawings and schedules will be general and may not be construed as:

   1. Permitting any departure from the requirements of the Contract Documents; or

   2. Relieving the Operator of responsibility for any errors, including details, dimensions, and materials.

h. If drawings or schedules show variations from the requirements of the Contract Documents because of standard shop practice or for other reasons, the Operator must describe the variation in the letter of transmittal. If acceptable, the Owner's Representative may approve any or all variations and issue an appropriate Change Order. If the Operator fails to describe these variations, it is not relieved of the responsibility for executing the work in accordance with the Contract Documents, even though the drawings or schedules have been approved.

i. Shop drawings, samples, color schedules, catalog cuts, construction schedule, etc. submitted to Owner's Representative must first be reviewed by the A-E to verify compliance with the Construction Documents. The Owner's Representative reserves the right to review building shop drawings, and formwork and falsework drawings. Such submittals shall be only in response to a specific request by the Owner's Representative.

j The Operator shall prepare and submit equipment room layout drawings and drawings of areas where the equipment proposed for use could present interface or space difficulties. Room layout drawings must conform to the requirements established for drawings. Layouts must be

submitted within forty (40) calendar days of completion of final construction drawings. Submittals describing the various mechanical and electrical equipment items which are to be installed in the areas represented by the layout drawings must be assembled and submitted concurrently and accompanied by the room layout drawings. Room layout drawings must show all pertinent structural and fenestration features and other items such as cabinets required for installation and which will affect the available space. All mechanical and electrical equipment and accessories must be shown in scale in plan and also in elevation and/or section in their installed locations. Duct work and piping also must be shown.

k. All shop drawings, ductwork drawings, and sprinkler drawings must be on 30" by 42" sheets to fit the size of the Project drawings.

l. At the completion of the Project, updated ductwork drawings and sprinkler drawings must be submitted as part of the "As-Built" drawings submission.

m. All certificates required for demonstrating proof of compliance of materials with specification requirements, including mill certificates, statements of application, and extended warranties, must be executed in quadruplicate and furnished to the Owner's Representative. It is the Operator's responsibility to review all certificates to ensure compliance with the requirements of the Contract Documents and that all affidavits are properly executed prior to submission to the Owner's Representative. Each certificate must be signed by an official authorized to certify on behalf of the manufacturing company. Each certificate must contain the name and address of the manufacturer, the Project name and location, and the quantity and date(s) of shipment or delivery to which the certificate(s) apply. Copies of laboratory test reports submitted with certificates must contain the name and address of the testing laboratory and the date(s) of the tests to which the report applies. Certification shall not be construed as relieving the Operator from furnishing satisfactory material, if, after test(s) are performed on selected sample(s), the material is found not to meet the specified requirements.

n. The A-E shall review and approve shop drawings and other items. All approvals must be in accordance with the terms of the Contact Documents. Processing will be accomplished in accordance with the following procedure:

1. The Construction Contractor shall transmit reproducible copies of shop drawings etc. to the A-E for review. Information copies of the letter of transmittal, clearly identifying shop drawings, etc., shall be furnished to the Owner.

2. As a result of the A-E's review, each submittal will be marked by the A-E as follows:

"A-Action": The fabrication, manufacture and/or construction may proceed providing the work is in compliance with the Contract Documents.

"B-Action": The fabrication, manufacture and/or construction may proceed providing the work is in compliance with the A-E's notations and the Contract Documents.

"C-Action": No work shall be fabricated, manufactured or constructed and a new submittal is required. No submittal marked "C-Action" shall be permitted on site.

(a) The Operator is responsible for obtaining prints of all "A-Action" and "B-Action" reproducible shop drawings and distributing them to the field and to the subcontractors. Concurrently, two (2) copies of each print shall be provided to the Owner.

(b) The Operator is responsible for obtaining copies of all "A-Action" and "B-Action" manufacturer's descriptive literature, literature, catalog cuts and brochures and distributing them to the Prime Construction Contractor. Concurrently, two (2) copies of each shall be provided to the Owner.

(c) The Operator is responsible for submitting new shop drawings, brochures and/or samples to replace all "C-Action" items and furnishing two (2) copies to the Owner.

3. The Operator is responsible for maintaining the Shop Drawing Log. An updated copy of the Log shall be furnished to the Owner no less than monthly.

7.4. RECORD "AS BUILT" DRAWINGS.

a. The Operator shall, during the progress of the work, keep a master set of prints on the job site on which is kept a complete, careful and neat record of all deviations from the Construction Documents made during the course of the work.

b. The Operator shall provide the Owner with one, complete, reproducible set of the Construction Documents incorporating the revisions and changes made during construction up to acceptance of the facility. These updated plans and specifications shall reflect all changes to the Construction Documents to indicate the "As-Built" conditions, including revisions in site and building area tabulations. These drawings and specifications must be certified as to their correctness by the signature of the Operator and used in preparing a permanent set of "As-Built" drawings.

c. In addition to reproducible submissions, the Operator must submit a CADD system electronic file for these "As Built" documents prepared with a CADD system compatible with the Owner CADD system identified by the Owner's Representative.

d. The Owner reserves the right to review "As-Built" documents at any time during the Project.

e. The Operator shall forward all "As-Built" drawings, specifications and photographs to the Owner's Representative not later than thirty (30) calendar days after Project completion.

f. Costs associated with the preparation and completion of the "As-Built" drawings will not be paid to Operator by Owner until the As-Built drawings are approved by the Owner's Representative.

7.5. SPARE PARTS DATA.

a. The Operator shall furnish spare–parts data for each different item of equipment furnished. The data must include a complete list of parts and supplies, with current unit prices and sources of supply; a list of parts and supplies that are either normally furnished at no extra cost with the purchase of the equipment, or specified to be furnished as part of the Contract Documents, and a list of additional items recommended by the manufacturer to ensure efficient operation for a period of 180 days at the particular installation.

b. The foregoing does not relieve the Operator of any responsibilities under the guarantees specified.

ARTICLE VIII

Warranty

8.1. WARRANTIES.

The Operator warrants that all the work furnished as part of the Services is in accordance with the requirements of the Contract Documents, free from defect or inferior materials or equipment, and of such quality workmanship as to meet the highest standard of care in Virginia for the type of work performed, for a period of one year after the date of Substantial Completion or acceptance of the facility (whichever comes first), and, unless otherwise agreed by the Owner in writing, in Owner's sole discretion, all materials and equipment are new. Attached as Exhibit H is a list of extended warranties

that Operator is providing or is assigning from manufacturers. All warranties provided or assigned by Operator shall be cumulative, so as to maximize Owner's warranty protection.

8.2. REPAIRS.

If, within the warranty period, the Owner's Representative finds that warranted work needs to be repaired or changed because the materials, equipment, or workmanship were inferior, defective, or not in accordance with the requirements of the Contract Documents, the Operator shall promptly, and without additional expense to the Owner:

a Place in a condition consistent with the warranties and satisfactory to the Owner all of the warranted work;

b. Correct all damage to equipment, the site, the building, or its contents that is the result of such unsatisfactory work in a manner satisfactory to the Owner; and

c. Correct any work, materials, or equipment disturbed in fulfilling the warranty in a manner satisfactory to the Owner; and

d. Should the Operator fail to proceed promptly in accordance with the warranty, the Owner may have the work performed by others at the Operator's expense.

8.3 TRANSFER OF WARRANTIES.

The Operator shall obtain each transferable guarantee or warranty of equipment, materials, or installation that is furnished by any manufacturer or installer in the ordinary course of the business or trade. The Operator shall obtain and furnish to the Owner all information required to make any such guarantee or warranty legally binding and effective, and shall submit both the information and the guarantee or warranty to the Owner in sufficient time to permit the Owner to meet any time limit requirements specified in the guarantee or warranty or, if no time limit is specified, before completion and acceptance of all work under this Agreement.

8.4 NON-WAIVER.

Owner, by accepting any warranties or guarantees under this Agreement, does not waive any legal right or remedy that Owner otherwise may have for breach of this Agreement.

ARTICLE IX

INSURANCE, BONDS AND RISK

9.1 BONDS.

Operator shall provide payment and performance bonds for 100% of the constructed value of the Project. The bonds shall be provided when and to the extent the Operator has been given a notice to proceed with construction at the site. The bonds shall make the Owner obligee and shall be in a form acceptable to Owner. The sureties providing the bonds shall be rated A+ or AVIII or higher, approved by the Owner's Representative in writing, and authorized to do business in the Commonwealth of Virginia.

9.2 INSURANCE.

a. During the term of this Agreement, the Operator must maintain as a Reimbursable Expense the insurance required by this Section 9.2. Insurance companies providing such insurance shall be licensed in Virginia and shall be rated at least A (financial strength) and IX (size) by A.M. Best. Policies shall include all terms and provisions normally included in a policy of the type specified. The Owner shall be included as an additional insured on the liability policies.

b. The Operator must maintain and furnish evidence of workers' compensation, employers' liability insurance, and the following general public liability and automobile liability insurance:

GENERAL LIABILITY: Combined single limit per occurrence of $5,000,000.

AUTOMOBILE LIABILITY: Combined single limit per occurrence of $1,000,000.

c. Each policy must include substantially the following provision: "It is a condition of this policy that the company furnishes written notice to the Owner thirty (30) days in advance of the effective date of any reduction in or cancellation of this policy."

d. The Operator must furnish a certificate of insurance or, if required by the Owner's Representative, true copies of liability policies and manually countersigned endorsements of any changes. Insurance must be effective, and evidence of acceptable insurance furnished by Operator to Owner, before beginning performance under this Agreement. Evidence of renewal must be furnished not later than five days before a policy expires.

e. The maintenance of insurance coverage as required by this Section 9.2 is a continuing obligation, and the lapse or termination of insurance coverage without replacement coverage being obtained will be grounds for termination for default.

f. The Owner does not carry builder's risk insurance coverage. Operator, as a Reimbursable Expense, shall provide builder's risk insurance for 100% of the Project value and shall have Owner named as an additional insured. The Builder's Risk coverage shall include property in transit, on or off-premises, that will become part of the Project. The Builder's Risk coverage shall include any pre-existing portion of any building damaged as a result of the Project. Operator shall procure and maintain a builder's risk insurance policy on an "all risk", 100% replacement cost basis, until completion of the Project. The Operator agrees to endorse the policy with a manuscript endorsement eliminating the automatic termination of coverage in the event the building is occupied in whole or in part, or put to its intended use, or partially accepted by the Owner. The manuscript endorsement shall amend the automatic termination clause to only terminate coverage if the policy expires, is cancelled, the Owner's interest in the building ceases, or the building is accepted and insured by the Owner. Cessation of the Builder's Risk coverage shall be affirmatively coordinated by Operator with the Owner.

g. Operator shall be responsible for filing and settling of claims and liaison with insurance adjusters.

9.3 ERRORS AND OMISSIONS.

a. The Operator must maintain Professional Liability insurance in the amount of $ 1,000,000 for errors and omissions.

b. Unless the Operator's policy is prepaid, non-cancelable, and issued for a period at least equal to the term of this Agreement on an occurrence basis, the Operator shall have the policy amended to include substantially the following provision: "It is a condition of this policy that the company furnish written notice to the Owner thirty (30) days in advance of the effective date of any reduction in or cancellation of this policy."

c. The Operator shall furnish a certificate of insurance or, if required by the Owner's Representative, true copies of liability policies and manually countersigned endorsements of any changes. Insurance must be effective, and evidence of acceptable insurance furnished by Operator to Owner, before beginning performance under this Agreement. Evidence of renewal shall be furnished not later than five days before a policy expires.

9.4 INDEMNIFICATION.

The Operator shall hold harmless, defend and indemnify the Owner and its officers, boards and board members, agents, representatives, and employees from all claims, losses, damage, actions, causes of action, expenses, and/or liability regardless of the merit of same, including any related attorney fees, accountant fees, expert witness fees, consultant fees, court costs, per diem expenses, traveling and transportation expenses, or other such related costs resulting from, brought for, or on account of (i) any personal injury or property damage received or sustained by any person, persons or property growing out of, occurring, or attributable to any work performed under or related to this Agreement, to the extent resulting in whole or in part from negligent acts or omissions of the Operator, any Subcontractor, or any employee, agent, or representative of the Operator or any Subcontractor or anyone performing Work for the Project through them, (ii) any mechanics' or construction liens arising as a result of the Work, or (iii) any failure of the Project to comply with any applicable governmental laws, ordinances, rules and regulations.

9.5 BANKRUPTCY.

In the event the Operator enters into proceedings relating to bankruptcy, whether voluntary or involuntary, the Operator shall notify Owner's Representative. The notification shall be sent to ensure its receipt within five (5) days of the initiation of the bankruptcy proceedings. The notification shall include the date on which the bankruptcy petition was filed, the court in which the petition was filed, and a list of Project contracts for which final payment has not yet been made. This obligation remains in effect until final payment under this Agreement. If a surety upon any bond furnished in connection with this Agreement or any insurance carrier providing coverage in connection with this Agreement becomes insolvent, the Operator shall promptly replace the bond or insurance policy with one which is equivalent and acceptable to Owner.

9.6 GUARANTEES OF PERFORMANCE BY MEMBERS OF LIMITED LIABILITY COMPANY.

The members of Operator, if a limited liability company, by executing this Agreement, hereby jointly and severally guarantee **100% of all** the performance of Operator under this Agreement.

ARTICLE X

NOTICES TO PROCEED, COMMENCEMENT AND COMPLETION

10.1 INITIAL NOTICE TO PROCEED.

Execution of this Agreement by Owner constitutes Notice to Proceed with design and Construction Document preparation.

10.2 NOTICE TO PROCEED FOR CONSTRUCTION, PROSECUTION, AND COMPLETION OF WORK.

No construction work may be performed by or through Operator except pursuant to a Notice to Proceed with construction issued by the Owner's Representative. The Operator shall:

a. Commence work under this Agreement within ten (10) days after the date it receives the Notice to Proceed from the Owner's Representative,

b. Prosecute the work diligently, and

c. Substantially complete the construction work not later than _____, TIME BEING OF THE ESSENCE.

Some work (preliminary sitework, demolition, shop drawings, fabrication, general conditions work, etc.) may have to be performed prior to the full commencement of construction. The time stated for completion includes cleanup of the site. Operator shall achieve Final Completion as soon as possible but not later than ninety (90) calendar days after Substantial Completion. At the time of receipt of the building permit and monthly thereafter, Operator shall consult with the Owner's Representative with regard to the likely Substantial Completion date and earlier occupancy dates so as to allow the Owner to plan its move.

10.3 NOTICE OF DELAY.

Immediately, and in no event no later than ten (10) days after first becoming aware of any difficulties that might cause any delay under this Agreement, the Operator shall notify the Owner's Representative in writing of them. The notification must identify the difficulties, the reasons for them, and the estimated period of delay anticipated. Failure to give such notice in strict compliance with this Section 10.3 will waive any right by Operator to make a claim based upon such delay. Such notice shall be a condition precedent to Operator's right to pursue a claim for an adjustment to payment or schedule based upon such delay.

10.4 LIQUIDATED DAMAGES FOR DELAY.

a. If the Operator fails to achieve Substantial Completion of the Project within the time specified by this Agreement, the Operator shall, in place of actual damages for delay, pay to the Owner each day as liquidated damages, and not as a penalty, $500.00 for each calendar day of unexcused delay until Substantial Completion is achieved. Liquidated damages are not a Reimbursable Cost and may be deducted by Owner from any Reimbursable Costs or Fixed Fees otherwise due the Operator, or from shared savings otherwise due the Operator. Owner's failure to deduct liquidated damages that have accrued shall not be deemed a waiver of Owner's rights to their payment.

b. Alternatively, if Substantial Completion is delayed beyond the date specified by this Agreement, the Owner may terminate this Agreement in whole or in part under the Termination for Default clause in Article XVIII, Section 18.2, and the Operator shall be liable for liquidated damages under Section 10.4.a. until the Owner can reasonably attain Substantial Completion.

c. Operator shall not be charged with liquidated damages when the delay in Substantial Completion arises out of causes beyond the control and without the fault or negligence of the Operator or anyone providing work on the Project through Operator as further described in Section 10.6, below.

d. Operator agrees that the per diem measures of liquidated damages in 10.4.a. are reasonable measures of the damages that Owner is likely to suffer in case of delay, and Operator agrees that it will not challenge the per diem amounts or liquidated damages imposed pursuant to this Article X except as to whether Operator is responsible for the delays, themselves, that have resulted in the assessment of liquidated damages. The Operator hereby waives any defense as to the validity of any liquidated damages stated herein on the grounds that such liquidated damages are void as penalties or are not reasonably related to actual damages.

10.5 SUSPENSIONS AND DELAYS.

a. If the performance of all or any part of the work of this Agreement is unreasonably suspended, delayed, or interrupted by:

   1. An order or act of the Owner's Representative in administering this Agreement; or

   2. By a failure of the Owner's Representative to act within the time specified in this Agreement or within a reasonable time so as not to delay the work of the Operator; then the Operator may request an equitable adjustment to the Reimbursable Costs payable under this Agreement due to any increased costs caused by the delay or interruption (including the costs incurred during any suspension or interruption), and in the

schedule and any other contractual term or condition affected by the suspension, delay, or interruption. However, no adjustment may be made under this Section 10.5.a. for any delay or interruption to the extent that performance would have been delayed or interrupted by the fault or negligence of the Operator or those providing work through Operator.

b. A claim under this clause will not be allowed for any costs incurred before the Operator has notified the Owner's Representative in writing of the act or failure to act involved, or if Operator has failed to follow the procedures of Article XVII, Section 17.5 of this Agreement for such claim.

10.6 EXCUSABLE DELAYS.

Operator shall not be in default by reason of any failure in performing this Agreement in accordance with its terms (including any failure by the Operator to make progress in the prosecution of the work that endangers performance) if the failure arises out of causes beyond the control and without the fault or negligence of the Operator or those providing any services through Operator. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of the Owner, fires, severe floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe and extreme weather, but in every case the failure to perform must be beyond the control and without the fault or negligence of the Operator or those providing any of the Services through Operator, including without limitation, the A-E, the Prime Construction Contractor, and any subcontractor, who shall plan for all contingencies which can be reasonably anticipated, such as unfavorable weather. Contingencies which can be reasonably anticipated shall not be considered a basis for claiming an excusable delay.

10.7 CONSTRUCTION SCHEDULE/ PROGRESS CHART.

a. Within five (5) calendar days after receiving Notice to Proceed, the Operator shall prepare and submit to the Owner's Representative a complete detailed Project Schedule in the form of a electronic file and six (6) copies of a practical progress chart. The schedule shall show the principal categories of work, corresponding with those used in the breakdown on which progress payments are based, the order in which the Operator proposes to carry on the work, the date on which it will start each category of work, and the contemplated dates for completion. The Project Schedule must be in suitable scale to indicate graphically the total percentage of work scheduled to be in place at any time. The Operator shall use a Critical Path Method (CPM) format. This schedule shall be in Primavera™ P3 or SureTrak™ format, or in such format as the Owner and Operator mutually agree, with at least 200 activities including sitework, procurement, delivery, and installation of construction materials and equipment. Activities shall be organized by work areas, and shall be cost loaded to facilitate approval of progress payments. A critical path shall be developed based on scheduling logic that identifies all successor and predecessor activities and float. Activity constraints shall be avoided.

   At the end of each progress payment period, or at such reasonable intervals as directed by the Owner's Representative, the Operator shall:

   1. Revise the Project Schedule to reflect any changes in the work, completion time, or both, as approved by the Owner's Representative;
   2. Enter on the Project Schedule the total percentage of work actually in place; and
   3. Submit three (3) copies of the adjusted Project Schedule, and a complete electronic update, to the Owner's Representative.

b. If the work falls behind the Project Schedule after taking into consideration any excusable delays as defined above, Operator shall take such action as necessary to improve progress. The Owner's Representative may require the Operator to submit a revised Project Schedule demonstrating its proposed recovery plan to make up the lag in scheduled progress. If the Owner's Representative finds the proposed plan unacceptable, the Operator may be required to submit a new plan. If the new plan submitted is not reasonable, after consultation with the Operator, the Owner's Representative may require the Operator to increase the work force, accelerate the planned construction volume, increase assigned construction equipment, or the number of work shifts, without increase to the GMP.

c. Failure of the Operator to comply with these requirements will be considered grounds for a determination by the Owner's Representative that the Operator is failing to prosecute the work with such diligence as will ensure its completion within the time specified.

10.8 EXCEPTION TO COMPLETION SCHEDULE AND LIQUIDATED DAMAGES.

In cases where the Owner's Representative determines in writing that sodding and/or planting and/or specified maintenance thereof is not feasible during the construction period, such work will be excepted from the completion schedule and the liquidated damages provision of Section 10.4. The work must be accomplished or completed during the first sodding and/or planting period or the specified maintenance period following the original completion date.

ARTICLE XI

OPERATOR RESPONSIBILITIES

11.1 PERFORMANCE AND SUPERINTENDENCE OF WORK BY OPERATOR.

a. The Operator or its Prime Construction Contractor shall perform on the site, with its own organization, work equivalent to at least 5% percent of the total amount of work to be performed under this Agreement. The percentage of work required to be performed by the Operator or its Prime Construction Contractor may be reduced with written approval of the Owner's Representative.

b. The Operator must give personal superintendence to the work either in person or by having a foreman or superintendent on the payroll, approved by the Owner's Representative, with authority to act on behalf of the Operator, on the site at all times work is in progress.

   1. A minimum of one Operator's superintendent (on the Operator's payroll) must be provided on site to be responsible for coordinating, directing, inspecting, and expediting the work of the Prime Construction Contractor and its subcontractors.
   2. It is contemplated that all work will be performed during normal working hours, between the hours of 7:00 a.m. until 5:00 p.m., local time, unless otherwise specified in this Agreement. Work performed by the Operator at its own volition outside such normal working hours must be at no additional expense to the Owner. The Operator's material and equipment deliveries must not interfere with the arrival or departure of Owner employees and visitors to existing facilities.

c. The Operator must refer requests received from occupants of buildings included in the work area to change the hours of work, including anticipated cost and schedule impact, to the Owner's Representative for resolution.

d. The Operator shall submit a daily construction report by 10:00 a.m. of the following working day on a form provided by the Owner's Representative. The report shall indicate the number of people by trade or craft, and the type and location of work. The report shall include subcontractors, safety and quality violations observed, corrective measures taken to correct the violations, and other information requested by the Owner's Representative. The Owner's Representative may modify the requirements of this report as the Project progresses.

11.2 MATERIALS AND WORKMANSHIP.

a. Unless otherwise specifically provided, all equipment and materials incorporated in the work must be new and of prime grade for the purpose intended. Unless otherwise specifically provided, reference to any equipment, material, or patented process by brand name, make, or catalog number establishes a standard of quality only. The Operator may substitute any equipment, material, or process that the Owner's Representative finds to be equal to that named, which finding shall be in writing.

b. In the event of substitution in accordance with paragraph a above, the Operator shall furnish to the Owner's Representative for approval the manufacturer's name, the model number, and any other relevant information on the performance, capacity, nature, and rating of equipment or materials proposed for substitution. If requested by the Owner's Representative, samples must be submitted for approval at the Operator's expense, shipping charges prepaid. Materials or processes substituted without the Owner's s approval may be rejected by Owner.

c. The Operator shall obtain the Owner's Representative's written approval of the machinery and mechanical equipment incorporated into the work. The Operator shall submit samples of all materials and equipment as required by the specifications. Owner approval or rejection shall be based upon the Contract Documents.

d. All work shall be performed in a skillful and workmanlike manner. The Owner's Representative may, in writing, require the Operator to remove from the work any employee the Owner's Representative deems incompetent, careless, or otherwise objectionable. The Operator shall immediately remove from the work any employee so designated.

11.3 RESPONSIBILITY FOR DESIGN.

a. It is understood and agreed that this Agreement includes design services. The Operator agrees not to assign or transfer interests in this Agreement. The Operator agrees not to transfer or delegate, to others, its responsibilities under this Agreement except the Operator shall be allowed to subcontract portions of the Scope of Work. The Operator may engage Persons who are design professionals to provide design services for the Project. The Operator represents that the design professionals providing services for the Project include Persons with required Virginia licenses and registrations. The Operator further represents that the structural, electrical, mechanical and other engineering disciplines necessary for the design of the Project will be under the direct supervision of licensed professional engineers who are registered in Virginia or who are persons in responsible charge of an engineering firm registered in Virginia.

b. The Operator is responsible for the professional quality, technical accuracy, and coordination of all designs, drawings, specifications, and other services furnished by the Operator under this Agreement. The Operator must without any changes to the Fixed Fees, GMP, and CCL, correct any errors or deficiencies in the designs, drawings, specifications, and other services.

c. As part of the Operator's responsibility under this Agreement, the Operator shall ensure that the design and construction of the Project comply with applicable codes and standards, including without limitation the Americans with Disabilities Act.

d. Any Owner review, approval, or acceptance of, or payment for, any of the services required under this Agreement shall not be construed to relieve Operator of any obligation under this Agreement. The Operator shall remain liable to the Owner for all damage caused by the Operator's performance of any Services furnished under this Agreement that is negligent or fails to meet the requirements of this Agreement.

e. The rights and remedies of the Owner provided for under this Agreement are in addition to any other rights and remedies provided by law.

11.4 USE OF PREMISES.

a. The Operator, the Prime Construction Contractor, and any subcontractors and their employees shall comply with the regulations governing access to, operation of, and conduct while on the site and shall perform the work required under this Agreement so as not to unreasonably interfere with the conduct of Owner business or use and occupancy by Owner tenants except as indicated in Exhibit B.

b. As permitted by the site conditions, the Operator shall separate its personnel, the Prime Construction Contractor's personnel, and subcontractors' personnel from Owner visitors, employees, and Owner property not involved in the Project. The Operator shall cordon off the construction area using barricades or other means to achieve this separation.

c. Any requests received by the Operator from occupants to change the sequence of work shall be referred to the Owner's Representative.

d. The Operator, any subcontractors, and their employees will not have access to any Owner facility outside the scope of this Agreement without permission of the Owner's Representative except as provided in Exhibit B.

e. Where available, Operator may use utility services of the building only if the Owner's Representative determines sufficient capacity is available to support the work and confirms such determination in writing. Operator, Prime Construction Contractor, or subcontractor employees may not use the toilet facilities. No cleaning of tools, including painting equipment/brushes, is permitted in the toilet or janitorial facilities.

Operator shall provide a Site Utilization Plan for Owner review at the time of the revised design development submission.

11.5 PERMITS AND RESPONSIBILITIES.

a. The Operator is responsible for obtaining any necessary licenses and permits at Operator's expense, and for complying with the codes and standards in connection with the prosecution of the work. The Operator is responsible for all injury to persons or damage to property that occurs as a result of its negligence. The Operator must take proper safety and health precautions to protect the work, the workers, the public, and the property of others. The Operator is responsible also for all materials delivered and work performed until completion and acceptance of the entire construction work, except for any completed unit of construction that may have been accepted.

b. The Operator shall demonstrate compliance with all environmental permit, assessment, or impact statement requirements and regulations identified in the Contract Documents prior to, and during construction.

11.6 BUILDING CODES, FEES, AND CHARGES.

a. The Operator shall comply with all state and local building code requirements.

b. The Operator shall pay all fees and charges for connections to outside services and for use of property outside the site.

11.7 FEDERAL, STATE, AND LOCAL TAXES.

a. The CCL and GMP include all applicable federal, state, and local taxes and duties.

11.8 IDENTIFICATION OF CONTRACT DELIVERABLES.

Unless otherwise specified, the cover page of each document prepared and submitted by the Operator to the Owner under this Agreement must include the following information:

a. Name and business address of the Operator.

b. Contract number.

c. Name, position, and office location of the Owner's Representative.

d. Date of document.

11.9 PATENT AND COPYRIGHT INDEMNITY.

a. Except as provided in paragraph d below, the Operator shall indemnify, defend and hold harmless the Owner, its employees, officers, boards, board members, representatives and its agents against liability, including other such costs and fees as further set out in Section 9.4 above, from any claim of patent and/or copyright infringement (or unauthorized use) arising from any of the Services provided by or through Operator for the Project.

b. The Owner shall promptly notify the Operator of any claim or suit subject to paragraph a above.

c. This indemnification does not apply to claims of infringement of a patent and/or copyright resulting from the Owner's Representative's specific written direction, compliance with which requires the infringement.

d. This clause must be included in all subcontracts under this contract, at any tier, over $50,000.

11.10 NON-DISCLOSURE.

The Operator shall not disclose any information received from the Owner that is marked confidential unless such disclosure is required by law or approved by the Owner, such approval not to be unreasonably withheld or delayed.

11.11 DEBRIS AND CLEANUP.

a. On a daily basis during the progress of the work, the Operator must remove and dispose of the resultant debris and keep the site neat and clean.

b. The Operator shall, upon completion of the work, remove all construction equipment and surplus materials (except materials or equipment that are to remain Owner property as provided by this Agreement), and leave the site in a clean, neat, and orderly condition satisfactory to the Owner's Representative, in Owner's sole discretion.

11.12 HEAT.

Unless otherwise specified, or unless directed otherwise by the Owner's Representative in writing, the Operator shall provide heat as necessary to protect all work materials and equipment against injury from dampness and cold, and in the case of information technology equipment requiring the same, air conditioning, to protect it from heat and humidity.

11.13 ENGLISH LANGUAGE REQUIREMENT OF ON-SITE SUPERINTENDENT.

The Operator's on-site superintendent must be able to speak, read, and write English to the extent necessary to permit reasonable communication with Owner personnel.

11.14 SUBSTITUTE MATERIALS OR METHODS.

Where the technical provisions permit the Operator to propose substitute materials, items, systems, or equipment, the selection of such options is subject to the following conditions:

a. Once a substitute has been selected and approved by the Owner's Representative, it must be used for the entire Project unless the Operator has proposed, and Owner's Representative has approved, the substitute for a limited application

b. The Operator must coordinate its selection with the drawings and specifications and the A-E.

c. Substitutions proposed by Operator shall be at no increase to the GMP.

11.15 ADVERTISING OF AWARDS.

Except with the Owner's Representative's prior approval, the Operator agrees not to refer in its commercial advertising to imply in any manner that the Owner endorses its products.

11.16 GROUND BREAKING CEREMONIES.

Operator agrees to participate in groundbreaking ceremonies at a time specified by the Owner.

ARTICLE XII

OWNER RIGHTS AND RESPONSIBILITIES

12.1 OWNER'S REPRESENTATIVE.

The Owner may appoint an Owner's Representative, who may be either an Owner employee or a contractor. The name, address, telephone number, and specific responsibilities, authority, and limitations of the Owner's Representative will be provided to the Operator in writing. The Owner's Representative may be removed or replaced at any time without prior notice to the Operator, but notification of the change, including the name and address of any successor Owner's Representative, will be provided promptly to the Operator by the Owner, in writing.

12.2 SITE VISITS.

a. The Owner from time to time during construction may desire to conduct groups of guests on visits to the site of the work. These tours will be authorized by the Owner's Representative or his appointed representative. In such event the Operator shall cooperate by providing access to and posting signs to give notice of dangerous areas, providing hard hats, and making such other arrangements for the safety and convenience of the guests as may be required. The Owner's Representative shall give the Operator as much advance notice of any such visits as is practical, and to the maximum practicable extent shall schedule any such visits so as not to interfere with the progress of the work.

b. The Operator's indemnification of the Owner contained in Section 9.4 of this Agreement shall not apply during any such visits to guests of the Owner or to Owner officers, employees, or agents who are engaged in conducting, guiding, or accompanying any such visits, leaving the Owner and the Operator responsible for their own acts and omissions according to applicable law and other clauses of this Agreement. This limited exception in this Section 12.2.b to Operator's indemnification obligation does not apply to inspections, investigations, or official site visits provided for elsewhere in this Agreement or conducted for the purpose of aiding in the enforcement of law.

12.3 OWNER-DIRECTED STAFFING CHANGES.

a. Should the Owner's Representative reasonably deem it to be in the best interests of the Owner to require the removal of any person working on or under this Agreement, that person must be immediately removed from the work.

b. "Person," as used in this clause, includes any persons providing work through the Operator.

12.4. EXAMINATION OF RECORDS.

a. The Owner and its authorized representatives shall, until three (3) years after final payment under this Agreement, have access to and the right to examine any pertinent books, documents, papers, or other records of the Operator involving transactions related to this Agreement that are paid for on a cost reimbursable basis.

b. The Operator agrees to include in all subcontracts under this Agreement and to have its Prime Construction Contractor include in all its subcontracts a provision to the effect that the Owner and its authorized representatives will, until three years after final payment under this Agreement, have access to and the right to examine any pertinent books, documents, papers, or other records of the Prime Construction Contractor and subcontractors involving transactions related to the work performed on a cost reimbursable basis and further providing that such individuals shall otherwise comply with the provisions contemplated by Section 12.4c. The term subcontract as used in this clause excludes:

1. Purchase orders; and
2. Subcontracts for public utility services at rates established for uniform applicability to the general public.

c. For the purposes of this Section 12.4, the Operator agrees to provide Owner adequate and appropriate work space at the Operator's facilities in order to conduct such examinations.

12.5 OWNERSHIP OF WORK PRODUCT.

a. Work Product: All drawings, specifications and other documents and electronic data furnished by the Operator to the Owner under this Agreement and the copyrights thereto ("Work Product") are owned by Operator or its design professionals, as they may agree among themselves, with Owner having the license rights granted by this Agreement.

b. Owner's Limited License to Use for Renovations, Etc.: Operator hereby grants Owner a limited license to use the Work Product in connection with Owner's occupancy and use of the Project, including for maintenance and repairs, future renovations, and expansions, conditioned on use of the Work Product for renovations and expansions being at Owner's sole risk and without liability or legal exposure to Operator or anyone working by or through Operator, including design professionals of any tier (collectively the "Indemnified Parties.")

c. Owner's Limited License upon Termination for Convenience. If Owner terminates this Agreement with the Operator for its convenience, the Operator hereby grants Owner a limited license to use the Work Product to complete the Project, for its occupancy and use, and for maintenance and repairs, future renovations, and expansions by the Owner. Use of Work Product (i) that does not represent approved Plan and Specifications, or (ii) for renovations and expansions, shall be at the Owner's sole risk without liability or legal exposure to any Indemnified Party.

d. Owner's License upon Operator's Default. If this Agreement is terminated due to Operator's default, Operator hereby grants Owner a license to use the Work Product in connection with Owner's completion and occupancy of the Project, for maintenance and repairs, and for future renovations and expansions by the Owner.

e. Owner's Indemnification for Use of Work Product. If Owner uses the Work Product under Section 12.5. b or c of this article, Owner shall defend, indemnify and hold harmless the Indemnified Parties from and against any and all claims, damages, liabilities, losses and expenses, including attorney's fees and other such costs set forth in Section 9.4, above, arising out of or resulting from the use of the Work Product for renovations and expansions or to complete the Project.

f. Operator shall include in its contract with its A-E and have included in contracts with any design professionals providing any services for this Project provisions that require all design professionals providing any services for the Project to grant the licenses that Operator grants under this 12.5, and Operator shall indemnify, defend and hold harmless Owner and its agents, employees, architects, engineers, consultants and contractors from any claim of copyright infringement or unauthorized use by any Person based upon Owner's use of the Work Product pursuant to this Section 12.5.

g. Nothing in this Section 12.5 shall be deemed to relieve Operator or any design professionals providing services through Operator of their obligation under this Agreement that all design and design services provided for this Project meet the highest standard of care in Virginia for the applicable design professional providing such design or services.

h. The licenses granted to Owner pursuant to this Section 12.5 are at no additional cost to Owner beyond the compensation required by this Agreement for the Services.

12.6 SURVEY MONUMENTS AND BENCHMARKS.

a. The Operator will establish such general reference points, for written approval by the Owner's Representative, as will enable the Operator to proceed with the work. The Operator shall provide new monuments where shown or specified. If the Operator finds that any previously established reference points have been destroyed or displaced, or that none have been established, the Operator shall promptly notify the Owner's Representative.

b. The Operator must protect and preserve established benchmarks and monuments and make no changes in locations without the written approval of the Owner's Representative. Established reference points that may be lost, covered, destroyed, or disturbed in the course of performance of the work under this Agreement, or that require shifting because of necessary changes in grades or locations, must (subject to prior approval of the Owner's Representative) be replaced and accurately located or relocated (as appropriate) by a licensed engineer or licensed land surveyor.

c. New monuments will be six (6) inches square by three (3) feet deep (unless otherwise specified), of concrete or stone, with a 3–inch copper or brass pin, 3/8–inch in diameter, in the center, and must be set flush with the ground or pavement in locations indicated on the site plan.

d. Monuments will not be required where lines of buildings are coincident with property lines.

e. The Operator shall verify the figures shown on the survey and site plan before undertaking any construction work and will be responsible for the accuracy of the finished work.

f. After completion of construction and before final payment, the Operator must furnish the Owner blueprints (in triplicate) of plans showing the exact location of construction survey monuments with reference to true property lines.

12.7 OWNER PARTIAL OCCUPANCY.

a. The Owner's Representative reserves the right of partial occupancy or use of facilities, services, and utilities, before final acceptance, without implying completion or acceptance of any part of the Project by the Owner. Before such occupancy or use, the Owner's Representative must furnish the Operator an itemized list of work remaining to be performed or corrected. Failure to list an item will not relieve the Operator of the responsibility for complying with the terms of the Contract Documents. Responsibility for damage to the work within the partially occupied area shall be transferred to the Owner for any such partial occupancy or use.

b. Costs incurred and delays to the completion of the Project as a result of such partial occupancy or use of facilities, services, and utilities are subject to equitable adjustment under Article XVII, Section 17.1.

12.8 OWNER PROPERTY.

a. The Owner will deliver to the Operator, at the time and locations stated in this contract, the Owner property described in the specifications. If that property, suitable for its intended use, is not delivered in a timely manner to the Operator, the Owner's Representative may make an equitable adjustment in accordance with Article XVII, Section 17.1 if:

   1. The Operator submits a timely written request for an equitable adjustment; and

   2. The facts warrant an equitable adjustment.

b. Title to Owner property remains in the Owner even if incorporated in or affixed to property not owned by the Owner. The Operator may use the Owner property only in connection with this Agreement. The Operator must maintain adequate property control records in a form acceptable to the Owner's Representative and must make them available for Owner inspection upon request.

c. Upon delivery of Owner property to the Operator, the Operator assumes the risk and responsibility for its loss or damage, except:

   1. For reasonable wear and tear;

   2. To the extent property is consumed in performing the Agreement; or

   3. As otherwise provided in the Contract Documents.

d. Changes in Owner-Furnished Property

   1. By written notice, the Owner's Representative may; (a) decrease the property provided or to be provided by the Owner under this Agreement; or (b) substitute other Owner owned property for the property to be provided by the Owner, or to be acquired by the Operator for the Owner under this Agreement. The Operator must promptly take any action the Owner's Representative may direct regarding the removal and shipping of the property covered by this notice.

   2. In the event of any decrease in or substitution of property pursuant to subparagraph d.1 above, or any withdrawal of authority to use property provided under any other contract or lease, which property the Owner had agreed in this Agreement to make available, the Owner's Representative, upon the Operator's written request, or if substitution causes a decrease in the cost of performance, on the Owner's Representative's own initiative, may equitably adjust any contractual provisions affected by the decrease, substitution, or withdrawal, in accordance with the "Changes" clause.

e. The Operator must maintain and administer a program or system acceptable to the Owner's Representative for the utilization, maintenance, repair, protection, and preservation of Owner property until it is disposed of in accordance with this Section 12.8.

f. The Owner, and any persons designated by it, shall at reasonable times have access to premises where any Owner property is located for the purpose of inspecting it.

g. Within forty-five (45) calendar days after Notice to Proceed with construction, the Operator must submit a schedule to the Owner's Representative, in an acceptable format and giving desired dates for delivery of items and property furnished by the Owner. Approved dates of delivery must be confirmed by the Owner's Representative in writing. Approved dates of delivery must be confirmed by the Operator thirty (30) calendar days prior to scheduled delivery. The Operator must submit a written report to the Owner's Representative within forty-eight (48) hours after receipt, noting any shortages or damage to the Owner-furnished property.

h. If Owner-furnished equipment is to be installed and is not on the construction site, the Owner will make separate arrangements to provide delivery to the site. Any costs to Operator for labor associated with loading or unloading this Owner-furnished equipment will be negotiated.

i. Upon completing this Agreement, the Operator shall follow the Owner's Representative's instructions regarding the disposition of all Owner property not consumed in performing this Agreement or previously returned to the Owner. The Operator shall prepare for shipment, deliver f.o.b. origin, or dispose of the Owner property, as directed or authorized by the Owner's Representative. The net proceeds of any such disposal will be credited to award amounts due Operator or will be paid to the Owner as directed by the Owner's Representative.

12.9 OTHER CONTRACTS.

The Owner may award other contracts for additional work, and the Operator must cooperate fully with the other contractors and Owner employees, and carefully fit in its own work as may be directed by the Owner's Representative. The Operator must not unnecessarily commit or permit any act that will interfere with the performance of work by any other contractor or by Owner employees. Should contractors or Owner employees delay the Operator, cause any damage to Operator's work or otherwise cause an increase in the Operator's cost or time of performance, the contract sum and contract time shall be equitably adjusted.

12.10 OWNER PROPERTY FURNISHED "AS IS".

a. The Owner makes no warranty whatsoever with respect to Owner property furnished "as is" except that the property is in the same condition when placed at the f.o.b. point specified in the solicitation as when inspected by the Operator pursuant to the solicitation or (if not inspected by the Operator) as when last available for inspection under the solicitation.

b. The Operator may repair any property made available to the Operator "as is." Repair will be at the Operator's expense except as otherwise provided in this clause. Such property may be modified at the Operator's expense, but only with the written permission of the Owner's Representative. Any repair or modification of property furnished "as is" does not affect the title of the Owner.

c. If there is any change (between the time inspected or last available for inspection under the solicitation to the time placed on board at the location specified in the solicitation) in the condition of Owner property furnished "as is" that will adversely affect the Operator, the Operator must, upon receipt of the property, notify the Owner's Representative of that fact, and (as directed by the Owner's Representative) either (1) return the property at the expense of the Owner or otherwise dispose of it, or (2) effect repairs to return it to the condition it was in when inspected under the solicitation, or (if not inspected) as it was when last available for inspection under the solicitation. Upon completion of (1) and (2) above, the Owner's Representative, upon written request from the Operator, will equitably adjust any contractual provisions affected by the return, disposition, or repair, in accordance with the "Changes" clause. The foregoing provisions for adjustment are exclusive, and the Owner is not liable for any delivery of Owner property furnished "as is" in a condition other than that in which it was originally offered.

d. Except as otherwise provided in this clause, Owner property furnished "as is" is governed by this Section 12.10 of this Agreement.

12.11 RECORDS INSPECTION AND COPYING

Operator agrees that the Owner may, at its option and expense, inspect and copy all records relating to the Services provided under this Agreement to the extent necessary to confirm compliance with the terms of the Agreement.

ARTICLE XIII

ADMINISTRATIVE ITEMS

13.1. STANDARD REFERENCES.

All publications and other documents (such as manuals, handbooks, codes, standards, and specifications) cited in this Agreement for the purpose of establishing requirements applicable to equipment, materials, or workmanship are hereby incorporated by reference in this Agreement.

ARTICLE XIV

SUBCONTRACTING

14.1 SUBCONTRACTS

a. Nothing in this Agreement may be construed to create any contractual relationship between any subcontractors, and the Owner. The divisions or sections of the specifications are not intended to control the Operator in dividing the work among subcontractors or to limit the work performed by any trade.

b. The Operator is responsible to the Owner for acts and omissions of its own employees, of subcontractors and their employees, and any other person providing work on the Project through Operator. The Operator is also responsible for the coordination of the work of the trades of subcontractors.

c. The Owner will not undertake to settle any differences among the Operator, the Prime Construction Contractor, the A-E, and subcontractors or any of them.

ARTICLE XV

PROTECTION OF PERSONS AND PROPERTY

15.1 ACCIDENT PREVENTION.

a. All construction work on this Project must be performed in compliance with the Occupational Safety and Health Act of 1970 and with local or state occupational safety and health regulations enforced by an agency of the locality or state under a plan approved by the U.S. Department of Labor, Occupational Safety and Health Administration (OSHA). Where requirements are different or in conflict, the more stringent requirement will apply.

b. The Operator shall maintain an accurate record of exposure data and all accidents incidental to work performed under this contract resulting in death, traumatic injury, occupational disease, or damage to property, material, supplies, or equipment. The Operator must submit regular Project safety reports, exposure data, and accident reports, as prescribed by the Owner's Representative.

c. Health and Safety Plans are required as follows:

   1. Prior to commencing on-site work, the Operator must submit to the Owner's Representative, in triplicate, a Health and Safety Plan designed to provide a system by which hazards on the Project site will be controlled to minimize or eliminate occupational injuries or illnesses during performance of the contract.

   2. The Health and Safety Plan must state that the Prime Construction Contractor, A-E, and all subcontractors are required to comply with the Operator's Project safety rules and requirements issued under the authority of that program.

   3. The Health and Safety Plan must identify, by name, the Operator's representative responsible for the execution of the Project safety program. The Operator's Project safety representative must have the express written authority from the Operator to stop work, to abate hazardous conditions or unsafe practices, and to eject any Operator, Subcontractor, or vendor employees from the Project site for failure to comply with safety requirements.

   4. When conducting work at existing Owner facilities, the Health and Safety Plan must include the precautionary measures to be taken to protect Owner staff, faculty, students, employees and the public.

d. The authority, responsibilities, and duties of the Operator's Project safety representative must be incorporated as part of the written Health & Safety Plan. The safety responsibilities include, but are not limited to, conducting subcontractor construction safety program reviews, conducting employee safety orientation training, conducting weekly safety meetings, conducting daily site safety inspections, auditing Subcontractor safety compliance, and preparing required periodic and special safety reports.

e. In addition to the general requirements of Health and Safety Standards, the Operator, A-E and Prime Construction Contractor, specifically must comply with applicable OSHA requirements concerning Hazard Communications Standards. Details of the Operator's hazard communications program shall be included in the Health & Safety Plan.

15.2 HEALTH AND SAFETY STANDARDS.

a. In performing this contract, the Operator must:

   1. Comply with applicable Occupational Safety and Health Standards promulgated pursuant to the authority of the Occupational Safety and Health Act of 1970 (OSHA).

   2. Comply with any other applicable federal, state, or local regulations governing workplace safety to the extent they do not conflict with a.1 above; however, the more stringent shall apply.

   3. Comply with any Owner standard unless the OSHA standard contains more rigorous or stringent safety requirements, in which case the OSHA standard governs and takes precedence.

   4. Take all other proper precautions to protect the safety and health of the Operator's employees, Owner staff, faculty, students, employees, and the public.

b. The Operator must coordinate its use of existing Owner premises with the Owner's Representative. Subjects of this coordination include the designation of work and storage areas; the extent, if any, of use by the Operator of Owner tools and equipment; the furnishing by the Operator of

appropriate signs and barricades to exclude unauthorized personnel from the work areas and to call attention to hazards and dangers; and other matters relating to the protection of Owner staff, faculty, students, employees, property and the public.

c. Materials, supplies, articles, or equipment manufactured or furnished under this contract or order must conform to the Occupational Safety and Health Standards pursuant to the authority of OSHA, and to other safety and health requirements specified in this contract or order. When conducting work on existing facilities, the Operator must provide the Owner's Representative copies of Material Safety Data Sheets (MSDS) for any hazardous material, as defined by OSHA's Hazard Communications Standards, to be used on the job.

d. If no OSHA standard exists, federal or other nationally recognized standards apply. Copies of current Occupational Safety and Health Standards are available from regional and/or area offices of the U.S. Department of Labor, Occupational Safety and Health Administration.

15.3 PROTECTION OF THE ENVIRONMENT, EXISTING VEGETATION, STRUCTURES, UTILITIES, AND IMPROVEMENTS.

a. The Operator shall perform all work necessary to implement and accomplish a program to prevent environmental pollution during or as a result of construction performed under this Agreement. As a minimum, the Operator's work must conform to all requirements of applicable federal, state and local law.

b. The Operator must preserve, protect and maintain all existing vegetation (such as trees, shrubs, and grass), landscape features, athletic fields, and structures on or adjacent to the site of work that are not to be removed. Care must be taken in removing trees authorized by the Owner's Representative for removal, to avoid damage to vegetation that will remain in place. Any trees or other landscape features scarred or damaged by the Operator's equipment or operations must be restored by the Operator. The Owner's Representative decides what method of restoration must be used and whether damaged trees and/or shrubs will be treated or replaced. The Operator shall use guard posts or barriers as necessary to control vehicular traffic passing close to trees and/or shrubs to remain. Areas disturbed, such as temporary roadways or embankments, must be restored to near natural conditions that will permit the growth of vegetation. Disturbed areas must be graded and filled as required, covered with six inches of topsoil and landscaped as per the Contract Documents.

c. The Operator shall protect from damage all existing improvements or utilities at or near the site of the work, the location of which is known, and must repair or restore any damage to these facilities resulting from failure to comply with the requirements of this contract or to exercise reasonable care in performing the work. If the Operator fails or refuses to repair such damage promptly, the Owner's Representative may have the necessary work performed and charge the cost to the Operator.

d. The Operator shall obtain approval from the Owner's Representative for any temporary roads, embankments and disposal areas not included in Project specifications or drawings and restore such areas to original conditions, including appropriate landscaping, upon the completion of work.

e. Monuments, markers and works of art must be protected. Items discovered that have potential historical or archeological interest must be preserved. The Operator must leave the archeological find undisturbed and must immediately report the find to the Owner's Representative so that the proper authority may be notified. The contract sum and contract time shall be equitably adjusted if the Operator incurs additional cost or time to perform as a result of any such discovery.

f. Operator shall follow all Environmental Protection Agency, Department of Environmental Quality and other applicable governmental regulations and guidelines, as to the labeling, use, storage and disposal of "hazardous waste", which shall for the purposes of this agreement be defined as (a) any chemical, substance, material, mixture, contaminant or pollutant, now or hereafter defined as a "hazardous substance" under the comprehensive Environmental Response, Compensation and Liability Act, as amended from time to time; (b) petroleum, crude oil, or any fraction thereof; (c) any pollutant, contaminant, special waste or toxic substance now or hereinafter listed, defined by or subject to regulation under any federal, state or local statute, ordinance, rule, regulation, standard, policy, guidance, permit, order, administrative or judicial decision or pronouncement, previously, currently or hereafter in effect, as amended from time to time, pertaining to health, safety, or the environment, including without limitation, natural resources, environmental regulation, contamination, pollution, cleanup, or disclosure. Operator agrees to indemnify, hold harmless and defend Owner and all Owner's successors, employees, officers, boards, board members, representatives, and agents from any liability, claim, demand, action, cause of action, suit, loss, damage, injury, expense, cost, settlement, or judgment of any kind or nature including but not limited to demands, fines, remediations, or penalties asserted by any governmental entity, as a result of the treatment, storage, disposal, handling, spillage, leakage, or presence in any form in soils, surface waters, groundwaters, air, or property, of any wastes or "hazardous waste" as defined in this paragraph, at the subject property, to the extent caused or contributed to by Operator or Operator's subcontractors.

15.4 ACCESS TO SITE.

a. The Operator's access to the site and use of existing roads will be as agreed to by the Operator and the Owner's Representative including issuing vehicle passes for construction and private vehicles.

b. Operator shall not permit workers to carry firearms or other deadly weapons onto any Owner construction site or into any facility, including in their personal or construction vehicles. This supercedes any state or local law permitting the carrying of firearms or weapons. Violation of this clause shall be grounds for removal of individuals or contractors from the site or termination for default.

15.5 HANDLING ASBESTOS AND OTHER HAZARDOUS MATERIALS.

The Operator shall be responsible for handling any known asbestos or other known hazardous or contaminated materials existing on the site.

15.6 ELEVATOR WORK-QUALIFICATIONS.

a. The Operator, Prime Construction Contractor, or the subcontractor whom the Operator uses for performance of the elevator work, must have had at least three (3) years of successful experience in installing and servicing elevators.

b. In addition, the Operator, the Prime Construction Contractor, or its subcontractor must have installed, on at least two prior projects, elevators comparable to those required for this Project that have performed satisfactorily under conditions of normal use for a period of not less than one (1) year. To be considered comparable, prior installations must have not less than the same number of elevators operating together in one group as the largest number in any group specified for this Project, except that a group of four may be considered comparable to a large group specified for this Project.

c. A list of the prior comparable installations by the Operator, the Prime Construction Contractor, or its subcontractor, together with the names and addresses of the buildings, the names of the owners or managers, and any other pertinent information required must be submitted promptly upon request of the Owner.

d. The names, addresses, experience, and statement of work to be performed by each subcontractor or second-tier subcontractor whom the Operator, Prime Construction Contractor, or the principal subcontractor, as the case may be, will use for performance of minor portions of the installation of elevators must also be submitted promptly upon request of the Owner.

e. The Owner may reject the proposed elevator subcontractor if it is determined that it has failed to meet the experience requirements, or if it has been found to have an unsatisfactory record of prior elevator installations. In the case of rejection, the Operator must resubmit another name within ten (10) days for renewed consideration.

ARTICLE XVI

PAYMENTS

16.1 INVOICES (CONSTRUCTION).

a. The Operator's invoices must be submitted before payment can be made.

b. The Operator agrees that submission of an invoice to the Owner for payment is a certification that:

1. Any services being billed for have been performed in accordance with the requirements of the Contract Documents; and
2. Any supplies for which the Owner is being billed have been delivered or suitably stored off site, with appropriate insurance coverage, and in the quantities shown on the invoice, and that the supplies are in the quantity and of the quality designated in the Contract Documents. Operator shall provide, suitable to Owner's Representative approval, evidence of insurance for storage facility, a complete inventory of items, a written right of access to the items, and certification of title to the Owner.

c. To ensure proper payment, Operator must furnish all documents required elsewhere in the Contract Documents and/or as reasonably required by the Owner's Representative.

16.2 PAYMENT.

a. Reimbursable Costs for Construction:

1. The Owner will make progress payments monthly within thirty (30) calendar days of receipt of the Operator's invoice or at more frequent intervals as determined by the Owner's Representative. Before the first progress payment becomes due, the Operator must prepare a schedule of values reasonably acceptable to the Owner's Representative. The values in the breakdown will be used for determining progress payments.
2. If material delivered to the Project site that will be incorporated into the Project will be taken into consideration in computing progress payments, before each payment is made, the Operator must furnish the Owner's Representative proof of the quantity, value, and delivery of such material.
3. In making progress payments, the Owner's Representative will ordinarily retain five percent (5%) of the progress payments earned on the construction portion of the work. However, if the Owner's Representative, at any time after fifty percent (50%) of the construction portion of the work has been completed, finds that satisfactory progress is being made, he/she may authorize payment in full of all future progress payments earned.
4. All material and work covered by progress payments will be the sole property of the Owner. However, this paragraph does not:
   (a) Relieve the Operator of responsibility to protect and safeguard material and work for which payment has been made or for restoration of any damaged work; or
   (b) Waive the right of the Owner to require fulfillment of all terms of the Contract Documents.
5. Before receiving a progress payment or final payment under this Agreement, the Operator must certify to the Owner's Representative that payment due to the Prime Construction Contractor and subcontractors have been made from the proceeds of prior payments or will be made in a timely fashion from the payment then due the Operator.
6. Upon completion and acceptance of all work, the amount due the Operator under this Agreement shall be paid upon presentation of a properly executed invoice, after the Operator has furnished the Owner with a release of all claims against the Owner arising by virtue of this Agreement, other than claims in stated amounts that must be specifically excepted by the Operator from the operation of the release. If the final cost as audited by the Owner is less than the GMP, the final invoice shall include any share in savings (see Section 5.7). If the sum of all progress payments and the final invoice is greater than the GMP, the final invoice shall be adjusted so that the sum of all progress payments and the final payment is not greater than the GMP. If the Operator's claim to amounts payable under the Agreement has been assigned as provided in the Assignment of Claims clause, a release may also be required of the assignee.

b. Payment of the Fixed Fees will be made in accordance the schedule contained in Exhibit D.

16.3 CONSTRUCTION COST BREAKDOWN.

The Operator's submission of their Guaranteed Maximum Price (GMP) must include a construction cost breakdown by CSI Division and other breakdowns as reasonably requested by Owner's Representative. The Operator shall provide copies of its contract with its Prime Construction Contractor and construction subcontracts and a comparison to the GMP, for approval by the Owner's Representative, and for use in verifying monthly construction invoices.

16.4 ALLOWABLE COST AND PAYMENT.

a. **Invoicing:** The Owner will make payments to the Operator when requested as work progresses, but not more than monthly, in amounts approved by the Owner's Representative, such approval not to be unreasonably withheld. The Operator must submit an invoice or voucher to the address specified by Owner, supported by a statement of claimed allowable costs of performing this Agreement, in such form and detail as the Owner's Representative may reasonably require.

b. **Audit:** At any time or times before final payment, the Owner's Representative may have the Operator's invoices or vouchers and statements of cost audited. Any payment may be:

1. Reduced by amounts found by the Owner's Representative not to constitute Reimbursable Costs; or
2. Adjusted for prior overpayments or underpayments.

c. **Final Payment**:

1. The Operator must submit a completion invoice or voucher, designated as such, promptly upon completion of the work, but not later than one year (or longer, as the Owner's Representative may approve in writing) from the completion date. Upon approval of that invoice or voucher, and upon the Operator's compliance with all terms of this contract, the Owner will promptly pay any balance of allowable costs and that part of the fee (if any) not previously paid.

2. In exchange for final payment the Operator shall release the Owner and its officers, agents, and employees from all liabilities, obligations, and claims arising out of or under this Agreement, except for those that have been identified as open in the final invoice.

ARTICLE XVII

CHANGES/CLAIMS/DISPUTES

17.1 CHANGES.

a. The Owner may at any time, without notice to any sureties, by written change specifically designated or indicated to be a Change Order or Change Directive, make a Change, including, without limitation, one that:

1. Changes the plans and specifications (including drawings and designs);
2. Changes the method or manner of performance of the work;
3. Changes the Owner-furnished facilities, equipment, materials, services, or site; or
4. Directs acceleration in the performance of the work.

b. Any other written or oral order, direction, instruction, interpretation, or determination from the Owner that causes a change to the Scope of Work or its duration will only be treated as a Change Directive, allowing a change in compensation or schedule, only if (1) the Operator gives the Owner's Representative written notice as soon as possible, but not later than within ten (10) days, of the receipt by Operator, the Prime Construction Contractor, or any subcontractor, whichever has first receipt of such order, direction, instruction, or determination, stating (i) the date, circumstances, and source of the order, direction, instruction or determination, and (ii) that the Operator regards the order, direction, instruction or determination as a Change, and (2) Operator does not incur additional costs attributable to such order, direction, instruction or determination without first receiving a Change Directive from Owner unless waiting for a Change Directive is clearly unreasonable under the circumstances.

c. Except as provided in this Section 17.1, no order, direction, instruction, interpretation, determination, statement, or conduct of the Owner's Representative may be treated as a Change or entitle the Operator to any adjustment in compensation or schedule.

d. If any Change under this Article causes an increase or decrease in the Operator's cost of, or the time required for, the performance of any part of the work under this Agreement, the Owner shall issue a Change Order or Change Directive. However, no claim for any Change shall be allowed for which the Operator has not strictly complied with the requirements of paragraph b as well as all other requirements of this Agreement. No claims will be allowed for defective plans or specifications prepared by or for the Operator.

e. No claim by the Operator will be allowed if asserted after final payment under this Agreement.

f. After approval of final Plans and Specifications, except for the correction of errors and omissions, the Operator shall not make or allow any changes in the plans or specifications, including drawings and designs, without approval of the Owner's Representative.

g. The GMP shall be adjusted for overruns and underruns in the allowances. The Operator shall include in the GMP all allowances stated in the Agreement. Items covered by allowances shall be supplied for such amounts and by such persons or entities as the Owner's Representative may direct or as required to perform the work, but the Operator shall not be required to employ persons or entities to whom the Operator has reasonable objection. Unless otherwise provided in this Agreement, (1) allowances shall cover the Reimbursable Costs to the Operator of materials and equipment delivered at the site and all required taxes, less applicable trade discounts but no other costs, whether or not such costs would otherwise constitute Reimbursable Costs; (2) Operator's cost for unloading and handling at the site, labor, installation costs, overhead, profit and other expenses contemplated for stated allowance amounts shall be included in the GMP but not in the allowances; and (3) whenever Reimbursable Costs covered by (1) are more or less than allowances, the GMP shall be adjusted accordingly by Change Order. The amount of the Change Order shall reflect the difference between actual Reimbursable Costs covered by (1) costs and the allowances. Materials and equipment under an allowance shall be selected by the Owner's Representative in sufficient time to avoid delay in the work. Allowance overruns may be deducted from the Owner's portion of savings, if any, in the Operator's contingency, with the Operator's approval such approval, to be at the sole discretion of Operator.

h. The Operator shall not proceed with any Change until the Owner has obtained all necessary approvals and funds to pay for the Change.

i. Any changes or change orders made under this Comprehensive Agreement will require the approval of the Board of Supervisors of Appomattox County, or its designated agent. This requirement shall only apply if the change or change order causes an increase in the overall cost of the Project.

17.2 CHANGE ORDER ACCOUNTING.

The Owner's Representative may require Change and Change-order accounting whenever the estimated cost of a Change or series of related Changes exceeds $100,000. The Operator, for each Change or series of related Changes, must maintain separate accounts, by job order or other suitable accounting procedure, of all incurred segregable, direct costs (less allocable credits) of work, both changed and not changed, allocable to the Change. The Operator shall maintain such accounts until the parties agree to an equitable adjustment for the Changes ordered by the Owner's Representative or the matter is finally disposed of in accordance with Section 17.5.

17.3 EQUITABLE ADJUSTMENTS.

a. **Fixed Fees for A-E Services:**

1. There will be no monetary adjustment to any of the Fixed Fees component for Architect-Engineer Services under this Agreement except where the Scope of Work has been modified by the Owner. The A-E component of Fixed Fees for such Scope of Work changes will only be adjusted when the Owner-requested change requires a duplication of work that has already been accomplished, causes an appreciable increase in direct labor, material or other costs to work included under the A-E component of the Fixed Fees, or requires new labor, material or other direct costs of work not included under the existing A-E component of the Fixed Fees. All other changes required to complete the work will be the responsibility of the Operator.
2. Adjustment in the A-E component of Fixed Fees will be based upon the extent of change to the work and not upon a percentage of construction costs. The Owner will negotiate an adjustment on the basis of the costs per discipline for the production of drawings, calculations, specifications, estimating and other services. Prior to negotiations, the Operator shall submit an Estimate of Fee for Modification of Design.
3. Where a proposal for a Fixed Fees modification is submitted by the Operator, the overhead, profit and commission percentages included in the proposal will be based solely on changes in labor, material, or other direct costs covered under the Fixed Fees. No percentages for overhead, profit, or commission will be allowed on employment taxes under FICA and FUTA. The percentages for overhead, profit and commission will be negotiated and may vary according to the nature, extent, and complexity of the work involved. Not more than three percentages, not to exceed the maximum percentages shown below, will be allowed regardless of the number of tiers of subcontractors; that

is, the markup on work subcontracted by a subcontractor will be limited to one overhead percentage and one profit percentage in addition to the Operator's commission percentage. On proposals covering both increases and decreases of the Fixed Fees of the Agreement, the overhead, profit, and where applicable commission will be computed on the net change only.

	Overhead	Profit	Commission
To Operator on work performed by other than own forces	0%	0%	10%
To Architect and/or the subcontractors for that portion of work performed with their respective forces	140%*	10%*	0%

* billable rate multiplier

4. The Operator must submit with its proposal its request for time extension (if any).
5. In considering a proposal, the Owner may check estimates in detail, utilizing unit prices where specified or agreed upon, with a view to arriving at an equitable adjustment.
6. Upon written request by the Owner's Representative, the Operator must submit a proposal, in accordance with the requirements and limitations set forth in subparagraphs (a.1) through (a.6) of this clause, for work involving proposed changes covered by the request, within the time limit indicated in the request or any extension of such time limit as may be subsequently granted. If, within a reasonable time after the receipt of such proposal, the Owner's Representative orders the Operator to proceed with the performance of the work contemplated, the proposal submitted prior to the order will constitute the Operator's statement of the monetary extent of claim for equitable adjustment to any component of the Fixed Fees.

b. **Reimbursable Costs and Fixed Fees For Development and Construction:**

1. There will be no monetary adjustment to the GMP under this Agreement except when the Scope of Work has been modified by the Owner by Change and except as allowable under the other provisions of this Agreement. All other changes required to complete the work shall be the responsibility of the Operator.
2. In the event of a Change, an appropriate monetary adjustment to the GMP will be made if all the requirements of this Agreement are met. The Operator's written statement of the monetary extent of any claim for equitable adjustment under this Agreement must be submitted in the form of a lump sum proposal (unless otherwise requested) with an itemized breakdown of all increases or decreases in the cost of the Operator's and all subcontractors' work, in at least the following detail:
   (a) Material quantities and unit cost
   (b) Labor costs (identified with the specific item of material to be placed or operation to be performed)
   (c) Construction equipment
   (d) Worker's Compensation, Automobile and Public Liability Insurance, Builders Risk
   (e) Overhead-Subcontractor only
   (f) Profit-Subcontractor only
   (g) Employment taxes under FICA and FUTA
3. The Operator's and Contractor's overhead, profit and commission will be included in a modification to the component of the Fixed Fees for Development and Construction Support Services, if required. The subcontractors' overhead and profit percentage included in the proposal will be considered to include, but not be limited to, insurance other than mentioned in b.2. of this clause, use of small tools, incidental job burdens, and general office expense. No percentages for overhead, profit or commission will be allowed on employment taxes under FICA and FUTA. The percentages for overhead, profit and commission will be negotiated and may vary according to the nature, extent, and complexity of the work involved. Not more than two percentages for subcontractor's work, not to exceed ten (10) percent each, will be allowed regardless of the number of tiers of subcontractors; that is, the markup on work subcontracted by a subcontractor will be limited to one overhead percentage and one profit percentage. On proposals covering both increases and decreases of the Scope of Work, the overhead and profit will be computed on the net change only.
4. The Operator must submit with its proposal its request for time extension (if any).
5. In considering a modification to the GMP, the Owner may check estimates in detail, utilizing unit prices where specified or agreed upon, with a view to arriving at an equitable adjustment.
6. Where modification is made to the GMP, appropriate adjustment will be made to the Fixed Fees for Development and Construction Support Services. This adjustment should include the Operator's profit and overhead costs only for work which:
   (a) Requires a duplication of work already included under the fee that has already been accomplished;
   (b) Causes an appreciable increase in direct labor, material or other costs included under the fee; or
   (c) Requires new labor, material or other direct costs of work not included under the fee.

   The Operator's and Contractors percentage of profit and overhead costs will be negotiated and may vary according to the nature, extent, and complexity of the work, but will not exceed ten (10) percent for the Operator and ten (10) percent for the Contractor in total.
7. Payment for a Change involving construction work will be made on the basis of direct construction costs and subcontractor costs that are Reimbursable Costs, up to the limit of the revised GMP. Payment for Operator and Contractor services will be made on the basis of the negotiated fee.
8. After receipt of a proposal with a detailed breakdown, the Owner's Representative will act reasonably promptly thereon. However, when the necessity to proceed with a Change does not allow sufficient time to check a proposal, or in the event of a failure to reach an agreement on a revised GMP, the Operator, if directed by Owner, shall proceed with the work and will be reimbursed for all direct costs. The GMP shall be subsequently modified based on the actual cost of the change, plus a fee increase for overhead and profit as provided in this Article XVII.

9. Upon written request by the Owner's Representative, the Operator shall submit a proposal, in accordance with the requirements and limitations set forth in subparagraphs (b.1) through (b.9) of this clause, for work involving contemplated changes covered by the request, within the time limit indicated in the request or any extension of such time limit as may be subsequently granted. If, within a reasonable time after receipt of such proposal, the Owner's Representative orders the Operator to proceed with the performance of the work proposed, the proposal submitted prior to the order will constitute the Operator's statement of the monetary extent of its claim for adjustment to the Guaranteed Maximum Price.

17.4 DIFFERING SITE CONDITIONS

Operator represents that it has recommended the site(s) for the Project and has had full opportunity to inspect such site(s) to determine suitability for this Project. Operator therefore waives any claim to an adjustment in Guaranteed Maximum Price arising from subsurface, latent or other unknown physical conditions at the site and voluntarily assumes the risk of increased costs associated with the possible existence of such conditions.

17.5 RESOLUTION OF DISPUTES, CLAIMS AND OTHER MATTERS

Disputes, claims and other matters in question between the parties shall only be resolved as follows:

a. The Operator shall give Owner written notice of any claim for any additional compensation, damages, or delay within ten (10) days of the beginning of the occurrence of the event leading to the claim being made, or within ten (10) days of when Operator or any of its subcontractors first knew or first reasonably should have known of the occurrence of the event leading to the claim being made, and Operator shall submit the actual claim and any supporting data reasonably available within thirty (30) days after the occurrence giving rise to the claim ends unless otherwise agreed in writing by the parties. The "occurrence" means the condition encountered in the field giving rise to the claim and not a later dispute about payment for that condition. Claims of delay will be resolved as they occur, and no claims of cumulative impacts or deferral of claimed delay will be allowed. Complete satisfaction of this Section 17.5.a is a condition precedent for Operator to pursue a claim arising under or relating to this Agreement, and failure by Operator to satisfy this subparagraph a as to written notice or, unless otherwise agreed in writing by the parties, to submit its claim and reasonably available data in accordance with this Section 17.5.a will waive any claim by Operator as to which such failure applies. Unless otherwise agreed by the parties, the Owner shall act on any claims within ninety (90) days of their receipt.

b. The parties shall first endeavor to resolve any disputes, claims or other matters in question between them through direct negotiations, and if such direct negotiations fail, by non-binding mediation conducted pursuant to the Rules of the American Arbitration Association, with the site of the mediation being Appomattox County, Virginia. Should the dispute, claim, or other matter in question remain unresolved for the shorter of (i) following negotiation and mediation, or (ii) more than ten (10) days after mediation is invoked by a party, either party may proceed in accordance with Section 17.5.c below.

c. If the procedures of Section 17.5.b have been followed, but, more than ten (10) days have passed since a party has invoked mediation, and the dispute, claim or matter in question remains unresolved, then either party may institute a lawsuit or chancery action, as appropriate, in the Circuit Court of Appomattox County, Virginia, or if the subject or amount in controversy is within its jurisdiction, the General District Court of Appomattox County, Virginia.

d. Nothing in Sections 17.5.b or 17.5.c shall prevent a party from seeking immediate temporary injunctive or other temporary equitable relief in Appomattox County Circuit Court if circumstances so warrant.

e. In the event of any dispute, claim, or other matter in question arising, Operator shall continue its performance diligently during its pendency as if no dispute, claim or other matter in question had arisen. During the pendency of any dispute in connection with the payment of moneys, Operator shall be entitled to receive payments for non-disputed items.

f. No claim by Operator shall be allowed if submitted after final payment.

ARTICLE XVIII

TERMINATIONS

18.1 TERMINATION FOR CONVENIENCE.

a. Performance under this Agreement may be terminated by the Owner for convenience, for any reason, in whole or in part at any time. A termination may be effected by delivery to the Operator of a notice of termination specifying the extent of work terminated, and the effective date of the termination (thirty [30] calendar days minimum notice).

b. Upon receipt of a notice of termination, unless otherwise directed by the Owner's Representative, the Operator must take the following actions:

   1. Stop work to the extent specified in the notice.
   2. Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of the unterminated work.
   3. Terminate all orders and subcontracts to the extent that they relate to the work terminated.
   4. Settle all outstanding liabilities and claims arising out of the termination of orders and subcontracts.
   5. Transfer title to the Owner and deliver as directed by the Owner's Representative:
      (a) Work in process, completed work, and other material produced as a part of or acquired for the work terminated; and
      (b) The completed or partially completed (in both hard copy and electronic format) plans, drawings, information, and other property that, if the Agreement had been completed, would have been furnished to the Owner.
   6. Use its best efforts to sell, as directed by the Owner's Representative, any property of the types referred to in paragraph b.5 above, provided that the Operator may acquire property under the conditions prescribed and at prices approved by the Owner's Representative, and the proceeds of any such transfer will be applied in reduction of any payments to be made by the Owner to the Operator, or be credited to the price or cost of the work covered by this Agreement, or be paid in any manner directed by the Owner's Representative.
   7. Complete performance of the work not terminated.
   8. Take any action that may be necessary, or that the Owner's Representative may direct, for protecting and preserving any property related to this Agreement that is in the possession of the Operator and in which the Owner has or may acquire an interest.

c. At any time, the Operator may submit to the Owner's Representative a list, certified as to quantity and quality, of termination inventory not previously disposed of, and may request the Owner to remove inventory items or enter into a storage agreement covering them. Not later than fifteen (15) calendar days after receiving this request, the Owner will accept title to the items and remove them or enter into a storage agreement. The list will be subject to verification by the Owner's Representative upon removal of the items or, if the items are stored, within forty-five (45) days after submission of the list.

d. After termination, the Operator must submit to the Owner's Representative a termination claim in the form and with the certification prescribed by the Owner's Representative. The claim must be submitted promptly, but in no event more than one (1) year after the effective date of termination, unless an extension in writing is granted by the Owner's Representative. However, if the Owner's Representative determines that the facts justify such action, any termination claim may be received and acted upon at any time after the one (1) year period. Upon failure of the Operator to submit a termination claim within the time allowed, the Owner's Representative may determine, on the basis of the information available, the amount, if any, due the Operator by reason of the termination and will pay that amount.

e. If the Operator and the Owner's Representative fail to agree on the amount to be paid to the Operator by reason of the termination, the Owner will pay the Operator the total of:

   1. The amount payable per the Draw Schedule for Fixed Fees and the Schedule of Values for Reimbursable Costs based on the progress obtained on the Project at the time of the termination.;

   2. The cost of settling and paying claims arising out of the termination of work under subcontracts.

f. The total sum to be paid to the Operator may not exceed the total Agreement price as reduced by the payments made and as further reduced by the Agreement price of work not terminated. Except for normal spoilage, and except to the extent that the Owner expressly assumed the risk of loss, there will be excluded from the amounts payable to the Operator under paragraph e above, the fair value, as reasonably determined by the Owner's Representative, of property destroyed, lost, stolen, or damaged so as to become undeliverable to the Owner, or to a buyer.

g. The Operator has the right of review under the "Claims and Disputes" clause of any determination made by the Owner's Representative under paragraph d or e above, except that, if the Operator has failed to submit its termination claim within the time provided in paragraph d above and has failed to request an extension of time, there may be no right of review.

h. In arriving at the amount due the Operator, there must be deducted:

   1. Any valid claim that the Owner may have against the Operator under this Agreement; and

   2. The agreed price for or the proceeds of sale of materials, supplies, or other things kept by the Operator or sold and not recovered by or credited to the Owner.

i. If the termination is partial, the Operator must file with the Owner's Representative a request in writing for an equitable adjustment of the price specified in the Agreement relating to the continued portion of the Agreement.

18.2 TERMINATION FOR DEFAULT.

a. The Owner may, subject to paragraph d below, by written notice of default to the Operator, terminate this Agreement in whole or in part if the Operator fails to:

   1. Complete the requirements of this Agreement within the time specified in the Agreement or any extension;

   2. Make progress, so as to endanger performance of this Agreement; or

   3. Perform any of the other material provisions of this Agreement (but see subparagraph b following).

b. Owner may terminate this Agreement under paragraph a.2 and a.3 if the Operator does not commence to cure the failure within ten (10) calendar days (or more if authorized in writing by the Owner's Representative) after receipt of the notice from the Owner's Representative specifying the failure.

c. Owner may terminate this Agreement without notice or opportunity to cure if Operator declares bankruptcy or is involuntarily placed into bankruptcy.

d. If the Owner terminates this Agreement in whole or in part, it may acquire similar supplies or services or complete the work, and the Operator will be liable to the Owner for any excess costs. However, the Operator must continue the work not terminated.

e. Except for defaults of subcontractors at any tier, the Operator is not liable for any excess costs if the failure to perform the Agreement arises from causes beyond the control and without the fault or negligence of the Operator.

f. If this Agreement is terminated for default, the Owner may require the Operator to transfer title and deliver to the Owner, as directed by the Owner's Representative, any completed supplies, partially completed supplies, and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights that the Operator has specifically produced or acquired for the terminated portion of this Agreement. Upon direction of the Owner's Representative, the Operator must also protect and preserve property in its possession in which the Owner has an interest.

g. The Owner will pay the Agreement price for completed items delivered and accepted. The Operator and Owner's Representative may agree on the amount of payment for items delivered and accepted under paragraph e above for the protection and preservation of the property. Failure to agree will be a dispute under Section 17.5 of this Agreement. The Owner may withhold from these amounts any sum the Owner's Representative determines to be necessary to protect the Owner against loss because of outstanding claims.

h. If, after termination, it is determined that the Operator was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for convenience.

i. The rights and remedies of the Owner under this Section 18.2 are in addition to any other rights and remedies provided by law or under this Agreement.

18.3 TERMINATION FOR OWNER DEFAULT.

a. The Operator may terminate the contract for default if, through no act or fault of the Operator or a Subcontractor, Sub-subcontractor or their agents or employees or any other persons or entities performing portions of the work under direct or indirect contract with the Operator, the Owner has not issued a certificate for payment and has not notified the Operator of the reason for withholding the certificate for payment within thirty (30) calendar days of receipt of a valid invoice, or because the Owner has not made payment within thirty (30) calendar days after the time stated in the Agreement for payment.

b. The Operator may terminate the Agreement for default if, through no fault of the Operator, Contractor or a Subcontractor, Sub-subcontractor or their agents or employees or any other persons or entities performing portions of the work under direct or indirect contract with the Operator or Contractor, repeated suspensions, delays or interruptions of the entire work by the Owner, other than resulting from a termination for convenience

or termination of Operator for default, as described in the contract, constitute in the aggregate more than one hundred twenty (120) calendar days in any three hundred sixty-five (365) calendar day period.

ARTICLE XIX

INSPECTION AND ACCEPTANCE

19.1 INSPECTION OF PROFESSIONAL SERVICES.

The Owner's Representative may, at any time or place, inspect the services performed and the products, including documents and reports. No matter what type of contract is employed, and in addition to any specific standards of quality set out in this agreement, the Owner's Representative may reject any services or products that do not meet the requirements of this Comprehensive Agreement. No payment will be due for any services or products rejected under this clause.

19.2 INSPECTION AND ACCEPTANCE.

a. Owner inspection and testing of materials and workmanship will be made at reasonable times at the site of the work or off the site as the Owner's Representative may direct. Off–site inspection or testing does not relieve the Operator of responsibility for damage to or loss of the material prior to acceptance, nor in any way affect the continuing rights of the Owner after acceptance of the completed work under the terms of paragraph f of this section.

b. The Operator must, without charge, replace any material or correct any workmanship found by the Owner not to conform to the contract requirements, unless the Owner consents to accept such material or workmanship with an appropriate adjustment in contract price. The Operator must promptly segregate and remove rejected material from the premises.

c. If the Operator does not promptly replace rejected material or correct rejected workmanship, the Owner may, by contract or otherwise, replace or correct it and charge the cost to the Operator.

d. The Owner may examine completed work by removing or tearing it out. The Operator must replace or correct any work found not to conform to contract requirements. If work is torn out and found to comply with contract requirements, the Owner's Representative must make an equitable adjustment for the services provided for the inspection and replacement of the work.

e. The Owner will inspect the work as soon as practicable after completion.

f. The Owner may terminate this contract for default and seek any remedy allowed by law if the Operator does not maintain an acceptable inspection system or follow Owner directions to replace or correct incorrect or defective items.

19.3 TECHNICAL SUPERVISION.

a. Performance of the work is subject to technical input by representatives of the Owner. Technical input includes suggestions to the Operator which fill in technical details, suggest possible lines of inquiry, or otherwise clarifies the scope of work, but do not constitute new scopes of work.

b. The Owner reserves the right to use construction management support services (CMSSC) personnel, or other qualified personnel under contract to the Owner, to provide such technical supervision.

19.4 APPROVAL OF DESIGN.

a. The Owner's Representative must approve final plans and specifications. However, phased or fast track construction may commence prior to approval of final plans and specifications, provided the Owner's Representative has approved plans and specifications covering only that phase of the work. The Owner's Representative's review will be primarily for general arrangement and compliance with Owner requirements included as part of the contract.

   Owner's Representative's approval shall not be construed as:

   1. Permitting any departure from the contract requirements, without specific prior written approval.
   2. Relieving the Operator of responsibility for any errors including, but not limited to, details, dimensions and materials;
   3. Relieving the Operator of responsibility for compliance with applicable codes of local, state, or federal codes or regulations

b. After approval of plans and specifications, the Operator shall be responsible for revising plans and specifications to correct deficiencies. Copies of revised plans and specifications will be furnished to the Owner's Representative. There will be no modification to any fee or to the GMP to the contract, as a result of such deficiencies.

19.5 PROJECT CLOSEOUT.

Unless specified for an earlier date elsewhere in this contract, the Operator must process all documents, changes, claim submissions, complete all Project closeout items, and submit a final report certifying that this action has been taken not later than six (6) months after the date of Substantial Completion.

19.6 ASBESTOS FREE AND LEAD-BASED PAINT FREE CERTIFICATION.

The Operator must certify that no asbestos-containing building materials or lead-based paints (interior or exterior) were used in this Project. The Operator must include completed and unaltered asbestos free and lead-based paint certifications as a closeout submittal document. The only acceptable alternative for asbestos certification is to conduct a post-construction asbestos survey in accordance with AHERA requirements.

ARTICLE XX

MISCELLANEOUS

20.1 REPRESENTATIONS AND WARRANTIES OF AUTHORITY.

a. Operator represents and warrants that it has legal authority to enter into this Agreement and perform all of its obligations herein, that all Work under this Agreement shall be performed by appropriately licensed entities or individuals when required, and that the execution of this Agreement by it has been duly and properly authorized. As a condition to this Agreement's effectiveness, Operator shall provide to Owner a certificate in form and with attachments satisfactory to Owner showing to Owner's satisfaction Operator's legal existence and authority to enter into this Agreement.

b. Owner represents and warrants that it has legal authority to enter into this Agreement and perform all its obligations herein and that the execution of this Agreement by it has been duly and properly authorized, including approval by the local governing body in accordance with Va. Code § 56--575.16 (as evidenced by the signature of approval on behalf of Owner affixed to this Agreement).

20.2 EQUAL OPPORTUNITY EMPLOYMENT.

a. During the performance of this Agreement, the Operator agrees as follows:

(1) The Operator will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by federal or state law relating to discrimination in employment, except where there is a bona-fide occupational qualification reasonably necessary to the normal operation of the Operator. The Operator agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

(2) The Operator, in all solicitations or advertisements for employees placed by or on behalf of the Operator, will state that Operator is an equal opportunity employer.

(3) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the notice, advertisement, and solicitation requirements of this paragraph.

b. The Operator will include the provisions of the foregoing paragraphs a(1), a(2), and a(3) (substituting the subcontractor or vendor for Operator as the obligated party) in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

20.3 DRUG-FREE WORKPLACE.

a. During the performance of this Agreement, the Operator agrees to (i) provide a drug-free workplace for the Operator's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Operator's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Operator that the Operator maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses (substituting the subcontractor or vendor for the Operator as the obligated party) in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

b. For the purposes of this paragraph, *"drug-free workplace"* means a site for the performance of work done in connection with this Agreement by Operator where its employees are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the Agreement.

20.4 NOTICES.

a. All notices and demands by any party to any other shall be given in writing and sent by a nationally-recognized, overnight courier or by United States certified mail, postage prepaid, return receipt requested, and addressed as follows:

b. Any party may, upon prior notice to the others, specify a different address for the giving of notice. Notices shall be effective one day after sending if sent by overnight courier or three (3) days after sending if sent by certified mail, return receipt requested.

20.5 SUCCESSORS AND ASSIGNS.

Except as expressly otherwise provided, all of the terms, covenants and conditions hereof shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. This Agreement may not be assigned without the prior written consent of the parties to this Agreement. Notwithstanding the foregoing, if financing is obtained for the Project, the Owner may assign this Agreement to a third-party, as needed, to acquire a leasehold interest in the sites and to own the Project improvements. This Agreement may also be assigned to a mortgagee(s)/trustee(s) of deed(s) of trust of the fee or leasehold interest in the sites or portions of them. The Operator hereby consents to collateral assignment of this Agreement in favor of such mortgagee(s)/trustee(s) of deed(s) of trust, in a form reasonably satisfactory to such mortgagee(s)/trustee(s).

20.6 NO WAIVER.

The failure of Owner to insist upon the strict performance of any provisions of this Agreement, the failure of Owner to exercise any right, option or remedy hereby reserved, or the existence of any course of performance hereunder shall not be construed as a waiver of any provision hereof or of any such right, option or remedy or as a waiver for the future of any such provision, right, option or remedy or as a waiver of a subsequent breach thereof. The consent or approval by Owner of any act by Operator requiring Owner's consent or approval shall not be construed to waive or render unnecessary the requirement for Owner's consent or approval of any subsequent similar act by Operator. No provision of this Agreement shall be deemed to have been waived unless such waiver shall be in writing signed by the party to be charged.

20.7 SEVERABILITY

If any term or provision of this Agreement shall be determined to be invalid or unenforceable in any respect, it shall be replaced with a substantially similar provision to the greatest extent possible and the Agreement shall remain in full force and effect.

20.8 COUNTERPARTS.

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of such counterparts together shall be deemed to be one and the same instrument. It shall not be necessary in making proof of this Agreement or any counterpart hereof to produce or account for the other counterpart.

20.9 ENTIRE AGREEMENT.

This Agreement and the exhibits attached hereto and forming a part hereof set forth all the covenants, promises, agreements, conditions and understandings between Operator and Owner concerning the Project, and there are no covenants, promises, agreements, conditions or understandings, either oral or written, between them other than are herein set forth. No alteration, amendment, change or addition to this Agreement shall be binding upon Operator or Owner unless reduced to writing and signed by each party. Extracts from Operator's Conceptual Phase and Detailed-Phase proposals at Exhibit B are attached and incorporated by reference for purposes of providing details concerning the overall intent of the parties. However, Exhibit B is not intended to contradict this Agreement, and in the event of inconsistencies, this Agreement shall control.

20.10 WAIVER OF CLAIMS FOR CONSEQUENTIAL DAMAGES

Except as otherwise specifically provided, Owner and Operator waive claims against the other for consequential damages arising out of or relating to this Agreement. Nothing contained in this paragraph shall be deemed to preclude an award of liquidated damages when applicable in accordance with this Agreement.

20.11 GOVERNING LAW.

This Agreement shall be governed by, and construed in accordance with, the laws of the Commonwealth of Virginia. Venue for any litigation arising from this Agreement shall be proper in the Appomattox County Circuit Court, or in the Appomattox County General District Court if the amount in controversy is within the jurisdictional limit of such court, and all parties to this Agreement voluntarily submit to the jurisdiction and venue of such courts, regardless of the actual location of such parties. The provisions of this Agreement shall not be construed in favor of or against either party but shall be construed according to their fair meaning as if both parties jointly prepared this Agreement.

20.12 ANNUAL APPROPRIATION AND PLAN OF FINANCE.

The financial obligations of the Owner contained in this Agreement are subject to annual appropriation. Operator shall cooperate in executing any documents reasonably necessary to aid Owner in implementing its plan of finance for the Project.

20.13 FINANCIAL STATEMENTS.

Operator agrees to provide Owner with copies of its complete and current financial statements on an annual basis, or more frequently if reasonably requested by Owner. The Operator may designate such financial statements as confidential proprietary information exempt from release under the Virginia Freedom of Information Act by following the procedure for such designation indicated in the Owner's PPEA implementation procedures.

20.14 COPY OF AGREEMENT TO AUDITOR OF PUBLIC ACCOUNTS.

Owner shall submit a copy of this Agreement to the Virginia Auditor of Public Accounts within thirty (30) days of its effective date.

20.15 APPROVAL BY APPOMATTOX COUNTY A CONDITION PRECEDENT TO AGREEMENT'S EFFECTIVENESS.

It shall be a condition precedent to this Agreement's effectiveness that it first be approved by Appomattox County.

20.16 CERTIFICATIONS.

Operator has executed and provided to Owner a Vendor's Certification (Exhibit L), Statement of Disclaimer (Exhibit M) and Contractor Eligibility Certification (Exhibit N) contemporaneously with the execution of this Agreement. Operator shall require all subcontractors who will perform more than $10,000.00 of work pursuant to this Agreement to execute each of these documents (Exhibits L, M and N) prior to commencement of such subcontractor's work. Also attached hereto and incorporated herein by this reference is Exhibit R, Contractor Certifications and Compliance.

20.17 RULES AND REGULATIONS OF OWNER.

Operator agrees to abide by, and to guarantee its subcontractors and their employees abide by, all reasonable rules and regulations which Appomattox County Public Schools adopt from time to time to govern the use by Operator, its subcontractors and employees of the school premises and the property which is the subject of this Agreement. At present, Operator agrees to abide by the construction rules set forth in Exhibit O, which is attached hereto, and to ensure that its subcontractors and their employees also abide by such rules. Operator agrees that the rules set forth in Exhibit O are reasonable, but further agrees to abide by, and to guarantee its subcontractors and their employees abide by, any reasonable additional rules or changes to the rules which may be adopted by the Appomattox County Public Schools from time to time. Attached hereto and incorporated herein by this reference is Exhibit P, Required Conditions to All Contracts.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly authorized representatives as of the date first above written.

<Required Conditions to All Contracts>

See Attachment(s)

EXHIBIT P – Required Conditions of All Contracts – Appomattox County Public Schools

As used herein, the term "contractor" shall apply to JAMERSON-LEWIS CONSTRUCTION, INC., a Virginia corporation, located at [ADDRESS LINE 1, ADDRESS LINE 2, City, Virginia zip], and the term "Schools" shall apply to Appomattox County Public Schools.

1. AVAILABILITY OF FUNDS: This contract is conditioned upon appropriation and availability of funds from year to year. If sufficient appropriation and funding is not available, in the sole judgment of the Schools, the Schools may terminate the contract without penalty, cost, or damage payment.

2. INSURANCE: If requested, the contractor shall secure and provide insurance in at least the following minimum amounts:

a. Automobile Liability Insurance: $1,000,000 combined single limit,
b. General Liability Insurance: $1,000,000 occurrence limit, $2,000,000 general aggregate,
c. Professional Liability (if appropriate): $1,000,000 occurrence limit, $2,000,000 aggregate, and
d. Workers' Compensation Insurance at statutory limits.

Upon request, the contractor shall have the Appomattox County School Board added as an additional insured.

3. EMPLOYMENT DISCRIMINATION: During the performance of this contract, the contractor agrees as follows in accordance with Code of Virginia §2.2-4311:

a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.
c. Notices, advertisements and solicitations place in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.
d. The contractor will include the provisions of the foregoing paragraphs a, b and c in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

4. DRUG-FREE WORKPLACE: During the performance of this contract, the contractor agrees to provide a drug-free workplace for the contractor's employees, in accordance with Code of Virginia §2.2-4312.

5. NONDISCRIMINATION STATEMENT:
In accordance with the Code of Virginia §§2.2-4310 and 2.2-4343.1, this public body does not discriminate against faith-based organizations or against a bidder or offeror because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment.

6. LICENSE: If contractor is a business or profession required to be licensed by the Commonwealth of Virginia, you must provide your state contractor's or professional certificate number.

7. STANDARDS OF CONTRACT: Appomattox County Schools reserves the right to cancel and terminate a contract at any time, without penalty, for unsatisfactory product quality and/or service on the part of the contract holder, in the sole judgment of the Schools, or when the Schools determines the cancellation to be in the best interests of the Schools. Repeated delayed or partial deliveries and returns for inadequate, damaged, or spoiled products shall be interpreted as failure to meet contractual obligations and may cause cancellation of the contract. Upon receipt of notice of termination, the contractor shall cease all deliveries or services unless advised by the Schools to do otherwise. In the event of termination, the contractor shall be compensated for those deliveries or services provided to the satisfaction of the Schools as of the date of termination.

8. APPLICABLE LAWS AND VENUE: Any contract resulting from any solicitation shall be governed by the laws of the Commonwealth of Virginia. Venue for any litigation arising from a solicitation or resulting contract shall be proper only in Appomattox County General District Court or Appomattox County Circuit Court, both located in Appomattox, Virginia. The Schools do not agree to arbitration.

9. TAXES: Appomattox County Schools are tax exempt and will not contract to pay taxes. Any such provision is void and not accepted.

10. COMPLIANCE WITH LAWS: The contractor shall comply with all applicable federal, state and local laws.

11. CLAIM OF BREACH: In the event contractor alleges or claims that Appomattox County Schools is in breach of any provision of the contract the contractor shall first give notice of the claimed breach to Appomattox County Schools in writing with all details. Copy of the claim shall be sent to the law offices of Overbey, Hawkins & Wright, P. O. 38, Rustburg, Virginia 24588, attention A. David Hawkins, Esq., Frank A. Wright, Jr., Esq. or Samuel F. Vance, IV, Esq. The Schools shall have thirty (30) days to correct any non-performance without penalty. If no agreement is reached or non- performance/breach continues after thirty (30) days from receipt of the written notice the Claim Procedure set out herein shall be followed. Failure to follow the terms hereof shall result in waiver and release of the claim by contractor.

12. CLAIMS PROCEDURE: Contractual claims must be submitted to Appomattox County School Board in writing no later than ten (10) days after the time of occurrence of events upon which the claim is based. The claim shall state that it is a formal claim and provide all facts or justifications with supporting documentation. The Board will consider all facts provided to it in a format established by the Board and render a decision within sixty (60) days of receipt of the claim. Failure to act by the Board shall operate to relieve the contractor from the claims procedure and allow the contractor to file suit for relief.

13. SEVERABILITY: In the event that any provision of this document shall be adjudged or decreed to be invalid, such ruling shall not invalidate the entire contract but shall pertain only to the provision in question and the remaining provisions shall continue to be valid, binding, and in full force and effect.

14. REQUIRED TERMS: The terms herein are required to be a part of any contract with the Appomattox County Schools, any school, division, or contract relating to Appomattox County Schools. Any contractor who receives this document and chooses to offer goods or services agrees to be bound by these terms. Any term of any contract that attempts to in any way modify any term hereof is void and of no effect unless approved by the school board attorney.

15. ILLEGAL ALIEN EMPLOYMENT: In accordance with Code of Virginia §2.2-4311.1, in accepting this order or entering into this contract, the contractor certifies that it does not and will not during the performance of this contract violate the provisions of the Federal Immigration Reform and Control Act of 1986, which prohibits employment of illegal aliens.

16. INTERPRETATION: Where the terms of this Attachment A conflict with the terms of the underlying contract, contractor and Schools agree that the terms of this Attachment A shall control.

17. NO INDEMNIFICATION: Schools do not have the authority under Virginia law to enter into any indemnification or hold harmless agreement or provision, and any provision or term in any contract that provides that the Schools indemnify or hold harmless contractor or any other entity is void and of no effect.

18. PAYMENT TERMS: Unless otherwise provided in the solicitation, payment will be made thirty (30) days after receipt of a proper invoice, or thirty (30) days after receipt of all goods or acceptance or work, whichever is later. No interest, late charges, or attorney fees will be paid under any circumstances by the School Board.

19. CHANGES TO THE CONTRACT:

a. During performance of the contract, the parties may agree to modify the scope of the contract. Any increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract.

b. Schools may order changes within the general scope of the contract at any time by written notice to the Contractor. Changes within the scope of the contract may include, but are not limited to, services to be performed, the method of packing or shipment, and the place of delivery or installation. The Contractor shall comply with the notice upon receipt. The Contractor shall be compensated for any additional costs incurred as the result of such order and shall give Schools a credit for any savings. Said compensation shall be determined by written mutual agreement between the parties.

c. No modification for a fixed price contract may be increased without the advance written approval of the Appomattox County School Board.

20. RULES OF CONDUCT FOR OUTSIDE CONTRACTORS:

a. Use of School Premises: The following rules and regulations apply to Contractors' use of school premises:

i. Alcoholic beverages are not permitted on school property.

ii. Smoking and other use of tobacco are not permitted on school grounds.

iii. Gambling is not permitted on school property.

iv. Offensive or inappropriate clothing is prohibited.

v. All inappropriate behavior is prohibited.

vi. Prior approval must be given by the School Board for signs, banners or pennants to be erected on school property, however the Contractor shall be permitted customary construction signage at the construction site.

vii. All applicable local, state and federal laws, regulations and licensing requirements must be followed.

viii. Contractor's employees shall not interact with students, except as necessary to perform work on their project.

b. Sex Offender Registry Notification: The Contractor shall not send any employee or agent who is a registered sex offender to any school building or school property or otherwise violate Code of Virginia §18.2-370.4 or any similar or related provision of the Code of Virginia. The Contractor shall be responsible for screening employees with the Virginia State Police registry or any other Virginia state law enforcement authorities necessary to comply with this provision. The Contractor shall be responsible for maintaining compliance with all applicable laws relating to sex offenders and the schools, including any required certifications under said laws.

21. COMMONWEALTH OF VIRGINIA BUSINESS TRANSACTIONS: All Contractors organized, licensed or authorized to transact business or perform the contract contemplated in the Commonwealth of Virginia pursuant to Title 13.1 or Title 50 of the Virginia Code, or any other provision of the Code, must include in their proposals the identification number issued to it by the State Corporation Commission and a copy of any license. Any Contractor that is not required to be authorized or licensed to transact business or perform this contract in the Commonwealth as a foreign business entity under Title 13.1 or Title 50 or as otherwise required by law shall include in its proposal a statement describing why the Contractor is not required to be so authorized or licensed.

22. CONTRACT FORMATION: The Contractor or successful bidder or offeror agrees to sign a contract drafted or approved by the Schools' Attorney. In the event no such contract is signed, the terms and conditions of all specifications, plans, and documents of the Request for Proposal or Bid and all terms herein, shall constitute the terms of the contract and no provision of any response, proposal, or other agreement may vary or alter the same unless agreed in writing and approved by the Schools' Attorney. No provision of any other contract document may waive this provision unless expressly so stated and signed by the parties.

23. MODIFICATION: Any term or provision submitted as part of your response that in any way attempts to change or modify the term of the contract documents or these contract terms, conditions, and instructions shall be ineffectual, null and void. In addition, Schools may declare a proposal that attempts to do so unresponsive and disqualified, in its sole discretion. In lieu of declaring the proposal or response disqualified, the Schools shall consider the modifications null and of no effect.

24. ASSIGNMENT: The Contractor shall not assign this contract without the prior written consent of Schools.

25. COSTS AND FEES: In the event of any breach of contract, negligence, or other claim or cause of action that may arise against the Contractor, said Contractor shall be responsible for all attorney fees, accountant fees, expert witness or consultant fees, court costs, per diem, expense, traveling and transportation expense, or other costs or expense arising out of or pertaining to the performance of the work, contract, or agreement, by Contractor and any resulting claim, suit, arbitration, mediation, investigation, testing, preparation, or action.

26. INDEMNITY: The Contractor shall indemnify and hold harmless the Appomattox County School Board, its officers, boards, commissions, agents and employees against any and all claims, demands, causes of action, suits, proceedings, damages, costs or liabilities (including costs or liabilities of the Appomattox County School Board with

respect to its employees), of every kind and nature whatsoever, including, but not limited to, damages for injury or death or damages to person or property, regardless of the merit of any of the same, including any attorney fees, accountant fees, expert witness or consultant fees, court costs, per diem, expense traveling and transportation expense, or other costs or expense arising out of or pertaining to the performance of the Agreement by Contractor unless resulting from the negligence of the Appomattox County School Board or its officers, boards, commissions, agents or employees in which event a court may apportion the damage.

Appomattox County Public Schools

CERTIFICATION OF COMPLIANCE WITH VA CODE 22.1-296.1

A sworn statement of affirmation from the contractor that neither the contractor nor any of its employees have been convicted of a felony or any offense involving the sexual molestation or physical or sexual abuse or rape of a child nor a crime of moral turpitude is mandated by Virginia Code Section 22.1-296.1.

Company Name: _____

List of employee(s) assigned to the project:	Project:

By signature below, I hereby certify that a criminal background check has been performed as part of the employment process for the above listed persons and that based upon the results of such background check these individuals have never been convicted of a felony or any offense involving the sexual molestation or physical or sexual abuse or rape of a child; nor a crime of moral turpitude. Further, to the best of my knowledge and belief none of these individuals is currently the subject of any ending criminal charges involving a felony or any offense involving the sexual molestation or physical abuse or rape of a child; nor a crime of moral turpitude.

If the employees assigned to the project change, an updated copy of this form must be submitted to the Purchasing & Contract Office before an added employee can begin to work on the project. **Only employees on this list will be allowed on campus or be allowed in interact with students.**

THIS COMPREHENSIVE AGREEMENT ("Agreement") is entered into effective as of this __day of _____ 2021 (the "Effective Date"), by and between: **APPOMATTOX COUNTY PUBLIC SCHOOLS ("Owner"),** and **JAMERSON-LEWIS CONSTRUCTION, INC.,** a Virginia corporation **("Operator")** of 1306 Stephenson Avenue, Lynchburg, Virginia 24501.

Recitals:

R-1. On December 10, 2009, the Owner adopted procedures to implement the Virginia Public-Private Education Facilities and Infrastructure Act of 2002 ("PPEA"), Va. Code 56-575.1, et seq., as amended.

R-2. The Owner subsequently received an unsolicited proposal for a qualifying project (the "Project") pursuant to the PPEA.

R-3. The Owner accepted the unsolicited proposal for consideration and requested competing proposals. The Owner determined in writing that proceeding with the procurement that was the subject of the proposal using competitive negotiation procedures was likely to be advantageous to the Owner and the public based upon probable scope, complexity, or urgency of the Project, risk sharing and added value, and economic benefit from the Project that would not otherwise be available.

R-4. The Owner received no additional conceptual-phase proposals other than the unsolicited proposal, and it subsequently invited the proposer to submit a detailed-phase proposal, which the proposer did. The Operator, as defined above, was this proposer.

R-5. The Owner subsequently conducted negotiations with the Operator, arriving at the terms and conditions of a proposed comprehensive agreement. Based upon the proposer's proposal, presentations and the negotiations, the Owner determined that the Project is a qualifying project that serves the public purpose of the PPEA under the criteria of Va. Code § 56-575.4(C) and would be in the public interest to pursue.

R-6. The Owner has selected the Operator for entry into a comprehensive agreement for the Project, and the Owner and Operator now wish to enter into this Comprehensive Agreement for the Project.

NOW, THEREFORE, for and in consideration of the premises and mutual covenants hereinafter contained, and subject to the conditions herein set forth, the parties hereby covenant, agree, and bind themselves as follows:

ARTICLE I

DEFINITIONS

The following definitions apply to this Agreement:

1.1. **Architect - Engineer ("A-E")** means Operator's design professional Person responsible for the architectural and engineering services for the Project, including, without limitation, its design. Operator has proposed its A-E for the Project in its proposals to the Owner, and Operator shall use this A-E for the Project unless the Owner approves otherwise in writing.

1.2. **Change** means any addition to, deletion from, or modification of the Project or the Services that is made in accordance with the provisions of this Agreement. A Change may be made by a written Change Order if Owner and Operator agree as to adjustments to the CCL or GMP, as applicable, and schedule, or unilaterally by the Owner by a written Change Directive, with any adjustments to the CCL or GMP, as applicable, and schedule, to be determined subsequently pursuant to Article XVII of this Agreement.

1.3. **Change Directive** means a written order by the Owner, specifically identified as a Change Directive, directing a Change.

1.4. **Change Order** means a Change made by a written agreement in which the Owner and Operator have indicated agreement as to the Change and adjustments to price and schedule due to the Change and have evidenced their agreement by executing the written agreement.

1.5. **Codes and Standards** means all local, state and federal regulations, ordinances, codes, laws, or requirements applicable to the Project, including, without limitation, the Virginia Uniform Statewide Building Code.

1.6. **Contract Cost Limit ("CCL")** means the initial limit established at the time of execution of this Agreement on total amounts payable to the Operator under this Agreement absent a Change pursuant to this Agreement.

1.7. **Contract Documents** means the following listed in their order of precedence:

(a) Any written modifications to this Comprehensive Agreement made in accordance with this Comprehensive Agreement;

(b) This Comprehensive Agreement, including all exhibits thereto;

(c) Any written Change Orders made in accordance with this Agreement;

(d) Any written Change Directives issued in accordance with this Agreement;

(e) The Construction Documents, which are the final Plans and Specifications that are approved by the Owner, Architect, and Operator;

(f) Plans and Specifications that are approved by the Owner, A-E, and Operator.

(g) Documents incorporated by reference by this Agreement;

(h) Operator's Detailed-Phase Proposal; and

(i) Operator's Conceptual-Phase Proposal.

1.8. **Contractor or Prime Construction Contractor** means the entity to which the Operator subcontracts the construction work portion of its responsibilities under the Agreement. If Operator acts itself as the prime contractor for construction work on the Project, then Contractor or Prime Construction Contractor means the Operator. Operator has proposed its Contractor for the Project in its proposals to the Owner, and Operator shall use this Contractor for the Project unless the Owner approves otherwise in writing.

1.9. **Day** means a calendar day, and "days" mean calendar days, unless the contrary is expressly indicated.

1.10. **Draw Schedule** means the schedule attached hereto as Exhibit D to be used as a basis for payment of the Fixed Fees component of payments to Operator, setting forth the anticipated completion date of the various components of the Project and the value assigned to those different components.

1.11. **Fixed Fees** mean the amounts payable to the Operator as specified in Section 5.4 for the Services in addition to Reimbursable Costs.

1.12. **Final Completion of Work, Final Completion or final completion** means completion in conformance with this Agreement, the Construction Documents, and other Contract Documents of all of the work required by this Agreement, including without limitation, punch list items, but not including warranty items.

1.13. **Guaranteed Maximum Price ("GMP")** means the amount less than the CCL established following design as the maximum amount payable to the Operator absent a Change.

1.14. **Land** means the real property described in Exhibit A hereto.

1.15. **Operator** means Jamerson-Lewis Construction, Inc.

1.16. **Owner** means Appomattox County Public Schools. The parties understand that the plan of finance for the Project may call for use of lease revenue bonds, with the Land to be leased through a ground lease to finance construction of the Project and with the lease of completed facilities back to the Owner. Despite the plan of finance, the Owner shall nonetheless be considered the Owner for purposes of this Agreement because it will be the ultimate user of the facilities and because the parties contemplate that the lessor of any ground lease will delegate or assign its duties during construction as nominal owner of the new facilities to the Owner.

1.17. **Owner's Representative** means that individual designated by the Owner in writing to perform the functions of Owner's Representative specified in this Agreement.

1.18. **Person** means any individual, partnership, joint venture, association, joint-stock company, corporation, limited liability company, trust, unincorporated organization, government or any agency or political subdivision thereof.

1.19. **Plans and Specifications** mean the surveys, plans and specifications that Operator causes to be prepared for the Project that are approved by the Owner, A-E, and Operator.

1.20. **Project** means Additions and Replacements to Appomattox County High School to include HVAC Upgrades to the Existing Building and an Addition to Include an Administrative Suite, a New Main Entry, Additional Classrooms, and Renovation of the Current Administrative Suite (hereinafter collectively referred to as the "Project"). The Project shall be designed and constructed by Operator on the Land in accordance with the Construction Documents and the terms of this Agreement, and any related upgrades ordered by Change or Change Order.

1.21. **Project Schedule** means the schedule for construction of the Project, which, in its initial version, is set forth in Exhibit E attached hereto.

1.22. **Punch List Items** means a list of items of work to be completed and deficiencies to be corrected, identified by the Owner's Representative or A-E, that do not affect the attainment of Substantial Completion. If the Owner's Representative and A-E do not agree as to an item or items, any such items not agreed upon shall be considered a punch list item until a contrary determination is made pursuant to Article XVII of this Agreement. Such items must be complete before Final Completion can take place.

1.23. **Reimbursable Costs** mean the amounts payable to the Operator as specified in Section 5.3 for the Services in addition to the Fixed Fees.

1.24. **Requisition** means an application for payment in the form attached as Exhibit F.

1.25. **Scope of Work** means all the work for the Project to be provided by Operator within the CCL and GMP, except as modified by any Change.

1.26. **Services** means all pre-construction and development services and all architectural and engineering design, procurement and construction services related to the Project furnished by Operator, including, without limitation, all labor, services, materials and facilities, and all other things that are required to provide for the development of the site and the design, construction and equipping of the Project.

1.27. **Substantial Completion** means the date determined by inspection by the Owner's Representative and A-E that construction of the Project is so sufficiently complete in accordance with the Construction Documents, including occupancy permit, that it may be utilized for its intended use, including that the Project is ready to accept move-in by the Owner and all life/safety items are operational.

1.28. **Clarifications** mean those clarifications specified and enumerated on Exhibit C, attached hereto and incorporated herein by this reference.

ARTICLE II

GENERAL DESCRIPTION, TERM OF AGREEMENT, AND OPERATOR'S STATUS AS INDEPENDENT CONTRACTOR

2.1. General Description.

Under this Agreement, Operator will be providing to the Owner, site design and development services, design services, and construction services for the Project. Operator will be providing these services as a design-builder. Operator generally will be compensated its Reimbursable Costs plus Fixed Fees subject to the terms of this Agreement but will be responsible for ensuring that the total cost of the Project to Owner does not exceed the Contract Cost Limit ("CCL") established by this Agreement. Pursuant to this Agreement, Operator will develop a design in order to arrive at a Guaranteed Maximum Price (GMP) for the Project that will not exceed the CCL except to the extent adjusted pursuant to this Agreement. Operator will be responsible for completing the Project so that payments by Owner will not exceed the GMP, as adjusted by this Agreement, even if the costs to Operator to do so exceed the GMP. Savings below the GMP will be divided between the Owner and Operator in accordance with the terms of this Agreement. Because this is a design-build project, Owner makes no warranty to Operator, express or implied, regarding any design for the Project. Rather Operator and its A-E warrant that all design and design services meet the highest standard of care in Virginia for the applicable design professional providing such design or services.

2.2. Term Of Agreement.

This Agreement begins on the Effective Date indicated at the beginning of the Agreement, which is the date of approval by the Appomattox County Public Schools School Board of this Agreement, and continues until its termination pursuant to Article XVIII or until all obligations under this Agreement have been performed.

2.3. Independent Contractor.

For all purposes hereunder, Operator is an independent contractor and shall not be deemed an agent, employee or partner of the Owner.

2.4. Subcontractors.

Operator may subcontract any portion of the Services to be performed hereunder, but Operator shall not thereby be relieved of any of its obligations set forth herein. Operator may subcontract the construction work to a contractor ("Contractor" or "Prime Construction Contractor"). Operator shall use the Prime Construction Contractor proposed in its proposals unless the Owner, in its sole discretion, approves otherwise in writing, Operator shall furnish to the Owner's Representative for its information not later than ten (10) days before the date scheduled for issuance of the notice to proceed with construction, a list of all Persons being considered to be subcontractors to the Prime Construction Contractor. The Owner's Representative shall, within five *(5)* days of receipt of this list, notify Operator in writing if it has any objection to any such subcontractor. A failure to notify Operator within this five-day period shall not waive the right of the Owner's Representative to later object to any proposed subcontractor for cause. The receipt of such list shall not require the Owner's Representative to investigate the qualifications of any listed subcontractor. Prior to performing any Work on the Project, the Contractor and subcontractors shall provide copies of their current licenses to the Owner's Representative.

ARTICLE III

THE WORK

3.1. Work/Specifications.

a. The Operator shall furnish the necessary personnel, material, equipment, services, and facilities (except as otherwise specified) to perform the Project in a workmanlike manner and within the Project Schedule.

b. The Owner shall have the right to add to the Scope of Work to be performed under this Agreement, including, without limitation, work to be performed at the Land or other Owner facilities, and Operator agrees to perform such work, subject to issuance of a Change Directive or a Change Order for such work. Operator agrees to promptly meet and confer with the Owner regarding added scope of work proposed by Owner.

3.2. Conditions Affecting The Work.

a. The Operator is responsible for having taken steps reasonably necessary to ascertain the nature and location of the work, and the general and local conditions that can affect the work or its costs, including, but not limited to available parking and staging areas and existing building materials and components. Any failure by the Operator to reasonably ascertain the conditions affecting the work does not relieve the Operator from responsibility for successfully performing the work without additional expense to the Owner. The Owner assumes no responsibility for any representations concerning conditions made by any of its officers, employees or agents before execution of this Agreement unless such representations are expressly stated in the Agreement.

b. Owner has furnished (or will furnish) Operator copies of the following reports about which Owner makes no representation or warranty regarding their accuracy:

1) Hazardous Materials Report

2) [reserved]

3.3. INTERPRETATION OF CONTRACT DOCUMENTS.

a. The Contract Documents are intended to be complementary and to be interpreted in harmony to avoid conflict if this can reasonably be accomplished.

b. The following rules regarding correlation and intent of the Contract Documents are first to be employed in the event of any inconsistency, conflict, or ambiguity: (1) Anything mentioned in the Specifications and not shown on the Plans, or shown on the Plans and not mentioned in the Specifications, is of like effect as if shown or mentioned in both; (2) In case of conflicts between Plans and Specifications, the Specifications will govern; (3) In case of a difference between small and large–scale drawings, the large–scale drawings will govern; (4) Schedules on any contract drawing take precedence over conflicting information on that or any other contract drawing; (5) On any of the drawings in which a portion of the work is detailed or drawn out and the remainder is shown in outline, the parts detailed or drawn out will apply also to all other like portions of the work.

c. If, despite application of the rules in 3.3b, an inconsistency, conflict, or ambiguity still exists between or among the Contract Documents that cannot be reasonably harmonized, then precedence shall be given to the Contract Documents in the order in which they are enumerated in paragraph 1.7. of this Agreement.

ARTICLE IV

PROJECT DEVELOPMENT

DESIGN AND CONSTRUCTION.

The Operator shall be responsible for the professional quality, technical accuracy and the coordination of all designs, drawings, plans, specifications, and other services furnished by the Operator under this Agreement.

4.2. DRAWINGS AND SPECIFICATIONS.

Based upon the Scope of Work and/or requirements furnished by the Owner in writing and included herein, the Operator shall prepare the complete contract working plans and specifications. All design submissions for this Project shall be made in both paper drawing/document form and CADD electronic file form. The minimum scale for building drawings shall be 1/8 inch = 1 foot except for small scale drawings of the floor plan of the entire building with space tabulation. Design submissions shall be made as outlined below. The Owner review and/or approval period shall be in accordance with the Project Schedule Milestones (see Exhibit E), but not less than ten (10) days for each of the following submissions.

a. 10% Schematic Design Development Submission:

Following a kick-off meeting, the Operator shall prepare a 10% Schematic Design submission in accordance with Exhibit K. Operator shall submit the 10% Schematic Design submission to the Owner for review and approval in accordance with the Project Schedule shown in Exhibit E. The Owner review period will be in accordance with the Project Schedule shown in Exhibit E.

b. 35% Design Development Submission:

Following receipt of Owner's approval of the 10% Schematic Design submission, the Operator shall prepare a 35% Design Development submission in accordance with Exhibit K. Operator shall submit the 35% Design Development submission to the Owner for review and approval in accordance with the Project Schedule shown in Exhibit E. It is understood that the Owner has the option in its sole discretion to perform a value engineering study during this period. The 65% Construction Documents submission shall reflect value engineering revisions directed by the Owner at no additional cost to Owner. The Owner review period will be in accordance with the Project Schedule shown in Exhibit E.

c. 65% Construction Documents Submission:

Following receipt of Owner's approval of the 35% Design Development submission, the Operator shall prepare a 65% Construction Documents submission in accordance with Exhibit K. Operator shall submit the 65% Construction Documents submission to the Owner for review and approval in accordance with the Project Schedule shown in Exhibit E. On an exception basis, intermediate submissions may be provided for the design of foundations, structural steel and other items or systems requiring either advance procurement or construction start prior to the completion of the overall design in accordance with the approved schedule. The Owner review period will be in accordance with the Project Schedule shown in Exhibit E.

d. 95% Construction Documents Submission:

Following receipt of Owner's approval of the 65% Construction Documents submission, the Operator shall prepare a 95% Construction Documents submission in accordance with Exhibit K. Operator shall submit the 95% Construction Documents submission to the Owner for review and approval in accordance with the Project Schedule shown in Exhibit E. On an exception basis, intermediate submissions may be provided for the design of foundations, structural steel and other items or systems requiring either advance procurement or construction start prior to the completion of the overall design in accordance with the approved schedule. The Owner review period will be in accordance with the Project Schedule shown in Exhibit E.

e. 100% Construction Documents Submission:

Following receipt of Owner's approval of the 95% Construction Documents submission, the Operator shall prepare a 100% Construction Documents submission in accordance with Exhibit K. Operator shall submit the 100% Construction Documents submission to the Owner for review and approval in accordance with the Project Schedule shown in Exhibit E. On an exception basis, intermediate submissions may be provided for the design of foundations, structural steel and other items or systems requiring either advance procurement or construction start prior to the

completion of the overall design in accordance with the approved schedule. The Owner review period will be in accordance with the Project Schedule shown in Exhibit E.

4.3. CONSTRUCTION.

With Owner's prior agreement in writing, and subject to imposition by Owner of reasonable conditions to assure a satisfactory Guaranteed Maximum Price (GMP) for the Project, construction may be allowed to commence in accordance with the Project Schedule prior to the Owner's Representative's approval of all of the Construction Documents. Where phased/fast track construction is proposed prior to overall final approval, plans and specifications covering the system or components covered by that phase must be approved by the Owner's Representative prior to the start of construction of that phase.

ARTICLE V

PRICES AND SHARED SAVINGS

5.1. PRICES.

The Operator must provide all work called for under this Agreement, including furnishing all material, services, labor and equipment to perform the Services for the prices as indicated in Exhibit G.

5.2. Contract Cost Limit ("CCL")

a. A Contract Cost Limit (CCL) has been agreed to by the parties, the amount of which is stated in Exhibit G. The CCL is the maximum amount payable to Operator and is a cap on Operator's compensation, which is the sum of Reimbursable Costs (see Section 5.3) and Fixed Fees (see Section 5.4) payable to complete the Scope of Work. As the design is refined, a Guaranteed Maximum Price (GMP) will be established that will be less than the CCL unless Owner directs a Change to the Scope of Work.

b. The Operator shall develop 35% Design Development drawings and specifications in accordance with Article IV in order to arrive at a Guaranteed Maximum Price (GMP) that will be less than the CCL.

5.3. REIMBURSABLE COSTS

a. Subject to the limitation that payments to Operator shall not exceed CCL or the GMP, as applicable, Owner will reimburse Operator for all the following costs for the Project:

   1. Prime Construction Contractor materials, supplies, and equipment either incorporated directly into the construction on the Project or required to accomplish a construction activity on the Project including equipment rental, transportation, and storage.

   2. Prime Construction Contractor Labor: Labor costs for personnel performing labor at the Project site. Labor costs include hourly rates with all fringe benefits and taxes required by law and applicable contracts in force between the Contractor and its employees.

   3. Subcontractor costs for work on items directly related to and/or incorporated into the finished construction for the Project. The term "subcontracts" includes purchase orders. Operator shall conduct the subcontractor bid process on an "open book" basis, and shall allow the Owner's Representative to observe the receipt and analysis of all bids. Operator shall cause the Prime Construction Contractor to invite at least six (6) bidders, if practical, and endeavor to receive price quotations from at least three (3) firms for all subcontracts for, but not limited to, equipment, equipment rentals, materials, labor contracts, any other supplies or services, where the quotations are expected to exceed or actually exceed $50,000, unless otherwise authorized by the Owner's Representative. The Owner's Representative may recommend additional subcontractor bidders to Operator. Operator shall furnish copies of quotations to the Owner's Representative for review prior to award. It is not required that the award be made to the lowest offeror, but shall be made on the basis of best value. Copies of all subcontracts, including all modifications and/or revisions will be furnished to the Owner's Representative within five business days from issuance. Operator may select certain subcontractors without going through the bid process as required above if it first obtains Owner's written consent, which may be withheld in Owner's discretion.

   4. Other Project-related direct costs that may be reimbursed under this Agreement include, but are not limited to, the following: Contractor direct expenses; legal, insurance and accounting (project related); general conditions, payment and performance bonds, taxes including gross receipts tax, permits, utility availability, relocation and usage costs, "on site construction" supervision, quality control, safety, training, engineering/layout, fire protection, cleanup, field office equipment and operation, but not including expenses incurred prior to the Effective Date of this Agreement.

b. Owner will not reimburse Operator for the following costs:

   1. Prime Construction Contractor costs *not* associated with personnel assigned to the Project are considered to be indirect costs that are included as part of the Fixed Fees and are not Reimbursable Costs. Examples of indirect costs that are not Reimbursable Costs include, but are not limited to: bonuses to senior executives, travel by company executives or officers, and personnel whose services and/or responsibilities include multiple projects, e.g., accounting, home office estimating, and purchasing personnel. Additionally, costs for repairs and maintenance of Contractor-owned equipment (including by any subsidiary or affiliated companies) or rental equipment are not Reimbursable Costs. Repair costs and costs of routine maintenance of rental equipment are to be included in the rental price.

   2. Public relations and advertising, bad debts, contributions and donations, dividends or payments of profits, entertainment, fines or penalties, life insurance for officers, partners, or proprietors, interest on loans, lobbying, losses on other contracts, income taxes, proposal preparation costs and legal costs involving disputes with the Owner.

   3. Costs incurred prior to the Effective Date of this Agreement.

5.4. FIXED FEES

The Owner shall pay the Operator Fixed Fees, which consist of the architecture and engineering fees, development fees and expenses, and general contracting fees stated in Exhibit G. The Fixed Fees include all compensation payable by Owner to Operator beyond Reimbursable Costs for the Services and are intended to compensate for the Operator's and Prime Construction Contractor's home office support, overhead costs, and profit for the Project and for all design professional services. The Fixed Fees will not vary with either the estimated cost or actual cost of construction of the Project except as expressly allowed in this Section 5.4. The components of the Fixed Fees in a. through c. below will be increased when a Change in the Project results in a significant increase in the direct costs, such as an increase in engineering man-hours, or increased insurance costs. The Fixed Fees will not be reduced unless the Owner requires an equitable reduction in the Fixed Fees for any Change that reduces the Scope of Work.

a. Operator's Fees and Expenses: This component of the Fixed Fees includes all labor and material costs and fee to manage the development and construction process including, without limitation, management of the design, construction, and permitting, and to prepare the Guaranteed Maximum Price. This component of the Fixed Fees covers all work in connection with development activities.

b. Architect-Engineer (A-E) Fees and Expenses for Services for Design, Construction Documents and During Construction: This component of the Fixed Fees covers the design and preparation of Schematic Design, Design Development and Construction Documents. This component of the Fixed Fees also covers construction administration by the A-E and includes, but is not limited to, review of shop drawings and samples, field interpretation of Construction Documents, preparation of required clarification drawings, and participation in quality control activities.

c. General Contractor Fee during Construction: This component of the Fixed Fees covers profit on construction plus home office support (including Project Manager, Project Engineer, Estimator, and Purchasing) and overhead costs.

5.5. GUARANTEED MAXIMUM PRICE.

a. A Guaranteed Maximum Price (GMP) shall be established by the parties for the Project *at the time of approval of the 35% Design Development submission* and prior to commencement of construction. The GMP is the maximum sum that the Owner shall pay to the Operator in total for this Project, except as otherwise provided in this Comprehensive Agreement. It includes all the Reimbursable Costs as defined in Section 5.3 that will be payable to Operator and all Fixed Fees as defined in Section 5.4 that will be payable to Operator.

b. If at any time during construction it becomes apparent that the final Reimbursable Costs and Fixed Fees will exceed the GMP, the Operator shall immediately notify the Owner's Representative and advise him/her of the action it proposes to take to reduce costs.

c. All proposed revisions or changes to the approved Plans and Specifications must be submitted to the Owner's Representative for review and approval for conformance with the approved design development plans and specifications, regardless of whether or not they affect the GMP. Owner's review and approval shall be not be unreasonably conditioned, delayed or withheld.

d. Operator shall ensure that the GMP is less than the CCL.

e. No payment shall be made to Operator in excess of the GMP except as adjusted for any Changes made in accordance with this Agreement. The Operator shall be wholly responsible to complete the Project at no compensation above the GMP as adjusted for any Changes made in accordance with this Agreement.

5.6. CHANGE IN FIXED FEES COMPONENT RELATING TO SERVICES FOR MODIFICATION OF DESIGN.

For Changes, the Operator shall, upon the written request of the Owner's Representative, make the necessary design drawing and specification revisions; prepare and issue requests for proposal describing the modifications; prepare estimates, drawings and specifications as required; evaluate proposals and make recommendations to the Owner's Representative. The amounts payable by Owner for services under this paragraph will be negotiated, and if the amount payable cannot be agreed upon, will be based upon the rates indicated in Exhibit I hereto and a determination of a reasonable amount of time to complete such services.

5.7. SHARE IN SAVINGS.

If the final Project Reimbursable Costs plus Fixed Fees, as presented by Operator within sixty (60) days after Final Completion and then reviewed and audited by the Owner, are less than the GMP, as adjusted for any changes made in accordance with this Agreement, then savings represented by the difference shall be shared on the following basis: 25% to the Operator and 75% to the Owner.

ARTICLE VI

SAMPLES

6.1. SAMPLE APPROVAL.

After issuance of the notice to proceed with construction, the Operator shall furnish to the Owner's Representative samples required by the specifications or by the Owner's Representative, for the Owner Representative's approval. The Owner's review and approval shall not be unreasonably withheld, conditioned, or delayed and shall be made in a time frame so as not to delay the Operator or Contractor. Samples shall be delivered to the Owner's Representative as specified or as directed. The Operator shall prepay all shipping charges on samples. Materials or equipment for which samples are required may not be used in the work until the Owner's Representative approves them in writing. Approval of a sample is only for the characteristics or use named in the approval and may not be construed to change or modify any requirement of the Contract Documents. Substitutions are not permitted unless approved in writing by the Owner's Representative.

6.2. LABELS.

Each sample must be labeled to show:

a. Name of Project building or facility, Project title, and contract number;

b. Name of Operator and (if appropriate) Prime Construction Contractor and subcontractor;

c. Identification of material or equipment, with specification requirement;

d. Place of origin; and

e. Name of producer and brand (if any).

6.3. MARKINGS.

Samples of finish materials must have additional markings that will identify them under the finish schedules.

6.4. COVER LETTER.

The Operator shall mail under separate cover a letter, in triplicate, submitting each shipment of samples and containing the information required in Sections 6.2 and 6.3 above. The Operator shall also enclose a copy of that letter with the shipment and send a copy to the Owner's Representative on the Project.

6.5. USE OF SAMPLES.

Approved samples not destroyed in testing will be sent to the Owner's Representative at the Project. Approved samples of hardware in good condition will be marked for identification and may be used in the work. Materials and equipment incorporated in the work must match the approved samples. Samples not destroyed in testing and not approved will be returned at the Operator's expense if the Operator so requests in writing at the time of submission.

6.6. FAILURE.

Failure of any material to pass the specified tests will be sufficient cause for refusal to consider, under this Agreement, any further samples of the same brand or make of that material. The Owner reserves the right to disapprove any material or equipment that has previously proved unsatisfactory as determined in Owner's sole discretion in service.

6.7. TESTING.

Samples of materials or equipment delivered on the site or in place may be taken by the Owner's Representative for testing. Failure of a sample to meet the requirements of the Contract Documents may void previous approvals of the item tested. The Operator shall replace materials or equipment found not to have met requirements of the Contract Documents, unless Owner, in its sole discretion, elects to accept an equitable downward adjustment to the GMP in lieu of such replacement.

6.8 COST OF TESTING.

The Operator shall pay for all costs of construction testing, including sampling, field tests, laboratory tests, inspection services to verify soil classifications, moisture density of soils, observation of subgrades to receive compacted structural fill for building and pavement support, observation of pavement subgrades to receive compacted base course material, observation of fill placement and field density testing, observation of footing subgrades to evaluate suitable bearing, observation of concrete pours, field concrete slump testing, air content testing, molding of concrete cylinders, laboratory curing and compression testing of concrete, observation of steel installation, ultra-sonic testing of steel moment connections, steel weld testing. The Operator shall provide written reports of observations, recommendations, and testing activities as the project progresses. Written report will be made on a biweekly basis to the Owner. All tests pertaining to physical or chemical properties of materials must be made in a laboratory approved by the Owner's Representative. The Operator shall include all applicable tests required by ASTM in the specifications. The specifications will also include all tests and inspections required by Codes and Standards.

The Owner will pay for the costs of any other tests deemed necessary, and related engineering services, unless the tests indicate that the workmanship or materials used by the Operator are not in conformance with the Construction Documents, approved shop drawings, or the approved materials. In this event, the Operator shall pay for the tests, remove all work and material failing to conform, and replace with work and materials in full conformity, without additional cost to the Owner.

6.9 INVENTORY OF SAMPLES.

The Operator shall maintain an inventory of all approved samples until final inspection of the Project. Such samples shall be available to Owner for additional viewing, inspection and testing, as deemed necessary by Owner, at all times.

ARTICLE VII

MEASUREMENTS, DRAWINGS, SPECIFICATIONS

7.1. REQUIREMENT FOR VERIFICATION OF MEASUREMENTS/ON SITE DOCUMENTS.

a. The Operator shall keep at the site copies of all drawings and specifications related to the Contract Documents and shall at all time give the Owner's Representative and designated representative access to them.

b. When the word "similar" appears on the drawings, it has a general meaning and must not be interpreted as meaning identical, and all details must be worked out in relation to their location and connection with other parts of the work.

c. In case of discrepancy either in figures, drawings, or specifications, the matter must be promptly submitted to A-E, who shall provide a determination in writing, for approval by the Owner's Representative in writing. Any adjustment by the Operator without such approval will be at the Operator's own risk and expense. The Operator shall furnish from time to time such detailed drawings and other information as may be deemed reasonably necessary by Owner's Representative.

d. The Operator shall verify all dimensions shown of existing work, and all dimensions required for work that is to connect with work now in place, by actual measurement of the existing work. Any discrepancies between the requirements of the Contract Documents and the existing conditions shall be referred to the Owner's Representative for a determination in writing before the Operator performs any work affected by these discrepancies.

7.2. DRAWINGS AND SPECIFICATIONS REQUIREMENTS.

The following requirements apply to Operator's responsibility to cause the Plans and Specifications to be prepared:

a. Required technical specifications shall be prepared in accordance with the highest industry standards. Specifications must be complete, concise, and free of repetition and ambiguity. Care must be exercised to avoid specifying the same work in more than one section and to avoid duplication or conflict with the general provisions, special provisions, and the drawings.

b. The specifications shall be submitted on 8-1/2"x11" sheets.

c. If guide specifications are not furnished, typical specifications developed and used by the A-E in general practice consistent with the highest industry standards shall be used in preparing contract specifications. The CSI Format for Construction Specifications, CSI Document MP-2A, shall be used in the arrangement of Project specifications.

d. Testing to establish compliance with the Contract Documents for critical items or critical portions of the work shall be specified as the Operator's responsibility. Testing shall be consistent with that required under standard commercial practices. Any testing requirements specified do not limit the Owner from having additional testing and inspection performed in Owner's discretion.

e. Submittals such as shop drawings, samples, and certificates shall be specified as necessary to establish compliance with the Contract Documents for critical portions of the work. The Operator should not require submittals for minor commercial items or for items of marginal value. The Operator shall include in the mechanical and electrical sections the extent of a manufacturer's literature, rating data, performance curves, spare part lists, and shop drawings that must be furnished for review and approval before procurement.

f. The specifications shall require the Operator to make field tests of heating and air conditioning systems to demonstrate that the equipment will perform as required. The results of the tests are to be submitted before the final inspection. Manufacturer's representatives may be required for inspection, start-up, and instructions in the operation and maintenance of equipment and the Operator shall ensure their presence for such purposes if requested by the Owner.

g. The specifications shall require that the Operator furnish manufacturer's manuals, spare parts lists, diagrams, instructions, performance data, curves, and shop drawings as approved for major items of equipment to be installed in the work.

h. All required drawings shall be prepared and furnished as reproducible tracings. All final drawings must be 8-1/2"x11, 11"x17," 18"x24," 24"x36," or 30"x42," trim-to-trim, with Owner title block, graphic scale, and metric conversion table. Drawing methods and quality must permit satisfactory, clear, and legible one-half (1/2) size reproduction. Lettering on the drawings will not be smaller in height than .12 (1/8) inch freehand or .10 inch mechanical.

I. All final drawings shall be detailed working drawings as necessary for efficient execution of the construction work. They must conform with the above general requirements and the requirements previously stated. All original drawings must be prepared at an adequate scale to properly present the design data development including detailed features. Drawing scales for buildings or structures smaller than 1/8-inch = 1'-0" are not permitted without prior written approval of the Owner's Representative.

j. The electrical design must be separated into two plans when necessary to avoid congestion: one devoted to the power, receptacle, telephone, fire alarm and intercommunication systems, and the other to lighting. Similarly, the plumbing and heating/air conditioning must be separated when necessary to avoid congestion. A minimum scale of 1/4-inch = 1'-0" must be used for all details of areas of congestion such as mechanical rooms, toilet rooms, and the like, and as may otherwise be reasonably designated by the Owner's Representative. Drawing scale for site, utility, or other related work (work outside the five foot building line), including details (engineer's) must clearly and adequately reflect the design data developed. Drawings must be organized and provide appropriate details of the site work (layout, grading, paving, and drainage) and the utilities (water, sewer, gas, power, and communications) separate from the building and/or structure drawings.

k. All design submissions prepared using CADD support shall be accompanied by electronic files of the submission in AutoCad.

l. Any discrepancies in figures, drawings, specifications, or submittals shall be promptly resolved by the Operator. Copies of all Requests For Information (RFI) or other correspondence, including confirmations of verbal instructions between the A-E and the Prime Construction Contractor or the Operator required to resolve deficiencies, shall be furnished to the Owner's Representative.

7.3. SHOP DRAWINGS, COORDINATION DRAWINGS, AND SCHEDULES.

a. The Operator shall submit to the Owner's Representative, in triplicate, a schedule listing all items that will be furnished for review and approval no later than thirty (30) days after final approval of Plans and Specifications. For example, the schedule must include shop drawings and manufacturer's literature, test procedures, test results, certificates of compliance, material samples, and special guarantees, etc. The schedule must indicate the type of item, contract requirement reference, the Operator's scheduled date for submitting the above items, identification of the first scheduled activity and projected needs for approval answers to support procurement or installation. In preparing the schedule, reasonable time will be allowed for review, approval, and possible re-submittal. Also, the scheduling shall be coordinated with the approved construction progress chart. The Operator must revise and/or update the schedule as the Owner's Representative reasonably directs. Such revised schedule must be made available to the Owner's Representative for monitoring.

b. The Operator shall submit to the Owner's Representative shop drawings, coordination drawings, and schedules for approval as required by the specifications or requested by the Owner's Representative, as follows:

1. Shop drawings shall include fabrication, erection, and setting drawings, schedule drawings, manufacturer's scale drawings, wiring and control diagrams, cuts or entire catalogs, pamphlets, descriptive literature, and performance and test data.

2. Drawings and schedules, other than catalogs, pamphlets and similar printed material, shall be reviewed, signed and submitted in reproducible form with three prints made by a process approved by the Owner's Representative. Upon approval, the reproducible form will be returned to the Operator who shall furnish the number of additional prints, not to exceed ten. The Operator shall submit shop drawings in catalog, pamphlet, and similar printed form in a minimum of four copies plus as many additional copies as the Operator may desire or need for the use of subcontractors.

c. Before submitting shop drawings on the mechanical and electrical work, the Operator shall obtain the Owner's Representative's written approval of lists of mechanical and electrical equipment and materials as required by the specifications.

d. The Operator must check the drawings and schedules and coordinate them (by means of coordination drawings whenever required) with the work of all trades involved before submission, indicating approval on them. Drawings and schedules submitted without evidence of subcontractors/trades' approval may be returned for resubmission.

e. Each shop drawing or coordination drawing must have a blank area 5 x 5 inches, located adjacent to the title block. The title block must display:

1. Number and title of drawing;

2. Date of drawing or revision;

3. Name of Project building or facility;

4. Name of Operator and, if appropriate, of Subcontractor submitting drawing;

5. Clear identity of contents and location on the work; and

6. Project title and contract number.

f. Unless otherwise provided in this Agreement, or otherwise directed by the Owner's Representative, shop drawings, coordination drawings, and schedules must be submitted by Operator sufficiently in advance of construction requirements to permit ten (10) calendar days for checking and appropriate action. Such items shall be submitted to the Owner's Representative (2 copies) for review concurrently with the A-E's review.

g. Except as otherwise provided in subparagraph h. below, approval of drawings and schedules will be general and may not be construed as:

1. Permitting any departure from the requirements of the Contract Documents; or

2. Relieving the Operator of responsibility for any errors, including details, dimensions, and materials.

h. If drawings or schedules show variations from the requirements of the Contract Documents because of standard shop practice or for other reasons, the Operator must describe the variation in the letter of transmittal. If acceptable, the Owner's Representative may approve any or all variations and issue an appropriate Change Order. If the Operator fails to describe these variations, it is not relieved of the responsibility for executing the work in accordance with the Contract Documents, even though the drawings or schedules have been approved.

I. Shop drawings, samples, color schedules, catalog cuts, construction schedule, etc. submitted to Owner's Representative must first be reviewed by the A-E to verify compliance with the Construction Documents. The Owner's Representative reserves the right to review building shop drawings, and formwork and falsework drawings. Such submittals shall be only in response to a specific request by the Owner's Representative.

j The Operator shall prepare and submit equipment room layout drawings and drawings of areas where the equipment proposed for use could present interface or space difficulties. Room layout drawings must conform to the requirements established for drawings. Layouts must be

submitted within forty (40) calendar days of completion of final construction drawings. Submittals describing the various mechanical and electrical equipment items which are to be installed in the areas represented by the layout drawings must be assembled and submitted concurrently and accompanied by the room layout drawings. Room layout drawings must show all pertinent structural and fenestration features and other items such as cabinets required for installation and which will affect the available space. All mechanical and electrical equipment and accessories must be shown in scale in plan and also in elevation and/or section in their installed locations. Duct work and piping also must be shown.

k. All shop drawings, ductwork drawings, and sprinkler drawings must be on 30" by 42" sheets to fit the size of the Project drawings.

l. At the completion of the Project, updated ductwork drawings and sprinkler drawings must be submitted as part of the "As-Built" drawings submission.

m. All certificates required for demonstrating proof of compliance of materials with specification requirements, including mill certificates, statements of application, and extended warranties, must be executed in quadruplicate and furnished to the Owner's Representative. It is the Operator's responsibility to review all certificates to ensure compliance with the requirements of the Contract Documents and that all affidavits are properly executed prior to submission to the Owner's Representative. Each certificate must be signed by an official authorized to certify on behalf of the manufacturing company. Each certificate must contain the name and address of the manufacturer, the Project name and location, and the quantity and date(s) of shipment or delivery to which the certificate(s) apply. Copies of laboratory test reports submitted with certificates must contain the name and address of the testing laboratory and the date(s) of the tests to which the report applies. Certification shall not be construed as relieving the Operator from furnishing satisfactory material, if, after test(s) are performed on selected sample(s), the material is found not to meet the specified requirements.

n. The A-E shall review and approve shop drawings and other items. All approvals must be in accordance with the terms of the Contact Documents. Processing will be accomplished in accordance with the following procedure:

1. The Construction Contractor shall transmit reproducible copies of shop drawings etc. to the A-E for review. Information copies of the letter of transmittal, clearly identifying shop drawings, etc., shall be furnished to the Owner.

2. As a result of the A-E's review, each submittal will be marked by the A-E as follows:

"A-Action": The fabrication, manufacture and/or construction may proceed providing the work is in compliance with the Contract Documents.

"B-Action": The fabrication, manufacture and/or construction may proceed providing the work is in compliance with the A-E's notations and the Contract Documents.

"C-Action": No work shall be fabricated, manufactured or constructed and a new submittal is required. No submittal marked "C-Action" shall be permitted on site.

(a) The Operator is responsible for obtaining prints of all "A-Action" and "B-Action" reproducible shop drawings and distributing them to the field and to the subcontractors. Concurrently, two (2) copies of each print shall be provided to the Owner.

(b) The Operator is responsible for obtaining copies of all "A-Action" and "B-Action" manufacturer's descriptive literature, literature, catalog cuts and brochures and distributing them to the Prime Construction Contractor. Concurrently, two (2) copies of each shall be provided to the Owner.

(c) The Operator is responsible for submitting new shop drawings, brochures and/or samples to replace all "C-Action" items and furnishing two (2) copies to the Owner.

3. The Operator is responsible for maintaining the Shop Drawing Log. An updated copy of the Log shall be furnished to the Owner no less than monthly.

7.4. RECORD "AS BUILT" DRAWINGS.

a. The Operator shall, during the progress of the work, keep a master set of prints on the job site on which is kept a complete, careful and neat record of all deviations from the Construction Documents made during the course of the work.

b. The Operator shall provide the Owner with one, complete, reproducible set of the Construction Documents incorporating the revisions and changes made during construction up to acceptance of the facility. These updated plans and specifications shall reflect all changes to the Construction Documents to indicate the "As-Built" conditions, including revisions in site and building area tabulations. These drawings and specifications must be certified as to their correctness by the signature of the Operator and used in preparing a permanent set of "As-Built" drawings.

c. In addition to reproducible submissions, the Operator must submit a CADD system electronic file for these "As Built" documents prepared with a CADD system compatible with the Owner CADD system identified by the Owner's Representative.

d. The Owner reserves the right to review "As-Built" documents at any time during the Project.

e. The Operator shall forward all "As-Built" drawings, specifications and photographs to the Owner's Representative not later than thirty (30) calendar days after Project completion.

f. Costs associated with the preparation and completion of the "As-Built" drawings will not be paid to Operator by Owner until the As-Built drawings are approved by the Owner's Representative.

7.5. SPARE PARTS DATA.

a. The Operator shall furnish spare–parts data for each different item of equipment furnished. The data must include a complete list of parts and supplies, with current unit prices and sources of supply; a list of parts and supplies that are either normally furnished at no extra cost with the purchase of the equipment, or specified to be furnished as part of the Contract Documents, and a list of additional items recommended by the manufacturer to ensure efficient operation for a period of 180 days at the particular installation.

b. The foregoing does not relieve the Operator of any responsibilities under the guarantees specified.

ARTICLE VIII

Warranty

8.1. WARRANTIES.

The Operator warrants that all the work furnished as part of the Services is in accordance with the requirements of the Contract Documents, free from defect or inferior materials or equipment, and of such quality workmanship as to meet the highest standard of care in Virginia for the type of work performed, for a period of one year after the date of Substantial Completion or acceptance of the facility (whichever comes first), and, unless otherwise agreed by the Owner in writing, in Owner's sole discretion, all materials and equipment are new. Attached as Exhibit H is a list of extended warranties

that Operator is providing or is assigning from manufacturers. All warranties provided or assigned by Operator shall be cumulative, so as to maximize Owner's warranty protection.

8.2. REPAIRS.

If, within the warranty period, the Owner's Representative finds that warranted work needs to be repaired or changed because the materials, equipment, or workmanship were inferior, defective, or not in accordance with the requirements of the Contract Documents, the Operator shall promptly, and without additional expense to the Owner:

a Place in a condition consistent with the warranties and satisfactory to the Owner all of the warranted work;

b. Correct all damage to equipment, the site, the building, or its contents that is the result of such unsatisfactory work in a manner satisfactory to the Owner; and

c. Correct any work, materials, or equipment disturbed in fulfilling the warranty in a manner satisfactory to the Owner; and

d. Should the Operator fail to proceed promptly in accordance with the warranty, the Owner may have the work performed by others at the Operator's expense.

8.3 TRANSFER OF WARRANTIES.

The Operator shall obtain each transferable guarantee or warranty of equipment, materials, or installation that is furnished by any manufacturer or installer in the ordinary course of the business or trade. The Operator shall obtain and furnish to the Owner all information required to make any such guarantee or warranty legally binding and effective, and shall submit both the information and the guarantee or warranty to the Owner in sufficient time to permit the Owner to meet any time limit requirements specified in the guarantee or warranty or, if no time limit is specified, before completion and acceptance of all work under this Agreement.

8.4 NON-WAIVER.

Owner, by accepting any warranties or guarantees under this Agreement, does not waive any legal right or remedy that Owner otherwise may have for breach of this Agreement.

ARTICLE IX

INSURANCE, BONDS AND RISK

9.1 BONDS.

Operator shall provide payment and performance bonds for 100% of the constructed value of the Project. The bonds shall be provided when and to the extent the Operator has been given a notice to proceed with construction at the site. The bonds shall make the Owner obligee and shall be in a form acceptable to Owner. The sureties providing the bonds shall be rated A+ or AVIII or higher, approved by the Owner's Representative in writing, and authorized to do business in the Commonwealth of Virginia.

9.2 INSURANCE.

a. During the term of this Agreement, the Operator must maintain as a Reimbursable Expense the insurance required by this Section 9.2. Insurance companies providing such insurance shall be licensed in Virginia and shall be rated at least A (financial strength) and IX (size) by A.M. Best. Policies shall include all terms and provisions normally included in a policy of the type specified. The Owner shall be included as an additional insured on the liability policies.

b. The Operator must maintain and furnish evidence of workers' compensation, employers' liability insurance, and the following general public liability and automobile liability insurance:

GENERAL LIABILITY: Combined single limit per occurrence of $5,000,000.

AUTOMOBILE LIABILITY: Combined single limit per occurrence of $1,000,000.

c. Each policy must include substantially the following provision: "It is a condition of this policy that the company furnishes written notice to the Owner thirty (30) days in advance of the effective date of any reduction in or cancellation of this policy."

d. The Operator must furnish a certificate of insurance or, if required by the Owner's Representative, true copies of liability policies and manually countersigned endorsements of any changes. Insurance must be effective, and evidence of acceptable insurance furnished by Operator to Owner, before beginning performance under this Agreement. Evidence of renewal must be furnished not later than five days before a policy expires.

e. The maintenance of insurance coverage as required by this Section 9.2 is a continuing obligation, and the lapse or termination of insurance coverage without replacement coverage being obtained will be grounds for termination for default.

f. The Owner does not carry builder's risk insurance coverage. Operator, as a Reimbursable Expense, shall provide builder's risk insurance for 100% of the Project value and shall have Owner named as an additional insured. The Builder's Risk coverage shall include property in transit, on or off-premises, that will become part of the Project. The Builder's Risk coverage shall include any pre-existing portion of any building damaged as a result of the Project. Operator shall procure and maintain a builder's risk insurance policy on an "all risk", 100% replacement cost basis, until completion of the Project. The Operator agrees to endorse the policy with a manuscript endorsement eliminating the automatic termination of coverage in the event the building is occupied in whole or in part, or put to its intended use, or partially accepted by the Owner. The manuscript endorsement shall amend the automatic termination clause to only terminate coverage if the policy expires, is cancelled, the Owner's interest in the building ceases, or the building is accepted and insured by the Owner. Cessation of the Builder's Risk coverage shall be affirmatively coordinated by Operator with the Owner.

g. Operator shall be responsible for filing and settling of claims and liaison with insurance adjusters.

9.3 ERRORS AND OMISSIONS.

a. The Operator must maintain Professional Liability insurance in the amount of $ 1,000,000 for errors and omissions.

b. Unless the Operator's policy is prepaid, non-cancelable, and issued for a period at least equal to the term of this Agreement on an occurrence basis, the Operator shall have the policy amended to include substantially the following provision: "It is a condition of this policy that the company furnish written notice to the Owner thirty (30) days in advance of the effective date of any reduction in or cancellation of this policy."

c. The Operator shall furnish a certificate of insurance or, if required by the Owner's Representative, true copies of liability policies and manually countersigned endorsements of any changes. Insurance must be effective, and evidence of acceptable insurance furnished by Operator to Owner, before beginning performance under this Agreement. Evidence of renewal shall be furnished not later than five days before a policy expires.

9.4 INDEMNIFICATION.

The Operator shall hold harmless, defend and indemnify the Owner and its officers, boards and board members, agents, representatives, and employees from all claims, losses, damage, actions, causes of action, expenses, and/or liability regardless of the merit of same, including any related attorney fees, accountant fees, expert witness fees, consultant fees, court costs, per diem expenses, traveling and transportation expenses, or other such related costs resulting from, brought for, or on account of (i) any personal injury or property damage received or sustained by any person, persons or property growing out of, occurring, or attributable to any work performed under or related to this Agreement, to the extent resulting in whole or in part from negligent acts or omissions of the Operator, any Subcontractor, or any employee, agent, or representative of the Operator or any Subcontractor or anyone performing Work for the Project through them, (ii) any mechanics' or construction liens arising as a result of the Work, or (iii) any failure of the Project to comply with any applicable governmental laws, ordinances, rules and regulations.

9.5 BANKRUPTCY.

In the event the Operator enters into proceedings relating to bankruptcy, whether voluntary or involuntary, the Operator shall notify Owner's Representative. The notification shall be sent to ensure its receipt within five (5) days of the initiation of the bankruptcy proceedings. The notification shall include the date on which the bankruptcy petition was filed, the court in which the petition was filed, and a list of Project contracts for which final payment has not yet been made. This obligation remains in effect until final payment under this Agreement. If a surety upon any bond furnished in connection with this Agreement or any insurance carrier providing coverage in connection with this Agreement becomes insolvent, the Operator shall promptly replace the bond or insurance policy with one which is equivalent and acceptable to Owner.

9.6 GUARANTEES OF PERFORMANCE BY MEMBERS OF LIMITED LIABILITY COMPANY.

The members of Operator, if a limited liability company, by executing this Agreement, hereby jointly and severally guarantee **100% of all** the performance of Operator under this Agreement.

ARTICLE X

NOTICES TO PROCEED, COMMENCEMENT AND COMPLETION

10.1 INITIAL NOTICE TO PROCEED.

Execution of this Agreement by Owner constitutes Notice to Proceed with design and Construction Document preparation.

10.2 NOTICE TO PROCEED FOR CONSTRUCTION, PROSECUTION, AND COMPLETION OF WORK.

No construction work may be performed by or through Operator except pursuant to a Notice to Proceed with construction issued by the Owner's Representative. The Operator shall:

a. Commence work under this Agreement within ten (10) days after the date it receives the Notice to Proceed from the Owner's Representative,

b. Prosecute the work diligently, and

c. Substantially complete the construction work not later than _____, TIME BEING OF THE ESSENCE.

Some work (preliminary sitework, demolition, shop drawings, fabrication, general conditions work, etc.) may have to be performed prior to the full commencement of construction. The time stated for completion includes cleanup of the site. Operator shall achieve Final Completion as soon as possible but not later than ninety (90) calendar days after Substantial Completion. At the time of receipt of the building permit and monthly thereafter, Operator shall consult with the Owner's Representative with regard to the likely Substantial Completion date and earlier occupancy dates so as to allow the Owner to plan its move.

10.3 NOTICE OF DELAY.

Immediately, and in no event no later than ten (10) days after first becoming aware of any difficulties that might cause any delay under this Agreement, the Operator shall notify the Owner's Representative in writing of them. The notification must identify the difficulties, the reasons for them, and the estimated period of delay anticipated. Failure to give such notice in strict compliance with this Section 10.3 will waive any right by Operator to make a claim based upon such delay. Such notice shall be a condition precedent to Operator's right to pursue a claim for an adjustment to payment or schedule based upon such delay.

10.4 LIQUIDATED DAMAGES FOR DELAY.

a. If the Operator fails to achieve Substantial Completion of the Project within the time specified by this Agreement, the Operator shall, in place of actual damages for delay, pay to the Owner each day as liquidated damages, and not as a penalty, $500.00 for each calendar day of unexcused delay until Substantial Completion is achieved. Liquidated damages are not a Reimbursable Cost and may be deducted by Owner from any Reimbursable Costs or Fixed Fees otherwise due the Operator, or from shared savings otherwise due the Operator. Owner's failure to deduct liquidated damages that have accrued shall not be deemed a waiver of Owner's rights to their payment.

b. Alternatively, if Substantial Completion is delayed beyond the date specified by this Agreement, the Owner may terminate this Agreement in whole or in part under the Termination for Default clause in Article XVIII, Section 18.2, and the Operator shall be liable for liquidated damages under Section 10.4.a. until the Owner can reasonably attain Substantial Completion.

c. Operator shall not be charged with liquidated damages when the delay in Substantial Completion arises out of causes beyond the control and without the fault or negligence of the Operator or anyone providing work on the Project through Operator as further described in Section 10.6, below.

d. Operator agrees that the per diem measures of liquidated damages in 10.4.a. are reasonable measures of the damages that Owner is likely to suffer in case of delay, and Operator agrees that it will not challenge the per diem amounts or liquidated damages imposed pursuant to this Article X except as to whether Operator is responsible for the delays, themselves, that have resulted in the assessment of liquidated damages. The Operator hereby waives any defense as to the validity of any liquidated damages stated herein on the grounds that such liquidated damages are void as penalties or are not reasonably related to actual damages.

10.5 SUSPENSIONS AND DELAYS.

a. If the performance of all or any part of the work of this Agreement is unreasonably suspended, delayed, or interrupted by:

   1. An order or act of the Owner's Representative in administering this Agreement; or

   2. By a failure of the Owner's Representative to act within the time specified in this Agreement or within a reasonable time so as not to delay the work of the Operator; then the Operator may request an equitable adjustment to the Reimbursable Costs payable under this Agreement due to any increased costs caused by the delay or interruption (including the costs incurred during any suspension or interruption), and in the

schedule and any other contractual term or condition affected by the suspension, delay, or interruption. However, no adjustment may be made under this Section 10.5.a. for any delay or interruption to the extent that performance would have been delayed or interrupted by the fault or negligence of the Operator or those providing work through Operator.

b. A claim under this clause will not be allowed for any costs incurred before the Operator has notified the Owner's Representative in writing of the act or failure to act involved, or if Operator has failed to follow the procedures of Article XVII, Section 17.5 of this Agreement for such claim.

10.6 EXCUSABLE DELAYS.

Operator shall not be in default by reason of any failure in performing this Agreement in accordance with its terms (including any failure by the Operator to make progress in the prosecution of the work that endangers performance) if the failure arises out of causes beyond the control and without the fault or negligence of the Operator or those providing any services through Operator. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of the Owner, fires, severe floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe and extreme weather, but in every case the failure to perform must be beyond the control and without the fault or negligence of the Operator or those providing any of the Services through Operator, including without limitation, the A-E, the Prime Construction Contractor, and any subcontractor, who shall plan for all contingencies which can be reasonably anticipated, such as unfavorable weather. Contingencies which can be reasonably anticipated shall not be considered a basis for claiming an excusable delay.

10.7 CONSTRUCTION SCHEDULE/ PROGRESS CHART.

a. Within five (5) calendar days after receiving Notice to Proceed, the Operator shall prepare and submit to the Owner's Representative a complete detailed Project Schedule in the form of a electronic file and six (6) copies of a practical progress chart. The schedule shall show the principal categories of work, corresponding with those used in the breakdown on which progress payments are based, the order in which the Operator proposes to carry on the work, the date on which it will start each category of work, and the contemplated dates for completion. The Project Schedule must be in suitable scale to indicate graphically the total percentage of work scheduled to be in place at any time. The Operator shall use a Critical Path Method (CPM) format. This schedule shall be in Primavera™ P3 or SureTrak™ format, or in such format as the Owner and Operator mutually agree, with at least 200 activities including sitework, procurement, delivery, and installation of construction materials and equipment. Activities shall be organized by work areas, and shall be cost loaded to facilitate approval of progress payments. A critical path shall be developed based on scheduling logic that identifies all successor and predecessor activities and float. Activity constraints shall be avoided.

   At the end of each progress payment period, or at such reasonable intervals as directed by the Owner's Representative, the Operator shall:

   1. Revise the Project Schedule to reflect any changes in the work, completion time, or both, as approved by the Owner's Representative;
   2. Enter on the Project Schedule the total percentage of work actually in place; and
   3. Submit three (3) copies of the adjusted Project Schedule, and a complete electronic update, to the Owner's Representative.

b. If the work falls behind the Project Schedule after taking into consideration any excusable delays as defined above, Operator shall take such action as necessary to improve progress. The Owner's Representative may require the Operator to submit a revised Project Schedule demonstrating its proposed recovery plan to make up the lag in scheduled progress. If the Owner's Representative finds the proposed plan unacceptable, the Operator may be required to submit a new plan. If the new plan submitted is not reasonable, after consultation with the Operator, the Owner's Representative may require the Operator to increase the work force, accelerate the planned construction volume, increase assigned construction equipment, or the number of work shifts, without increase to the GMP.

c. Failure of the Operator to comply with these requirements will be considered grounds for a determination by the Owner's Representative that the Operator is failing to prosecute the work with such diligence as will ensure its completion within the time specified.

10.8 EXCEPTION TO COMPLETION SCHEDULE AND LIQUIDATED DAMAGES.

In cases where the Owner's Representative determines in writing that sodding and/or planting and/or specified maintenance thereof is not feasible during the construction period, such work will be excepted from the completion schedule and the liquidated damages provision of Section 10.4. The work must be accomplished or completed during the first sodding and/or planting period or the specified maintenance period following the original completion date.

ARTICLE XI

OPERATOR RESPONSIBILITIES

11.1 PERFORMANCE AND SUPERINTENDENCE OF WORK BY OPERATOR.

a. The Operator or its Prime Construction Contractor shall perform on the site, with its own organization, work equivalent to at least 5% percent of the total amount of work to be performed under this Agreement. The percentage of work required to be performed by the Operator or its Prime Construction Contractor may be reduced with written approval of the Owner's Representative.

b. The Operator must give personal superintendence to the work either in person or by having a foreman or superintendent on the payroll, approved by the Owner's Representative, with authority to act on behalf of the Operator, on the site at all times work is in progress.

   1. A minimum of one Operator's superintendent (on the Operator's payroll) must be provided on site to be responsible for coordinating, directing, inspecting, and expediting the work of the Prime Construction Contractor and its subcontractors.
   2. It is contemplated that all work will be performed during normal working hours, between the hours of 7:00 a.m. until 5:00 p.m., local time, unless otherwise specified in this Agreement. Work performed by the Operator at its own volition outside such normal working hours must be at no additional expense to the Owner. The Operator's material and equipment deliveries must not interfere with the arrival or departure of Owner employees and visitors to existing facilities.

c. The Operator must refer requests received from occupants of buildings included in the work area to change the hours of work, including anticipated cost and schedule impact, to the Owner's Representative for resolution.

d. The Operator shall submit a daily construction report by 10:00 a.m. of the following working day on a form provided by the Owner's Representative. The report shall indicate the number of people by trade or craft, and the type and location of work. The report shall include subcontractors, safety and quality violations observed, corrective measures taken to correct the violations, and other information requested by the Owner's Representative. The Owner's Representative may modify the requirements of this report as the Project progresses.

11.2 MATERIALS AND WORKMANSHIP.

a. Unless otherwise specifically provided, all equipment and materials incorporated in the work must be new and of prime grade for the purpose intended. Unless otherwise specifically provided, reference to any equipment, material, or patented process by brand name, make, or catalog number establishes a standard of quality only. The Operator may substitute any equipment, material, or process that the Owner's Representative finds to be equal to that named, which finding shall be in writing.

b. In the event of substitution in accordance with paragraph a above, the Operator shall furnish to the Owner's Representative for approval the manufacturer's name, the model number, and any other relevant information on the performance, capacity, nature, and rating of equipment or materials proposed for substitution. If requested by the Owner's Representative, samples must be submitted for approval at the Operator's expense, shipping charges prepaid. Materials or processes substituted without the Owner's s approval may be rejected by Owner.

c. The Operator shall obtain the Owner's Representative's written approval of the machinery and mechanical equipment incorporated into the work. The Operator shall submit samples of all materials and equipment as required by the specifications. Owner approval or rejection shall be based upon the Contract Documents.

d. All work shall be performed in a skillful and workmanlike manner. The Owner's Representative may, in writing, require the Operator to remove from the work any employee the Owner's Representative deems incompetent, careless, or otherwise objectionable. The Operator shall immediately remove from the work any employee so designated.

11.3 RESPONSIBILITY FOR DESIGN.

a. It is understood and agreed that this Agreement includes design services. The Operator agrees not to assign or transfer interests in this Agreement. The Operator agrees not to transfer or delegate, to others, its responsibilities under this Agreement except the Operator shall be allowed to subcontract portions of the Scope of Work. The Operator may engage Persons who are design professionals to provide design services for the Project. The Operator represents that the design professionals providing services for the Project include Persons with required Virginia licenses and registrations. The Operator further represents that the structural, electrical, mechanical and other engineering disciplines necessary for the design of the Project will be under the direct supervision of licensed professional engineers who are registered in Virginia or who are persons in responsible charge of an engineering firm registered in Virginia.

b. The Operator is responsible for the professional quality, technical accuracy, and coordination of all designs, drawings, specifications, and other services furnished by the Operator under this Agreement. The Operator must without any changes to the Fixed Fees, GMP, and CCL, correct any errors or deficiencies in the designs, drawings, specifications, and other services.

c. As part of the Operator's responsibility under this Agreement, the Operator shall ensure that the design and construction of the Project comply with applicable codes and standards, including without limitation the Americans with Disabilities Act.

d. Any Owner review, approval, or acceptance of, or payment for, any of the services required under this Agreement shall not be construed to relieve Operator of any obligation under this Agreement. The Operator shall remain liable to the Owner for all damage caused by the Operator's performance of any Services furnished under this Agreement that is negligent or fails to meet the requirements of this Agreement.

e. The rights and remedies of the Owner provided for under this Agreement are in addition to any other rights and remedies provided by law.

11.4 USE OF PREMISES.

a. The Operator, the Prime Construction Contractor, and any subcontractors and their employees shall comply with the regulations governing access to, operation of, and conduct while on the site and shall perform the work required under this Agreement so as not to unreasonably interfere with the conduct of Owner business or use and occupancy by Owner tenants except as indicated in Exhibit B.

b. As permitted by the site conditions, the Operator shall separate its personnel, the Prime Construction Contractor's personnel, and subcontractors' personnel from Owner visitors, employees, and Owner property not involved in the Project. The Operator shall cordon off the construction area using barricades or other means to achieve this separation.

c. Any requests received by the Operator from occupants to change the sequence of work shall be referred to the Owner's Representative.

d. The Operator, any subcontractors, and their employees will not have access to any Owner facility outside the scope of this Agreement without permission of the Owner's Representative except as provided in Exhibit B.

e. Where available, Operator may use utility services of the building only if the Owner's Representative determines sufficient capacity is available to support the work and confirms such determination in writing. Operator, Prime Construction Contractor, or subcontractor employees may not use the toilet facilities. No cleaning of tools, including painting equipment/brushes, is permitted in the toilet or janitorial facilities.

Operator shall provide a Site Utilization Plan for Owner review at the time of the revised design development submission.

11.5 PERMITS AND RESPONSIBILITIES.

a. The Operator is responsible for obtaining any necessary licenses and permits at Operator's expense, and for complying with the codes and standards in connection with the prosecution of the work. The Operator is responsible for all injury to persons or damage to property that occurs as a result of its negligence. The Operator must take proper safety and health precautions to protect the work, the workers, the public, and the property of others. The Operator is responsible also for all materials delivered and work performed until completion and acceptance of the entire construction work, except for any completed unit of construction that may have been accepted.

b. The Operator shall demonstrate compliance with all environmental permit, assessment, or impact statement requirements and regulations identified in the Contract Documents prior to, and during construction.

11.6 BUILDING CODES, FEES, AND CHARGES.

a. The Operator shall comply with all state and local building code requirements.

b. The Operator shall pay all fees and charges for connections to outside services and for use of property outside the site.

11.7 FEDERAL, STATE, AND LOCAL TAXES.

a. The CCL and GMP include all applicable federal, state, and local taxes and duties.

11.8 IDENTIFICATION OF CONTRACT DELIVERABLES.

Unless otherwise specified, the cover page of each document prepared and submitted by the Operator to the Owner under this Agreement must include the following information:

a. Name and business address of the Operator.

b. Contract number.

c. Name, position, and office location of the Owner's Representative.

d. Date of document.

11.9 PATENT AND COPYRIGHT INDEMNITY.

a. Except as provided in paragraph d below, the Operator shall indemnify, defend and hold harmless the Owner, its employees, officers, boards, board members, representatives and its agents against liability, including other such costs and fees as further set out in Section 9.4 above, from any claim of patent and/or copyright infringement (or unauthorized use) arising from any of the Services provided by or through Operator for the Project.

b. The Owner shall promptly notify the Operator of any claim or suit subject to paragraph a above.

c. This indemnification does not apply to claims of infringement of a patent and/or copyright resulting from the Owner's Representative's specific written direction, compliance with which requires the infringement.

d. This clause must be included in all subcontracts under this contract, at any tier, over $50,000.

11.10 NON-DISCLOSURE.

The Operator shall not disclose any information received from the Owner that is marked confidential unless such disclosure is required by law or approved by the Owner, such approval not to be unreasonably withheld or delayed.

11.11 DEBRIS AND CLEANUP.

a. On a daily basis during the progress of the work, the Operator must remove and dispose of the resultant debris and keep the site neat and clean.

b. The Operator shall, upon completion of the work, remove all construction equipment and surplus materials (except materials or equipment that are to remain Owner property as provided by this Agreement), and leave the site in a clean, neat, and orderly condition satisfactory to the Owner's Representative, in Owner's sole discretion.

11.12 HEAT.

Unless otherwise specified, or unless directed otherwise by the Owner's Representative in writing, the Operator shall provide heat as necessary to protect all work materials and equipment against injury from dampness and cold, and in the case of information technology equipment requiring the same, air conditioning, to protect it from heat and humidity.

11.13 ENGLISH LANGUAGE REQUIREMENT OF ON-SITE SUPERINTENDENT.

The Operator's on-site superintendent must be able to speak, read, and write English to the extent necessary to permit reasonable communication with Owner personnel.

11.14 SUBSTITUTE MATERIALS OR METHODS.

Where the technical provisions permit the Operator to propose substitute materials, items, systems, or equipment, the selection of such options is subject to the following conditions:

a. Once a substitute has been selected and approved by the Owner's Representative, it must be used for the entire Project unless the Operator has proposed, and Owner's Representative has approved, the substitute for a limited application

b. The Operator must coordinate its selection with the drawings and specifications and the A-E.

c. Substitutions proposed by Operator shall be at no increase to the GMP.

11.15 ADVERTISING OF AWARDS.

Except with the Owner's Representative's prior approval, the Operator agrees not to refer in its commercial advertising to imply in any manner that the Owner endorses its products.

11.16 GROUND BREAKING CEREMONIES.

Operator agrees to participate in groundbreaking ceremonies at a time specified by the Owner.

ARTICLE XII

OWNER RIGHTS AND RESPONSIBILITIES

12.1 OWNER'S REPRESENTATIVE.

The Owner may appoint an Owner's Representative, who may be either an Owner employee or a contractor. The name, address, telephone number, and specific responsibilities, authority, and limitations of the Owner's Representative will be provided to the Operator in writing. The Owner's Representative may be removed or replaced at any time without prior notice to the Operator, but notification of the change, including the name and address of any successor Owner's Representative, will be provided promptly to the Operator by the Owner, in writing.

12.2 SITE VISITS.

a. The Owner from time to time during construction may desire to conduct groups of guests on visits to the site of the work. These tours will be authorized by the Owner's Representative or his appointed representative. In such event the Operator shall cooperate by providing access to and posting signs to give notice of dangerous areas, providing hard hats, and making such other arrangements for the safety and convenience of the guests as may be required. The Owner's Representative shall give the Operator as much advance notice of any such visits as is practical, and to the maximum practicable extent shall schedule any such visits so as not to interfere with the progress of the work.

b. The Operator's indemnification of the Owner contained in Section 9.4 of this Agreement shall not apply during any such visits to guests of the Owner or to Owner officers, employees, or agents who are engaged in conducting, guiding, or accompanying any such visits, leaving the Owner and the Operator responsible for their own acts and omissions according to applicable law and other clauses of this Agreement. This limited exception in this Section 12.2.b to Operator's indemnification obligation does not apply to inspections, investigations, or official site visits provided for elsewhere in this Agreement or conducted for the purpose of aiding in the enforcement of law.

12.3 OWNER-DIRECTED STAFFING CHANGES.

a. Should the Owner's Representative reasonably deem it to be in the best interests of the Owner to require the removal of any person working on or under this Agreement, that person must be immediately removed from the work.

b. "Person," as used in this clause, includes any persons providing work through the Operator.

12.4. EXAMINATION OF RECORDS.

a. The Owner and its authorized representatives shall, until three (3) years after final payment under this Agreement, have access to and the right to examine any pertinent books, documents, papers, or other records of the Operator involving transactions related to this Agreement that are paid for on a cost reimbursable basis.

b. The Operator agrees to include in all subcontracts under this Agreement and to have its Prime Construction Contractor include in all its subcontracts a provision to the effect that the Owner and its authorized representatives will, until three years after final payment under this Agreement, have access to and the right to examine any pertinent books, documents, papers, or other records of the Prime Construction Contractor and subcontractors involving transactions related to the work performed on a cost reimbursable basis and further providing that such individuals shall otherwise comply with the provisions contemplated by Section 12.4c. The term subcontract as used in this clause excludes:

1. Purchase orders; and
2. Subcontracts for public utility services at rates established for uniform applicability to the general public.

c. For the purposes of this Section 12.4, the Operator agrees to provide Owner adequate and appropriate work space at the Operator's facilities in order to conduct such examinations.

12.5 OWNERSHIP OF WORK PRODUCT.

a. Work Product: All drawings, specifications and other documents and electronic data furnished by the Operator to the Owner under this Agreement and the copyrights thereto ("Work Product") are owned by Operator or its design professionals, as they may agree among themselves, with Owner having the license rights granted by this Agreement.

b. Owner's Limited License to Use for Renovations, Etc.: Operator hereby grants Owner a limited license to use the Work Product in connection with Owner's occupancy and use of the Project, including for maintenance and repairs, future renovations, and expansions, conditioned on use of the Work Product for renovations and expansions being at Owner's sole risk and without liability or legal exposure to Operator or anyone working by or through Operator, including design professionals of any tier (collectively the "Indemnified Parties.")

c. Owner's Limited License upon Termination for Convenience. If Owner terminates this Agreement with the Operator for its convenience, the Operator hereby grants Owner a limited license to use the Work Product to complete the Project, for its occupancy and use, and for maintenance and repairs, future renovations, and expansions by the Owner. Use of Work Product (i) that does not represent approved Plan and Specifications, or (ii) for renovations and expansions, shall be at the Owner's sole risk without liability or legal exposure to any Indemnified Party.

d. Owner's License upon Operator's Default. If this Agreement is terminated due to Operator's default, Operator hereby grants Owner a license to use the Work Product in connection with Owner's completion and occupancy of the Project, for maintenance and repairs, and for future renovations and expansions by the Owner.

e. Owner's Indemnification for Use of Work Product. If Owner uses the Work Product under Section 12.5. b or c of this article, Owner shall defend, indemnify and hold harmless the Indemnified Parties from and against any and all claims, damages, liabilities, losses and expenses, including attorney's fees and other such costs set forth in Section 9.4, above, arising out of or resulting from the use of the Work Product for renovations and expansions or to complete the Project.

f. Operator shall include in its contract with its A-E and have included in contracts with any design professionals providing any services for this Project provisions that require all design professionals providing any services for the Project to grant the licenses that Operator grants under this 12.5, and Operator shall indemnify, defend and hold harmless Owner and its agents, employees, architects, engineers, consultants and contractors from any claim of copyright infringement or unauthorized use by any Person based upon Owner's use of the Work Product pursuant to this Section 12.5.

g. Nothing in this Section 12.5 shall be deemed to relieve Operator or any design professionals providing services through Operator of their obligation under this Agreement that all design and design services provided for this Project meet the highest standard of care in Virginia for the applicable design professional providing such design or services.

h. The licenses granted to Owner pursuant to this Section 12.5 are at no additional cost to Owner beyond the compensation required by this Agreement for the Services.

12.6 SURVEY MONUMENTS AND BENCHMARKS.

a. The Operator will establish such general reference points, for written approval by the Owner's Representative, as will enable the Operator to proceed with the work. The Operator shall provide new monuments where shown or specified. If the Operator finds that any previously established reference points have been destroyed or displaced, or that none have been established, the Operator shall promptly notify the Owner's Representative.

b. The Operator must protect and preserve established benchmarks and monuments and make no changes in locations without the written approval of the Owner's Representative. Established reference points that may be lost, covered, destroyed, or disturbed in the course of performance of the work under this Agreement, or that require shifting because of necessary changes in grades or locations, must (subject to prior approval of the Owner's Representative) be replaced and accurately located or relocated (as appropriate) by a licensed engineer or licensed land surveyor.

c. New monuments will be six (6) inches square by three (3) feet deep (unless otherwise specified), of concrete or stone, with a 3–inch copper or brass pin, 3/8–inch in diameter, in the center, and must be set flush with the ground or pavement in locations indicated on the site plan.

d. Monuments will not be required where lines of buildings are coincident with property lines.

e. The Operator shall verify the figures shown on the survey and site plan before undertaking any construction work and will be responsible for the accuracy of the finished work.

f. After completion of construction and before final payment, the Operator must furnish the Owner blueprints (in triplicate) of plans showing the exact location of construction survey monuments with reference to true property lines.

12.7 OWNER PARTIAL OCCUPANCY.

a. The Owner's Representative reserves the right of partial occupancy or use of facilities, services, and utilities, before final acceptance, without implying completion or acceptance of any part of the Project by the Owner. Before such occupancy or use, the Owner's Representative must furnish the Operator an itemized list of work remaining to be performed or corrected. Failure to list an item will not relieve the Operator of the responsibility for complying with the terms of the Contract Documents. Responsibility for damage to the work within the partially occupied area shall be transferred to the Owner for any such partial occupancy or use.

b. Costs incurred and delays to the completion of the Project as a result of such partial occupancy or use of facilities, services, and utilities are subject to equitable adjustment under Article XVII, Section 17.1.

12.8 OWNER PROPERTY.

a. The Owner will deliver to the Operator, at the time and locations stated in this contract, the Owner property described in the specifications. If that property, suitable for its intended use, is not delivered in a timely manner to the Operator, the Owner's Representative may make an equitable adjustment in accordance with Article XVII, Section 17.1 if:

   1. The Operator submits a timely written request for an equitable adjustment; and
   2. The facts warrant an equitable adjustment.

b. Title to Owner property remains in the Owner even if incorporated in or affixed to property not owned by the Owner. The Operator may use the Owner property only in connection with this Agreement. The Operator must maintain adequate property control records in a form acceptable to the Owner's Representative and must make them available for Owner inspection upon request.

c. Upon delivery of Owner property to the Operator, the Operator assumes the risk and responsibility for its loss or damage, except:

   1. For reasonable wear and tear;
   2. To the extent property is consumed in performing the Agreement; or
   3. As otherwise provided in the Contract Documents.

d. Changes in Owner-Furnished Property

   1. By written notice, the Owner's Representative may; (a) decrease the property provided or to be provided by the Owner under this Agreement; or (b) substitute other Owner owned property for the property to be provided by the Owner, or to be acquired by the Operator for the Owner under this Agreement. The Operator must promptly take any action the Owner's Representative may direct regarding the removal and shipping of the property covered by this notice.
   2. In the event of any decrease in or substitution of property pursuant to subparagraph d.1 above, or any withdrawal of authority to use property provided under any other contract or lease, which property the Owner had agreed in this Agreement to make available, the Owner's Representative, upon the Operator's written request, or if substitution causes a decrease in the cost of performance, on the Owner's Representative's own initiative, may equitably adjust any contractual provisions affected by the decrease, substitution, or withdrawal, in accordance with the "Changes" clause.

e. The Operator must maintain and administer a program or system acceptable to the Owner's Representative for the utilization, maintenance, repair, protection, and preservation of Owner property until it is disposed of in accordance with this Section 12.8.

f. The Owner, and any persons designated by it, shall at reasonable times have access to premises where any Owner property is located for the purpose of inspecting it.

g. Within forty-five (45) calendar days after Notice to Proceed with construction, the Operator must submit a schedule to the Owner's Representative, in an acceptable format and giving desired dates for delivery of items and property furnished by the Owner. Approved dates of delivery must be confirmed by the Owner's Representative in writing. Approved dates of delivery must be confirmed by the Operator thirty (30) calendar days prior to scheduled delivery. The Operator must submit a written report to the Owner's Representative within forty-eight (48) hours after receipt, noting any shortages or damage to the Owner-furnished property.

h. If Owner-furnished equipment is to be installed and is not on the construction site, the Owner will make separate arrangements to provide delivery to the site. Any costs to Operator for labor associated with loading or unloading this Owner-furnished equipment will be negotiated.

i. Upon completing this Agreement, the Operator shall follow the Owner's Representative's instructions regarding the disposition of all Owner property not consumed in performing this Agreement or previously returned to the Owner. The Operator shall prepare for shipment, deliver f.o.b. origin, or dispose of the Owner property, as directed or authorized by the Owner's Representative. The net proceeds of any such disposal will be credited to award amounts due Operator or will be paid to the Owner as directed by the Owner's Representative.

12.9 OTHER CONTRACTS.

The Owner may award other contracts for additional work, and the Operator must cooperate fully with the other contractors and Owner employees, and carefully fit in its own work as may be directed by the Owner's Representative. The Operator must not unnecessarily commit or permit any act that will interfere with the performance of work by any other contractor or by Owner employees. Should contractors or Owner employees delay the Operator, cause any damage to Operator's work or otherwise cause an increase in the Operator's cost or time of performance, the contract sum and contract time shall be equitably adjusted.

12.10 OWNER PROPERTY FURNISHED "AS IS".

a. The Owner makes no warranty whatsoever with respect to Owner property furnished "as is" except that the property is in the same condition when placed at the f.o.b. point specified in the solicitation as when inspected by the Operator pursuant to the solicitation or (if not inspected by the Operator) as when last available for inspection under the solicitation.

b. The Operator may repair any property made available to the Operator "as is." Repair will be at the Operator's expense except as otherwise provided in this clause. Such property may be modified at the Operator's expense, but only with the written permission of the Owner's Representative. Any repair or modification of property furnished "as is" does not affect the title of the Owner.

c. If there is any change (between the time inspected or last available for inspection under the solicitation to the time placed on board at the location specified in the solicitation) in the condition of Owner property furnished "as is" that will adversely affect the Operator, the Operator must, upon receipt of the property, notify the Owner's Representative of that fact, and (as directed by the Owner's Representative) either (1) return the property at the expense of the Owner or otherwise dispose of it, or (2) effect repairs to return it to the condition it was in when inspected under the solicitation, or (if not inspected) as it was when last available for inspection under the solicitation. Upon completion of (1) and (2) above, the Owner's Representative, upon written request from the Operator, will equitably adjust any contractual provisions affected by the return, disposition, or repair, in accordance with the "Changes" clause. The foregoing provisions for adjustment are exclusive, and the Owner is not liable for any delivery of Owner property furnished "as is" in a condition other than that in which it was originally offered.

d. Except as otherwise provided in this clause, Owner property furnished "as is" is governed by this Section 12.10 of this Agreement.

12.11 RECORDS INSPECTION AND COPYING

Operator agrees that the Owner may, at its option and expense, inspect and copy all records relating to the Services provided under this Agreement to the extent necessary to confirm compliance with the terms of the Agreement.

ARTICLE XIII

ADMINISTRATIVE ITEMS

13.1. STANDARD REFERENCES.

All publications and other documents (such as manuals, handbooks, codes, standards, and specifications) cited in this Agreement for the purpose of establishing requirements applicable to equipment, materials, or workmanship are hereby incorporated by reference in this Agreement.

ARTICLE XIV

SUBCONTRACTING

14.1 SUBCONTRACTS

a. Nothing in this Agreement may be construed to create any contractual relationship between any subcontractors, and the Owner. The divisions or sections of the specifications are not intended to control the Operator in dividing the work among subcontractors or to limit the work performed by any trade.

b. The Operator is responsible to the Owner for acts and omissions of its own employees, of subcontractors and their employees, and any other person providing work on the Project through Operator. The Operator is also responsible for the coordination of the work of the trades of subcontractors.

c. The Owner will not undertake to settle any differences among the Operator, the Prime Construction Contractor, the A-E, and subcontractors or any of them.

ARTICLE XV

PROTECTION OF PERSONS AND PROPERTY

15.1 ACCIDENT PREVENTION.

a. All construction work on this Project must be performed in compliance with the Occupational Safety and Health Act of 1970 and with local or state occupational safety and health regulations enforced by an agency of the locality or state under a plan approved by the U.S. Department of Labor, Occupational Safety and Health Administration (OSHA). Where requirements are different or in conflict, the more stringent requirement will apply.

b. The Operator shall maintain an accurate record of exposure data and all accidents incidental to work performed under this contract resulting in death, traumatic injury, occupational disease, or damage to property, material, supplies, or equipment. The Operator must submit regular Project safety reports, exposure data, and accident reports, as prescribed by the Owner's Representative.

c. Health and Safety Plans are required as follows:

   1. Prior to commencing on-site work, the Operator must submit to the Owner's Representative, in triplicate, a Health and Safety Plan designed to provide a system by which hazards on the Project site will be controlled to minimize or eliminate occupational injuries or illnesses during performance of the contract.

   2. The Health and Safety Plan must state that the Prime Construction Contractor, A-E, and all subcontractors are required to comply with the Operator's Project safety rules and requirements issued under the authority of that program.

   3. The Health and Safety Plan must identify, by name, the Operator's representative responsible for the execution of the Project safety program. The Operator's Project safety representative must have the express written authority from the Operator to stop work, to abate hazardous conditions or unsafe practices, and to eject any Operator, Subcontractor, or vendor employees from the Project site for failure to comply with safety requirements.

   4. When conducting work at existing Owner facilities, the Health and Safety Plan must include the precautionary measures to be taken to protect Owner staff, faculty, students, employees and the public.

d. The authority, responsibilities, and duties of the Operator's Project safety representative must be incorporated as part of the written Health & Safety Plan. The safety responsibilities include, but are not limited to, conducting subcontractor construction safety program reviews, conducting employee safety orientation training, conducting weekly safety meetings, conducting daily site safety inspections, auditing Subcontractor safety compliance, and preparing required periodic and special safety reports.

e. In addition to the general requirements of Health and Safety Standards, the Operator, A-E and Prime Construction Contractor, specifically must comply with applicable OSHA requirements concerning Hazard Communications Standards. Details of the Operator's hazard communications program shall be included in the Health & Safety Plan.

15.2 HEALTH AND SAFETY STANDARDS.

a. In performing this contract, the Operator must:

   1. Comply with applicable Occupational Safety and Health Standards promulgated pursuant to the authority of the Occupational Safety and Health Act of 1970 (OSHA).

   2. Comply with any other applicable federal, state, or local regulations governing workplace safety to the extent they do not conflict with a.1 above; however, the more stringent shall apply.

   3. Comply with any Owner standard unless the OSHA standard contains more rigorous or stringent safety requirements, in which case the OSHA standard governs and takes precedence.

   4. Take all other proper precautions to protect the safety and health of the Operator's employees, Owner staff, faculty, students, employees, and the public.

b. The Operator must coordinate its use of existing Owner premises with the Owner's Representative. Subjects of this coordination include the designation of work and storage areas; the extent, if any, of use by the Operator of Owner tools and equipment; the furnishing by the Operator of

appropriate signs and barricades to exclude unauthorized personnel from the work areas and to call attention to hazards and dangers; and other matters relating to the protection of Owner staff, faculty, students, employees, property and the public.

c. Materials, supplies, articles, or equipment manufactured or furnished under this contract or order must conform to the Occupational Safety and Health Standards pursuant to the authority of OSHA, and to other safety and health requirements specified in this contract or order. When conducting work on existing facilities, the Operator must provide the Owner's Representative copies of Material Safety Data Sheets (MSDS) for any hazardous material, as defined by OSHA's Hazard Communications Standards, to be used on the job.

d. If no OSHA standard exists, federal or other nationally recognized standards apply. Copies of current Occupational Safety and Health Standards are available from regional and/or area offices of the U.S. Department of Labor, Occupational Safety and Health Administration.

15.3 PROTECTION OF THE ENVIRONMENT, EXISTING VEGETATION, STRUCTURES, UTILITIES, AND IMPROVEMENTS.

a. The Operator shall perform all work necessary to implement and accomplish a program to prevent environmental pollution during or as a result of construction performed under this Agreement. As a minimum, the Operator's work must conform to all requirements of applicable federal, state and local law.

b. The Operator must preserve, protect and maintain all existing vegetation (such as trees, shrubs, and grass), landscape features, athletic fields, and structures on or adjacent to the site of work that are not to be removed. Care must be taken in removing trees authorized by the Owner's Representative for removal, to avoid damage to vegetation that will remain in place. Any trees or other landscape features scarred or damaged by the Operator's equipment or operations must be restored by the Operator. The Owner's Representative decides what method of restoration must be used and whether damaged trees and/or shrubs will be treated or replaced. The Operator shall use guard posts or barriers as necessary to control vehicular traffic passing close to trees and/or shrubs to remain. Areas disturbed, such as temporary roadways or embankments, must be restored to near natural conditions that will permit the growth of vegetation. Disturbed areas must be graded and filled as required, covered with six inches of topsoil and landscaped as per the Contract Documents.

c. The Operator shall protect from damage all existing improvements or utilities at or near the site of the work, the location of which is known, and must repair or restore any damage to these facilities resulting from failure to comply with the requirements of this contract or to exercise reasonable care in performing the work. If the Operator fails or refuses to repair such damage promptly, the Owner's Representative may have the necessary work performed and charge the cost to the Operator.

d. The Operator shall obtain approval from the Owner's Representative for any temporary roads, embankments and disposal areas not included in Project specifications or drawings and restore such areas to original conditions, including appropriate landscaping, upon the completion of work.

e. Monuments, markers and works of art must be protected. Items discovered that have potential historical or archeological interest must be preserved. The Operator must leave the archeological find undisturbed and must immediately report the find to the Owner's Representative so that the proper authority may be notified. The contract sum and contract time shall be equitably adjusted if the Operator incurs additional cost or time to perform as a result of any such discovery.

f. Operator shall follow all Environmental Protection Agency, Department of Environmental Quality and other applicable governmental regulations and guidelines, as to the labeling, use, storage and disposal of "hazardous waste", which shall for the purposes of this agreement be defined as (a) any chemical, substance, material, mixture, contaminant or pollutant, now or hereafter defined as a "hazardous substance" under the comprehensive Environmental Response, Compensation and Liability Act, as amended from time to time; (b) petroleum, crude oil, or any fraction thereof; (c) any pollutant, contaminant, special waste or toxic substance now or hereinafter listed, defined by or subject to regulation under any federal, state or local statute, ordinance, rule, regulation, standard, policy, guidance, permit, order, administrative or judicial decision or pronouncement, previously, currently or hereafter in effect, as amended from time to time, pertaining to health, safety, or the environment, including without limitation, natural resources, environmental regulation, contamination, pollution, cleanup, or disclosure. Operator agrees to indemnify, hold harmless and defend Owner and all Owner's successors, employees, officers, boards, board members, representatives, and agents from any liability, claim, demand, action, cause of action, suit, loss, damage, injury, expense, cost, settlement, or judgment of any kind or nature including but not limited to demands, fines, remediations, or penalties asserted by any governmental entity, as a result of the treatment, storage, disposal, handling, spillage, leakage, or presence in any form in soils, surface waters, groundwaters, air, or property, of any wastes or "hazardous waste" as defined in this paragraph, at the subject property, to the extent caused or contributed to by Operator or Operator's subcontractors.

15.4 ACCESS TO SITE.

a. The Operator's access to the site and use of existing roads will be as agreed to by the Operator and the Owner's Representative including issuing vehicle passes for construction and private vehicles.

b. Operator shall not permit workers to carry firearms or other deadly weapons onto any Owner construction site or into any facility, including in their personal or construction vehicles. This supercedes any state or local law permitting the carrying of firearms or weapons. Violation of this clause shall be grounds for removal of individuals or contractors from the site or termination for default.

15.5 HANDLING ASBESTOS AND OTHER HAZARDOUS MATERIALS.

The Operator shall be responsible for handling any known asbestos or other known hazardous or contaminated materials existing on the site.

15.6 ELEVATOR WORK-QUALIFICATIONS.

a. The Operator, Prime Construction Contractor, or the subcontractor whom the Operator uses for performance of the elevator work, must have had at least three (3) years of successful experience in installing and servicing elevators.

b. In addition, the Operator, the Prime Construction Contractor, or its subcontractor must have installed, on at least two prior projects, elevators comparable to those required for this Project that have performed satisfactorily under conditions of normal use for a period of not less than one (1) year. To be considered comparable, prior installations must have not less than the same number of elevators operating together in one group as the largest number in any group specified for this Project, except that a group of four may be considered comparable to a large group specified for this Project.

c. A list of the prior comparable installations by the Operator, the Prime Construction Contractor, or its subcontractor, together with the names and addresses of the buildings, the names of the owners or managers, and any other pertinent information required must be submitted promptly upon request of the Owner.

d. The names, addresses, experience, and statement of work to be performed by each subcontractor or second-tier subcontractor whom the Operator, Prime Construction Contractor, or the principal subcontractor, as the case may be, will use for performance of minor portions of the installation of elevators must also be submitted promptly upon request of the Owner.

e. The Owner may reject the proposed elevator subcontractor if it is determined that it has failed to meet the experience requirements, or if it has been found to have an unsatisfactory record of prior elevator installations. In the case of rejection, the Operator must resubmit another name within ten (10) days for renewed consideration.

ARTICLE XVI

PAYMENTS

16.1 INVOICES (CONSTRUCTION).

a. The Operator's invoices must be submitted before payment can be made.

b. The Operator agrees that submission of an invoice to the Owner for payment is a certification that:

1. Any services being billed for have been performed in accordance with the requirements of the Contract Documents; and
2. Any supplies for which the Owner is being billed have been delivered or suitably stored off site, with appropriate insurance coverage, and in the quantities shown on the invoice, and that the supplies are in the quantity and of the quality designated in the Contract Documents. Operator shall provide, suitable to Owner's Representative approval, evidence of insurance for storage facility, a complete inventory of items, a written right of access to the items, and certification of title to the Owner.

c. To ensure proper payment, Operator must furnish all documents required elsewhere in the Contract Documents and/or as reasonably required by the Owner's Representative.

16.2 PAYMENT.

a. Reimbursable Costs for Construction:

1. The Owner will make progress payments monthly within thirty (30) calendar days of receipt of the Operator's invoice or at more frequent intervals as determined by the Owner's Representative. Before the first progress payment becomes due, the Operator must prepare a schedule of values reasonably acceptable to the Owner's Representative. The values in the breakdown will be used for determining progress payments.
2. If material delivered to the Project site that will be incorporated into the Project will be taken into consideration in computing progress payments, before each payment is made, the Operator must furnish the Owner's Representative proof of the quantity, value, and delivery of such material.
3. In making progress payments, the Owner's Representative will ordinarily retain five percent (5%) of the progress payments earned on the construction portion of the work. However, if the Owner's Representative, at any time after fifty percent (50%) of the construction portion of the work has been completed, finds that satisfactory progress is being made, he/she may authorize payment in full of all future progress payments earned.
4. All material and work covered by progress payments will be the sole property of the Owner. However, this paragraph does not:
   (a) Relieve the Operator of responsibility to protect and safeguard material and work for which payment has been made or for restoration of any damaged work; or
   (b) Waive the right of the Owner to require fulfillment of all terms of the Contract Documents.
5. Before receiving a progress payment or final payment under this Agreement, the Operator must certify to the Owner's Representative that payment due to the Prime Construction Contractor and subcontractors have been made from the proceeds of prior payments or will be made in a timely fashion from the payment then due the Operator.
6. Upon completion and acceptance of all work, the amount due the Operator under this Agreement shall be paid upon presentation of a properly executed invoice, after the Operator has furnished the Owner with a release of all claims against the Owner arising by virtue of this Agreement, other than claims in stated amounts that must be specifically excepted by the Operator from the operation of the release. If the final cost as audited by the Owner is less than the GMP, the final invoice shall include any share in savings (see Section 5.7). If the sum of all progress payments and the final invoice is greater than the GMP, the final invoice shall be adjusted so that the sum of all progress payments and the final payment is not greater than the GMP. If the Operator's claim to amounts payable under the Agreement has been assigned as provided in the Assignment of Claims clause, a release may also be required of the assignee.

b. Payment of the Fixed Fees will be made in accordance the schedule contained in Exhibit D.

16.3 CONSTRUCTION COST BREAKDOWN.

The Operator's submission of their Guaranteed Maximum Price (GMP) must include a construction cost breakdown by CSI Division and other breakdowns as reasonably requested by Owner's Representative. The Operator shall provide copies of its contract with its Prime Construction Contractor and construction subcontracts and a comparison to the GMP, for approval by the Owner's Representative, and for use in verifying monthly construction invoices.

16.4 ALLOWABLE COST AND PAYMENT.

a. **Invoicing:** The Owner will make payments to the Operator when requested as work progresses, but not more than monthly, in amounts approved by the Owner's Representative, such approval not to be unreasonably withheld. The Operator must submit an invoice or voucher to the address specified by Owner, supported by a statement of claimed allowable costs of performing this Agreement, in such form and detail as the Owner's Representative may reasonably require.

b. **Audit:** At any time or times before final payment, the Owner's Representative may have the Operator's invoices or vouchers and statements of cost audited. Any payment may be:

1. Reduced by amounts found by the Owner's Representative not to constitute Reimbursable Costs; or
2. Adjusted for prior overpayments or underpayments.

c. **Final Payment**:

1. The Operator must submit a completion invoice or voucher, designated as such, promptly upon completion of the work, but not later than one year (or longer, as the Owner's Representative may approve in writing) from the completion date. Upon approval of that invoice or voucher, and upon the Operator's compliance with all terms of this contract, the Owner will promptly pay any balance of allowable costs and that part of the fee (if any) not previously paid.

2. In exchange for final payment the Operator shall release the Owner and its officers, agents, and employees from all liabilities, obligations, and claims arising out of or under this Agreement, except for those that have been identified as open in the final invoice.

ARTICLE XVII

CHANGES/CLAIMS/DISPUTES

17.1 CHANGES.

a. The Owner may at any time, without notice to any sureties, by written change specifically designated or indicated to be a Change Order or Change Directive, make a Change, including, without limitation, one that:

1. Changes the plans and specifications (including drawings and designs);
2. Changes the method or manner of performance of the work;
3. Changes the Owner-furnished facilities, equipment, materials, services, or site; or
4. Directs acceleration in the performance of the work.

b. Any other written or oral order, direction, instruction, interpretation, or determination from the Owner that causes a change to the Scope of Work or its duration will only be treated as a Change Directive, allowing a change in compensation or schedule, only if (1) the Operator gives the Owner's Representative written notice as soon as possible, but not later than within ten (10) days, of the receipt by Operator, the Prime Construction Contractor, or any subcontractor, whichever has first receipt of such order, direction, instruction, or determination, stating (i) the date, circumstances, and source of the order, direction, instruction or determination, and (ii) that the Operator regards the order, direction, instruction or determination as a Change, and (2) Operator does not incur additional costs attributable to such order, direction, instruction or determination without first receiving a Change Directive from Owner unless waiting for a Change Directive is clearly unreasonable under the circumstances.

c. Except as provided in this Section 17.1, no order, direction, instruction, interpretation, determination, statement, or conduct of the Owner's Representative may be treated as a Change or entitle the Operator to any adjustment in compensation or schedule.

d. If any Change under this Article causes an increase or decrease in the Operator's cost of, or the time required for, the performance of any part of the work under this Agreement, the Owner shall issue a Change Order or Change Directive. However, no claim for any Change shall be allowed for which the Operator has not strictly complied with the requirements of paragraph b as well as all other requirements of this Agreement. No claims will be allowed for defective plans or specifications prepared by or for the Operator.

e. No claim by the Operator will be allowed if asserted after final payment under this Agreement.

f. After approval of final Plans and Specifications, except for the correction of errors and omissions, the Operator shall not make or allow any changes in the plans or specifications, including drawings and designs, without approval of the Owner's Representative.

g. The GMP shall be adjusted for overruns and underruns in the allowances. The Operator shall include in the GMP all allowances stated in the Agreement. Items covered by allowances shall be supplied for such amounts and by such persons or entities as the Owner's Representative may direct or as required to perform the work, but the Operator shall not be required to employ persons or entities to whom the Operator has reasonable objection. Unless otherwise provided in this Agreement, (1) allowances shall cover the Reimbursable Costs to the Operator of materials and equipment delivered at the site and all required taxes, less applicable trade discounts but no other costs, whether or not such costs would otherwise constitute Reimbursable Costs; (2) Operator's cost for unloading and handling at the site, labor, installation costs, overhead, profit and other expenses contemplated for stated allowance amounts shall be included in the GMP but not in the allowances; and (3) whenever Reimbursable Costs covered by (1) are more or less than allowances, the GMP shall be adjusted accordingly by Change Order. The amount of the Change Order shall reflect the difference between actual Reimbursable Costs covered by (1) costs and the allowances. Materials and equipment under an allowance shall be selected by the Owner's Representative in sufficient time to avoid delay in the work. Allowance overruns may be deducted from the Owner's portion of savings, if any, in the Operator's contingency, with the Operator's approval such approval, to be at the sole discretion of Operator.

h. The Operator shall not proceed with any Change until the Owner has obtained all necessary approvals and funds to pay for the Change.

17.2 CHANGE ORDER ACCOUNTING.

The Owner's Representative may require Change and Change-order accounting whenever the estimated cost of a Change or series of related Changes exceeds $100,000. The Operator, for each Change or series of related Changes, must maintain separate accounts, by job order or other suitable accounting procedure, of all incurred segregable, direct costs (less allocable credits) of work, both changed and not changed, allocable to the Change. The Operator shall maintain such accounts until the parties agree to an equitable adjustment for the Changes ordered by the Owner's Representative or the matter is finally disposed of in accordance with Section 17.5.

17.3 EQUITABLE ADJUSTMENTS.

a. **Fixed Fees for A-E Services:**

1. There will be no monetary adjustment to any of the Fixed Fees component for Architect-Engineer Services under this Agreement except where the Scope of Work has been modified by the Owner. The A-E component of Fixed Fees for such Scope of Work changes will only be adjusted when the Owner-requested change requires a duplication of work that has already been accomplished, causes an appreciable increase in direct labor, material or other costs to work included under the A-E component of the Fixed Fees, or requires new labor, material or other direct costs of work not included under the existing A-E component of the Fixed Fees. All other changes required to complete the work will be the responsibility of the Operator.
2. Adjustment in the A-E component of Fixed Fees will be based upon the extent of change to the work and not upon a percentage of construction costs. The Owner will negotiate an adjustment on the basis of the costs per discipline for the production of drawings, calculations, specifications, estimating and other services. Prior to negotiations, the Operator shall submit an Estimate of Fee for Modification of Design.
3. Where a proposal for a Fixed Fees modification is submitted by the Operator, the overhead, profit and commission percentages included in the proposal will be based solely on changes in labor, material, or other direct costs covered under the Fixed Fees. No percentages for overhead, profit, or commission will be allowed on employment taxes under FICA and FUTA. The percentages for overhead, profit and commission will be negotiated and may vary according to the nature, extent, and complexity of the work involved. Not more than three percentages, not to exceed the maximum percentages shown below, will be allowed regardless of the number of tiers of subcontractors; that is, the markup on work subcontracted by a subcontractor will be limited to one overhead percentage and one profit percentage in addition to the Operator's commission percentage. On proposals covering both increases and decreases of the Fixed Fees of the Agreement, the overhead, profit, and where applicable commission will be computed on the net change only.

	Overhead	Profit	Commission
To Operator on work performed by other than own forces	0%	0%	10%
To Architect and/or the subcontractors for that portion of work performed with their respective forces	140%*	10%*	0%

* billable rate multiplier

4. The Operator must submit with its proposal its request for time extension (if any).
5. In considering a proposal, the Owner may check estimates in detail, utilizing unit prices where specified or agreed upon, with a view to arriving at an equitable adjustment.
6. Upon written request by the Owner's Representative, the Operator must submit a proposal, in accordance with the requirements and limitations set forth in subparagraphs (a.1) through (a.6) of this clause, for work involving proposed changes covered by the request, within the time limit indicated in the request or any extension of such time limit as may be subsequently granted. If, within a reasonable time after the receipt of such proposal, the Owner's Representative orders the Operator to proceed with the performance of the work contemplated, the proposal submitted prior to the order will constitute the Operator's statement of the monetary extent of claim for equitable adjustment to any component of the Fixed Fees.

b. **Reimbursable Costs and Fixed Fees For Development and Construction:**

1. There will be no monetary adjustment to the GMP under this Agreement except when the Scope of Work has been modified by the Owner by Change and except as allowable under the other provisions of this Agreement. All other changes required to complete the work shall be the responsibility of the Operator.
2. In the event of a Change, an appropriate monetary adjustment to the GMP will be made if all the requirements of this Agreement are met. The Operator's written statement of the monetary extent of any claim for equitable adjustment under this Agreement must be submitted in the form of a lump sum proposal (unless otherwise requested) with an itemized breakdown of all increases or decreases in the cost of the Operator's and all subcontractors' work, in at least the following detail:
   (a) Material quantities and unit cost
   (b) Labor costs (identified with the specific item of material to be placed or operation to be performed)
   (c) Construction equipment
   (d) Worker's Compensation, Automobile and Public Liability Insurance, Builders Risk
   (e) Overhead-Subcontractor only
   (f) Profit-Subcontractor only
   (g) Employment taxes under FICA and FUTA
3. The Operator's and Contractor's overhead, profit and commission will be included in a modification to the component of the Fixed Fees for Development and Construction Support Services, if required. The subcontractors' overhead and profit percentage included in the proposal will be considered to include, but not be limited to, insurance other than mentioned in b.2. of this clause, use of small tools, incidental job burdens, and general office expense. No percentages for overhead, profit or commission will be allowed on employment taxes under FICA and FUTA. The percentages for overhead, profit and commission will be negotiated and may vary according to the nature, extent, and complexity of the work involved. Not more than two percentages for subcontractor's work, not to exceed ten (10) percent each, will be allowed regardless of the number of tiers of subcontractors; that is, the markup on work subcontracted by a subcontractor will be limited to one overhead percentage and one profit percentage. On proposals covering both increases and decreases of the Scope of Work, the overhead and profit will be computed on the net change only.
4. The Operator must submit with its proposal its request for time extension (if any).
5. In considering a modification to the GMP, the Owner may check estimates in detail, utilizing unit prices where specified or agreed upon, with a view to arriving at an equitable adjustment.
6. Where modification is made to the GMP, appropriate adjustment will be made to the Fixed Fees for Development and Construction Support Services. This adjustment should include the Operator's profit and overhead costs only for work which:
   (a) Requires a duplication of work already included under the fee that has already been accomplished;
   (b) Causes an appreciable increase in direct labor, material or other costs included under the fee; or
   (c) Requires new labor, material or other direct costs of work not included under the fee.

   The Operator's and Contractors percentage of profit and overhead costs will be negotiated and may vary according to the nature, extent, and complexity of the work, but will not exceed ten (10) percent for the Operator and ten (10) percent for the Contractor in total.
7. Payment for a Change involving construction work will be made on the basis of direct construction costs and subcontractor costs that are Reimbursable Costs, up to the limit of the revised GMP. Payment for Operator and Contractor services will be made on the basis of the negotiated fee.
8. After receipt of a proposal with a detailed breakdown, the Owner's Representative will act reasonably promptly thereon. However, when the necessity to proceed with a Change does not allow sufficient time to check a proposal, or in the event of a failure to reach an agreement on a revised GMP, the Operator, if directed by Owner, shall proceed with the work and will be reimbursed for all direct costs. The GMP shall be subsequently modified based on the actual cost of the change, plus a fee increase for overhead and profit as provided in this Article XVII.
9. Upon written request by the Owner's Representative, the Operator shall submit a proposal, in accordance with the requirements and limitations set forth in subparagraphs (b.1) through (b.9) of this clause, for work involving contemplated changes covered by the request, within the time limit indicated in the request or any extension of such time limit as may be subsequently granted. If, within a reasonable time after receipt of such proposal, the Owner's Representative orders the Operator to proceed with the performance of the work proposed, the proposal

submitted prior to the order will constitute the Operator's statement of the monetary extent of its claim for adjustment to the Guaranteed Maximum Price.

17.4 Differing Site Conditions

Operator represents that it has recommended the site(s) for the Project and has had full opportunity to inspect such site(s) to determine suitability for this Project. Operator therefore waives any claim to an adjustment in Guaranteed Maximum Price arising from subsurface, latent or other unknown physical conditions at the site and voluntarily assumes the risk of increased costs associated with the possible existence of such conditions.

17.5 Resolution of Disputes, Claims and Other Matters

Disputes, claims and other matters in question between the parties shall only be resolved as follows:

a. The Operator shall give Owner written notice of any claim for any additional compensation, damages, or delay within ten (10) days of the beginning of the occurrence of the event leading to the claim being made, or within ten (10) days of when Operator or any of its subcontractors first knew or first reasonably should have known of the occurrence of the event leading to the claim being made, and Operator shall submit the actual claim and any supporting data reasonably available within thirty (30) days after the occurrence giving rise to the claim ends unless otherwise agreed in writing by the parties. The "occurrence" means the condition encountered in the field giving rise to the claim and not a later dispute about payment for that condition. Claims of delay will be resolved as they occur, and no claims of cumulative impacts or deferral of claimed delay will be allowed. Complete satisfaction of this Section 17.5.a is a condition precedent for Operator to pursue a claim arising under or relating to this Agreement, and failure by Operator to satisfy this subparagraph a as to written notice or, unless otherwise agreed in writing by the parties, to submit its claim and reasonably available data in accordance with this Section 17.5.a will waive any claim by Operator as to which such failure applies. Unless otherwise agreed by the parties, the Owner shall act on any claims within ninety (90) days of their receipt.

b. The parties shall first endeavor to resolve any disputes, claims or other matters in question between them through direct negotiations, and if such direct negotiations fail, by non-binding mediation conducted pursuant to the Rules of the American Arbitration Association, with the site of the mediation being Appomattox County, Virginia. Should the dispute, claim, or other matter in question remain unresolved for the shorter of (i) following negotiation and mediation, or (ii) more than ten (10) days after mediation is invoked by a party, either party may proceed in accordance with Section 17.5.c below.

c. If the procedures of Section 17.5.b have been followed, but, more than ten (10) days have passed since a party has invoked mediation, and the dispute, claim or matter in question remains unresolved, then either party may institute a lawsuit or chancery action, as appropriate, in the Circuit Court of Appomattox County, Virginia, or if the subject or amount in controversy is within its jurisdiction, the General District Court of Appomattox County, Virginia.

d. Nothing in Sections 17.5.b or 17.5.c shall prevent a party from seeking immediate temporary injunctive or other temporary equitable relief in Appomattox County Circuit Court if circumstances so warrant.

e. In the event of any dispute, claim, or other matter in question arising, Operator shall continue its performance diligently during its pendency as if no dispute, claim or other matter in question had arisen. During the pendency of any dispute in connection with the payment of moneys, Operator shall be entitled to receive payments for non-disputed items.

f. No claim by Operator shall be allowed if submitted after final payment.

ARTICLE XVIII

TERMINATIONS

18.1 Termination for Convenience.

a. Performance under this Agreement may be terminated by the Owner for convenience, for any reason, in whole or in part at any time. A termination may be effected by delivery to the Operator of a notice of termination specifying the extent of work terminated, and the effective date of the termination (thirty [30] calendar days minimum notice).

b. Upon receipt of a notice of termination, unless otherwise directed by the Owner's Representative, the Operator must take the following actions:

   1. Stop work to the extent specified in the notice.
   2. Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of the unterminated work.
   3. Terminate all orders and subcontracts to the extent that they relate to the work terminated.
   4. Settle all outstanding liabilities and claims arising out of the termination of orders and subcontracts.
   5. Transfer title to the Owner and deliver as directed by the Owner's Representative:
      (a) Work in process, completed work, and other material produced as a part of or acquired for the work terminated; and
      (b) The completed or partially completed (in both hard copy and electronic format) plans, drawings, information, and other property that, if the Agreement had been completed, would have been furnished to the Owner.
   6. Use its best efforts to sell, as directed by the Owner's Representative, any property of the types referred to in paragraph b.5 above, provided that the Operator may acquire property under the conditions prescribed and at prices approved by the Owner's Representative, and the proceeds of any such transfer will be applied in reduction of any payments to be made by the Owner to the Operator, or be credited to the price or cost of the work covered by this Agreement, or be paid in any manner directed by the Owner's Representative.
   7. Complete performance of the work not terminated.
   8. Take any action that may be necessary, or that the Owner's Representative may direct, for protecting and preserving any property related to this Agreement that is in the possession of the Operator and in which the Owner has or may acquire an interest.

c. At any time, the Operator may submit to the Owner's Representative a list, certified as to quantity and quality, of termination inventory not previously disposed of, and may request the Owner to remove inventory items or enter into a storage agreement covering them. Not later than fifteen (15) calendar days after receiving this request, the Owner will accept title to the items and remove them or enter into a storage agreement. The list will be subject to verification by the Owner's Representative upon removal of the items or, if the items are stored, within forty-five (45) days after submission of the list.

d. After termination, the Operator must submit to the Owner's Representative a termination claim in the form and with the certification prescribed by the Owner's Representative. The claim must be submitted promptly, but in no event more than one (1) year after the effective date of termination, unless an extension in writing is granted by the Owner's Representative. However, if the Owner's Representative determines that the facts justify such action, any termination claim may be received and acted upon at any time after the one (1) year period. Upon failure of the Operator to submit a termination claim within the time allowed, the Owner's Representative may determine, on the basis of the information available, the amount, if any, due the Operator by reason of the termination and will pay that amount.

e. If the Operator and the Owner's Representative fail to agree on the amount to be paid to the Operator by reason of the termination, the Owner will pay the Operator the total of:

1. The amount payable per the Draw Schedule for Fixed Fees and the Schedule of Values for Reimbursable Costs based on the progress obtained on the Project at the time of the termination.;
2. The cost of settling and paying claims arising out of the termination of work under subcontracts.

f. The total sum to be paid to the Operator may not exceed the total Agreement price as reduced by the payments made and as further reduced by the Agreement price of work not terminated. Except for normal spoilage, and except to the extent that the Owner expressly assumed the risk of loss, there will be excluded from the amounts payable to the Operator under paragraph e above, the fair value, as reasonably determined by the Owner's Representative, of property destroyed, lost, stolen, or damaged so as to become undeliverable to the Owner, or to a buyer.

g. The Operator has the right of review under the "Claims and Disputes" clause of any determination made by the Owner's Representative under paragraph d or e above, except that, if the Operator has failed to submit its termination claim within the time provided in paragraph d above and has failed to request an extension of time, there may be no right of review.

h. In arriving at the amount due the Operator, there must be deducted:

1. Any valid claim that the Owner may have against the Operator under this Agreement; and
2. The agreed price for or the proceeds of sale of materials, supplies, or other things kept by the Operator or sold and not recovered by or credited to the Owner.

i. If the termination is partial, the Operator must file with the Owner's Representative a request in writing for an equitable adjustment of the price specified in the Agreement relating to the continued portion of the Agreement.

18.2 TERMINATION FOR DEFAULT.

a. The Owner may, subject to paragraph d below, by written notice of default to the Operator, terminate this Agreement in whole or in part if the Operator fails to:

1. Complete the requirements of this Agreement within the time specified in the Agreement or any extension;
2. Make progress, so as to endanger performance of this Agreement; or
3. Perform any of the other material provisions of this Agreement (but see subparagraph b following).

b. Owner may terminate this Agreement under paragraph a.2 and a.3 if the Operator does not commence to cure the failure within ten (10) calendar days (or more if authorized in writing by the Owner's Representative) after receipt of the notice from the Owner's Representative specifying the failure.

c. Owner may terminate this Agreement without notice or opportunity to cure if Operator declares bankruptcy or is involuntarily placed into bankruptcy.

d. If the Owner terminates this Agreement in whole or in part, it may acquire similar supplies or services or complete the work, and the Operator will be liable to the Owner for any excess costs. However, the Operator must continue the work not terminated.

e. Except for defaults of subcontractors at any tier, the Operator is not liable for any excess costs if the failure to perform the Agreement arises from causes beyond the control and without the fault or negligence of the Operator.

f. If this Agreement is terminated for default, the Owner may require the Operator to transfer title and deliver to the Owner, as directed by the Owner's Representative, any completed supplies, partially completed supplies, and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights that the Operator has specifically produced or acquired for the terminated portion of this Agreement. Upon direction of the Owner's Representative, the Operator must also protect and preserve property in its possession in which the Owner has an interest.

g. The Owner will pay the Agreement price for completed items delivered and accepted. The Operator and Owner's Representative may agree on the amount of payment for items delivered and accepted under paragraph e above for the protection and preservation of the property. Failure to agree will be a dispute under Section 17.5 of this Agreement. The Owner may withhold from these amounts any sum the Owner's Representative determines to be necessary to protect the Owner against loss because of outstanding claims.

h. If, after termination, it is determined that the Operator was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for convenience.

i. The rights and remedies of the Owner under this Section 18.2 are in addition to any other rights and remedies provided by law or under this Agreement.

18.3 TERMINATION FOR OWNER DEFAULT.

a. The Operator may terminate the contract for default if, through no act or fault of the Operator or a Subcontractor, Sub-subcontractor or their agents or employees or any other persons or entities performing portions of the work under direct or indirect contract with the Operator, the Owner has not issued a certificate for payment and has not notified the Operator of the reason for withholding the certificate for payment within thirty (30) calendar days of receipt of a valid invoice, or because the Owner has not made payment within thirty (30) calendar days after the time stated in the Agreement for payment.

b. The Operator may terminate the Agreement for default if, through no fault of the Operator, Contractor or a Subcontractor, Sub-subcontractor or their agents or employees or any other persons or entities performing portions of the work under direct or indirect contract with the Operator or Contractor, repeated suspensions, delays or interruptions of the entire work by the Owner, other than resulting from a termination for convenience or termination of Operator for default, as described in the contract, constitute in the aggregate more than one hundred twenty (120) calendar days in any three hundred sixty-five (365) calendar day period.

ARTICLE XIX

INSPECTION AND ACCEPTANCE

19.1 INSPECTION OF PROFESSIONAL SERVICES.

The Owner's Representative may, at any time or place, inspect the services performed and the products, including documents and reports. No matter what type of contract is employed, and in addition to any specific standards of quality set out in this agreement, the Owner's Representative may reject any services or products that do not meet the requirements of this Comprehensive Agreement. No payment will be due for any services or products rejected under this clause.

19.2 INSPECTION AND ACCEPTANCE.

a. Owner inspection and testing of materials and workmanship will be made at reasonable times at the site of the work or off the site as the Owner's Representative may direct. Off–site inspection or testing does not relieve the Operator of responsibility for damage to or loss of the material prior to acceptance, nor in any way affect the continuing rights of the Owner after acceptance of the completed work under the terms of paragraph f of this section.

b. The Operator must, without charge, replace any material or correct any workmanship found by the Owner not to conform to the contract requirements, unless the Owner consents to accept such material or workmanship with an appropriate adjustment in contract price. The Operator must promptly segregate and remove rejected material from the premises.

c. If the Operator does not promptly replace rejected material or correct rejected workmanship, the Owner may, by contract or otherwise, replace or correct it and charge the cost to the Operator.

d. The Owner may examine completed work by removing or tearing it out. The Operator must replace or correct any work found not to conform to contract requirements. If work is torn out and found to comply with contract requirements, the Owner's Representative must make an equitable adjustment for the services provided for the inspection and replacement of the work.

e. The Owner will inspect the work as soon as practicable after completion.

f. The Owner may terminate this contract for default and seek any remedy allowed by law if the Operator does not maintain an acceptable inspection system or follow Owner directions to replace or correct incorrect or defective items.

19.3 TECHNICAL SUPERVISION.

a. Performance of the work is subject to technical input by representatives of the Owner. Technical input includes suggestions to the Operator which fill in technical details, suggest possible lines of inquiry, or otherwise clarifies the scope of work, but do not constitute new scopes of work.

b. The Owner reserves the right to use construction management support services (CMSSC) personnel, or other qualified personnel under contract to the Owner, to provide such technical supervision.

19.4 APPROVAL OF DESIGN.

a. The Owner's Representative must approve final plans and specifications. However, phased or fast track construction may commence prior to approval of final plans and specifications, provided the Owner's Representative has approved plans and specifications covering only that phase of the work. The Owner's Representative's review will be primarily for general arrangement and compliance with Owner requirements included as part of the contract.

   Owner's Representative's approval shall not be construed as:

   1. Permitting any departure from the contract requirements, without specific prior written approval.
   2. Relieving the Operator of responsibility for any errors including, but not limited to, details, dimensions and materials;
   3. Relieving the Operator of responsibility for compliance with applicable codes of local, state, or federal codes or regulations

b. After approval of plans and specifications, the Operator shall be responsible for revising plans and specifications to correct deficiencies. Copies of revised plans and specifications will be furnished to the Owner's Representative. There will be no modification to any fee or to the GMP to the contract, as a result of such deficiencies.

19.5 PROJECT CLOSEOUT.

Unless specified for an earlier date elsewhere in this contract, the Operator must process all documents, changes, claim submissions, complete all Project closeout items, and submit a final report certifying that this action has been taken not later than six (6) months after the date of Substantial Completion.

19.6 ASBESTOS FREE AND LEAD-BASED PAINT FREE CERTIFICATION.

The Operator must certify that no asbestos-containing building materials or lead-based paints (interior or exterior) were used in this Project. The Operator must include completed and unaltered asbestos free and lead-based paint certifications as a closeout submittal document. The only acceptable alternative for asbestos certification is to conduct a post-construction asbestos survey in accordance with AHERA requirements.

ARTICLE XX

MISCELLANEOUS

20.1 REPRESENTATIONS AND WARRANTIES OF AUTHORITY.

a. Operator represents and warrants that it has legal authority to enter into this Agreement and perform all of its obligations herein, that all Work under this Agreement shall be performed by appropriately licensed entities or individuals when required, and that the execution of this Agreement by it has been duly and properly authorized. As a condition to this Agreement's effectiveness, Operator shall provide to Owner a certificate in form and with attachments satisfactory to Owner showing to Owner's satisfaction Operator's legal existence and authority to enter into this Agreement.

b. Owner represents and warrants that it has legal authority to enter into this Agreement and perform all its obligations herein and that the execution of this Agreement by it has been duly and properly authorized, including approval by the local governing body in accordance with Va. Code § 56--575.16 (as evidenced by the signature of approval on behalf of Owner affixed to this Agreement).

20.2 EQUAL OPPORTUNITY EMPLOYMENT.

a. During the performance of this Agreement, the Operator agrees as follows:

(1) The Operator will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by federal or state law relating to discrimination in employment, except where there is a bona-fide occupational qualification reasonably necessary to the normal operation of the Operator. The Operator agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

(2) The Operator, in all solicitations or advertisements for employees placed by or on behalf of the Operator, will state that Operator is an equal opportunity employer.

(3) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the notice, advertisement, and solicitation requirements of this paragraph.

b. The Operator will include the provisions of the foregoing paragraphs a(1), a(2), and a(3) (substituting the subcontractor or vendor for Operator as the obligated party) in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

20.3 DRUG-FREE WORKPLACE.

a. During the performance of this Agreement, the Operator agrees to (i) provide a drug-free workplace for the Operator's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Operator's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Operator that the Operator maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses (substituting the subcontractor or vendor for the Operator as the obligated party) in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

b. For the purposes of this paragraph, *"drug-free workplace"* means a site for the performance of work done in connection with this Agreement by Operator where its employees are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the Agreement.

20.4 NOTICES.

a. All notices and demands by any party to any other shall be given in writing and sent by a nationally-recognized, overnight courier or by United States certified mail, postage prepaid, return receipt requested, and addressed as follows:

If to Owner:

Dr. Annette Bennett, Superintendent
Appomattox County School Board
316 Court Street
Appomattox, Virginia 24522
Telephone: 434-352-8251
Fax: 434-352-0883

With a copy to:

Frank A. Wright, Jr., Esq. and/or Samuel F. Vance, IV, Esq.
Overbey, Hawkins, Wright & Vance, PLLC
Post Office Box 38
Rustburg, Virginia 24588
Telephone: 434-332-5155
Telefax: 434-332-5143

If to Operator:

_____
_____
_____
_____
_____
_____

With a copy to:

_____

_____
_____
_____
_____

b. Any party may, upon prior notice to the others, specify a different address for the giving of notice. Notices shall be effective one day after sending if sent by overnight courier or three (3) days after sending if sent by certified mail, return receipt requested.

20.5 SUCCESSORS AND ASSIGNS.

Except as expressly otherwise provided, all of the terms, covenants and conditions hereof shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. This Agreement may not be assigned without the prior written consent of the parties to this Agreement. Notwithstanding the foregoing, if financing is obtained for the Project, the Owner may assign this Agreement to a third-party, as needed, to acquire a leasehold interest in the sites and to own the Project improvements. This Agreement may also be assigned to a mortgagee(s)/trustee(s) of deed(s) of trust of the fee or leasehold interest in the sites or portions of them. The Operator hereby consents to collateral assignment of this Agreement in favor of such mortgagee(s)/trustee(s) of deed(s) of trust, in a form reasonably satisfactory to such mortgagee(s)/trustee(s).

20.6 NO WAIVER.

The failure of Owner to insist upon the strict performance of any provisions of this Agreement, the failure of Owner to exercise any right, option or remedy hereby reserved, or the existence of any course of performance hereunder shall not be construed as a waiver of any provision hereof or of any such right, option or remedy or as a waiver for the future of any such provision, right, option or remedy or as a waiver of a subsequent breach thereof. The consent or approval by Owner of any act by Operator requiring Owner's consent or approval shall not be construed to waive or render unnecessary the requirement for Owner's consent or approval of any subsequent similar act by Operator. No provision of this Agreement shall be deemed to have been waived unless such waiver shall be in writing signed by the party to be charged.

20.7 SEVERABILITY

If any term or provision of this Agreement shall be determined to be invalid or unenforceable in any respect, it shall be replaced with a substantially similar provision to the greatest extent possible and the Agreement shall remain in full force and effect.

20.8 COUNTERPARTS.

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of such counterparts together shall be deemed to be one and the same instrument. It shall not be necessary in making proof of this Agreement or any counterpart hereof to produce or account for the other counterpart.

20.9 ENTIRE AGREEMENT.

This Agreement and the exhibits attached hereto and forming a part hereof set forth all the covenants, promises, agreements, conditions and understandings between Operator and Owner concerning the Project, and there are no covenants, promises, agreements, conditions or understandings, either oral or written, between them other than are herein set forth. No alteration, amendment, change or addition to this Agreement shall be binding upon Operator or Owner unless reduced to writing and signed by each party. Extracts from Operator's Conceptual Phase and Detailed-Phase proposals at Exhibit B are attached and incorporated by reference for purposes of providing details concerning the overall intent of the parties. However, Exhibit B is not intended to contradict this Agreement, and in the event of inconsistencies, this Agreement shall control.

20.10 WAIVER OF CLAIMS FOR CONSEQUENTIAL DAMAGES

Except as otherwise specifically provided, Owner and Operator waive claims against the other for consequential damages arising out of or relating to this Agreement. Nothing contained in this paragraph shall be deemed to preclude an award of liquidated damages when applicable in accordance with this Agreement.

20.11 GOVERNING LAW.

This Agreement shall be governed by, and construed in accordance with, the laws of the Commonwealth of Virginia. Venue for any litigation arising from this Agreement shall be proper in the Appomattox County Circuit Court, or in the Appomattox County General District Court if the amount in controversy is within the jurisdictional limit of such court, and all parties to this Agreement voluntarily submit to the jurisdiction and venue of such courts, regardless of the actual location of such parties. The provisions of this Agreement shall not be construed in favor of or against either party but shall be construed according to their fair meaning as if both parties jointly prepared this Agreement.

20.12 ANNUAL APPROPRIATION AND PLAN OF FINANCE.

The financial obligations of the Owner contained in this Agreement are subject to annual appropriation. Operator shall cooperate in executing any documents reasonably necessary to aid Owner in implementing its plan of finance for the Project.

20.13 FINANCIAL STATEMENTS.

Operator agrees to provide Owner with copies of its complete and current financial statements on an annual basis, or more frequently if reasonably requested by Owner. The Operator may designate such financial statements as confidential proprietary information exempt from release under the Virginia Freedom of Information Act by following the procedure for such designation indicated in the Owner's PPEA implementation procedures.

20.14 COPY OF AGREEMENT TO AUDITOR OF PUBLIC ACCOUNTS.

Owner shall submit a copy of this Agreement to the Virginia Auditor of Public Accounts within thirty (30) days of its effective date.

20.15 APPROVAL BY APPOMATTOX COUNTY A CONDITION PRECEDENT TO AGREEMENT'S EFFECTIVENESS.

It shall be a condition precedent to this Agreement's effectiveness that it first be approved by Appomattox County.

20.16 CERTIFICATIONS.

Operator has executed and provided to Owner a Vendor's Certification (Exhibit L), Statement of Disclaimer (Exhibit M) and Contractor Eligibility Certification (Exhibit N) contemporaneously with the execution of this Agreement. Operator shall require all subcontractors who will perform more than $10,000.00 of work pursuant to this Agreement to execute each of these documents (Exhibits L, M and N) prior to commencement of such subcontractor's work. Also attached hereto and incorporated herein by this reference is Exhibit R, Contractor Certifications and Compliance.

20.17 RULES AND REGULATIONS OF OWNER.

Operator agrees to abide by, and to guarantee its subcontractors and their employees abide by, all reasonable rules and regulations which Appomattox County Public Schools adopt from time to time to govern the use by Operator, its subcontractors and employees of the school premises and the property

which is the subject of this Agreement. At present, Operator agrees to abide by the construction rules set forth in Exhibit O, which is attached hereto, and to ensure that its subcontractors and their employees also abide by such rules. Operator agrees that the rules set forth in Exhibit O are reasonable, but further agrees to abide by, and to guarantee its subcontractors and their employees abide by, any reasonable additional rules or changes to the rules which may be adopted by the Appomattox County Public Schools from time to time. Attached hereto and incorporated herein by this reference is Exhibit P, Required Conditions to All Contracts.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly authorized representatives as of the date first above written.

See Attachment(s)

EXHIBIT P – Required Conditions of All Contracts – Appomattox County Public Schools

As used herein, the term "contractor" shall apply to JAMERSON-LEWIS CONSTRUCTION, INC., a Virginia corporation, located at [ADDRESS LINE 1, ADDRESS LINE 2, City, Virginia zip], and the term "Schools" shall apply to Appomattox County Public Schools.

1. AVAILABILITY OF FUNDS: This contract is conditioned upon appropriation and availability of funds from year to year. If sufficient appropriation and funding is not available, in the sole judgment of the Schools, the Schools may terminate the contract without penalty, cost, or damage payment.

2. INSURANCE: If requested, the contractor shall secure and provide insurance in at least the following minimum amounts:

a. Automobile Liability Insurance: $1,000,000 combined single limit,
b. General Liability Insurance: $1,000,000 occurrence limit, $2,000,000 general aggregate,
c. Professional Liability (if appropriate): $1,000,000 occurrence limit, $2,000,000 aggregate, and
d. Workers' Compensation Insurance at statutory limits.

Upon request, the contractor shall have the Appomattox County School Board added as an additional insured.

3. EMPLOYMENT DISCRIMINATION: During the performance of this contract, the contractor agrees as follows in accordance with Code of Virginia §2.2-4311:

a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.
c. Notices, advertisements and solicitations place in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.
d. The contractor will include the provisions of the foregoing paragraphs a, b and c in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

4. DRUG-FREE WORKPLACE: During the performance of this contract, the contractor agrees to provide a drug-free workplace for the contractor's employees, in accordance with Code of Virginia §2.2-4312.

5. NONDISCRIMINATION STATEMENT:
In accordance with the Code of Virginia §§2.2-4310 and 2.2-4343.1, this public body does not discriminate against faith-based organizations or against a bidder or offeror because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment.

6. LICENSE: If contractor is a business or profession required to be licensed by the Commonwealth of Virginia, you must provide your state contractor's or professional certificate number.

7. STANDARDS OF CONTRACT: Appomattox County Schools reserves the right to cancel and terminate a contract at any time, without penalty, for unsatisfactory product quality and/or service on the part of the contract holder, in the sole judgment of the Schools, or when the Schools determines the cancellation to be in the best interests of the Schools. Repeated delayed or partial deliveries and returns for inadequate, damaged, or spoiled products shall be interpreted as failure to meet contractual obligations and may cause cancellation of the contract. Upon receipt of notice of termination, the contractor shall cease all deliveries or services unless advised by the Schools to do otherwise. In the event of termination, the contractor shall be compensated for those deliveries or services provided to the satisfaction of the Schools as of the date of termination.

8. APPLICABLE LAWS AND VENUE: Any contract resulting from any solicitation shall be governed by the laws of the Commonwealth of Virginia. Venue for any litigation arising from a solicitation or resulting contract shall be proper only in Appomattox County General District Court or Appomattox County Circuit Court, both located in Appomattox, Virginia. The Schools do not agree to arbitration.

9. TAXES: Appomattox County Schools are tax exempt and will not contract to pay taxes. Any such provision is void and not accepted.

10. COMPLIANCE WITH LAWS: The contractor shall comply with all applicable federal, state and local laws.

11. CLAIM OF BREACH: In the event contractor alleges or claims that Appomattox County Schools is in breach of any provision of the contract the contractor shall first give notice of the claimed breach to Appomattox County Schools in writing with all details. Copy of the claim shall be sent to the law offices of Overbey, Hawkins & Wright, P. O. 38, Rustburg, Virginia 24588, attention A. David Hawkins, Esq., Frank A. Wright, Jr., Esq. or Samuel F. Vance, IV, Esq. The Schools shall have thirty (30) days to correct any non-performance without penalty. If no agreement is reached or non- performance/breach continues after thirty (30) days from receipt of the written notice the Claim Procedure set out herein shall be followed. Failure to follow the terms hereof shall result in waiver and release of the claim by contractor.

12. CLAIMS PROCEDURE: Contractual claims must be submitted to Appomattox County School Board in writing no later than ten (10) days after the time of occurrence of events upon which the claim is based. The claim shall state that it is a formal claim and provide all facts or justifications with supporting documentation. The Board will consider all facts provided to it in a format established by the Board and render a decision within sixty (60) days of receipt of the claim. Failure to act by the Board shall operate to relieve the contractor from the claims procedure and allow the contractor to file suit for relief.

13. SEVERABILITY: In the event that any provision of this document shall be adjudged or decreed to be invalid, such ruling shall not invalidate the entire contract but shall pertain only to the provision in question and the remaining provisions shall continue to be valid, binding, and in full force and effect.

14. REQUIRED TERMS: The terms herein are required to be a part of any contract with the Appomattox County Schools, any school, division, or contract relating to Appomattox County Schools. Any contractor who receives this document and chooses to offer goods or services agrees to be bound by these terms. Any term of any contract that attempts to in any way modify any term hereof is void and of no effect unless approved by the school board attorney.

15. ILLEGAL ALIEN EMPLOYMENT: In accordance with Code of Virginia §2.2-4311.1, in accepting this order or entering into this contract, the contractor certifies that it does not and will not during the performance of this contract violate the provisions of the Federal Immigration Reform and Control Act of 1986, which prohibits employment of illegal aliens.

16. INTERPRETATION: Where the terms of this Attachment A conflict with the terms of the underlying contract, contractor and Schools agree that the terms of this Attachment A shall control.

17. NO INDEMNIFICATION: Schools do not have the authority under Virginia law to enter into any indemnification or hold harmless agreement or provision, and any provision or term in any contract that provides that the Schools indemnify or hold harmless contractor or any other entity is void and of no effect.

18. PAYMENT TERMS: Unless otherwise provided in the solicitation, payment will be made thirty (30) days after receipt of a proper invoice, or thirty (30) days after receipt of all goods or acceptance or work, whichever is later. No interest, late charges, or attorney fees will be paid under any circumstances by the School Board.

19. CHANGES TO THE CONTRACT:

a. During performance of the contract, the parties may agree to modify the scope of the contract. Any increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract.

b. Schools may order changes within the general scope of the contract at any time by written notice to the Contractor. Changes within the scope of the contract may include, but are not limited to, services to be performed, the method of packing or shipment, and the place of delivery or installation. The Contractor shall comply with the notice upon receipt. The Contractor shall be compensated for any additional costs incurred as the result of such order and shall give Schools a credit for any savings. Said compensation shall be determined by written mutual agreement between the parties.

c. No modification for a fixed price contract may be increased without the advance written approval of the Appomattox County School Board.

20. RULES OF CONDUCT FOR OUTSIDE CONTRACTORS:

a. Use of School Premises: The following rules and regulations apply to Contractors' use of school premises:

i. Alcoholic beverages are not permitted on school property.

ii. Smoking and other use of tobacco are not permitted on school grounds.

iii. Gambling is not permitted on school property.

iv. Offensive or inappropriate clothing is prohibited.

v. All inappropriate behavior is prohibited.

vi. Prior approval must be given by the School Board for signs, banners or pennants to be erected on school property, however the Contractor shall be permitted customary construction signage at the construction site.

vii. All applicable local, state and federal laws, regulations and licensing requirements must be followed.

viii. Contractor's employees shall not interact with students, except as necessary to perform work on their project.

b. Sex Offender Registry Notification: The Contractor shall not send any employee or agent who is a registered sex offender to any school building or school property or otherwise violate Code of Virginia §18.2-370.4 or any similar or related provision of the Code of Virginia. The Contractor shall be responsible for screening employees with the Virginia State Police registry or any other Virginia state law enforcement authorities necessary to comply with this provision. The Contractor shall be responsible for maintaining compliance with all applicable laws relating to sex offenders and the schools, including any required certifications under said laws.

21. COMMONWEALTH OF VIRGINIA BUSINESS TRANSACTIONS: All Contractors organized, licensed or authorized to transact business or perform the contract contemplated in the Commonwealth of Virginia pursuant to Title 13.1 or Title 50 of the Virginia Code, or any other provision of the Code, must include in their proposals the identification number issued to it by the State Corporation Commission and a copy of any license. Any Contractor that is not required to be authorized or licensed to transact business or perform this contract in the Commonwealth as a foreign business entity under Title 13.1 or Title 50 or as otherwise required by law shall include in its proposal a statement describing why the Contractor is not required to be so authorized or licensed.

22. CONTRACT FORMATION: The Contractor or successful bidder or offeror agrees to sign a contract drafted or approved by the Schools' Attorney. In the event no such contract is signed, the terms and conditions of all specifications, plans, and documents of the Request for Proposal or Bid and all terms herein, shall constitute the terms of the contract and no provision of any response, proposal, or other agreement may vary or alter the same unless agreed in writing and approved by the Schools' Attorney. No provision of any other contract document may waive this provision unless expressly so stated and signed by the parties.

23. MODIFICATION: Any term or provision submitted as part of your response that in any way attempts to change or modify the term of the contract documents or these contract terms, conditions, and instructions shall be ineffectual, null and void. In addition, Schools may declare a proposal that attempts to do so unresponsive and disqualified, in its sole discretion. In lieu of declaring the proposal or response disqualified, the Schools shall consider the modifications null and of no effect.

24. ASSIGNMENT: The Contractor shall not assign this contract without the prior written consent of Schools.

25. COSTS AND FEES: In the event of any breach of contract, negligence, or other claim or cause of action that may arise against the Contractor, said Contractor shall be responsible for all attorney fees, accountant fees, expert witness or consultant fees, court costs, per diem, expense, traveling and transportation expense, or other costs or expense arising out of or pertaining to the performance of the work, contract, or agreement, by Contractor and any resulting claim, suit, arbitration, mediation, investigation, testing, preparation, or action.

26. INDEMNITY: The Contractor shall indemnify and hold harmless the Appomattox County School Board, its officers, boards, commissions, agents and employees against any and all claims, demands, causes of action, suits, proceedings, damages, costs or liabilities (including costs or liabilities of the Appomattox County School Board with

respect to its employees), of every kind and nature whatsoever, including, but not limited to, damages for injury or death or damages to person or property, regardless of the merit of any of the same, including any attorney fees, accountant fees, expert witness or consultant fees, court costs, per diem, expense traveling and transportation expense, or other costs or expense arising out of or pertaining to the performance of the Agreement by Contractor unless resulting from the negligence of the Appomattox County School Board or its officers, boards, commissions, agents or employees in which event a court may apportion the damage.

Appomattox County Public Schools

CERTIFICATION OF COMPLIANCE WITH VA CODE 22.1-296.1

A sworn statement of affirmation from the contractor that neither the contractor nor any of its employees have been convicted of a felony or any offense involving the sexual molestation or physical or sexual abuse or rape of a child nor a crime of moral turpitude is mandated by Virginia Code Section 22.1-296.1.

Company Name: _____

List of employee(s) assigned to the project:	Project:

By signature below, I hereby certify that a criminal background check has been performed as part of the employment process for the above listed persons and that based upon the results of such background check these individuals have never been convicted of a felony or any offense involving the sexual molestation or physical or sexual abuse or rape of a child; nor a crime of moral turpitude. Further, to the best of my knowledge and belief none of these individuals is currently the subject of any ending criminal charges involving a felony or any offense involving the sexual molestation or physical abuse or rape of a child; nor a crime of moral turpitude.

APPOMATTOX COUNTY PUBLIC SCHOOLS
Learning Today, Leading Tomorrow

ANNETTE A. BENNETT, Ed. D.
DIVISION SUPERINTENDENT

American Rescue Plan:
Elementary and Secondary School Emergency Relief (ESSER)
Fund III Use Plan

Section 1: Introduction

The purpose of the American Rescue Plan (ARP) Act Elementary and Secondary School Emergency Relief (ESSER) III Fund is to help safely reopen and sustain the safe operation of schools and address the impacts of COVID-19 on the nation's students by addressing students' **academic, social, emotional, and mental health needs**. Appomattox County Public Schools (ACPS) has been awarded $3,878,287.40 in ESSER III funds. This plan describes how the awarded funds will be used. Questions about this plan should be directed to Dr. Annette Bennett, Superintendent of Schools at 434-352-8251.

A comprehensive summary of the school division's response to COVID-19 can be found on our website at the following link:
https://drive.google.com/file/d/1LCOzByAyrzOxpInJhNLmA_HWINAslI55/view

Section 2: Prevention and Mitigation Strategies

ARP Act ESSER III funds may be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent Centers for Disease Control and Prevention (CDC) guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning. Appomattox County Public Schools will use approximately $3,000,000 of its ARP Act ESSER III funds to implement prevention and mitigation strategies as described below.

ACPS will use ARPA ESSER III funds to begin an HVAC replacement project for Appomattox County High School. This project will respond to air quality issues that existed long before the necessity of improved air quality as a mitigation strategy to ensure the health and safety of students and staff during the COVID pandemic. The replacement of the HVAC system will improve air quality and reduce the transmission of not only COVID but other common airborne diseases. These improvements will help allow ACPS to have students in the building 5 days a

week meeting their social, emotional, mental health, and academic needs with consistency and routine.

Section 3: Addressing Unfinished Learning

Section 2001(e)(1) of the ARP Act requires each LEA to use twenty percent of its formula funds to address the academic impact of lost instructional time (learning loss) through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs. Appomattox County Public Schools will use approximately $775,657.48 of its ARP Act ESSER III funds to address unfinished learning as described below.

ACPS will use ARPA ESSER III funds to address learning loss by adding the following positions for the 23-24 school year:

1. Reading and Math Remediation Teachers* - 5 positions -- These teachers will be housed at three of our division schools -- Appomattox Primary (3 teachers), Appomattox Elementary (1 teacher), and Appomattox Middle (1 teacher). These teachers will work with students identified as having significant gaps in their foundational skills of reading and/or math according to assessment data. Teachers will utilize push-in and pull-out models as needed, as well as help their colleagues create and develop instructional strategies and materials to use with students in their classrooms.

2. Family Engagement/Truancy Monitors* - 2 positions -- These professionals will serve students and families at all four ACPS schools. One position will be split between Appomattox Primary and Appomattox Elementary, while the other position will be split between Appomattox Middle and Appomattox County High. The purpose of these positions will be to serve as liaisons between families and each school building to bridge the smooth transition for students to return from virtual and hybrid instruction to full-time in-person instruction beginning with the 21-22 school year.

* These two positions are being funded for the 21-22 and 22-23 school years through CRRSA ESSER II. ARPA ESSER III funding will allow us to maintain these positions to support our students and families for an additional year.

3. In-School Solution (ISS) Teacher Assistants** - one for AMS and one for ACHS (23-24 school year) - These paraprofessionals will be trained to offer classroom support while teachers engage in solution-finding interventions with students who would otherwise lose instructional time due to behavioral issues. We anticipate a greater need for behavioral support as teachers learn to implement PBIS and as students deal with the trauma of COVID. These services will help ACPS mitigate learning loss by keeping students in the classroom.

4. Teacher Assistants trained as Registered Behavior Technicians** -- one for APS and one for AES (23-24 school year) -- These paraprofessionals will be trained to offer classroom behavioral support.

5. Patrick Henry Family Services** -- ACPS will contract with this mental health agency to provide 4 full-time licensed counselors to support students in all ACPS schools 5 days a week for the duration of the school year. These counselors will provide mental health services to students in need and serve as a resource for their families. These funds will cover 4 licensed counselors for the 23-24 school year.

6.. Board Certified Behavior Analyst** -- one for the division, contracted as needed for the 23-24 school year -- This trained professional will provide support to students, families, and teachers by coordinating and providing services in Applied Behavior Analysis, function analysis and assessment, behavior acquisition and reduction procedures, and adaptive life skills. They will also provide behavior plans for specific students to be implemented by the RBTs.

** These positions are being funded for the 21-22 and 22-23 school years through CRRSA ESSER II set-aside funds. ARPA ESSER III will allow us to maintain these positions to support our students and teachers for an additional year.

Section 4: Other Uses of Funds

Section 2001(e) of the ARP Act permits school divisions to use the ARP Act ESSER III funding not reserved to address unfinished learning to address the impacts of COVID-19 in a variety of ways. Appomattox County Public Schools will use approximately $102,629.92 of its ARP Act ESSER III funds in accordance with Section 2001(e) of the ARP Act as described below.

ACPS will use ARPA ESSER III funds to purchase agile furniture built with constant change in mind to support all learning environments. This furniture is designed to be rearranged to meet changing classroom space needs at any given moment. This furniture will provide social distancing options within the classroom. It will also help teachers create spaces that encourage and promote various teaching and learning methodologies (cooperative learning, student-centered learning, project-based learning, etc.)

Section 5: Addressing Students' Academic, Social, Emotional, and Mental Health Needs

ACPS is using these funds, and monies from all the ESSER funds, to address our students' academic, social, emotional, and mental health needs. We have proposed using the current funds to maintain our plans for these student services for a third year. As indicated in previous sections of this document, ACPS is using funds to hire math and reading remediation teachers (academic support), family engagement/truancy monitors (academic, social, emotional, and mental health support), in-school solution teacher assistants (academic, social, emotional, and mental health support), teacher assistants trained as RBTs (academic, social, emotional, and mental health support), Patrick Henry Family Services (academic, social, emotional, and mental health support), and a BCBA (academic, social, emotional, and mental health support). Please refer to the descriptions of each of these positions or contracted services in previous sections of this

document. All of these extra positions will offer support to students who demonstrate an academic, social, emotional, and/or mental health need. Particular attention will be given to the needs of students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

Section 6: Consultation with Stakeholders and Opportunity for Public Comment

In developing the ARP ESSER Plan, Appomattox County Public Schools conducted consultation in the following ways:

- With stakeholders, including students, families, school and district administrators (including special education administrators), teachers, principals, school leaders, other educators, school staff, and their unions by opening the plan up for discussion during division leadership meetings, Parents Advisory Committee meetings, and Teachers Advisory Committee meetings;
- With Tribes (if applicable); civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students by opening the plan up for discussion during division leadership meetings, Parents Advisory Committee meetings, Teachers Advisory Committee meetings, and for public comment during the August 2021 ACPS School Board Meeting; and
- By providing the public the opportunity to provide input at the August 2021 ACPS School Board Meeting and taking such input into account.

Section 7: Making the Plan Available to the Public

Appomattox County Public Schools has taken the following steps to make this plan available to the public:

- The plan is posted at https://www.acpsweb.net/en-US
- The plan can be translated for parents. Contact Dr. Cheryl Servis at 434-352-8251.
- The plan may be orally translated for parents. Contact Dr. Cheryl Servis at 434-352-8251 to request translation; and
- Upon request, a parent who is an individual with a disability as defined by the ADA may be provided with the plan in an alternative format accessible by contacting Dr. Cheryl Servis at 434-352-8251.

MEET YOUR VSBA SOUTHERN REGION OFFICERS

AMY MCCLURE, VSBA SOUTHSIDE REGION CHAIR

Amy McClure, Board member at Lunenburg County Public Schools, is a lifelong resident of Lunenburg County and a 1997 graduate of Central of Lunenburg. Mrs. McClure earned her bachelor's and master's degrees from Longwood University in Educational Leadership. In recent years she taught advanced mathematics courses at the Governor's School of Southside Virginia and served as an adjunct faculty member at Southside Virginia Community College, teaching the Teachers for Tomorrow course as well as additional math classes. Additionally, she is currently the Coordinator of Federal Programs for Prince Edward County Public Schools. The reason why Amy ran for the school board is she enjoys serving the public school system. When making decisions I look through a variety of lenses: parent lens, teacher lens, and school division administrator.When Amy is not working she enjoys spending time with her husband Corey and their two daughters, Aubrey and Ally.

LUCY B. CARSON, VSBA SOUTHSIDE REGION VICE CHAIR

Lucy B. Carson is a retired teacher, assistant principal, and principal of Prince Edward County Middle School in Farmville, Virginia. She presently works part time as the Program Coordinator of the Longwood Center for the Visual Arts at Longwood University in Farmville, Virginia.Mrs. Carson completed one four year term as school board member, in the group of first time elected school board members in Prince Edward County. She was elected chairperson of the Prince Edward County School Board in January of 2021. In November of 2021, Mrs. Carson was re-elected to the Prince Edward County School Board. Now she has been elected as Vice-chair of the Southern Region.

Mrs. Carson is from Martinsville Virginia, a graduate of Martinsville High School. She received her Bachelor's degree in Elementary Education from North Carolina Central University in Durham North Carolina. Her Masters in Curriculum and Instruction from the University of Virginia, and her endorsement in Educational Leadership from Longwood University.

Mrs. Carson is married to Donald Carson, who is also retired Special Education teacher. The Carson's have one son and they reside in Farmville.

HOW TO AND TIPS

JOINING THE MEETING

Join a meeting by clicking on the Zoom link sent from Zoom after you registered for the meeting. You must register first. The link sent by VSBA is only for registration and will NOT give you access to the meeting.

If this is your first Zoom meeting on your device, click download and run Zoom. The Zoom.exe file will download, and you will need to open the file. Please note this only needs to be done once for any device on which you use Zoom for the first time. If you have already participated in a Zoom meeting, you do not have to download it again.

Note: You do not need a Zoom account to participate in Zoom meetings hosted by VSBA.

CHOOSE VIDEO LAYOUT

At the upper right of your screen you can switch between Speaker View and Gallery View. You can also enter/exit full screen by clicking icon to right of Gallery/Speaker View. Speaker view will only show the active speaker. Gallery view will show all attendees in smaller boxes. When there is a large number of attendees, there may be an arrow to scroll through the pages of attendees.

ZOOM CONTROL BAR

Hover over the bottom of your active Zoom meeting window for the control bar to see your controls:

MUTE

You can Mute/Unmute your microphone by clicking the microphone icon.

START VIDEO

If your device has a camera, you can turn it on/off by clicking the Start Video icon .

PARTICIPANTS

If you click on Participants, you can see who is currently in the meeting. The participants list also gives you the option to rename yourself.

- Rename - hover over your name to change it as it is seen in the participants list & video window

CHAT

Use this feature to ask questions during the meeting. You can send a question or statement to everyone or privately to a VSBA staff member. It will be monitored by VSBA staff.

LEAVE MEETING

You can leave the meeting at any time by clicking on Leave Meeting button.

ETIQUETTE TIPS:

Prior to the meeting:

- Dress to impress: It's easy to give in to the temptation to wear sweatpants and an old t-shirt because you're working from home. Dress for your video conference the way you would for an in-person meeting.

During your meeting:

- Mute your microphone when necessary: Zoom has a "Mute Microphone" option that cuts down on ambient feedback for the audience.
- Use Zoom's chat function: You can send a question or statement to everyone or privately to a VSBA staff member.
- Think about your actions on camera: Always remember that everyone can see you. Someone is watching as you take a big, wide-mouth yawn, stretch, or wander around the room. These exaggerated movements are distracting to the audience and can be disruptive to the speaker. Try to stay still and be attentive!

Hybrid VSBA April Hot Topic Conference

April 20, 2022

VSBA Office in Charlottesville
200 Hansen Road, Charlottesville, VA 22911

Join us in person or virtually for the 2022 VSBA April Hot Topic Conference in Charlottesville, VA. This conference brings together dynamic speakers addressing issues that are important and relevant to every school division.

Attendees will hear from professionals about best practices relating to cyber security and tips to avoid cyber attacks. Hear first-hand experiences from school divisions on the cyber security panel on the detailed steps and procedures that they had to take to overcome cyber attacks. Attendees will also hear from the Executive Director at the National School Public Relations Association on best practices for crisis communication and how to properly communicate with your constituents in a hectic time.

We hope that you will be able to join us for this exciting conference!

Agenda

Wednesday, April 20, 2022

8:30 am	**Registration**
9:00 am	**Welcome** *Teddy Martin II, President, VSBA*
9:05 am	**Cyber Security Incident Response 101** *Chris Carey, Administrator, VACORP* *Beth Burgin Waller, Principal, Woods Rogers Attorneys at Law*
10:15 am	**BPA Healthy Snack Break**
10:30 am	**Crisis Communication and the Boards Role** *Barbara Hunter, Executive Director, National School Public Relations Association*
11:30 am	**BPA Healthy Snack Break**
11:45 am	**Panel on Cyber Security** **Moderator:** *Dr. Michael Thornton, Consultant, VACORP* **Panelists:** *Dr. Kelvin Edwards, Superintendent, Greensville County Public Schools* *Dr. Brian Nichols, Superintendent, New Kent County Public Schools* *Karen Corbett-Sanders, Board Member, Fairfax County Public Schools* *Gautam Sethi, Chief Information Technology Officer, Fairfax County*
1:00 pm	**Adjournment and Lunch**

Reminder: Nametags must be visible to be admitted to ALL VSBA meetings and conferences.

Questions?
Contact Mikaela Coffey at Mikaela@vsba.org

A block of rooms has been reserved at the Hilton Garden Inn Charlottesville, VA, 1793 Richmond Road, Charlottesville, VA 22911, for the night of April 19, 2022. Please make your hotel reservations directly by calling 434-979-4442. Inform the reservation staff you are attending the Virginia School Boards Association Conference to receive the special rate of $128.

Registration for VSBA meetings is only open to VSBA members and affiliate members. Please reach out to your school division clerk to register for this event. For affiliate members, please contact Mikaela Coffey for registration at mikaela@vsba.org.

If you would like to attend the event virtually please reach out to Mikaela Coffey, VSBA Coordinator of Board Development at Mikaela@vsba.org. Virtual links will be sent out the week before the conference is to take place.

Thank you to our sponsor:

VIRGINIA LOTTERY

Registration Information Below

Costs:

Registration: $185

Deadline for early registration is April 6, 2022.

Late Registration: $235

Please mail payment to:
VSBA
200 Hansen Road, Suite 2
Charlottesville, VA 22911

VSBA April Hot Topic Conference

The deadline for cancellations is April 6. Cancellations must be received in writing via email to mikaela@vsba.org by April 6 and will incur a $50 cancellation fee. Cancellation requests received after April 6 and no shows will not be refunded. Substitution of an individual may be made at any time. If a meeting or conference is canceled and/or postponed due to inclement weather, registration fees will be automatically transferred to the rescheduled date of the conference. If attendees are unable to attend the rescheduled date, a substitution can be made, or the school division will be credited the registration fee to use for future events. **The health and safety of our community, staff and event attendees is our highest priority. As we continue to monitor guidance related to the coronavirus from the Centers for Disease Control and Prevention (CDC), please note if numbers increase this event could evolve into a Virtual Event.**

#090-22

Commonwealth of Virginia
Virginia Department of Education
Superintendent's Memo #090-22

DATE: April 29, 2022

TO: Division Superintendents

FROM: Jillian Balow, Superintendent of Public Instruction

SUBJECT: **ARP Act ESSER Local Plans for the Safe Return to In-Person Instruction and Continuity of Services - Six Month Review Requirement**

Per Section 2001(i) of the American Rescue Plan (ARP) Act and the Interim Final Rule on ARP Act Elementary and Secondary School Emergency Relief (ESSER) funds, school divisions must periodically review and update as necessary local plans for the Safe Return to In-Person Instruction and Continuity of Services as a requirement of receiving ARP Act ESSER formula funds. During the plan review process, school divisions must seek public comment on their local plans and must take such comment into account when considering plan revisions. The review process must occur at least every six months through September 30, 2023.

School division federal pandemic relief programs coordinators previously received technical assistance on the requirement above including a compliant plan template to assist them in plan development. The date by which school divisions were required to post local plans on their websites was June 1, 2021; the second six month review should be completed by **June 1, 2022**. The Office of Federal Pandemic Relief Programs will continue to monitor compliance with this requirement.

APPOMATTOX COUNTY PUBLIC SCHOOLS

Learning Today, Leading Tomorrow

ANNETTE A. BENNETT, Ed. D.
DIVISION SUPERINTENDENT

American Rescue Plan: Elementary and Secondary School Emergency Relief (ESSER) Fund III Use Plan

Section 1: Introduction

The purpose of the American Rescue Plan (ARP) Act Elementary and Secondary School Emergency Relief (ESSER) III Fund is to help safely reopen and sustain the safe operation of schools and address the impacts of COVID-19 on the nation's students by addressing students' **academic, social, emotional, and mental health needs**. Appomattox County Public Schools (ACPS) has been awarded $3,878,287.40 in ESSER III funds. This plan describes how the awarded funds will be used. Questions about this plan should be directed to Dr. Annette Bennett, Superintendent of Schools at 434-352-8251.

A comprehensive summary of the school division's response to COVID-19 can be found on our website at the following link:
https://drive.google.com/file/d/1LCOzByAyrzOxpInJhNLmA_HWINAslI55/view

Section 2: Prevention and Mitigation Strategies

ARP Act ESSER III funds may be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent Centers for Disease Control and Prevention (CDC) guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning. Appomattox County Public Schools will use approximately $3,000,000 of its ARP Act ESSER III funds to implement prevention and mitigation strategies as described below.

ACPS will use ARPA ESSER III funds to begin an HVAC replacement project for Appomattox County High School. This project will respond to air quality issues that existed long before the necessity of improved air quality as a mitigation strategy to ensure the health and safety of students and staff during the COVID pandemic. The replacement of the HVAC system will improve air quality and reduce the transmission of not only COVID but other common airborne diseases. These improvements will help allow ACPS to have students in the building 5 days a

week meeting their social, emotional, mental health, and academic needs with consistency and routine.

Section 3: Addressing Unfinished Learning

Section 2001(e)(1) of the ARP Act requires each LEA to use twenty percent of its formula funds to address the academic impact of lost instructional time (learning loss) through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs. Appomattox County Public Schools will use approximately $775,657.48 of its ARP Act ESSER III funds to address unfinished learning as described below.

ACPS will use ARPA ESSER III funds to address learning loss by adding the following positions for the 23-24 school year:

1. Reading and Math Remediation Teachers* - 5 positions -- These teachers will be housed at three of our division schools -- Appomattox Primary (3 teachers), Appomattox Elementary (1 teacher), and Appomattox Middle (1 teacher). These teachers will work with students identified as having significant gaps in their foundational skills of reading and/or math according to assessment data. Teachers will utilize push-in and pull-out models as needed, as well as help their colleagues create and develop instructional strategies and materials to use with students in their classrooms.

2. Family Engagement/Truancy Monitors* - 2 positions -- These professionals will serve students and families at all four ACPS schools. One position will be split between Appomattox Primary and Appomattox Elementary, while the other position will be split between Appomattox Middle and Appomattox County High. The purpose of these positions will be to serve as liaisons between families and each school building to bridge the smooth transition for students to return from virtual and hybrid instruction to full-time in-person instruction beginning with the 21-22 school year.

* These two positions are being funded for the 21-22 and 22-23 school years through CRRSA ESSER II. ARPA ESSER III funding will allow us to maintain these positions to support our students and families for an additional year.

3. In-School Solution (ISS) Teacher Assistants** - one for AMS and one for ACHS (23-24 school year) - These paraprofessionals will be trained to offer classroom support while teachers engage in solution-finding interventions with students who would otherwise lose instructional time due to behavioral issues. We anticipate a greater need for behavioral support as teachers learn to implement PBIS and as students deal with the trauma of COVID. These services will help ACPS mitigate learning loss by keeping students in the classroom.

4. Teacher Assistants trained as Registered Behavior Technicians** -- one for APS and one for AES (23-24 school year) -- These paraprofessionals will be trained to offer classroom behavioral support.

5. Patrick Henry Family Services** -- ACPS will contract with this mental health agency to provide 4 full-time licensed counselors to support students in all ACPS schools 5 days a week for the duration of the school year. These counselors will provide mental health services to students in need and serve as a resource for their families. These funds will cover 4 licensed counselors for the 23-24 school year.

6.. Board Certified Behavior Analyst** -- one for the division, contracted as needed for the 23-24 school year -- This trained professional will provide support to students, families, and teachers by coordinating and providing services in Applied Behavior Analysis, function analysis and assessment, behavior acquisition and reduction procedures, and adaptive life skills. They will also provide behavior plans for specific students to be implemented by the RBTs.

7. Blue Ridge Therapy--ACPS will contract with Blue Ridge Therapy to provide speech and occupational therapy to students who need support. Due to the effects of the COVID pandemic, more students qualify for these services and there is greater need for students to be successful in the classroom.

8. Allied Instructional Services—ACPS will contract with Allied Instructional Services to provide psychological testing for students. Due to the effects of the COVID pandemic, more students are being referred for evaluation and for testing.

** These positions are being funded for the 21-22 and 22-23 school years through CRRSA ESSER II set-aside funds. ARPA ESSER III will allow us to maintain these positions to support our students and teachers for an additional year.

Section 4: Other Uses of Funds

Section 2001(e) of the ARP Act permits school divisions to use the ARP Act ESSER III funding not reserved to address unfinished learning to address the impacts of COVID-19 in a variety of ways. Appomattox County Public Schools will use approximately $102,629.92 of its ARP Act ESSER III funds in accordance with Section 2001(e) of the ARP Act as described below.

ACPS will use ARPA ESSER III funds to purchase agile furniture built with constant change in mind to support all learning environments. This furniture is designed to be rearranged to meet changing classroom space needs at any given moment. This furniture will provide social distancing options within the classroom. It will also help teachers create spaces that encourage and promote various teaching and learning methodologies (cooperative learning, student-centered learning, project-based learning, etc.)

Section 5: Addressing Students' Academic, Social, Emotional, and Mental Health Needs

ACPS is using these funds, and monies from all the ESSER funds, to address our students' academic, social, emotional, and mental health needs. We have proposed using the current funds to maintain our plans for these student services for a third year. As indicated in previous sections of this document, ACPS is using funds to hire math and reading remediation teachers (academic support), family engagement/truancy monitors (academic, social, emotional, and mental health

support), in-school solution teacher assistants (academic, social, emotional, and mental health support), teacher assistants trained as RBTs (academic, social, emotional, and mental health support), Patrick Henry Family Services (academic, social, emotional, and mental health support), and a BCBA (academic, social, emotional, and mental health support). Please refer to the descriptions of each of these positions or contracted services in previous sections of this

document. All of these extra positions will offer support to students who demonstrate an academic, social, emotional, and/or mental health need. Particular attention will be given to the needs of students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

Section 6: Consultation with Stakeholders and Opportunity for Public Comment

In developing the ARP ESSER Plan, Appomattox County Public Schools conducted consultation in the following ways:

- With stakeholders, including students, families, school and district administrators (including special education administrators), teachers, principals, school leaders, other educators, school staff, and their unions by opening the plan up for discussion during division leadership meetings, Parents Advisory Committee meetings, and Teachers Advisory Committee meetings;
- With Tribes (if applicable); civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students by opening the plan up for discussion during division leadership meetings, Parents Advisory Committee meetings, Teachers Advisory Committee meetings, and for public comment during the August 2021 ACPS School Board Meeting; and
- By providing the public the opportunity to provide input at the August 2021 ACPS School Board Meeting and taking such input into account.

Section 7: Making the Plan Available to the Public

Appomattox County Public Schools has taken the following steps to make this plan available to the public:

- The plan is posted at https://www.acpsweb.net/
- The plan can be translated for parents. Contact Dr. Cheryl Servis at 434-352-8251.
- The plan may be orally translated for parents. Contact Dr. Cheryl Servis at 434-352-8251 to request translation; and
- Upon request, a parent who is an individual with a disability as defined by the ADA may be provided with the plan in an alternative format accessible by contacting Dr. Cheryl Servis at 434-352-8251.

Attachment A
Superintendent's Memo #260-22
November 4, 2022

Virginia Department of Education
School Division/LEA ARP ESSER Spending Plan

Introduction

On October 24, 2022, Governor Glenn Youngkin and state education leaders presented to the public a summary of the 2022 National Assessment of Education Progress data for Virginia. The data indicate that Virginia had the most significant declines in reading and mathematics in the nation. Our Commitment to Virginia's Children is a seven step action plan to reverse the downward path of declining achievement and ensure that all children in Virginia have the tools and support structure to get back on track.

In Action Seven of the action plan, Governor Youngkin challenges school divisions to spend all of their remaining Elementary and Secondary School Emergency Relief (ESSER) funds on proven efforts to recover learning like: supplementing learning through instruction before school, after school, on weekends, and in the summer; providing direct support to families to access tutoring; extending the school year; and rewarding those teachers and schools that make the greatest impact on student learning with performance bonuses. Action Seven also directs the State Superintendent of Public Instruction to require all school divisions to reengage the public in consultation and to update their American Rescue Plan (ARP) ESSER spending plans, as initially required by federal regulation, by December 31, 2022.

To meet the requirement to update the ARP ESSER spending plan, each school division/Local Educational Agency (LEA) must complete all sections of this template. The completed template must be made publicly available on the LEA website by December 31, 2022. The Office of Federal Pandemic Relief Programs will monitor the public posting of updated plans on LEA websites and the alignment of updated plans with LEAs' applications for ARP ESSER funds. Questions about this template should be directed to vdoefederalrelief@doe.virginia.gov.

Section 1: General Information

A. School Division/LEA Name — Appomattox County Public Schools
B. Division Number — 006
C. Contact Name — Dr. Cheryl J. Servis
D. Contact Email — cjservis@acpsweb.com
E. Contact Phone # — 434-352-8251

F. Amount of ARP ESSER funding allocated to LEA - $3,881,041.72

Section 2: Transparency and Accessibility

A. LEA webpage where plan is posted (provide URL)
https://drive.google.com/file/d/1zp6R8NeSlL15fPoMlwocqRUBz713snYR/view
https://drive.google.com/file/d/193YHj_AFI9LU3cActEV_Ros3nhuNrn3u/view

B. Describe how the plan is, to the extent practicable, written in a language that parents can understand, or if not practicable, will be orally translated for parents with limited English proficiency.

Our plan is written in plain English with explanations of any educational terms used. There is also a section that provides information on receiving alternative accessible formats.

C. Describe how the plan will be provided upon request in an alternative accessible format to a parent who is an individual with a disability.

Our plan can be made available in alternative accessible formats by contacting Dr. Cheryl Servis at 434-352-8251.

Section 3: Opportunity for Public Comment

A. Describe how the LEA provided the public the opportunity to provide input on the updated ARP ESSER spending plan since initial submission in August 2021, with emphasis on the 2022-2023 school year.

Our plan was presented to teacher representatives from each of our schools at the November 2022 meeting of the Teacher Advisory Council. Our plan was presented to parent representatives from our Title I, EL, and Special Education populations at the December 2022 meeting of our Special Education Advisory Council. Our plan was presented to school and division admin teams at the December Principals Meeting. An email went out to parents, students, and staff members in December 2022 containing a link to our plan and requesting their input on any changes they might suggest. Finally, a public comment session was held at the December 2022 school board meeting to gather input from parents, students, staff, and community members on our ARP ESSER Spending Plan.

B. Describe how the LEA took public input since August 2021into account.

In the opportunities given to our stakeholders during the original writing of this grant and the numerous opportunities outlined above in the current review of our plan for grant funds, we have received very little feedback or public input. Input received (as outlined) below will be taken into consideration during the next amendment written for these grant finds which is anticipated early spring of 2023.

Section 4: Consultation with Stakeholders

Describe how the LEA consulted with each stakeholder group below. If a stakeholder group is not present in the LEA, indicate Not Applicable in the description of consultation conducted. If the LEA conducted a survey as a consultation method, provide a summary of the survey results as an Appendix to this spending plan.

A. Students:
Description of consultation conducted –
1. Email explanation and link to current plan requesting input.
2. Public Comment Session (December School Board Meeting)

Uses consulted on – All planned uses.
Feedback received – None.

B. Families:
Description of consultation conducted –
1. Email explanation and link to current plan requesting input.
2. Public Comment Session (December School Board Meeting).
3. December SEAC Meeting – Title I, EL, and Special Education parents.

Uses consulted on – All planned uses.
Feedback received – One parent expressed desire for more student mental health support.

C. School and district administrators including special education administrators
Description of consultation conducted –
1. Email explanation and link to current plan requesting input.
2. Public Comment Session (December School Board Meeting).
3. December Principals Meeting

Uses consulted on – All planned uses.
Feedback received – Happy with the plan as it stands.

D. Teachers, principals, school leaders, other educators, school staff, and their unions
Description of consultation conducted –
1. Email explanation and link to current plan requesting input.
2. Public Comment Session (December School Board Meeting).
3. December Principals Meeting
4. There are no active educational unions currently in Appomattox County.

Uses consulted on – All planned uses.
Feedback received – Teachers suggested more student mental health support, school supplies for students, new furniture for classrooms, additional SpEd and remedial teachers, service animals, and monetary incentives for teachers.

E. Tribes, if applicable
Description of consultation conducted – Not applicable.
Uses consulted on
Feedback received

F. Civil rights organizations, including disability rights organizations
Description of consultation conducted –
1. Email explanation and link to current plan requesting input.
2. Public Comment Session (December School Board Meeting).
3. December SEAC Meeting – Title I, EL, and Special Education parents.

Uses consulted on – All planned uses.
Feedback received – None.

G. Stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved services
Description of consultation conducted –
    1. Email explanation and link to current plan requesting input.
    2. Public Comment Session (December School Board Meeting).
    3. December SEAC Meeting – Title I, EL, and Special Education parents.

Uses consulted on – All planned uses.
Feedback received – None.

H. Community based organizations, including partnerships to promote access to before and after-school programming
Description of consultation conducted –
    1. Email explanation and link to current plan requesting input.
    2. Public Comment Session (December School Board Meeting).

Uses consulted on – All planned uses.
Feedback received – None.

I. Early childhood education providers and families, including partnerships to ensure access to and continuity of care for families with children of different ages, particularly as they transition to school
Description of consultation conducted –
    1. Email explanation and link to current plan requesting input.
    2. Public Comment Session (December School Board Meeting).

Uses consulted on – All planned uses.
Feedback received – None.

Section 5: Addressing Learning Loss (recommended to be 100% of an LEA's remaining allocation and must be at least 20% of an LEA's allocation per federal statute)

Section 2001(e)(1) of the ARP Act requires each LEA to use *at least* twenty percent of its formula funds to address the academic impact of lost instructional time (learning loss) through the implementation of evidence-based interventions. **Governor's Challenge:** in Action Seven of Our Commitment to Virginia's Children, Governor Youngkin challenges LEAs to spend all of their remaining Elementary and Secondary School Emergency Relief (ESSER) funds on proven efforts to recover learning, such as: supplementing learning through instruction before school, after school, on weekends, and in the summer; providing direct support to families to access tutoring; extending the school year; and rewarding those teachers and schools that make the greatest impact on student learning with performance bonuses.

A. Describe how the LEA identified learning loss, including among student groups most likely to have experienced the impact of lost instructional time such as students from low-income families,

students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

Appomattox County Public Schools determined the learning loss resulting from the disruption of educational services caused by COVID-19 by analyzing Fountas and Pinnell Reading Assessments (K-2) and SOL Data (3-12). As can be seen from data across all grade levels, while reading scores dropped, math scores showed to steepest declines. This trend holds true with all students, but can be seen even more acutely in our students in special populations. Due to the significant drops in the data across schools, math and reading will be the focus of our remedial, after school, and tutoring programs.

B. Provide a detailed description of how the LEA used or will use the funds it reserves to implement evidence-based interventions to address learning loss.

ACPS will use ARPA ESSER III funds to address learning gaps by adding the following positions for the 23-24 school year:

1. Reading and Math Remediation Teachers* - 5 positions -- These teachers will be housed at three of our division schools -- Appomattox Primary (3 teachers), Appomattox Elementary (1 teacher), and Appomattox Middle (1 teacher). These teachers will work with students identified as having significant gaps in their foundational skills of reading and/or math (COVID learning loss) according to assessment data. Teachers will utilize push-in and pull-out models as needed, as well as help their colleagues create and develop instructional strategies and materials to use with students in their classrooms.

2. Family Engagement/Truancy Monitors* - 2 positions -- These professionals will serve students and families at all four ACPS schools. One position will be split between Appomattox Primary and Appomattox Elementary, while the other position will be split between Appomattox Middle and Appomattox County High. The purpose of these positions will be to serve as liaisons between families and each school building to bridge the smooth transition for students to return from virtual and hybrid instruction to full-time in-person instruction beginning with the 21-22 school year. Many of our virtual, and some of our hybrid students, have chosen to disengage from school during the pandemic. We want to support and encourage those students and families back to school full-time with the assistance of the Family Engagement/Truancy Monitor. Managing school attendance has become a full-time job during the pandemic. These positions will take on that responsibility from administrators and school counselors allowing those folks to work with families in other capacities. These positions will also take on the responsibility of designing and implementing attendance plans with students and families, as well as making the necessary home visits. Once again, home visits have become a full-time job for current staff. These positions will provide much needed support for students, families, and the school personnel currently desperately trying to serve everyone in every way. These positions will help address learning loss by assessing and meeting the needs of students most impacted by loss of educational opportunity (by disengagement) during the COVID pandemic. These positions will also take on responsibilities currently being met by administrators and school counselors which will allow

them to focus on being instructional leaders once again to address learning loss and to focus on the mental health crisis that continues to impact learning in our classrooms.

* These two positions are being funded for the 21-22 and 22-23 school years through CRRSA ESSER II. ARPA ESSER III funding will allow us to maintain these positions to support our students and families for an additional year.

3. In-School Solution (ISS) Teacher Assistants** - one for AMS and one for ACHS (23-24 school year) - These paraprofessionals will be trained to offer classroom support while teachers engage in solution-finding interventions with students who would otherwise be asked to leave the classroom. We anticipate a greater need for behavioral support as teachers learn to implement Responsibility Centered Discipline techniques and as students deal with the trauma of COVID. These services will help ACPS mitigate learning loss by keeping students in the classroom.

4. Teacher Assistants trained as Registered Behavior Technicians** -- one for APS and one for AES (23-24 school year) -- These paraprofessionals will be trained to offer classroom behavioral support (at the direction of a BCBA) for students who might otherwise be asked to leave the classroom. We anticipate a greater need for behavioral support as students deal with the trauma of COVID. These services will help ACPS mitigate learning loss by keeping students in the classroom.

** These two positions are being funded for the 21-22 and 22-23 school years through CRRSA ESSER II set-aside funds. ARPA ESSER III will allow us to maintain these positions to support our students and teachers for an additional year.

ACPS will use ARPA ESSER III funds to address learning gaps by adding the following services for the 23-24 school year:

1. Patrick Henry Family Services*** -- ACPS will contract with this mental health agency to provide 4 full time licensed counselors to support students in all ACPS schools 5 days a week for the duration of the school year. These counselors will provide mental health services to students in need and serve as a resource for their families. This more intensive layer of mental health support for students will help ACPS address learning loss by keeping students in the classroom who might otherwise be asked to leave. These funds will cover 4 licensed counselors for 10 months.

2. Board Certified Behavior Analyst*** -- one for the division, contracted as needed for the 23-24 school year -- This trained professional will provide support to students, families, and teachers by coordinating and providing services in Applied Behavior Analysis, function analysis and assessment, behavior acquisition and reduction procedures, and adaptive life skills. They will also provide behavior plans for specific students to be implemented by the RBTs. The behavior plans provided by this contracted individual will assist teachers and administrators working with students who are having behavioral issues exacerbated by absences from school and the COVID

pandemic. We want to be able to keep these students in class to meet their educational needs and address their personal learning loss while not creating additional learning loss for their classmates through class disruptions.

*** These two services are being funded for the 21-22 and 22-23 school years through CRRSA ESSER II set-aside funds. ARPA ESSER III will allow us to maintain these services to support our students and teachers for an additional year.

C. Describe how the LEA produces evidence of the effectiveness of evidence-based learning loss interventions employed.

ACPS will utilize pre- and post-test scores to determine the effectiveness of the evidence-based learning loss interventions employed. We will use PALS data (K-2) and SOL data (3-12) as well as internal assessments throughout the year. We will also use attendance, school counseling, and disciplinary data to assess the effectiveness of our attendance and mental health positions.

D. Amount of ARP ESSER funds to address learning loss -- $776,257.48

Section 6: Other Uses of Funds

Section 2001(e)(2) of the ARP Act permits LEAs to use the ARP ESSER III funds not reserved to address learning loss to address needs arising from or exacerbated by the COVID-19 pandemic. Generally, allowable ESSER activities must meet the guidelines below.

- The use of funds must be intended to prevent, prepare for, or respond to the COVID-19 pandemic, including its impact on the social, emotional, mental health, and academic needs of students;
- The use of funds must fall under one of the authorized uses of ESSER funds; and
- The use of funds must be permissible under the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance, 2 CFR Part 200). In particular, the use of funds must be deemed necessary and reasonable for the performance of the ESSER award.

A. Describe how the LEA used or will use funds to support teacher and staff retention and recruitment strategies.

ACPS has not earmarked any ARP ESSER III funds specifically for staff retention and recruitment. However, we believe that providing teachers with academic support with the remediation positions added with these funds and with behavioral support with the counseling services, additional teacher assistant positions, truancy/family engagements positions, and the BCBA support added with these funds will help lessen the stress and the weight of the daily responsibilities of teaching. Offering teachers the help they need and they have asked for will ultimately help us retain and recruit teachers to the culture of collaboration and support we have created in ACPS.

a. Total number of new staff hired with ARP ESSER funds -- 11 FTEs

b. Plan to retain staff hired with ARP ESSER funds after September 30, 2024 -- These positions are all new to ACPS. We will evaluate the effectiveness of the new positions and the contributions they have made to the greater school community to ease the burdens of other ACPS staff. At that time, ACPS will prioritize adding the necessary positions to our general operating budget. Positions not deemed necessary at that point in our pandemic recovery will be eliminated through attrition.

B. Describe the extent to which the LEA used or will use ARP ESSER funds to implement prevention and mitigation strategies in order to continuously and safely operate schools for in-person learning.

ACPS utilized $3,000,000 of our ARP ESSER III funds to upgrade our HVAC system for Appomattox County High School. Our high school building is 47 years old (built in 1974). We were in desperate need of HVAC renovations just to meet the most basic air quality standards even before the COVID pandemic. This project has provided safer, modernized, energy-efficient HVAC equipment and improved the air quality to help prevent the spread of COVID (and other airborne illnesses) through our HVAC system.

C. If the LEA used or will use ARP ESSER funds for HVAC, renovation, or other capital projects, describe each project, including whether the LEAs has requested and received approval for the project.

As stated in Section B, ACPS utilized funds to completely upgrade the HVAC system of Appomattox County High School. Prior Approval of this project was received on August 5, 2021.

D. If the LEA used or will use ARP ESSER funds for uses other than those listed above, describe below.

ACPS plans to use $104,784.24 to purchase agile furniture built with constant change in mind to support all learning environments. This furniture is designed to be rearranged to meet changing classroom space needs at any given moment. This furniture will provide social distancing options within the classroom. It will also help teachers create spaces that encourage and promote various teaching and learning methodologies (cooperative learning, student-centered learning, project-based learning, etc.).

E. Amount of ARP ESSER funds for the uses above (A. through D.) -- $3,104,784.24

Section 7: Budget

Category	Description	Learning Loss Y/N	Budget	Amount Obligated	Amount Spent	Amount Remaining

Minutes of
Appomattox County School Board
May 9, 2024 Interim Meeting

The Appomattox County School Board met on Thursday, May 9, 2024 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an interim meeting. Present were Board Members Mr. Gregory Smith, Mr. Roger Stough, Mr. Jason Wells, Mr. Bobby Waddell, and Dr. Annette Bennett, Division Superintendent.

Mr. Wyatt Torrence was unable to attend this meeting due to scheduling conflict.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the pledge of allegiance followed by a moment of silence.

CONSIDERATION OF AGENDA

It was moved by Mr. Smith and seconded by Mr. Stough to approve the agenda as presented. By unanimous voice vote, the motion was approved.

RECOGNITIONS

Student Recognitions

The School Board recognized the winner of the Region 8 Superintendent of the Year RRMM Architects Scholarship winner, ACHS Senior Ryan Gheen.

COMMUNICATIONS

Communication Items from the Superintendent

Dr. Bennett shared a thank-you letter from retiring teacher Anissa Taylor.
(Attachment #1)

SUPERINTENDENT'S REPORT

Superintendent's Presentation of the Proposed 2024-2025 School Budget

Dr. Tibbs presented the superintendent's proposed 2024-2025 school budget.

School Board members were provided a review of the proposed 2024-2025 budget challenges which included program adjustments, grant funded positions, and a composite

index decrease. Additionally, there was a comparison of the initial Governor's proposed budget, the General Assembly proposed budget, and the HB30/SB 30 conference budget.

The proposed 2024-2025 school budget included a total of $34,341,562.00 in total projected revenue, $34,341,562.00 in total projected expenditures, with $498,080.68 for Capital Improvement projects, and $108,716,57.00 for textbooks.

The local appropriation advertised by Appomattox County is less than the Superintendent's proposed budget. The advertised budget amount by the County Administrator is $7,286,908.00 and the Superintendent's proposed budget request is $7,556,202.00, leaving a difference of $269,294.00. The county has suggested the utilization of the Carryover/CIP monies from FY24 to supplement the county appropriation. The school division has used carryover funds once before.

Health insurance bids were received by May 3, 2024 and are currently being reviewed and analyzed by Innovative Insurance Group.

The next steps to develop the 2024-2025 budget were discussed. Staff contracts will be issued the week of May 13-17, 2024. Once the final state budget is approved, the Calculation Tool from the Virginia Department of Education will be available. The school division will request additional appropriation from Appomattox County, if needed. There will be an agenda item at a future meeting regarding any supplement to the county appropriation from carryover/CIP funds.

(Attachments #2-3)

ACTION ITEMS

Consideration of Approval of FY25 ACPS School Budget

It was moved by Mr. Smith and seconded by Mr. Stough to adopt the 2024-2025 School Budget in the total amount of $34,341,562.00 which includes local funding of $7,556,202.00 and $1,465,187.00 for the Food Service Program, as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval of the 2023-2025 ACPS Salary Scales

It was moved by Mr. Smith and seconded by Mr. Wells to approve the 2024-2025 Salary Scales as submitted and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachments #6-7)

Consideration of Approval of Request for AMS Athletic Pass

It was moved by Mr. Stough and seconded by Mr. Wells to approve the addition of the middle school athletic pass in the 2024-2025 School Fees list as presented and

recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #8)

CLOSED SESSION

Adjourn to Closed Session

Mr. Stough moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report and employee #346.

Mr. Wells seconded the motion made by Mr. Stough. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student matters, the Board voted to return to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Wells to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Wells made the motion which was seconded by Mr. Smith, unanimously approved by all Board Members, and recorded by roll call vote.

(Attachment #17)

Approval of Personnel Matters

It was moved by Mr. Smith and seconded by Mr. Wells to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved.

(Attachment #18)

NEXT MEETINGS

A Regular Monthly Business Meeting will be held on Thursday, May 23, 2024 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

A Regular Monthly Business Meeting will be held on Thursday, June 13, 2024 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

The annual Close-out Meeting is scheduled for Thursday, June 27, 2024 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

ADJOURNMENT

There being no further business, Mr. Smith moved the meeting be adjourned with a second from Mr. Stough. By unanimous voice vote, the motion was approved.

_____
Bobby K. Waddell
Chairman

_____
Carrington W. Pritchard
Clerk of the Board

CERTIFICATION OF CLOSED MEETINGS

MOTION: Mr. Wells moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

SECOND: Mr. Smith seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mr. Smith	-	Yes
Mr. Stough	-	Yes
Mr. Wells	-	Yes
Mr. Waddell	-	Yes

_____

Carrington W. Pritchard, Clerk of the Board
Appomattox County School Board

Date: May 9, 2024

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, May 25, 2023 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business. Present were Board members Mr. Roger B. Stough, Mr. Wyatt K. Torrence, Mr. Jason L. Wells, Mr. Bobby K. Waddell, and Dr. Annette A. Bennett, Division Superintendent.

Mr. Smith was unable to attend due to a work schedule conflict.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSENT AGENDA – APPROVAL

It was moved by Mr. Torrence and seconded by Mr. Wells to approve the following consent agenda items:

1. Minutes of April 25, 2024 Regular Monthly Business Meeting
2. Educational Trips Report as of May 23, 2024
3. Financial Report as of April 30, 2024
4. Payment of Bills Dated May 23, 2024
   a) $1,130,327.27 – General Fund Bill Listing
   b) $ 80,995.63 – School Food Bill Listing
   c) $ 80,942.00 – General Fund End-of-Month
   d) $ 142.64 – School Food End-of-Month
   e) $ 13,857.00 – Capital Improvement Fund

(Attachments #1-7)

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the superintendent.

CONSIDERATION OF AGENDA

It was moved by Mr. Torrence and seconded by Mr. Stough to approve the agenda as presented. By unanimous voice vote, the motion was approved.

RECOGNITIONS

Student Recognition

The following students were recognized by the School Board:

- Terrence Bush, ACHS, apprenticeship completion
- AMS KidWind team members

Virginia School Boards Association 2024 Business Honor Roll

The School Board recognized Appomattox Inn & Suites and Joe Beans Express Espresso for being named to the 2024 VSBA Business Honor Roll. Mrs. Dana Mayberry was in attendance to represent Appomattox Inn & Suites.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests to address the Board concerning agenda items.

SUPERINTENDENT'S REPORT

Business – Finance – Human Resources Update

Dr. Jason Tibbs provided an update concerning Business, Finance, and Human Resources. His update included the following items:

- FY25 Budget development
- Region 8 Fuel Bid Consortium
- FY24 End of Year
- 24-25 Contracts
- Current Open Positions

(Attachment #8)

Discussion of 4th of July Holiday Week

The School Board discussed the 4th of July holiday week; the 4th of July falls on a Thursday this year. The original employee calendar lists July 4th as a paid holiday and Mr. Stough recommended adding July 3 and July 5 as paid holidays.

Report from LAUREL School Board Meeting by Mr. Jason Wells

Mr. Jason Wells, School Board representative to the LAUREL Regional School Board, provided a brief report of the most recent meeting.

Report from XLR8 STEM Academy School Board Meeting by Mr. Wyatt Torrence

Mr. Wyatt Torrence, School Board representative to the XLR8 STEM Academy, provided a brief report of the most recent meeting.

Report from Appomattox Educational Foundation Scholarship Committee Board

Meeting by Mr. Roger Stough

Mr. Roger Stough, School Board representative to the Appomattox Educational Foundation Scholarship Committee provided a brief report of the most recent meeting.

Membership Report as of April 30, 2024

The Superintendent provided the April 30, 2024 Membership Report, which indicated the total funded Average Daily Membership (ADM) for the month of April 2024 was 2309. The budgeted ADM for 2023-2024 was 2308.

(Attachment #9)

VSBA and NSBA Activities as of May 23, 2024

The 2024 VSBA Hybrid School Law Conference is scheduled for Friday, May 31, 2024. The cost to register is $215.00 per connection and multiple registrations are needed if viewing from multiple devices/locations. Dr. Bennett and Mr. Waddell were both registered to participate. Any board members wishing to register were asked to notify the School Board Clerk.

The 2024 VSBA Conference on Education is scheduled for Thursday, July 23, 2024. The conference will be located at the Hilton Richmond Hotel. The cost to register is $220.00 per connection and multiple registrations are needed if viewing from multiple devices/locations. Any board members wishing to register were asked to notify the School Board Clerk.

(Attachments #10-11)

<u>ACTION ITEMS</u>

Consideration of Approval of ACHS Application for VHSL Membership for 2024-2025

It was moved by Mr. Wells and seconded by Mr. Torrence to approve the Virginia High School League (VHSL) Membership Application for the School Year 2024-2025 as presented and recommended by the superintendent. By unanimous voice vote, the motion as amended was approved.

(Attachments #12-13)

Consideration of Approval of Requests for Admission as Out-of-County Tuition Students for 2024-2025

It was moved by Mr. Wells and seconded by Mr. Torrence to approve the requests for admission as out-of-county tuition students for the 2024-2025 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #14)

Consideration of Disapproval of Request for Admission as Out-of-County Tuition

Student for 2024-2025

It was moved by Mr. Wells and seconded by Mr. Torrence to disapprove the request for admission as an out-of-county tuition student for the 2024-2025 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved

(Attachment #15)

Consideration of Approval of Revised 2024-2025 Employee Calendar

It was moved by Mr. stough and seconded by Mr. Wells to approve the revised 2024-2025 employee calendar, adding July 3 and 5 as a holiday for all ACPS 12-month employees as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved

UNFINISHED BUSINESS

There were no items of unfinished business to come before the Board.

NEW BUSINESS

There were no items of new business to be considered by the Board.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests to address the Board concerning non-agenda items.

NEXT MEETINGS

A Regular Monthly Business Meeting of the Appomattox County School Board is scheduled on Thursday, June 13, 2024 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

The annual Close-out Meeting will be held Thursday, June 27, 2024 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

CLOSED SESSION

Adjourn to Closed Session

Mr. Stough moved the Board convene in closed meeting for the following

purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended in particular for review of the personnel report; and,
2. Discussion of student disciplinary and other matters concerning the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports and students #13150, #14625, #17181, and #13157.

Mr. Torrence seconded the motion made by Mr. Stough. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and consideration of the monthly disciplinary reports, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Wells and seconded by Mr. Torrence to adjourn to public session. By unanimous voice vote, the motion was approved.

PUBLIC SESSION

Certificate of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Stough made the motion, which was seconded by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote.

(Attachment #16)

Approval of Personnel Matters

It was moved by Mr. Torrence and seconded by Mr. Smith to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved.

(Attachment #17)

ADJOURNMENT

There being no further business, Mr. Stough moved the meeting be adjourned with a second from Mr. Wells. By unanimous voice vote, the motion was approved.

Bobby K. Waddell
Chairman

Carrington W. Pritchard
Clerk of the Board

CERTIFICATION OF CLOSED MEETINGS

MOTION: Mr. Stough moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

SECOND: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mr. Stough	-	Yes
Mr. Torrence	-	Yes
Mr. Wells	-	Yes
Mr. Waddell	-	Yes

APPOMATTOX COUNTY PUBLIC SCHOOLS

Learning Today, Leading Tomorrow

ANNETTE A. BENNETT, Ed. D.
DIVISION SUPERINTENDENT

American Rescue Plan: Elementary and Secondary School Emergency Relief (ESSER) Fund III Use Plan

Section 1: Introduction

The purpose of the American Rescue Plan (ARP) Act Elementary and Secondary School Emergency Relief (ESSER) III Fund is to help safely reopen and sustain the safe operation of schools and address the impacts of COVID-19 on the nation's students by addressing students' **academic, social, emotional, and mental health needs**. Appomattox County Public Schools (ACPS) has been awarded $3,878,287.40 in ESSER III funds. This plan describes how the awarded funds will be used. Questions about this plan should be directed to Dr. Annette Bennett, Superintendent of Schools at 434-352-8251.

A comprehensive summary of the school division's response to COVID-19 can be found on our website at the following link:
https://drive.google.com/file/d/1LCOzByAyrzOxpInJhNLmA_HWINAslI55/view

Section 2: Prevention and Mitigation Strategies

ARP Act ESSER III funds may be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent Centers for Disease Control and Prevention (CDC) guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning. Appomattox County Public Schools will use approximately $3,000,000 of its ARP Act ESSER III funds to implement prevention and mitigation strategies as described below.

ACPS will use ARPA ESSER III funds to begin an HVAC replacement project for Appomattox County High School. This project will respond to air quality issues that existed long before the necessity of improved air quality as a mitigation strategy to ensure the health and safety of students and staff during the COVID pandemic. The replacement of the HVAC system will improve air quality and reduce the transmission of not only COVID but other common airborne diseases. These improvements will help allow ACPS to have students in the building 5 days a

week meeting their social, emotional, mental health, and academic needs with consistency and routine.

Section 3: Addressing Unfinished Learning

Section 2001(e)(1) of the ARP Act requires each LEA to use twenty percent of its formula funds to address the academic impact of lost instructional time (learning loss) through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs. Appomattox County Public Schools will use approximately $775,657.48 of its ARP Act ESSER III funds to address unfinished learning as described below.

ACPS will use ARPA ESSER III funds to address learning loss by adding the following positions for the 23-24 school year:

1. Reading and Math Remediation Teachers* - 5 positions -- These teachers will be housed at three of our division schools -- Appomattox Primary (3 teachers), Appomattox Elementary (1 teacher), and Appomattox Middle (1 teacher). These teachers will work with students identified as having significant gaps in their foundational skills of reading and/or math according to assessment data. Teachers will utilize push-in and pull-out models as needed, as well as help their colleagues create and develop instructional strategies and materials to use with students in their classrooms.

2. Family Engagement/Truancy Monitors* - 2 positions -- These professionals will serve students and families at all four ACPS schools. One position will be split between Appomattox Primary and Appomattox Elementary, while the other position will be split between Appomattox Middle and Appomattox County High. The purpose of these positions will be to serve as liaisons between families and each school building to bridge the smooth transition for students to return from virtual and hybrid instruction to full-time in-person instruction beginning with the 21-22 school year.

* These two positions are being funded for the 21-22 and 22-23 school years through CRRSA ESSER II. ARPA ESSER III funding will allow us to maintain these positions to support our students and families for an additional year.

3. In-School Solution (ISS) Teacher Assistants** - one for AMS and one for ACHS (23-24 school year) - These paraprofessionals will be trained to offer classroom support while teachers engage in solution-finding interventions with students who would otherwise lose instructional time due to behavioral issues. We anticipate a greater need for behavioral support as teachers learn to implement PBIS and as students deal with the trauma of COVID. These services will help ACPS mitigate learning loss by keeping students in the classroom.

4. Teacher Assistants trained as Registered Behavior Technicians** -- one for APS and one for AES (23-24 school year) -- These paraprofessionals will be trained to offer classroom behavioral support.

5. Patrick Henry Family Services** -- ACPS will contract with this mental health agency to provide 4 full-time licensed counselors to support students in all ACPS schools 5 days a week for the duration of the school year. These counselors will provide mental health services to students in need and serve as a resource for their families. These funds will cover 4 licensed counselors for the 23-24 school year.

6. Blue Ridge Therapy--ACPS will contract with Blue Ridge Therapy to provide speech and occupational therapy to students who need support. Due to the effects of the COVID pandemic, more students qualify for these services and there is greater need for students to be successful in the classroom.

7. Allied Instructional Services—ACPS will contract with Allied Instructional Services to provide psychological testing for students. Due to the effects of the COVID pandemic, more students are being referred for evaluation and for testing.

** These positions are being funded for the 21-22 and 22-23 school years through CRRSA ESSER II set-aside funds. ARPA ESSER III will allow us to maintain these positions to support our students and teachers for an additional year.

Section 4: Other Uses of Funds

Section 2001(e) of the ARP Act permits school divisions to use the ARP Act ESSER III funding not reserved to address unfinished learning to address the impacts of COVID-19 in a variety of ways. Appomattox County Public Schools will use approximately $102,629.92 of its ARP Act ESSER III funds in accordance with Section 2001(e) of the ARP Act as described below.

ACPS will use ARPA ESSER III funds to purchase agile furniture built with constant change in mind to support all learning environments. This furniture is designed to be rearranged to meet changing classroom space needs at any given moment. This furniture will provide social distancing options within the classroom. It will also help teachers create spaces that encourage and promote various teaching and learning methodologies (cooperative learning, student-centered learning, project-based learning, etc.)

Section 5: Addressing Students' Academic, Social, Emotional, and Mental Health Needs

ACPS is using these funds, and monies from all the ESSER funds, to address our students' academic, social, emotional, and mental health needs. We have proposed using the current funds to maintain our plans for these student services for a third year. As indicated in previous sections of this document, ACPS is using funds to hire math and reading remediation teachers (academic support), family engagement/truancy monitors (academic, social, emotional, and mental health support), in-school solution teacher assistants (academic, social, emotional, and mental health support), teacher assistants trained as RBTs (academic, social, emotional, and mental health support), Patrick Henry Family Services (academic, social, emotional, and mental health support). Please refer to the descriptions of each of these positions or contracted services in previous sections of this

document. All of these extra positions will offer support to students who demonstrate an academic, social, emotional, and/or mental health need. Particular attention will be given to the needs of students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

Section 6: Consultation with Stakeholders and Opportunity for Public Comment

In developing the ARP ESSER Plan, Appomattox County Public Schools conducted consultation in the following ways:

- With stakeholders, including students, families, school and district administrators (including special education administrators), teachers, principals, school leaders, other educators, school staff, and their unions by opening the plan up for discussion during division leadership meetings, Parents Advisory Committee meetings, and Teachers Advisory Committee meetings;
- With Tribes (if applicable); civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students by opening the plan up for discussion during division leadership meetings, Parents Advisory Committee meetings, Teachers Advisory Committee meetings, and for public comment during the August 2021 ACPS School Board Meeting; and
- By providing the public the opportunity to provide input at the August 2021 ACPS School Board Meeting and taking such input into account.

Section 7: Making the Plan Available to the Public

Appomattox County Public Schools has taken the following steps to make this plan available to the public:

- The plan is posted at https://www.acpsweb.net/
- The plan can be translated for parents. Contact Stephanie Totty at 434-352-8251.
- The plan may be orally translated for parents. Contact Stephanie Totty at 434-352-8251 to request translation; and
- Upon request, a parent who is an individual with a disability as defined by the ADA may be provided with the plan in an alternative format accessible by contacting Stephanie Totty at 434-352-8251.

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting and
Public Hearing on the ARP ESSER III Plan

The Appomattox County School Board met in regular session on Thursday, June 13, 2024 at 5:00 p.m. in the School Administration Building located at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting and a Public Hearing on the ARP ESSER III Plan. Present were Board members Mr. Gregory A. Smith, Mr. Roger B. Stough, Mr. Wyatt K. Torrence, Mr. Jason L. Wells, Mr. Bobby Waddell, and Dr. Annette A. Bennett, Division Superintendent.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSENT AGENDA – APPROVAL

It was moved by Mr. Torrence and seconded by Mr. Wells to approve the following consent agenda items:

1. Minutes of May 9, 2024 Interim School Board Meeting
2. Minutes of May 23, 2024 Regular Monthly Business Meeting
3. Educational Trips Report as of June 13, 2024
4. Payment of Bills as of June 13, 2024:
   a) $768,398.09 – General Fund Bill Listing
   b) $ 36,186.69 – School Food Bill Listing
   c) $ 6,300.00 – Capital Improvement Fund Bill Listing
5. Overnight Trip Request

(Attachments #1-4)

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the superintendent.

CONSIDERATION OF AGENDA

It was moved by Mr. Torrence and seconded by Mr. Smith to approve the agenda as presented. By unanimous voice vote, the motion was approved.

PUBLIC HEARING

Public Hearing on the ARP ESSER III Plan

School Board Chairman, Mr. Waddell, opened a public hearing to receive comments on the ACPS ARP ESSER III Plan. There were no individuals wishing to address the Board. Mr. Waddell closed the public hearing.

(Attachment #5)

COMMUNICATIONS

Dr. Bennett shared communication items with board members:

- Regional Program Rotation Schedule for the Superintendent in Charge and Program Board/Committee Chair for XLR8 STEM
- VSBA Member Benefits
- School Board Self-Assessment reminder and blank form for completion

(Attachments #6-8)

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests to address the Board concerning agenda items.

SUPERINTENDENT'S REPORT

Business & Finance and Human Resources Report

Dr. Jason Tibbs provided updates from the Business & Finance and Human Resources departments.

ACPS joined the Region 8 Fuel Bid Consortium, which included 10 out of the 12 school divisions in Region 8, and has awarded fuel contracts for the 2024-2025 school year. Southern States Amelia Petroleum Service will be providing heating oil, unleaded gasoline, and diesel fuel and Foster Fuels, Inc. will be providing propane.

Administration is awaiting the state's Caboose Calculation Tool for FY24 for end of year state revenues. Employee agreements/contracts/renewals for FY25 are continuing as planned/budgeted.

Dr. Tibbs additionally shared a list of completed and ongoing summer CIP projects, information on the division's new copier/printer contract, and a list of current open positions within the division.

(Attachment #9)

Division Literacy Plan

Dr. Cheryl Servis gave a brief report on the division literacy plan. The literacy plan will provide students in Grades K-5 with consistent opportunities to build vocabulary and knowledge of the world using complex texts on a wide variety of topics.

(Attachment #10)

Alternative Education End-of-Year Report

School Board Members reviewed the Appomattox Alternative Education Center 2023-2024 year-end report.

(Attachment #11)

Membership Report as of May 23, 2024

The Average Daily Membership for May 2024 was 2306. The budgeted ADM for 2023-2024 was 2308.

(Attachment #12)

VSBA and NSBA Activities as of June 13, 2024

The 2024 VSBA Conference on Education will be Tuesday, July 23, 2024. The cost to register is $220.00 per person and the event is being held at the Hilton Richmond Hotel & Spa Short Pump.

The 2024 VBSA Legislative Advocacy Conference will be Thursday, September 19, 2024. The cost to register is $220.00 per person and this conference is a hybrid event.

The 2024 VSBA Annual Convention will be held November 20-22, 2024 in Williamsburg, Virginia.

Board Members wishing to attend in any of these events were asked to notify the School Board Clerk.

Each year, in the early Fall, the VSBA Media Honor Roll recognizes media representatives in three categories: print, radio, and television. Criteria for honorees include the following:

1. Makes the effort to get to know the superintendent and board chair.
2. Understands the division's mission and goals.
3. Reports school news in a manner that is fair, accurate, and balanced.
4. Gives a high-profile position to good news about schools.
5. Regularly visits the schools, attends board meetings, etc.
6. Maintains a policy of "no surprises" by sharing information with school representatives.

School Board Members wishing to nominate individuals for the Media Honor Roll were asked to notify the School Board Clerk.

(Attachments #13-15)

<u>ACTION ITEMS</u>

Consideration of Approval of Nomination of Mr. Greg Smith to the VSBA Board of Directors as At-Large Candidate

It was moved by Mr. Wells and seconded by Mr. Stough to approve the nomination of Mr. Greg Smith to the VSBA Board of Directors as an At-Large Candidate. By unanimous voice vote, the motion was approved.

(Attachment #16)

Consideration of Adoption of the ACPS Division Literacy Plan

It was moved by Mr. Wells and seconded by Mr. Torrence to adopt the division literacy plan as recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #17)

Consideration of Approval of ACPS Title III Application

It was moved by Mr. Wells and seconded by Mr. Torrence to approve the ACPS Title III Application as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #18)

Consideration of Approval of Out-of-County Tuition Students for 2024-2025

It was moved by Mr. Torrence and seconded by Mr. Stough to approve the out-out-county tuition students for the 2022-2023 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #19)

Consideration of Requests for Exemption from Compulsory Attendance Laws for Bona Fide Religious Belief for 2024-2025

It was moved by Mr. Wells and seconded by Mr. Torrence to approve the requests for exemption from compulsory attendance laws for bona fide religious belief for the 2024-2025 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #20)

Consideration of Approval of First Reading of Revised Policies

It was moved by Mr. Wells and seconded by Mr. Torrence to approve the first reading of the revised policies as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachments #21-22)

UNFINISHED BUSINESS

There were no items of unfinished business to come before the Board.

NEW BUSINESS

There were no items of new business to be considered by the Board.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests to comment on non-agenda items.

NEXT MEETINGS

The Close-Out Meeting will be held Thursday, June 27, 2024 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

The next Regular Monthly Business Meeting of the Appomattox County School Board is scheduled for Thursday, July 25, 2024 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

CLOSED SESSION

Adjourn to Closed Session

Mr. Stough moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended in particular for review of the personnel report and employee #11478; and,
2. Discussion of the award of a public contract involving the expenditure of public funds, including interviews of bidders of offerors, and discussion of the terms of scope of such contract, where discussion in an open session would adversely affect the bargaining position or negotiating strategy of the public body; and,
3. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports.

Mr. Wells seconded the motion made by Mr. Stough. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Wells to adjourn to public session. By unanimous voice vote, the motion was approved.

PUBLIC SESSION

Certificate of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Stough made this motion, which was seconded by Mr. Smith, unanimously approved by Board Members, and recorded by roll call vote.

(Attachment #23)

Approval of Personnel Matters Dated June 13, 2024

It was moved by Mr. Wells and seconded by Mr. Smith to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved.

(Attachment #24)

ADJOURNMENT

There being no further business, Mr. Smith moved the meeting be adjourned with a second from Mr. Torrence. By unanimous voice vote, the motion was approved.

Clerk of the Board

CERTIFICATION OF CLOSED MEETINGS

MOTION: Mr. Stough moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

SECOND: Mr. Smith seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mr. Smith	-	Yes
Mr. Stough	-	Yes
Mr. Torrence	-	Yes
Mr. Wells	-	Yes
Mr. Waddell	-	Yes

_____

Carrington W. Pritchard, Clerk of the Board
Date: June 14, 2024

Minutes of
Appomattox County School Board
Close-Out Meeting

The Appomattox County School Board met in regular session on Tuesday, June 30, 2022 at 5:00 p.m. in the School Administration Building located at 316 Court Street in Appomattox, Virginia to conduct the Year-End Close-out Meeting. Present were Board members Mr. Wyatt K. Torrence, Mr. Jason L. Wells, Mr. Bobby Waddell, and Dr. Annette A. Bennett, Division Superintendent.

Mr. Greg Smith and Mr. Roger Stough were absent due to a schedule conflict.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSIDERATION OF AGENDA

It was moved by Mr. Torrence and seconded by Mr. Wells to approve the agenda as presented. By unanimous voice vote, the motion was approved.

SCHOOL BOARD SELF-EVALUATION

The School Board completed and discussed their 2023-2024 Self-Evaluation.
(Attachment #1)

SUPERINTENDENT'S REPORT

Business & Finance and HR Report

Dr. Jason Tibbs provided an update from the Business & Finance and HR departments.

The FY25 school budget continues to be assessed. The county adopted their FY25 appropriations resolution and the appropriation to ACPS aligns with the estimated revenues included in the county budget approved on May 29, 2024.

This local appropriation results in a shortfall of $350,135.00 for the school division. School administration recommends considering the utilization of carryover money from FY24 to offset this shortfall. The carryover money from FY24 was originally allocated toward new security entrances at the elementary and middle school. Using these funds will result in $0.00 state loss and no impact to the operations of the school division for the FY25 school year; however, the new security entrances can no longer be funded with the FY24 carryover funds.

ACPS will request a reallocation of funds in FY25 for the ALL IN Tutoring and School Construction Assistance Program funds received during FY24 that can be carried over.

The FY24 officially ends Sunday, June 30, 2024 with the accrual period ending August 31, 2024. The net estimated unspent funds from FY24 is $650,000 +/-.

School Board Members received updates on summer projects including updates to the ACHS gymnasium and track, AMS floor replacement, new cafeteria equipment, and the renovation of ACHS.

(Attachments #2-7)

VSBA Conference on Education

The VSBA 2024 Conference on Education will be Tuesday, July 23, 2024. School Board Members were invited by the Chair of the Southern Region, Mrs. Lucy Carson, to attend.

(Attachments #8-9)

Appomattox Adult Education Year End Report

School Board Members reviewed the 2023-2024 Adult Education Year End Report.

(Attachment #10)

ACTION ITEMS

Consideration of Approval of Payment of Bills as of June 27, 2024

It was moved by Mr. Wells and seconded by Mr. Torrence to approve the payment of the General Fund End of Month, School Food End of Month, General Fund Bill Listing and School Food Bill Listing as submitted and recommended by the superintendent. By unanimous voice vote, the motion was approved.

General Fund End of Month	-	$ 512,659.03
School Food End of Month	-	$ 139.50
General Fund Bill Listing	-	$ 723,076.60
School Food Bill Listing	-	$ 5,744.82

(Attachments #11-14)

Consideration of Approval of Employee Health Insurance Provider

It was moved by Mr. Wells and seconded by Mr. Torrence to approve Jefferson Health Plan as the ACPS employee health insurance provider as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval of ACPS Title I, II, and IV Applications

It was moved by Mr. Wells and seconded by Mr. Torrence to approve the ACPS Title I, II, and IV Applications as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachments #15-17)

Consideration of Approval of Requests for Admission as Out-of-County Tuition Students for 2024-2025

It was moved by Mr. Wells and seconded by Mr. Torrence to approve admission of the out-of-county tuition students for the 2024-2025 school year as recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #18)

Consideration of Approval of the VSBA Regional School Board Member of the Year Nomination

It was moved by Mr. Wells and seconded by Mr. Torrence to approve nomination of Mr. Bobby Waddell as the VSBA Regional School Board Member of the Year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #19)

CLOSED SESSION

Adjourn to Closed Session

Mr. Wells moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended in particular for review of the personnel report and employee #346.

Mr. Torrence seconded the motion made by Mr. Wells. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, the Board voted to adjourn to public session.

Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, July 25, 2024 at 5:00 p.m. in the School Administration Building located at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board members Mr. Gregory A. Smith, Mr. Roger B. Stough, Mr. Jason L. Wells, Mr. Bobby Waddell, and Dr. Annette A. Bennett, Division Superintendent.

Mr. Wyatt Torrence was unable to attend due to a family vacation.

CALL TO ORDER

Mr. Waddell, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSENT AGENDA – APPROVAL

It was moved by Mr. Stough and seconded by Mr. Smith to approve the following consent agenda items:

1. Minutes of June 13, 2024 Regular Monthly Business Meeting
2. Minutes of June 27, 2024 Close-Out Meeting
3. Financial Report as of July 25, 2024
4. Payment of Bills as of July 25, 2024:
    a) $ 79,875.19 – General Fund End of Month Bill Listing
    b) $ 457,953.00 – General Fund Bill Listing
    c) $ 19,319.10 – School Food Bill Listing
    d) $ 133,260.00 – Capital Improvement Fund Bill Listing

(Attachments #1-5)

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the superintendent.

CONSIDERATION OF AGENDA

It was moved by Mr. Stough and seconded by Mr. Smith to approve the agenda as presented. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Dr. Bennett shared the following communication items with board members:

Mrs. Estaline Anderson McCraw, retired teacher, passed away Sunday, June 16 2024. Mrs. McCraw worked in our school division for 24 years, from September 1966 to June 1990. On behalf of the School Board, a contribution has been made to the Appomattox County Education Foundation in her memory and a card was sent to her family. We acknowledge the contributions Mrs. McCraw made to our school division and extend our deepest sympathy to her family.

Mrs. Jane Williams Pack, retired school nurse, passed away on Thursday, June 28, 2024. Mrs. Pack worked in our school division for 19 years, from July 1995 to January 2014. On behalf of the School Board, a contribution has been made to the Appomattox County Education Foundation in her memory and a card was sent to her family. We acknowledge the contributions Mrs. Pack made to our school division and extend our deepest sympathy to her family.

Mrs. Grace Poindexter Forrest, retired teacher, passed away on Monday, July 8, 2024. Mrs. Forrest worked in our school division for 37 years, from September 1969 to December 2006. On behalf of the School Board, a contribution has been made to the Appomattox County Education Foundation in her memory and a card was sent to her family. We acknowledge the contributions Mrs. Forrest made to our school division and extend our deepest sympathy to her family.

Mr. Samuel Harvey Robinson, maintenance employee with our division, passed away on Friday, July 19, 2024. Mr. Robinson worked for our division for 34 years, from his hire date on April 30, 1990 to his death on Friday. On behalf of the School Board, a contribution has been made to the Appomattox County Education Foundation in his memory and a card was sent to his family. We acknowledge the contributions Mr. Robinson made to our school division and extend our deepest sympathy to his family.

The New Teacher Orientation Lunch will be Friday, August 2, 2024 at 12:10 pm in the AES Commons A area.

Convocation and Breakfast will be Monday, August 5, 2024 at 8:00 am in the ACHS Cafeteria with a guest speaker beginning at 9:00.

(Attachments #6-9)

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests to address the Board concerning agenda items.

SUPERINTENDENT'S REPORT

Opening of School 2024-2025

The Superintendent shared details on the opening of school for 2024-2025. Open House is scheduled for Thursday, August 8 from 11am – 6 pm and students' first day of school is Monday, August 12.

Update on ACHS Construction Project

Dr. Bennett gave a brief update on the Appomattox County High School construction project. The Superintendent shared photos of the updated gymnasium, locker rooms, athletic training area, band room, and track.

(Attachment #10)

Business & Finance and Human Resources Update

Dr. Tibbs provided a brief update from the Business & Finance and Human Resources departments. His update included a list of current open positions and a review of the carryover appropriation request sent to the Appomattox County Board of Supervisors for approval for the 2024-2025 fiscal year.

(Attachments #11-12)

ACPS School Lunch Program

Appomattox County Public Schools plans to participate in the Community Eligibility Provision (CEP) for the 2024-2025 school year. Participation in the CEP program will allow students to receive school breakfast and lunch at no cost.

(Attachment #13)

VSBA and NSBA Activities as of July 25, 2024

The 2024 VBSA Legislative Advocacy Conference will be Thursday, September 19, 2024. The cost to register is $220.00 per person and this conference is a hybrid event.

The 2024 VSBA Annual Convention will be held November 20-22, 2024 in Williamsburg, Virginia. There will be COIA training at this event.

Board Members wishing to attend in any of these events were asked to notify the School Board Clerk.

Each year, in the early Fall, the VSBA Media Honor Roll recognizes media representatives in three categories: print, radio, and television. Criteria for honorees include the following:

1. Makes the effort to get to know the superintendent and board chair.
2. Understands the division's mission and goals.

3. Reports school news in a manner that is fair, accurate, and balanced.
4. Gives a high-profile position to good news about schools.
5. Regularly visits the schools, attends board meetings, etc.
6. Maintains a policy of “no surprises” by sharing information with school representatives.

School Board Members wishing to nominate individuals for the Media Honor Roll were asked to notify the School Board Clerk.

(Attachments #14-15)

ACTION ITEMS

SUPERINTENDENT'S REPORT

Executive Order #33 and Cell Phone Free Education Guidelines

Board Members received copies of the Executive Order #33 and the Cell Phone Free Education Guidelines from the Virginia Department of Education. Dr. Bennett noted the division has been following the same guidelines listed in the official VDOE document since the 2022-2023 school year, therefore, no changes are needed to the division cell phone policy.

Fall Class Size Report

Dr. Cheryl Servis presented the Fall 2024 Class Size Report.

(Attachment #8)

Business, Finance, and HR Update

Dr. Jason Tibbs shared photos of the construction updates to the ACHS auditorium and track.

He also provided an update from the Finance department including the following items:

- FY24 Annual School Report – An extension has been granted through September 30, 2024 on the financial section.
- FY24 Audit – Pre-audit fieldwork by Brown, Edwards & Company, LLP. will take place the weeks of September 30, 2024 and October 28, 2024. Final fieldwork will be done by Robinson, Cox Associates the week of November 18, 2024.
- A surplus furniture, fixtures, and equipment auction will take place at ACHS on Saturday, October 4, 2024 from 9:00 a.m. until all items are auctioned.

The Human Resources update included open enrollment data/numbers for health insurance for division employees and information on the department's bus driver campaign.

(Attachments #9-11)

Town Ball Park Discussion

Dr. Tibbs presented information to the School Board concerning the Town Ball Park located on Park Lane in Appomattox. The property consists of 5.72 acres and is currently owned by Appomattox County Parks, Recreation and Tourism, who contacted ACPS about taking over ownership and control. Dr. Tibbs provided a plat of the land and reviewed a list of site uses and proposed costs of controlling the park.

(Attachments #12-13)

Membership Report as of August 30, 2024

The Membership Average for August 2024 was 2364. The total funded Average Daily Membership is 2312.

(Attachment #14)

VSBA and NSBA Activities as of September 26, 2024

The 2024 VSBA Annual Convention will take place in Williamsburg, Virginia on November 20-22, 2024. Dr. Bennett, Mr. Smith, and Mr. Waddell are registered to attend.

October is VSBA Bullying Prevention Month.

ACTION ITEMS

Carrington W. Pritchard
Clerk of the Board

CERTIFICATION OF CLOSED MEETINGS

MOTION: Mr. Torrence moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

SECOND: Mr. Stough seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such a closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

   c) $ 273,510.24 – General Fund Bill Listing
   d) $ 289,841.06 – School Food Bill Listing
   e) $ 21,973.54 – Capital Improvement Fund

(Attachments #1-6)

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the superintendent.

CONSIDERATION OF AGENDA

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the agenda as presented. By unanimous voice vote, the motion was approved.

COMMUNICATIONS

Dr. Bennett presented the 2023-2024 VSBA Academy Awards Certificates and pin to Mr. Smith and Mr. Waddell.

Dr. Bennett shared the 2023-2024 ACPS Annual Report.

(Attachment #7)

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests to address the Board concerning agenda items.

SUPERINTENDENT'S REPORT

Business, Operations, & Finance Update

Director of Finance and HR, Dr. Jason Tibbs, provided an update including the following items:

- Surplus Furniture, Fixtures and Equipment Auction
- Activity Buses
- Final FY25 Budget
- Tennis Court Renovations
- Licensure Meetings

(Attachments #8-10)

FY 2026 Budget Process Timeline

The School Board began discussions concerning the FY 2025-2026 budget process. Board Members agreed on the proposed dates provided.

- November 14, 2024 - Public Comment Session; Board Discussion of Budget Goals
- December 19, 2024 - Board Discussion of Budget Goals; Possible Budget Work Session
- January 2025 - Regular Monthly Business Meeting - Budget Update; Public Hearing on FY 2026 Budget; Develop and Possible Adoption of Budget Goals; Possible Budget Work Session
- February 2025 - Regular Monthly Business Meeting - Superintendent and Finance Director's 2025-2026 Budget Presentation to the Board; Possible Budget Work Session
- March 2025 - Regular Monthly Business Meeting - Adoption of Budget
- April 2025 or sooner- Joint Boards Meeting - Presentation of FY 2026 Budget

Preparation for 2025 Board Meeting Calendar

The Superintendent requested guidance from Board Members concerning development of the 2025 School Board Meeting calendar. It was agreed upon to develop a similar calendar as the 2024 calendar; meetings will begin at 5:00 p.m. except on days of school tours, there will be school tours twice a year, and School Board meetings once a month. A draft of the 2025 calendar will be presented at the November 14, 2024

Safety Update Presentation

Dr. Bennett reviewed safety updates to the school division including the following:

- AI-Human verified gun detection
- Safety film applied to entries at all schools
- Opengate metal detectors being installed in all schools

SOL Results and Accreditation Status Report

Dr. Cheryl Servis, Director of Curriculum, Instruction, & CTE reported on the division's SOL scores and accreditation status. All four schools are accredited by the Virginia Department of Education and are each performing competitively with the state's pass rates.

(Attachment #11)

2024-2025 Division Committees Lists

The School Board was provided lists of the following division committees for 2024-2025:

- Calendar Committee
- Gifted Committee
- Grading Committee
- Science Safety Committee
- CTE Committee
- Parent Advisory Committee
- Teacher Advisory Committee
- Student Advisory Committee

Reschedule Date for Fall School Tours

School Board Members participated in a discussion regarding rescheduling the fall school tours. It was agreed upon to postpone the tours of APS and ACHS to the spring semester, and to include all four schools in the tour.

Membership Report as of September 30, 2024

The Membership Average for September 2024 was 2364.5. The total funded Average Daily Membership was 2315.

(Attachment #14)

VSBA and NSBA Activities as of October 24, 2024

The 2024 VSBA Annual Convention will take place in Williamsburg, VA on November 20-22, 2024. Mr. Smith, Mr. Waddell, and Dr. Bennett are registered to attend.

The 2024 VSBA Title IX: Best Practices in Training & Compliance will take place October 29, 2024 as a hybrid workshop. The cost to register is $180 and board members wishing to attend were asked to inform the School Board Clerk.

VSBA Live and On Demand Webinars: https://www.vsba.org/meetings-conferences/webinars/

(Attachments #15-16)

ACTION ITEMS

Consideration of Approval of Rescheduled Date for School Tours

It was moved by Mr. Smith and seconded by Mr. Stough to table the rescheduling of the school tours. The tours will take place in the spring and will be scheduled according to the 2025 School Board Meeting calendar. By unanimous voice vote, the motion was approved.

Consideration of Approval of Second Reading and Adoption of Revised Policies

It was moved by Mr. Stough and seconded by Mr. Torrence to approve the second reading and adoption of the revised policies as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachments #17-21)

UNFINISHED BUSINESS

There were no items of unfinished business to come before the Board.

NEW BUSINESS

There were no items of new business to be considered by the Board.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests to comment.

NEXT MEETINGS

The next Regular Monthly Business Meeting of the Appomattox County School Board is scheduled for Thursday, November 14, 2024 at 5:00 p.m. at the CVCC Satellite Center at 171 Price Lane in Appomattox, Virginia.

A Regular Monthly Business Meeting is scheduled for Thursday, December 19, 2024 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

CLOSED SESSION

Adjourn to Closed Session

Mr. Stough moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended in particular for review of the personnel report and employee #11671; and,
2. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports and student #16608.

Mr. Torrence seconded the motion made by Mr. Stough. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Stough to adjourn to public session. By unanimous voice vote, the motion was approved.

PUBLIC SESSION

Certificate of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Wells made this motion, which was seconded by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote.

(Attachment #22)

Approval of Personnel Matters

It was moved by Mr. Torrence and seconded by Mr. Smith to approve the personnel report as presented and recommended by the Superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved.

(Attachment #26)

Approval of Student #16608

It was moved by Mr. Smith and seconded by Mr. Torrence to amend the student

disciplinary record for student #16608 from code BCS19 to RB11. By unanimous voice vote, the motion was approved.

ADJOURNMENT

There being no further business, Mr. Smith moved the meeting be adjourned with a second from Mr. Wells. By unanimous voice vote, the motion was approved.

Bobby K. Waddell
Chairman

Carrington W. Pritchard
Clerk of the Board

CERTIFICATION OF CLOSED MEETINGS

MOTION: Mr. Wells moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

SECOND: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such a closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mr. Smith	-	Yes
Mr. Stough	-	Yes
Mr. Torrence	-	Yes
Mr. Wells	-	Yes
Mr. Waddell	-	Yes

Welcome

President Patillo

Dear Colleagues,

As you explore this brochure, you'll discover the exciting lineup we have for the 2024 VSBA Annual Convention. We've crafted a program filled with enriching sessions, inspiring speakers, and valuable networking opportunities.

Here's what you can expect:

- Inspiring Keynotes: Hear from visionary leaders and thinkers.
- Hot Topic Sessions: Explore numerous breakout sessions covering essential public education issues.
- Networking Opportunities: Meet and collaborate with professionals dedicated to enhancing education.
- Exhibitor Connections: Discover innovative solutions from businesses serving public schools.

Register today to join us for an event designed to empower and support your work in public education. Looking forward to seeing you there!

Warm regards,

Dr. Cardell Patillo
President, VSBA

Preview

Join us for the most anticipated event of the year, bringing together a large and diverse group of school board members, superintendents, and school division staff from across Virginia!

Over an exhilarating three days in November, prepare to be inspired by three dynamic keynote speakers. Dive into a multitude of engaging breakout sessions on critical public education topics and connect with businesses dedicated to supporting our schools.

This is your chance to learn, network, and celebrate with us. We can't wait to share this incredible experience with you!

Keynotes

Sam Glenn

Wednesday, November 20

Sam Glenn is most notably sought after for his captivating kick off and wrap up general session speeches. Sam's award-winning speeches set a positive and energetic tone that gets audiences engaged and ready to learn, grow and have fun. Audiences gravitate to his humor, relate to his stories and embrace his relevant ideas for improving their personal and professional lives. For nearly three decades, Sam Glenn's inspirational and artistic speeches have impacted audiences of all sizes - some as large as 75,000 people at stadium events.

Col. Arthur Athens

Thursday, November 21

Colonel Arthur J. Athens is a retired Marine Corps officer and keynote speaker who served in the military for 30 years. He was the first Distinguished Military Professor of Leadership and Director of the Vice Admiral James B. Stockdale Center for Ethical Leadership at the United States Naval Academy. Athens is known for speaking on topics such as leading with excellence and humility.

Dr. Donna Beegle

Friday, November 22

Dr. Donna Beegle grew up in generational, migrant-labor poverty and was essentially homeless the first 26 years of her life. She is the only member of her family who has not been incarcerated. At 15, she left school to get married and start a family. But, at 25, she found herself with two children, no husband, little education, few job skills, and no access to afforable housing. With the help of Community Action and mentors, she received stable housing and was able to achieve her GED and later her doctorate in educational leadership. She focused her studies and research on understanding poverty impacts and solutions for assisting children and adults to move out and stay out of the crisis of poverty.

COMCAST

Early Bird Workshop

Communication with the Toughest of Skins: Lessons from the Rhino
Wednesday, November 20, 2024
9:00 a.m. - 12:00 p.m.
Williamsburg Lodge, Tidewater Room

Andrea Messina

How can you model respectful dialog with someone when you vehemently disagree with that person? Just as rhinos need tough skin to survive in the wild, school board members need thick skin to handle difficult situations and personalities. Learn communication strategies and conflict resolution techniques from the rhinoceros that you can apply in your role as a school board member to increase your own effectiveness. This session will equip you with practical tools to enhance your effectiveness as a governance team by improving your ability to navigate and resolve conflicts constructively.

Presenter: Andrea Messina, Chief Executive Officer, Florida School Boards Association

*Reminder: Nametags must be visible to be admitted to ALL VSBA meetings and conferences.

Other Convention Activities

Student School Board Representative Workshop
Wednesday, November 20, 2024
9:45 a.m. - 1:45 p.m.
Williamsburg Lodge, Allegheny Room

Join us for the annual Student School Board Representative Workshop hosted by the VSBA! This highly anticipated event is your chance to engage with peers and experts, enhancing your skills and knowledge in education governance.

This year's agenda includes an insightful discussion on cell phone usage in schools led by an experienced educator. Hear firsthand from students in Fairfax County Public Schools about their successful campaign to draft and pass a congressional bill boosting teen voter registration. Cap off the day with our popular School Board Jeopardy session, where you can test your knowledge in a fun and competitive environment.

Don't miss this opportunity to expand your skills, gain valuable insights, and connect with fellow peers and education experts.

Thank You to Our Sponsor: SFE

Please reach out to your school division clerk to register for this event.

AC Contests

Exhibition of School Architecture

It's not too late to participate! If your school has new construction or renovations, there's a perfect opportunity to showcase the benefits of good design. From creating the right ambience and multifunctional spaces to incorporating sustainable design and ensuring security, there's a direct relationship between well-designed environments and effective teaching and learning.

The VSBA Exhibition of School Architecture lets you see this in action. Category awards will be presented, and the People's Choice Award will be judged from project slides displayed during the convention. Winners will be announced at the Annual Convention. Don't miss out on this chance to highlight your school's architectural achievements!

Exhibitors Scholarship

VSBA is excited to announce the 2024 VSBA Exhibitors Scholarship. The scholarship is available to a student school board representative serving a member board of the VSBA. The student must be a graduating senior in the Spring of 2025 and must have served as a student school board representative during their junior or senior year.

Exhibitors interested in supporting this important program should contact Mikaela Coffey at mikaela@vsba.org.

Registration

Registration for VSBA conferences and events is open to VSBA members and affiliate members only. The deadline for cancellations is November 4. Cancellations must be received in writing via email to mikaela@vsba.org by November 4 and will incur a $50 cancellation fee. Cancellation requests received after November 4 and no shows will not be refunded. Substitution of an individual may be made at any time. If a meeting or conference is canceled and/or postponed due to inclement weather, registration fees will be automatically transferred to the rescheduled date of the conference. If attendees are unable to attend the rescheduled date, a substitution can be made, or the school division will be credited the registration fee to use for future events.

Cost: $395 per registration
Please mail payment to: VSBA
200 Hansen Road,
Suite 2
Charlottesville, VA 22911

For more information or questions regarding the Annual Convention please contact Mikaela Coffey at mikaela@vsba.org!

For more information about the VSBA AC Contests, contact Bella Corbo at Bella@vsba.org.

Hotel Information

In addition to the headquarters hotel, blocks of rooms have been secured at special rates at nearby hotels. All reservations are on a first-come, first-served basis. The rooms at the main convention headquarters hotel, The Williamsburg Lodge, are reserved for those school divisions now eligible in the rotation list. Please do not call the hotel for reservations, they will not accept reservations if you are not on the rotation list. Divisions on the list have been notified.

2025 VSBA CAPITAL CONFERENCE: ENGAGE IN-PERSON OR VIRTUALLY

JANUARY 27-28, 2025
HILTON RICHMOND DOWNTOWN

About the Conference

Join us for an engaging two-day journey at this year's Capital Conference! We've planned insightful sessions and discussions to equip you with the knowledge you need for the 2025 General Assembly. Here's a sneak peek:

Day 1: A Look at Virginia's Future

We'll kick off with a deep dive into the 2025 budget and economic projections for the Commonwealth, giving you a clear view of what's ahead. Former Delegate Chris Saxman will then share his perspective on Virginia's ever-evolving political landscape. Next, explore the impact of fentanyl on students in Virginia Public Schools in an informative session that highlights a critical issue in today's education. Wrap up the day with expert insights from J.T. Kessler and Stacy Haney on the latest developments and key legislation at the Capitol.

As the sun sets on day one, you won't want to miss our Evening Legislative Reception. This exclusive event offers members a unique opportunity to mingle with members of the 2025 General Assembly. Build valuable connections and engage in meaningful discussions with key decision-makers.

MONDAY, JANUARY 27, 2025

1:00 pm	**Introduction and Welcome** Dr. Jowanda Rollins-Fells, VSBA President Invited Guest: The Honorable Suzanne Youngkin, First Lady of Virginia
1:15 pm	**2025 Budget and Economic Outlook** J.T. Kessler, VSBA Director of Legislative Services
2:00 pm	**Networking Break**
2:15 pm	**Politics, Elections, and the Impact on the 2025 General Assembly** Chris Saxman, Former House of Delegates Member
3:15 pm	**Awareness and Action: How Fentanyl is Impacting School - Age Children**
3:45 pm	**On the Docket: Legislation in the 2025 Virginia General Assembly** J.T. Kessler, VSBA Director of Legislative Services Stacy Haney, VSBA Chief Lobbyist
5:00 pm	**Regional Meetings**
5:30 pm	**Legislative Reception**

TUESDAY, JANUARY 28, 2025

7:00 am	**Breakfast**
8:00 am	**Legislative Visits on Capitol Square**

Day 2: A Breakfast Session You Can't Miss!

Join us for our morning breakfast session on day two, featuring policymakers sharing insights on key issues in public education. It's a great chance to stay engaged in the latest discussions. Be part of the Capital Conference and gain the knowledge and connections to impact Virginia's educational landscape. We can't wait to see you!

LODGING INFORMATION:

A block of rooms has been reserved for attendees at the Hilton Richmond Downtown, 501 E. Broad Street, Richmond, VA 23219, for the nights of January 26 & 27, 2025. Please make your hotel reservations directly by visiting the link: https://www.hilton.com/en/book/reservation/deeplink/?ctyhocn=RICRDHH&groupCode=VSBA&arrivaldate=2025-01-26&departuredate=2025-01-28&cid=OM,WW,HILTONLINK,EN,DirectLink&fromId=HILTONLINKDIRECT

Inform the reservation staff you are attending the Virginia School Boards Association Conference to receive the special rate of $179 (Run of House). The deadline for the reserved block is December 27, 2024. If reservations are made after the December 27 deadline, the group rate may not be available.

REMINDER:

Nametags must be visible to be admitted to ALL VSBA meetings and conferences.

COSTS:

Registration: $260
Late Registration: $310
(After January 14)

Please mail payment to:
VSBA
200 Hansen Road, Suite 2
Charlottesville, VA 22911

REGISTRATION INFORMATION:

The deadline for cancellations is January 14, 2025. Cancellations must be received in writing via email to mikaela@vsba.org by January 14 and will incur a $50 cancellation fee. Cancellation requests received after January 14 and no shows will not be refunded. Substitution of an individual may be made at any time.

If a meeting or conference is canceled and/or postponed due to inclement weather, registration fees will be automatically transferred to the rescheduled date of the conference. If attendees are unable to attend the rescheduled date, a substitution can be made, or the school division will be credited the registration fee to use for future events.

ACPS Code of Conduct for School Board Members

As a member of my local school board, I will strive to be an advocate for students and to improve public education and to that end:

1. I will have integrity in all matters and support the full development of all children and the welfare of the community, Commonwealth and Nation.
2. I will attend scheduled board meetings.
3. I will come to board meetings informed concerning the issues under consideration.
4. I will make policy decisions based on the available facts and appropriate public input.
5. I will delegate authority for the administration of the schools to the superintendent, and establish a process for accountability of administrators.
6. I will encourage individual board member expression of opinion and establish an open, two-way communication process with all segments of the community.
7. I will communicate, in accordance with board policies, public reaction and opinion regarding board policies and school programs to the full board and superintendent.
8. I will bring about desired changes through legal and ethical procedures, upholding and enforcing all laws, state regulations, and court orders pertaining to schools.
9. I will refrain from using the board position for personal or partisan gain and avoid any conflict of interest or the appearance of impropriety.
10. I will respect the confidentiality of privileged information and make no individual decisions or commitments that might compromise the board or administration.
11. I will be informed about current educational issues through individual study and participation in appropriate programs, such as those sponsored by my state and national school boards associations.
12. I will always remember that the foremost concern of the board is to improve and enhance the teaching and learning experience for all students in the public schools of Virginia.

Therefore, I will always strive to demonstrate appropriate behavior/conduct as a public school board member.

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting
Public Comment Session on the 2025-2026 School Budget

The Appomattox County School Board met in regular session on Thursday, November 14, 2024 at 5:00 p.m. in the Board of Supervisors Meeting Room located at 171 Price Lane in Appomattox, Virginia to conduct the Regular Monthly Business Meeting, Public Comment Session on the 2024-2025 School Budget. Present were Board members Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Jason L. Wells, Mr. Bobby K. Waddell, and Dr. Annette A. Bennett, Division Superintendent.

Mr. Roger B. Stough was unable to attend due to illness.

CALL TO ORDER

Mr. Waddell, School Board Chair, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSENT AGENDA – APPROVAL

It was moved by Mr. Torrence and seconded by Mr. Wells to approve the following consent agenda items:

1. Minutes of October 24, 2024 Regular Monthly Business Meeting
2. Payment of Bills as of November 14, 2024:
   a) $ 157,920.48 – General Fund End of Month
   b) $ 150.55 – School Food End of Month
   c) $ 288,242.86 – General Fund Bill Listing
   d) $ 69,017.12 – School Food Bill Listing

(Attachments #1-5)

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the superintendent.

CONSIDERATION OF AGENDA

It was moved by Mr. Torrence and seconded by Mr. Wells to approve the agenda as presented. By unanimous voice vote, the motion was approved.

RECOGNITIONS

The School Board and Superintendent recognized students from the following groups:

- ACHS Marching Band
- Owen Chavis, ACHS Golf
- ACHS Girls' Gross Country

- FFA Accomplishments

COMMUNICATIONS

Carolyn Anderson Coleman, retired teacher and principal, passed away Friday, November 1, 2024. Ms. Coleman worked in our school division for 20 years, from 1970 to 1990. On behalf of the School Board, a contribution was been made to the Appomattox County Education Foundation in her memory and a card was sent to her family. We acknowledge the contributions Ms. Coleman made to our school division and extend our deepest sympathy to her family.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests to address the Board concerning agenda items.

PUBLIC HEARINGS

Public Comment Session on 2025-2026 School Budget

The School Board Chair opened a public hearing to receive public comments on the 2025-2026 School Budget. There was one (1) individual who addressed the board:

- Ms. Brooke Rieger of 232 Anne Street in Appomattox addressed the School Board concerning funding for the ACHS Marching Band, specifically the Color Guard.

SUPERINTENDENT'S REPORT

Presentation on VDOE New Accreditation System

Dr. Servis presented information about the Virginia Department of Education's new school system accreditation system, called the School Performance and Support Framework. Areas being considered are mastery, growth, readiness, and graduation, totaling a school's overall framework score. She reviewed ACHS, AMS, and AES using the new accreditation credentials from VDOE, and each school is currently on track.

(Attachment #6)

Discussion of Possible FY26 Budget Goals and Budget Calendar

The School Board reviewed a proposed budget development calendar and discussed budget goals for the fiscal year 2026.

The board agreed on the following budget goals:

1. Employee compensation

2. Capital improvements

(Attachment #7)

Discussion of Proposed 2025 School Board Meeting Calendar

School Board members and the superintendent reviewed the draft of the 2025 School Board Meeting Calendar. The School Board will approve a calendar at the January 2025 organizational meeting.

(Attachment #8)

American Education Week 2024

The superintendent shared November 18-22, 2024 is American Education Week. All Appomattox County Public Schools employees will receive a school sport approved clear bag with the "A" logo.

Membership Report as of October 31, 2024

The superintendent provided the October 31, 2024 Membership Report which indicated the total funded Average Daily Membership (ADM) for the month of October 2024 was 2,304 students. Budgeted ADM for 2023 was 2262.

(Attachment #9)

VSBA and NSBA Activities as of November 14, 2024

The 2024 VSBA Annual Convention will take place in Williamsburg, VA on November 20-22, 2024. Mr. Smith, Mr. Waddell, and Dr. Bennett are registered to attend.

The 2025 Capital Conference will take place in Richmond, VA and virtually on January 27, 2025. The cost to register is $260.00 and any board member wishing to participate was asked to notify the School Board Clerk.

(Attachments #10-11)

<u>ACTION ITEMS</u>

Consideration of Adoption of FY26 Budget Calendar

It was moved by Mr. Smith and seconded by Mr. Torrence to adopt the 2026 fiscal year budget calendar as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #12)

Consideration of Adoption of the 2025-2026 Budget Goals

It was moved by Mr. Smith and seconded by Mr. Torrence to adopt the 2025-2026 budget goals of employee compensation and capital improvements as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

There were no requests to address the Board concerning non-agenda items:

NEXT MEETINGS

The next Regular Monthly Business Meeting, a is scheduled for Thursday, December 19, 2024 at 5:00 p.m. at the School Administration Building at 316 Court Street in Appomattox, Virginia.

CLOSED SESSION

Adjourn to Closed Session

Mr. Torrence moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended in particular for review of the personnel report; and,
2. Discussion of student disciplinary and other matters concerning students in

the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports.

Mr. Wells seconded the motion made by Mr. Torrence. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Wells and seconded by Mr. Smith to adjourn to public session. By unanimous voice vote, the motion was approved.

PUBLIC SESSION

Certificate of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Wells made this motion, which was seconded by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote.

(Attachment #18)

Approval of Personnel Matters

It was moved by Mr. Torrence and seconded by Mr. Wells to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved.

(Attachment #19)

ADJOURNMENT

There being no further business, Mr. Smith moved the meeting be adjourned with a second from Mr. Torrence. By unanimous voice vote, the motion was approved.

Bobby K. Waddell
Chairman

Carrington W. Pritchard
Clerk of the Board

CERTIFICATION OF CLOSED MEETINGS

MOTION: Mr. Wells moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

SECOND: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such a closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Wells	-	Yes
Mr. Waddell	-	Yes

DIVISION LITERACY PLAN

DIVISION CONTACT INFORMATION

School Division: Appomattox County Public Schools

Superintendent: Dr. Annette A. Bennett aabennett@acpsweb.com

Local School Board Chair: Bobby Waddell bkwaddell@acpsweb.com

Division VLA Lead: Dr. Cheryl J. Servis cjservis@acpsweb.com

Local Board Adoption Date for Divisionwide Comprehensive Plan: June 13, 2024
Revision Adoption Pending: January 9, 2025

SECTION ONE: Planning for Comprehensive Communication

Directions: Describe the division literacy vision and when and how the vision will be communicated with all stakeholders to be certain that all members of the community understand what progress towards this vision looks like as the VLA is implemented.

School Division Literacy Vision:

Students in Grade K-2 will receive explicit instruction and targeted practice opportunities with foundational reading skills using a structured phonics approach

Students in Grade 3-5 will engage in explicit phonics and morphology instruction using the core structured curriculum.

Provide students with consistent opportunities to build their vocabulary and knowledge of the world using complex texts on a wide variety of topics.

Consistently engage students in using text evidence to derive meaning from complex texts through speaking and in writing.

Ensure equitable opportunities for all students to do the cognitive work of each lesson and receive targeted support, as needed.

Students will apply these skills while reading independently and see themselves as readers and writers who persevere in the face of challenging work.

STAKEHOLDER GROUP	TIMELINE PLAN FOR COMMUNICATING
Staff	8/2024-5/2024 – PLC Meetings, PD Sessions
Students	8/2023 - ongoing – Daily Classroom Instruction
Parents	3/2024 - 5/2024 – Parent Meetings, Communication sent home.

SECTION TWO: Selecting High-Quality Instructional Materials

Directions: List below the HQIM selected from the Virginia Board of Education approved list for each of the following tiers and populations.

	GENERAL EDUCATION	SPECIAL POPULATIONS (ELL, Gifted, SWD)
Core (K-5):	***Open Court***	***All special populations will receive the same core program by school.***
Supplemental Instruction (K-5):	***Open Court – this textbook series comes with supplemental materials built-in for Tier 2 instruction.***	***All special populations will receive the same intervention program by school.***
Intervention (K-5):	***Really Great Reading***	***All special populations will receive the same intervention program by school.***

SECTION THREE: Ensuring Virginia Literacy Act Evidence-Based Reading Research Training

Directions: List below the evidence-based reading research training that will be utilized in the division. Include name of training, who will attend each training, and when the training will be provided.

NAME OF TRAINING	TARGET AUDIENCE	DATE/YEAR
LETRS	*Teachers* - Volunteer Cohort	1/2023 - 12/2023
VALUE Series	Teachers	8/2023 - 5/2024
HQIM training	Teachers	5/2024 - 5/2025
VLP Canvas Course	All K-8 Teachers as prescribed by VDOE	9/2024 - 5/2025

Please describe what additional training will be provided for educators on adopted curricular materials and when this training will occur.

Administrators, reading specialists, and central office admin were trained on our HQIM (Open Court Reading) on May 14, 2024. All K-5 reading teachers were initially trained on our HQIM on May 24, 2024. Each reading teacher is spending an additional 12-18 hours of summer curriculum work diving into the resources and materials provided by Open Court Reading and preparing their classrooms and class materials for the 24-25 school year. Teachers are completing these hours in grade-level teams with their instructional coach and reading specialist. Teachers will receive an additional 6.5 days of PD through Open Court Reading during the first semester of the 24-25 school year, to including coaching sessions with Open Court trainers.

Teachers will be engaged in weekly planning sessions with their reading specialist and instructional coach to prepare for the next week of student lessons and analyze student progress. Reading specialists and administrators will conduct Literacy Walkthroughs to give teachers feedback on their use of the new program and to monitor consistency of instruction across classrooms.

DIVISION LITERACY PLAN

SECTION FOUR: Monitoring Student Assessment and Progress

Directions: List below the student assessments, screeners, and diagnostic tools that will be utilized in the division. Include how often these tools will be used.

	TARGET AUDIENCE	DATE/YEAR
LETRS decoding inventory diagnostic	*K-8 ELA students*	*August 2024 -May 2025* *Teachers will assess all students at the beginning and end of the year. Students on the high-risk list will also be assessed in January.*
DIBELS	*K-8 ELA students*	*August 2024 -May 2025* *Teachers will assess all students at the beginning and end of the year. Students on the high-risk list will also be assessed in January.*
VALLSS	K-3 ELA students	*August 2024 -May 2025* *Teachers will assess all students at the beginning and end of the year. Students on the high-risk list will also be assessed in January.*
Open Court Reading built-in progress monitoring.	K-5 ELA students	Teachers will use the Open Court assessment resources and schedule as recommended by our trainers. Minimally, students will be reassessed biweekly.

SECTION FIVE: Assessing Division-Level Progress

Directions: Provide below the progress monitoring tools and resources utilized to monitor literacy progress in the division, who is responsible, and how often monitoring will occur

- **Goal 1:** For the duration of the 2024-2025 school year, 100% of teachers will implement our selected high-quality instructional materials with fidelity, as measured by school/classroom walkthrough data.
- **Goal 2:** By the end of the 2024-2025 school year, multilingual learners will receive daily whole-group knowledge-building instruction 90% of the time.
- **Goal 3:** By the end of the 2024-2025 school year, K-5 students will receive explicit instruction and targeted practice opportunities with foundational skills on a daily basis, 90% of the time.

PROGRESS MONITORING TOOL	PERSON(S) RESPONSIBLE FOR ADMINISTRATION	HOW OFTEN
Classroom Walkthroughs	*Principals, Reading Specialists*	*Bi-Weekly*
Collaborative Planning Sessions with Lesson Plan Debrief and Progress Monitoring	*Principal and Reading Specialist*	*Weekly*

.

SECTION SIX: Engaging Parents, Caregivers, and Community Directions:

Complete the chart including information regarding parent and community engagement.

Describe your plan to involve parents and caregivers in the development and implementation of the Student Reading Plans based on diagnostic screener results.

a. We will send home a letter letting the family know that based on screening data, their child will receive intervention to address their unique needs. Families will be invited to discuss their child's Reading Plan with their assigned reading specialist.
b. Student Reading Plans will be provided to parents.
c. Progress-monitoring reports will be provided for parents with interim reports and report cards.

Describe your plan to build successful school, parent, caregiver, and community partnerships, especially in relation to literacy development.

a. Host 2 Math/Literacy Nights per year; Fall & Spring
b. Monthly School Newsletter
c. Open Court Home Connections parent letters
d. Provide both English and Spanish options for parent communication
e. Solicit parent feedback for literacy school improvement goals, as required by Title I
f. Virginia Cooperative Extension/Snap Ed Open House event
g. Agriculture Literacy Day
h. Continue to partner with the Appomattox Literacy Intervention Program (ALIP)
i. Pizza Hut Book It
j. Promote reading through the usage of Accelerated Reader and student incentives
k. Engage our community by bringing readers into our classrooms and having students, in turn, read to our community partners.

Per the Virginia Literacy Act, each local school board shall post, maintain, and update as necessary on each school board's website a copy of its divisionwide literacy plan and the job description and contact information for any reading specialist employed by such school division pursuant to subsection G of § 22.1-253.13:2 and for any dyslexia specialist employed by such school division The Department shall post each divisionwide literacy plan on its website.

Provide the link to where the division-wide literacy plan will be housed on your school division website:

https://core-docs.s3.us-east-1.amazonaws.com/documents/asset/uploaded_file/3288/ACPS/4473392/ACPS_Division_Literacy_Plan_-_06-13-2024.pdf

DIVISION LITERACY PLAN CERTIFICATION:

We certify that the information reported in the division literacy plan is accurate. This information includes:

- Section One: Planning for Comprehensive Communication
- Section Two: Selecting High-Quality Instructional Materials
- Section Three: Ensuring Virginia Literacy Act Evidence-Based Reading Research Training
- Section Four: Monitoring Student Assessment and Progress
- Section Five: Assessing Division-Level Progress
- Section Six: Engaging Parents, Caregivers, and Community

WITNESSETH: That in consideration of the desire on the part of the parties of the first part to aid in building a District High School in the Village of Oakville, Virginia and their desire to give the land on which to erect the same, and for the further consideration of $1.00 One Dollar, cash in hand paid, the receipt of which is hereby acknowledged, the said T. E. Owen and Willie E. Owen, his wife, parties of the first part, do grant and convey with General Warranty of title unto the said School Board of Stonewall District No.3, of the County of Appomattox, Virginia, a certain tract of land situated in Stonewall District, in the village of Oakville, immediately on the east side of the Bent Creek road, between the residence of the said T. E. Owen and the Post-Office on the property of F. G. Thorpe, and adjoining the lands of Dr. R. A. North and the other lands of the said T. E. Owen, from which the same has been surveyed and cut off, which tract of land hereby conveyed is shown by plot of survey made by W. A. Moses, Surveyor of Appomattox County, dated August 13th 1909, which is attached hereto and made a part of this deed, to be recorded along with the same, and on which plot the tract of land hereby conveyed is described by metes and bounds as follows:

"Beginning at a corner with Dr. R. A. North in middle of Bent Creek Road at 1; thence with Dr. North's line S 47 deg. 30' E 6.00 chains to Stake and pointers at 2; thence through T. E. Owen's land, S 42 deg. 30' W 2.67 chains to Gleman's Road at 3; thence along the road N 65 deg. 45' W 1.00 ch. N 80 deg. W 1.00 to 4; thence leaving the road N 41 deg. 30' W 3.30 chains to Bent Creek road at 5; thence down the Road N 37 deg. E. 1.00 ch N 29 deg. 30' E 1.00 ch. and N 15 deg. 30' E 1.32 chains to station 1.

Being a part of the same tract of land which was conveyed to the said T. E. Owen by John C. and Henry P. Woodson, trustees, by deed bearing date on the 7th day of November 1901, and of record in the Clerk's Office of the County of Appomattox, Deed Book No.6, pages 329-330, to which reference is hereemade.

The said parties of the first part covenant that they have a right to convey the said land to the grantee; that they have done no act to encumber the same; and that the grantee shall have quiet and peaceful possession of said land free of encumbrances: and that they the said parties of the first part will execute such further assurance of said land as may be requisite.

THIS DEED OF CORRECTION, made this ____ day of _____, 2025, between the **APPOMATTOX COUNTY SCHOOL BOARD**, a political subdivision of the Commonwealth of Virginia, successor in interest to the **SCHOOL BOARD OF STONEWALL DISTRICT NO. 3, OF THE COUNTY OF APPOMATTOX**, and to **J. O. DAVIDSON**, **T. J. LIGON**, and **B. G. ANDERSON**, and/or their successors, Trustees of the **COUNTY SCHOOL BOARD OF APPOMATTOX COUNTY, VIRGINIA**, party of the first part, GRANTOR; and the **APPOMATTOX COUNTY BOARD OF SUPERVISORS**, a political subdivision of the Commonwealth of Virginia, party of the second part, GRANTEE;

W I T N E S S E T H:

WHEREAS, by Deed dated July 1, 2004, the Appomattox County School Board intended to convey the hereinafter described tract of land to the Appomattox County Board of Supervisors, such deed being recorded in the Appomattox County Circuit Court Clerk's Office (the "Clerk's Office") on July 1, 2004 at Instrument number 200401626, as corrected by that certain Correction dated July 1, 2004 and recorded in the Clerk's Office August 31, 2004 at Instrument Number 200402167 (the "2004 Deed"); and,

WHEREAS, the 2004 Deed failed to properly describe the property intended to be conveyed thereby in that it failed to include the portion of such property which was acquired by the Grantor herein by virtue of a deed dated November 2, 1934 and recorded in the Clerk's Office at Deed Book 34, Page 87 from T. E. Owen and W. E. Owen to J. O. Davidson, T. J. Ligon, and B. G. Anderson, and/or their successors, Trustees of the County School Board of Appomattox County, Virginia; and,

WHEREAS, Grantor and Grantee wish to record this deed of correction to ensure that Grantee has good title to all of the property hereby conveyed; and,

WHEREAS, by resolution duly adopted by the Appomattox County School Board at the public meeting held on _____, 2025, following the public hearing duly held on the

declaration of the hereinafter described tract of land to be surplus within the meaning of Va. Code Ann. § 22.1-129, as amended, the Appomattox County School Board did approve the conveyance of the hereinafter described land to the Appomattox County Board of Supervisors; and,

WHEREAS, a true copy of said resolution is attached to and incorporated in this deed as Exhibit A by reference; and

WHEREAS, after the 2004 Deed, the Appomattox County Board of Supervisors recorded a plat of survey of the hereinafter described tract of land titled "3.26 Acres Surveyed for Appomattox County, Source of Title: Appomattox County School Board, D.B.11 P.218 & D.B.34 P.87," made by William W. Dickerson, Jr., L.S., dated August 25, 2004, revised October 8, 2004, a copy of which plat is recorded in the Clerk's Office at Plat Cabinet 1, Slide 98E (the "Subdivision Plat"); and

WHEREAS, the County Administrator for the County of Appomattox, Virginia, as the Subdivision Agent for the Appomattox County Planning Commission pursuant to Section 19.5-9 of the Appomattox County Code of Ordinances, joins in this Deed of Correction to ratify and approve the subdivision as shown in the Subdivision Plat.

NOW THEREFORE, for and in consideration of the sum of $10.00, cash in hand paid, and other good and valuable consideration, receipt whereof is hereby acknowledged, the said party of the first part does hereby grant, give, bargain, and convey unto the said party of the second part, the **APPOMATTOX COUNTY BOARD OF SUPERVISORS**, with General Warranty of Title and English Covenants, the following described real estate situate in the County of Appomattox, Virginia, to-wit:

> That certain tract of land situated in Stonewall District, in the village of Oakville, containing 1¾ acres, more or less, located immediately on the east side of the Bent Creek Road, between the former residence of T. E. Owen and the location of the old Post Office on the former property of F. G. Thorpe, and adjoining the lands formerly of Dr. R. A. North and the other lands formerly of the said T. E. Owen, from which the same has been surveyed and cut off, which tract of land hereby conveyed is shown by plat of survey made by W. A. Moses, Surveyor of Appomattox County, dated

August 13th, 1909, recorded in the Appomattox County Circuit Court Clerk's Office in Deed Book 11, Page 219, and on which plat the tract of land hereby conveyed is described by metes and bounds as follows:

Beginning at a corner with former Dr. R. A. North in middle of Bent Creek Road at 1; thence with Dr. North's line S 47 deg. 30' E. 6.00 chains to Stake and pointers at 2; thence through former T. E. Owen's land, S 42 deg. 30' W. 2.67 chains to Coleman's Road at 3; thence along the road N 65 deg. 45' W 1.00 ch. N 80 deg. W 1.00 to 4; thence leaving the road N 41 deg. 30' W 3.30 chains to Bent Creek Road at 5; thence down the Road N 37 deg. E. 1.00 ch N 29 deg. 30' E 1.00 ch. and N 15 deg. 30' E 1.32 chains to station 1.

Beginning at a new white oak corner in the line of Dr. R.A. North's estate at (1); thence with said Est. N. 44° 30' W. 1.37 chains to an iron stake at the old corner at (A); thence with the revised lines of the old Lot S. 43° 45' W. 3.28 chs. to a corner in an old road at (B); thence N. 54° W. 3.44 chs. to a black oak on the east side of the State Highway at (C); thence with the Highway S. 16° 45' W. 2.83 chs. to the county road to Vera at (3); thence along the north side of said road S. 78° E. 4.00 chs. and S. 64° E. 1.58 chs. to a new corner at (4); thence a new line N. 22° E. 3.65 chs. to the beginning. Contents 1.51 acres.

The property hereby conveyed is the same property conveyed unto (i) the School Board of Stonewall District No. 3, of the County of Appomattox, predecessor in interest to the Appomattox County School Board, by Deed dated August 16, 1909, and recorded in the Clerk's Office of the Circuit Court of Appomattox County in Deed Book 11, Page 218, and (ii) the Trustees of the County School Board of Appomattox County, Virginia by

Deed from T.E. Owen and W.E. Owen, his wife, dated November 2, 1934 and November 28, 1934 in Deed Book 34 at page 87.

This conveyance is made subject to all valid reservations, restrictions, conditions, easements and other matters of record in the Clerk's Office and now binding thereto.

FREE CONSENT

The platting of the land and adjustment of the boundary lines as shown in that certain Subdivision Plat are made with the free consent and in accordance with the desires of Grantor, effective as of October 8, 2004, and in accordance with the provisions of Section 15.2-2264 of the Virginia Code, and applicable regulations of Appomattox County, Virginia; the Subdivision Plat having been duly approved by the property authorities of Appomattox County, Virginia, as evidenced by their endorsement thereon.

QUITCLAIM

Further, Grantor hereby remises, releases and forever quitclaims to Grantee, its successors and assigns, all of Grantor's right, title and interest in and to the real estate described on that certain plat of survey titled "3.26 Acres Surveyed for Appomattox County, Source of Title: Appomattox County School Board, D.B.11 P.218 & D.B.34 P.87," made by William W. Dickerson, Jr., L.S., dated August 25, 2004, revised October 8, 2004, a copy of which plat is recorded in the Clerk's Office at Plat Cabinet 1, Slide 98E, together with all improvements located thereon, if any (hereinafter referred to as the "Quitclaim Property").

The conveyance of the Quitclaim Property is made and accepted subject to all liens, easements, conditions, agreements and restrictions of record as they may appear affecting the Quitclaim Property.

MISCELLANEOUS

Grantor will execute such further assurances with respect to the conveyance set forth herein as may be reasonably requisite. This Deed of Correction shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia. This Deed of

Correction may be executed in counterparts, each of which shall be deemed an original, but which together shall constitute one and the same instrument.

Contents 1.51 acres.
>
> The property hereby conveyed is the same property conveyed unto (i) the School Board of Stonewall District No. 3, of the County of Appomattox,

predecessor in interest to the Appomattox County School Board, by Deed dated August 16, 1909, and recorded in the Clerk's Office of the Circuit Court of Appomattox County in Deed Book 11, Page 218, and (ii) the Trustees of the County School Board of Appomattox County, Virginia by Deed from T.E. Owen and W.E. Owen, his wife, dated November 2, 1934 and November 28, 1934 in Deed Book 34 at page 87 (hereinafter called the "Old Oakville School Property"; and,

WHEREAS, the 2004 Deed failed to properly describe the Old Oakville School Property intended to be conveyed thereby in that it failed to include the portion of such property which was acquired by the Appomattox County School Board by virtue of a deed dated November 2, 1934 and recorded in the Clerk's Office at Deed Book 34, Page 87 from T. E. Owen and W. E. Owen to J. O. Davidson, T. J. Ligon, and B. G. Anderson, and/or their successors, Trustees of the County School Board of Appomattox County, Virginia; and,

WHEREAS, after the 2004 Deed, the Appomattox County Board of Supervisors recorded a plat of survey of the Old Oakville School Property titled "3.26 Acres Surveyed for Appomattox County, Source of Title: Appomattox County School Board, D.B.11 P.218 & D.B.34 P.87," made by William W. Dickerson, Jr., L.S., dated August 25, 2004, revised October 8, 2004, a copy of which plat is recorded in the Clerk's Office at Plat Cabinet 1, Slide 98E (the "Subdivision Plat"); and,

WHEREAS, the Old Oakville School Property is no longer of use to the Appomattox County School Board; and,

WHEREAS, the Appomattox County School Board wishes to execute and record a deed of correction to ensure that Grantee has good fee simple title to all of the Old Oakville School Property and to reaffirm the subdivision as set forth in the Subdivision Plat; and,

WHEREAS, the proposed deed of correction conveying the Old Oakville School Property to the Appomattox County Board of Supervisors was reviewed by the members of the School Board present at the meeting on this day, who have approved the same, a copy of such deed of correction being attached hereto as Exhibit A; and,

WHEREAS, the Appomattox County School Board has no use for the Old Oakville School Property, making it surplus property within the meaning of Va. Code Ann. § 22.1-129, as amended; and,

WHEREAS, a public hearing regarding the transfer to be effected by the proposed deed of correction was held immediately preceding the adoption of this Resolution.

NOW THEREFORE, BE IT RESOLVED, that the Appomattox County School Board hereby declares the Old Oakville School Property to be surplus within the meaning of Va. Code Ann. § 22.1-129, as amended, and hereby approves the transfer of such property by deed of correction to the Appomattox County Board of Supervisors and duly authorizes Jason Wells, its Chair, to execute the appropriate Deed of Correction conveying such property to the Appomattox County Board of Supervisors.

PASSED AND ADOPTED this _____ day of _____, 2025.

(Attachments #4-11)

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the superintendent.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests to address the Board concerning agenda items.

SUPERINTENDENT'S REPORT

Transportation Update

Dr. Tibbs, Director of Finance and HR, provided an update on the division's transportation department using a Pupil Transportation Fleet Review. In June 2024, the ACPS was assessed by the Department of Education in the area of pupil transportation, evaluating operations and visual inspection.

The review included the following findings:

• Pupil Rider Safety Training– Mandatory for Pre-K, K and 1st grades
• In-service Training – July and throughout the school year

- Bus Replacement Schedule – Recommend replacement at 15 years of age
- Pre-trip Inspections– convert to a monthly form system from a daily form system
- Training – VCU-Autism Center for Education Training (2 hours) – “Safety for All
- Evacuation drills – mandatory 2 times per year
- Traffic Control Plan
- Fire extinguisher training
- Replace worn out license plates
- Replace reflective signage on the exterior of the bus if needed “School Bus”

The Pupil Transportation Fleet Review included the following corrective measures:

- Pupil Rider Safety Training – Mandatory for Pre-K, K and 1st grades – in development
- In-service Training – conducted in July 2024 and throughout the school year
- Bus Replacement Schedule – Recommend replacement at 15 years of age – additional information to follow
- Pre-trip Inspections – convert to a monthly form system from a daily form system – implemented prior to 2024-2025
- Training – VCU-Autism Center for Education Training (2 hours) “ –Safety for All” – included in the July 2024 In-Service Training
- Evacuation drills – mandatory 2 times per year – Fall 2024 conducted on October 3, 2024 – Spring 2025 date TBD
- Traffic Control Plan – implemented prior to school starting in August 2024
- Fire extinguisher training – included in the July training
- Replace worn out license plates – replaced 25 sets of license plates between August and September of 2024
- Replace reflective signage on the exterior of the bus if needed “School Bus” – in progress

Dr. Tibbs also included a review of the ACPS Transportation Fleet, which includes:

- 47 School buses
- 6 – 14 Passenger capacity
- 26 – 55 Passenger capacity
- 19 – 65 Passenger capacity
- 1– Wheelchair lift – 21 Passenger capacity
- 2 Activity buses
- 14 Passenger capacity

***14 buses in the fleet currently exceed the recommended 15 year replacement recommendation

Board members and Dr. Tibbs reviewed the following potential action steps:

- Purchase 77 passenger buses moving forward – increasing capacity resulting in less routes
- Lease purchase – allows the school division to purchase multiple buses in lieu of purchasing a bus(es) when the budget allows

- Set payment amount each year
- Terms of 3, 5 or 7 years

Finance and HR Report

School Board members received a Finance and Human Resources update. The Finance update included a look at the development of the FY 26 budget and the FY 24 audit.

Human Resources has processed Intent to Return forms for 2025-2026

Dr. Tibbs also provided updates on the projects at ACHS:

- Removal of modular buildings
- Installation of locker units in the team rooms
- Finishing touches on the auditorium

A review of the Transportation department's routes, staffing, and step-by-step process to become a bus driver were shared with board members.

Discipline Discussion

School board members briefly discussed discipline procedures within the division. This discussion was tabled for a later meeting.

ACTION ITEMS

Consideration of Approval of Revised Division Literacy Plan

It was moved by Mr. Stough and seconded by Mr. Waddell to approve the revised division literacy plan as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #12)

Consideration of Approval of Mileage Reimbursement Rate for 2025

It was moved by Mr. Waddell and seconded by Mr. Stough to approve the mileage rate of $0.70 for 2025 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #13)

UNFINISHED BUSINESS

There were no items of unfinished business to come before the Board.

NEW BUSINESS

There were no items of new business to be considered by the Board.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

Ms. Jessica Robinson and Ms. Estelle Robinson of Appomattox, VA spoke to the board about their daughter and granddaughter's bus route.

Mr. Don Thompson of 1520 Hollywood Road in Appomattox, VA, spoke on behalf of the group called Child Evangelism Fellowship.

Ms. Shirley Wheeler of 394 Gum Brach Road in Appomattox, VA, spoke to the board about updating contact information.

CLOSED SESSION

Adjourn to Closed Session

Mr. Stough moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended in particular for review of the personnel report and employees #10645 and #346, and,
2. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports.

Mr. Waddell seconded the motion made by Mr. Stough. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Waddell and seconded by Mr. Stough to adjourn to public session. By unanimous voice vote, the motion was approved.

PUBLIC SESSION

Certificate of Closed Session

The chairman asked for a motion certifying to the best of each member's

knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Stough made this motion, which was seconded by Mr. Waddell, unanimously approved by Board Members, and recorded by roll call vote.

(Attachment #14)

Approval of Personnel Matters

It was moved by Mr. Waddell and seconded by Mr. Stough to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved.

(Attachment #15)

NEXT MEETINGS

The VSBA Annual Board Development Training and Public Hearing on the Old Oakville School Property Deed will take place Monday, February 10, 2025 at 10:00 a.m. at the Appomattox Inn & Suites.

A Regular Monthly Business Meeting and Public Hearing on the FY 26 School Budget will be Thursday, February 20, 2025 at 5:00 p.m. at the School Administration Building.

ADJOURNMENT

There being no further business, Mr. Stough moved the meeting be adjourned with a second from Mr. Waddell. By unanimous voice vote, the motion was approved.

_____
Jason L. Wells
Chairman

_____
Carrington W. Pritchard
Clerk of the Board

CERTIFICATION OF CLOSED MEETINGS

MOTION: Mr. Stough moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

SECOND: Mr. Waddell seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such a closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mr. Stough	-	Yes
Mr. Waddell	-	Yes
Mr. Wells	-	Yes

_____

Carrington W. Pritchard, Clerk of the Board
Date: January 9, 2025

Q10 What is the one talent or skill that the new superintendent should have to do this job well?

Answered: 251 Skipped: 111

#	RESPONSES	DATE
1	Strategic leadership - Superintendents must be able to set a clear vision for the district, make data-driven decisions, and effectively allocate resources to improve student outcomes. This includes the ability to lead administrators, teachers, and staff while engaging with the community to build trust and support for district initiatives.	3/3/2025 8:36 PM
2	The ability to let professionals act as professionals and delete the micromanagement.	3/3/2025 7:20 PM
3	Ability to connect and build positive relationships with others.	3/3/2025 4:35 PM
4	Be a good leader as well as working along side folks. Not a type of person that is do as I say, not as I do.	3/3/2025 2:25 PM
5	The to put aside past bygones and approach the role of superintendent from a fresh perspective, changing and adapting from past roles and not approaching it from a ridged approach.	3/3/2025 11:36 AM
6	Strong backbone to take criticism of staff, students, parents, and community and be able to justify decisions that are made.	3/3/2025 10:46 AM
7	The new superintendent must have excellent communication skills.	2/28/2025 4:17 PM
8	To create an environment where staff feels supported, heard, and RESPECTED as professionals. The morale at AES has declined rapidly this year. I would love to see someone who cares for their staff at all schools and can uplift them in times of stress/change. I also feel that someone who lives outside of Appomattox County would be best.	2/28/2025 12:44 PM
9	Be available to parents and staff when needed.	2/26/2025 2:24 PM
10	Works well with coworkers.	2/26/2025 10:38 AM
11	Holding staff to high expectations while supporting and providing a positive environment for teachers to excel.	2/25/2025 6:50 AM
12	Dedication and passion for education	2/24/2025 7:33 PM
13	Accessible and hands-on	2/24/2025 12:15 PM
14	The new Superintendent should be able to connect with many stakeholder groups.	2/24/2025 11:49 AM
15	Honesty and expecting honesty of all school employees!	2/23/2025 4:37 PM
16	Good communication	2/23/2025 4:34 PM
17	Facilitation, consensus building, partnership development - letting teachers feel supported and heard by the administration.	2/23/2025 12:01 PM
18	Integrity	2/23/2025 8:21 AM
19	Willingness to be transparent with employees and community on matters	2/22/2025 2:37 PM
20	Good communication skills	2/22/2025 1:13 PM
21	Listen...to admin, parents and especially the students. Build trust and let everyone know they are part of the team.	2/22/2025 12:25 PM
22	The ability to keep consistent, honest, and trustworthy communication amongst all individual staffing and parents or guardians.	2/22/2025 12:19 PM
23	Be visible IN the school halls for students and staff.	2/22/2025 12:14 PM

24	The superintendent should encourage and advocate for advanced programs within the schools. Additionally, behavioral issues within the schools should be dealt with appropriately while supporting teachers and staff.	2/22/2025 11:29 AM
25	Being able to understand the day to day operations and expectations of school staff, including principals, teachers, and support staff is a skill that our new superintendent should have to do this job well. So often administration has spent an increased amount of time outside of the classroom that it is very difficult for them to understand the realities of the classroom at its current state. Classroom environment and teacher expectations have drastically changed since most administration have been responsible for leading a classroom. It would be highly appreciated and respected for our new superintendent to spend time managing a classroom to better understand the work of the majority of their employees.	2/22/2025 10:49 AM
26	Financial acumen- I would like to see our tax dollars used in the best, most effective way to promote our children's education.	2/22/2025 10:27 AM
27	To listen to all levels of staff concerns.	2/22/2025 8:20 AM
28	The ability to direct the schools away from leftist indoctrination as it pertains to sex, gender ideology, race based school curricula, politics, and cultural issues	2/22/2025 6:19 AM
29	Listen to all concerns thoroughly and fairly	2/21/2025 10:53 PM
30	Teaching experience	2/21/2025 10:17 PM
31	A new superintendent should have a strong commitment to academic excellence and a firm stance on keeping political agendas out of the classroom. They should be a decisive leader who prioritizes core education—reading, math, science, and history—while respecting the rights of parents in shaping their children's values. Strong communication skills are essential to build trust with parents, teachers, and the community. They must also have the backbone to stand up to outside pressures and ensure that schools remain focused on education, not activism. Fiscal responsibility and the ability to manage budgets efficiently.	2/21/2025 10:14 PM
32	Watching sped case mangers closely to make sure they can communicate more than just negative feedback to special needs parents	2/21/2025 7:39 PM
33	Desire to diversify and expand our cultural sensitivities with students and staff.	2/21/2025 7:27 PM
34	They should be able to perform under pressure and have a sense of what each individual school needs to help the children enjoy learning.	2/21/2025 7:14 PM
35	One crucial talent a new school superintendent needs is strong leadership and communication skills. Superintendents must effectively collaborate with school boards, administrators, teachers, parents, and the community to set a clear vision, implement policies, and address challenges. The ability to communicate transparently and build trust is essential for driving positive change and ensuring student success.	2/21/2025 6:42 PM
36	Well articulate decisions with overall goal of inclusivity within a diverse community such as Appomattox.	2/21/2025 6:05 PM
37	Have the best interest for the children! Superintendent should have taught in the Appomattox School System.	2/21/2025 5:36 PM
38	Empathy and the ability to lead without being mocking or demanding	2/21/2025 5:28 PM
39	The ability to explain to any concerned parties why things are done they way they're done and listen to alternative suggestions	2/21/2025 4:51 PM
40	Communication with parents	2/21/2025 4:08 PM
41	Experience with transparency and special education	2/21/2025 4:03 PM
42	While it could be described as a skill, I truthfully think that someone who is talented at being thoughtful and intentional is imperative. It will be important to have someone who approaches challenges with thoughtful consideration and purpose rather than reacting impulsively.	2/21/2025 3:58 PM
43	Well rounded individual, that is able to communicate with all cultures.	2/21/2025 3:49 PM
44	Communication skills	2/21/2025 3:32 PM
45	Communication- A superintendent's role in communication extends beyond just fostering trust	2/21/2025 3:09 PM

	—it also ensures accountability for changes in state policies, special education, human resources, and funding. By maintaining transparency and actively engaging with all stakeholders, a superintendent can effectively navigate these evolving areas, keeping the district aligned with legal requirements and best practices. Open communication helps address concerns, clarify complex policies, and ensure that decisions reflect the needs of students, staff, and the broader community. This commitment to accountability not only strengthens collaboration but also ensures that resources are used effectively to support student success and drive meaningful progress.	
46	The new superintendent should absolutely be able to listen and communicate effectively at many different levels.	2/21/2025 3:00 PM
47	Should make principled decisions, not compromise due to hysterics from small numbers of activists. Should be accountable to the parents and community.	2/21/2025 2:53 PM
48	The most important skill for a school superintendent is leadership. A superintendent must be able to set a clear vision for the district, inspire educators and staff, and make strategic decisions that positively impact students and the community.	2/21/2025 2:49 PM
49	A strong and confident presence. They will need to be confident in their dealings with staff, public and board members that I believe will relieve stress and concerns from those seeking their guidance.	2/21/2025 2:45 PM
50	Na	2/21/2025 2:37 PM
51	Strength in the face of adversity.	2/21/2025 2:30 PM
52	Must be a people person and display a high level of positivity every day. Has a can do attitude but not arrogant.	2/21/2025 2:14 PM
53	Probably high level managerial	2/21/2025 2:12 PM
54	Have the ability to recruit and retain the best teachers for our students at all levels.	2/21/2025 2:05 PM
55	Have a business mindset.	2/21/2025 1:25 PM
56	Decision Making Skills	2/21/2025 1:15 PM
57	Communication	2/21/2025 1:10 PM
58	Listening to parents about their concerns or suggestions to help children prepare for their future.	2/21/2025 1:00 PM
59	Planning. Creativity in odd situations instead of school day cancelations. Many unnecessary school days closed, roads were fine!	2/21/2025 12:45 PM
60	Diversity	2/21/2025 12:44 PM
61	Open to feedback from staff and upgrading to modern technology.	2/21/2025 12:40 PM
62	Be confident but also humble.	2/21/2025 12:39 PM
63	Speak with common sense	2/21/2025 12:37 PM
64	Kids and faculty safety first.	2/21/2025 11:43 AM
65	Common sense	2/21/2025 11:36 AM
66	To be able to stay levelheaded at all times and take the necessary actions to make the school division excel and flourish!	2/21/2025 11:35 AM
67	Transparency	2/21/2025 11:34 AM
68	Team Leader!	2/21/2025 11:24 AM
69	To personally care for our children. Not just a paycheck.	2/21/2025 9:34 AM
70	Management.	2/21/2025 7:23 AM
71	A long-term vision for ACPS that includes high expectations for all students and staff, sound financial management skills, the ability to navigate policies and politics, and be an effective communicator.	2/20/2025 8:06 PM

72	understands what it takes to properly educate students to be successful adults who can get jobs.	2/20/2025 6:29 PM
73	Open minded!	2/20/2025 5:21 PM
74	Be aware of the needs of the community, while keeping spending in check. The main focus should be on education not extra curricular actives and spending money on unnecessary projects. Lower the cost per student. the current cost per student is out of bounds for the community.	2/20/2025 4:34 PM
75	Experience	2/20/2025 3:14 PM
76	A well rounded person, humble, kind and reliable. We should all want a consistent person to want the best for our school kids and all staff.	2/20/2025 2:01 PM
77	Know the community and have classroom experience	2/20/2025 12:57 PM
78	A superintendent should be able to effectively communicate with principals, teachers, students, and the community.	2/20/2025 12:14 PM
79	Needs to be consistent among all schools.	2/20/2025 10:33 AM
80	Open mind! To new ideas, to new staff positions, to simplifying policies, processes, and procedures that still ensure top tier education, safety, and inclusion but make school a place where are children want to go and a place that our parents and community trust and support.	2/20/2025 7:05 AM
81	Team player, strong communication	2/20/2025 6:42 AM
82	Knowledge of Special Education classrooms. Knowledge of IEPs & 504.	2/20/2025 12:06 AM
83	Be yourself and don’t fall into the politics of Appomattox. Children come first. Be equal not based on who has the bigger bank account for higher class and then ignore lower class.	2/19/2025 11:39 PM
84	Open communication with parents and staff. It is really time to put behind the old adage that the less is known, the better off. We, as a community, deserve more.	2/19/2025 10:46 PM
85	Common sense. Book smarts and degrees mean nothing when you are an educated idiot. Use common sense and do what's right by your students, staff, parents, and community. Appomattox has a long standing history (think Dr. Krug to current) of "people pleasers" and pandering to certain groups. Teacher's and staff's mean kids hide behind their parents, teacher/admin/staff friend groups themselves banding together to bully other staff/kids (yes kids, your teachers and staff are mean to kids too). Our kids know which teacher is running around with who (elementary, middle and high school in my experience) because teachers are discussing it openly. We pile parents on to "coach" their kids' sports and they quit after they no longer have an "interest" in the program. Administrators have facilitated a culture of segregating and bullying (staff, students and parents) those who do not meet a self-serving need. Hire someone who isn't complacent, has a rural background, but no ties to the community and isn't afraid of breaking tradition or hurting feelings. When your staff FINALLY has someone who will back them, ONLY THEN will you get the results our parents and taxpayer dollars are expecting to see.	2/19/2025 10:29 PM
86	Empathetic, putting needs of children & their education first, and secondly, doesn't dismiss that children or their parents have a right to a voice in decisions also!	2/19/2025 10:29 PM
87	Support their staff	2/19/2025 10:04 PM
88	To be personable.	2/19/2025 9:58 PM
89	Trustworthy when times are toughest to make the right decision for what’s best for the students and teachers	2/19/2025 9:38 PM
90	Na	2/19/2025 9:25 PM
91	Be understanding that everyone is human, give the students every extra opportunity available	2/19/2025 8:58 PM
92	--Being able to "read" teachers and staff that are telling you what they want you to see/hear but doing the opposite - makes them on a different page and adds to issues within the schools and students. Making those tough decisions that not all teachers are what they seem and some must be let go so that better can be attracted and give our students a better opportunity of their education (even if it seems tough). Teachers are not the students friends! They should be an adult and act as such. --Teachers should not get prime assignments just because they are	2/19/2025 8:45 PM

	vocal. Some have earned it but are quiet in nature. Be there to see that! --Communication! Let all of your staff know what is going on; good, bad, and ugly!	
93	The superintendent needs to be approachable most of all, not just by staff, but parents and students. Being able to enter a classroom and monitor a teacher without everyone bristling at their presence.	2/19/2025 8:38 PM
94	Flexibility	2/19/2025 7:40 PM
95	The new superintendent needs to be a problem solver that is able to bring people together.	2/19/2025 7:24 PM
96	Effective communication with all	2/19/2025 7:17 PM
97	We need a talent leader that can analyze the resources we have and manage those resources to increase student skill development. We need a leader that understands the progression of content through the school and into the work place or higher education. We do not need a superintendent that blames higher education for our short comings or waters down programs like early college to make it seem our students are successful. We need a leader that has had ample time in the classroom to understand the delivery of content and talent needed to make the student connenction. We have lacked in leadership for some time. It has cost us in poor student performance, poor motivation of staff, and even resulted in law suits because we have little foresight. Shame on us! We can do better and now is the time.	2/19/2025 7:06 PM
98	Be able to effectively communicate both the good and bad. When it’s good news, pat your team on the back. When it’s not, face the music and tell us how it’s going to improve.	2/19/2025 7:03 PM
99	Young interjectic well rounded individual who interacts with students and staff.	2/19/2025 6:51 PM
100	There are many skills needed. A few are a leader , finance knowledge, and trust. Looking out of the division for new ideas and leadership.	2/19/2025 6:50 PM
101	Know the job and do it well. Strong leadership.	2/19/2025 6:38 PM
102	Fiscal conservative	2/19/2025 6:23 PM
103	Communication. Overseeing staff and making sure they are appropriately interacting with Students and parents.	2/19/2025 6:04 PM
104	Good Communication	2/19/2025 6:04 PM
105	A leader who can ensure that our limited resources/revenues are allocated efficiently, while retaining experienced staff.	2/19/2025 5:58 PM
106	Use common sense when applying rules and grading to kids. Don’t push them through if they are not up to the level needed to excel	2/19/2025 5:38 PM
107	The new superintendent should be personable, confident, reliable, and accountable. They should approachable and fair, but also strong in their beliefs.	2/19/2025 5:36 PM
108	Be neutral politically both internal and external	2/19/2025 5:34 PM
109	Be Consistent	2/19/2025 5:21 PM
110	Must have worked in many jobs within the division to have knowledge of multiple areas and what it takes to affective manage/supervise all areas within the division	2/19/2025 5:03 PM
111	The ability to listen to others in the community/ staff and offer solutions.	2/19/2025 4:49 PM
112	The superintendent should have a passion for advocating for students and in a like manner, the teachers who educate them.	2/19/2025 4:44 PM
113	Being able to control the bulling, at both a student and Faculty level	2/19/2025 4:35 PM
114	Compassion for staff	2/19/2025 4:16 PM
115	Create community involved programs and initiatives to support families in supporting student development in the home to help address academic and behavioral changes particularly since the Covid-19 Pandemic.	2/19/2025 4:05 PM
116	I think a valuable skill for our superintendent is recognizing and utilizing the strengths of others. Be an encouragement to everyone who shows up and gives their best each day. I believe a successful leader is one who is able to recognize and admit their own shortcomings	2/19/2025 3:52 PM

	and then surround themselves with people who can fill in those gaps, creating an atmosphere of respect and a true professional community.	
117	Provide a vision all others will follow	2/19/2025 3:36 PM
118	Effective and transparent communication with teachers and parents.	2/19/2025 3:22 PM
119	Willing to listen to parents when they have an issue and not dismiss them	2/19/2025 3:04 PM
120	Served in different areas of a school system, ie teacher, school administrator, or central office to have an understanding of what is needed in each level.	2/19/2025 3:03 PM
121	Leadership.	2/19/2025 2:54 PM
122	Personable and listens to parents concerns	2/19/2025 2:53 PM
123	True education, good common sense, and compassion.	2/19/2025 2:49 PM
124	Has demonstrated in the past that they can be an effective and well-liked leader.	2/19/2025 2:46 PM
125	They should realize that they're not being hired for their political views	2/19/2025 2:13 PM
126	They should have a great relationship (make them feel valued) with the students and staff.	2/19/2025 2:07 PM
127	An expert in building and motivating a team.	2/19/2025 2:02 PM
128	Communication and transparency, the ability to take feedback and incorporate others' ideas.	2/19/2025 2:02 PM
129	We need a leader that has a the ability to be available and approachable. Someone who will listen and support our faculty and staff, instead of challenging/intimidating them. The morale is the lowest that I have ever seen it, worse then when we were going through the Covid times. We are losing a lot of excellent teachers this year because of the lack of support, communication and the recent changes in our Special Education programs.	2/19/2025 2:00 PM
130	Transparency, accountability and empathy	2/19/2025 1:53 PM
131	I think an important skill for the new superintendent to have would be relating to teachers at each school and being able to maintain professionalism while also developing meaningful relationships.	2/19/2025 1:48 PM
132	Communication	2/19/2025 1:47 PM
133	Strength of character	2/19/2025 1:47 PM
134	Teaching ecperience	2/19/2025 1:33 PM
135	Transparent	2/19/2025 1:28 PM
136	Nonjudgmental and fair Easy to approach	2/19/2025 1:23 PM
137	The ability to relate, understand, and have empathy for students, staff, and families and use this to lead the school system in an appropriate and effective manner.	2/19/2025 1:21 PM
138	The primary skill that our new superintendent of schools should possess is a strong proficiency in critical thinking.	2/19/2025 1:11 PM
139	Not showing partiality but being fair, applying rules with use of common sense.	2/19/2025 1:01 PM
140	Team player	2/19/2025 12:47 PM
141	Willingness to take time to understand why teachers feel overwhelmed and if they feel certain professional day trainings are beneficial.	2/19/2025 12:44 PM
142	Treat everyone fairly and equally	2/19/2025 12:38 PM
143	Flexibility. Be willing to fill other roles when short staffed.	2/19/2025 12:33 PM
144	Experience and education on all levels. Having someone that can strengthen relationships within the community and school system as a whole, instead of being based off of personal friendships and agendas.	2/19/2025 12:33 PM
145	Experience! I feel they should shadow at each school and ask the staff what THEY want to happen.	2/19/2025 12:33 PM

146	He/She should understand our community and the unique qualities of our small community.	2/19/2025 12:32 PM
147	They must have a heart, unlike our current superintendent.	2/19/2025 12:32 PM
148	Flexibility	2/19/2025 12:31 PM
149	Common Sense	2/19/2025 12:19 PM
150	A leader who looks out for their students and staff and truly puts them first.	2/19/2025 12:17 PM
151	Support faculty and staff, advocate for the students. Place themselves in buildings and truly understand what teachers do on a daily basis.	2/19/2025 11:58 AM
152	Effective communication	2/19/2025 11:47 AM
153	The ability to welcome new ideas be innovative with new best practices versus just relying on data.	2/19/2025 11:41 AM
154	Communication skills and developing positive, professional, and non-biased relationships with the faculty, staff, and community.	2/19/2025 11:41 AM
155	The talent to gage conservative values of our community over more liberal view points and implement them	2/19/2025 11:36 AM
156	Professionalism	2/19/2025 11:21 AM
157	Diversity and inclusion	2/19/2025 11:15 AM
158	Respect and being an open book.	2/19/2025 11:14 AM
159	I think the new superintendent should be accessible to the staff and community.	2/19/2025 11:13 AM
160	Leadership not scared to get involved.	2/19/2025 11:06 AM
161	Communication with parents	2/19/2025 11:05 AM
162	Clear communication, transparency and building trust.	2/19/2025 11:03 AM
163	Be approachable and listen to others opinions.	2/19/2025 10:53 AM
164	good communication skills	2/19/2025 10:44 AM
165	Student and Staff relationships and trust	2/19/2025 10:41 AM
166	Critical thinking	2/19/2025 10:35 AM
167	Experience	2/19/2025 10:32 AM
168	Good communication with staff	2/19/2025 10:31 AM
169	Good at communicating with students, staff and parents.	2/19/2025 10:29 AM
170	Leadership willing to step in and help when needed and truly understand the role of staff and community partners to ensure ALL aspects of a student is addressed and taken care of	2/19/2025 10:29 AM
171	Transparency	2/19/2025 10:26 AM
172	Na	2/19/2025 10:19 AM
173	The ability to LEAD Appomattox County Schools!	2/19/2025 10:17 AM
174	Superintendent shouldn't be hiring friends that have had previous problems in other districts, divisions, or companies. This has distroyed Appomattox County. When someone is hired after having a terrible employment history.	2/19/2025 10:06 AM
175	Maybe addressing the issue of why staff are leaving. Why do they feel so unsupported? Why are higher ups allowed to treat staff and parents as if they are “less than.” Our community does not feel as if the schools work together as one. Parents are often told the bare minimum to say we were informed. It’s hard to trust a school district when the trust doesn’t go both ways.	2/19/2025 9:58 AM
176	be a leader - take in all options, hear the pros and cons and make a decision	2/19/2025 9:56 AM
177	Integrity in ALL interactions, even behind closed doors. Reigning in the political and personal bias all too present across the division and dealing fairly and honestly with all staff, students,	2/19/2025 9:54 AM

	parents, and community alike.	
178	Love God, Love people!	2/19/2025 9:54 AM
179	A backbone to stand up to parents and the VDOE. Until you start inconveniencing parents, student behavior will not improve. As for the VDOE, there is no reason our children should be tested as much as they are.	2/19/2025 9:53 AM
180	The new superintendent should be willing to communicate with the parents and be transparent about school related information.	2/19/2025 9:52 AM
181	School systems are changing quickly, and we have school infrastructure needs looming. We need a superintendent with experience building schools, lobbying for funding, personnel and education laws, and strong working relations with the local government. A superintendent should also be well versed on retention issues because this is a nationwide occurrence within schools. The superintendent should also be able to delegate tasks. Principals should be in their buildings at least 90% of the week and should be trusted to run their schools with minimal oversight from the district (unless there is a problem). The community should be more familiar with their friendly principals than their school superintendent (who should be known in name and reputation). The superintendent should handle community issues related to budget, finance, and news topics and act as a figurehead for the district. I would love to see a superintendent who is super focused on building relationships with the school board, Richmond, and other superintendents around. I want to see a proactive leader who looks forward to the community's future and plans accordingly. I want my superintendent to act in a similar capacity to the Colonel of the State Patrol, the Warden of the Prison, and the elected official. I don't want them to be concerned about the minutia of the inner workings of day-to-day school. I want a superintendent willing to rely upon those at appropriate leadership levels to address day-to-day issues. The superintendent needs to have big-picture problems to work on, such as considering options such as building another school in another area of the county to address transportation and growing population issues.	2/19/2025 9:51 AM
182	Person who interacts with and respects the faculty and staff that will help children in leadership and confidence.	2/19/2025 9:51 AM
183	Not to necessarily move someone within the ranks of Appomattox County “up the ranks”, but to look outside of the county for a candidate who will put the students and teacher of Appomattox first and be visible to the people of Appomattox	2/19/2025 9:50 AM
184	The ability to listen and give the teachers 100% support along with the other staff in the schools.	2/19/2025 9:48 AM
185	Being flexible and someone who doesn’t have ties to teachers (husband/ wife or children)	2/19/2025 9:47 AM
186	Personable- know faculty and staff by name, show an interest in all areas at every school, connect with students	2/19/2025 9:35 AM
187	ORGANIZATION, ONLY ABC's	2/19/2025 9:34 AM
188	Knowledge of and experience in Appomattox County school system	2/19/2025 9:33 AM
189	Personal skills with staff.	2/19/2025 9:33 AM
190	Be able to educate the board and community on the importance of inclusivity and equity, and push back on political agendas that aim to strip away human rights.	2/19/2025 9:32 AM
191	Multi task	2/19/2025 9:29 AM
192	The superintendent needs to be a person that will be humble and respectful and one that is not afraid to take on jobs that is not a part of the job description.	2/19/2025 9:29 AM
193	Good judgment of staff’ strengths and weaknesses, with a desire to encourage and develop strengths	2/19/2025 9:27 AM
194	Personable & open with their teachers	2/19/2025 9:22 AM
195	Communicate effectively	2/19/2025 9:19 AM
196	Clear and open communication	2/19/2025 9:18 AM
197	A talent and/or skill that a new superintendent should have to do this job well rests on the ability to be an effective leader, but relatable to the faculty, staff, students, and general public.	2/19/2025 9:13 AM

	While this person is the highest level in the school division, the person should be willing and able to acknowledge everyone who makes the school system a functional place from the elected Board Members, to the teachers on the front line of educating students, all the way to the custodian who willingly takes the trash out of the building. We are all one team who works to serve and support one another.	
198	I think public speaking would be nice so we are able to hear from a superintendent over our school system if emergencies occur.	2/19/2025 9:11 AM
199	Communication	2/19/2025 9:11 AM
200	To not bow to the appomattox "politics" and wealthy families	2/19/2025 9:10 AM
201	A skill that is vitally important to this position as a leader is effective communication and active listening. Bad communication can lead to a host of issues within any group or workplace, and this capability can make or break a community's trust.	2/19/2025 9:09 AM
202	Listen to the opinion of the parents, be open and be for the families in our area before making decisions that affect everyone.	2/19/2025 9:08 AM
203	The superintendent should be able to communicate effectively and listen actively. Some may hear but may not consider and listen.	2/19/2025 9:07 AM
204	Students and teachers first!	2/19/2025 9:06 AM
205	Being inclusive !	2/19/2025 9:03 AM
206	The new superintendent should be in the schools teaching or administration within the past 3years.	2/19/2025 9:01 AM
207	The ability to interact with employees to support improvement and development while also helping them feel valued and appreciated	2/19/2025 9:01 AM
208	Being able to listen to criticism and other ideas without taking it personally.	2/19/2025 8:54 AM
209	One skill that the new superintendent should have to do the job well is strong communication. A superintendent should be able to communicate effectively with all stakeholders in the community.	2/19/2025 8:54 AM
210	Make a decisions that promote the MOST benefit.	2/19/2025 8:52 AM
211	Maintain professional relationships and treat everyone equally. Teachers are currently ignored and overlooked because of special relationships within the system that have been established over years or an unwillingness to promote teachers that have worked hard to be promoted instead of scared of losing a good teacher. The superintendent should be someone with experience from OUTSIDE of the county. The community is aware of these special relationships but nothing changes. The position has already been decided. Now would be a good time to listen. We all know that Cheryl Servis will be chosen and she is not the best person for the job. Just ask those that work under her.	2/19/2025 8:52 AM
212	No nepotism please, no one related to anyone in the county.	2/19/2025 8:52 AM
213	They should be an advocate for public education, for our staff, and our students.	2/19/2025 8:51 AM
214	Ability to build rapport with staff, parents, and community	2/19/2025 8:50 AM
215	Be available for parents or staff to walk in and be heard.	2/19/2025 8:48 AM
216	Understanding	2/19/2025 8:46 AM
217	Listening skill	2/19/2025 8:45 AM
218	Doesn’t have to belong to this community but is a community leader. Talks to parents and understands both sides of situations. Supports teachers by communicating standards.	2/19/2025 8:43 AM
219	I feel experience directly related to the job is more important than hiring a person with previous employment as a superintendent.	2/19/2025 8:42 AM
220	The ability to oversee all departments effectively and make changes where needed.	2/19/2025 8:39 AM
221	Broadly ask teachers who have served under them. No other data pool is truly convincing. Everything else can be faked/skewed.	2/19/2025 8:39 AM

222	A deep understanding of the schools policies and rules that should be followed and not overlooked for others gain.	2/19/2025 8:38 AM
223	They need to have excellent communication skills, at a personal and professional level. They need to be visually present to staff, students, and the community. They don't need to bend to every whim but need to listen compassionately and with discretion.	2/19/2025 8:36 AM
224	Humility	2/19/2025 8:35 AM
225	The next superintendent obviously needs to be knowledgeable of the laws and budgets but they need to remember what it was like to be a teacher which will help in maintaining a connection with the teachers in the district.	2/19/2025 8:33 AM
226	Be personable; approachable	2/19/2025 8:28 AM
227	Transparency in all areas.	2/19/2025 8:27 AM
228	Communication with staff and employees of the school system is important to make us all feel important and appreciated.	2/19/2025 8:27 AM
229	Diplomacy	2/19/2025 8:21 AM
230	A good superintendent needs to be able to use the people in central office effectively. Check on those people from time to time and hold them accountable. Lots of the qualities above should be done by support staff with your leadership.	2/19/2025 8:18 AM
231	Holding people to high expectations with consistency, but also allowing for employees to be humans with real needs and to be understanding in difficult situations.	2/19/2025 8:17 AM
232	The most important quality a new superintendent should have is genuine leadership that prioritizes being present in schools and values every member of the education team. More than just making decisions from an office, a great superintendent takes the time to visit classrooms, talk with students, teachers, and support staff, and truly understand what's happening in the district. They should recognize that special education and related services—such as speech therapy, occupational therapy, and physical therapy—are just as vital as classroom instruction. By listening to and supporting all educators and service providers, they can create an inclusive, well-rounded learning environment where every student has the resources they need to succeed.	2/19/2025 8:16 AM
233	Balance. This new superintendent needs to maintain balance between all stakeholders needs while advocating for students and staff best interest.	2/19/2025 8:16 AM
234	The new superintendent should be able to make overall goals for the county, develop a consistent plan for those goals, and have the patience to allow that plan to work. Avoid snap decisions or making too many decisions without giving time for the plan to develop. Consistent and steady.	2/19/2025 8:15 AM
235	Our new superintendent will need to skill of being a good listener. There will be lots of people willing to share their opinions about our school system and he/she must be able to truly listen and glean from others opinions.	2/19/2025 8:14 AM
236	A superintendent should want a good relationships with all employees. Should not use scare tactics with employees. And should STOP allowing people into power positions that don't belong.	2/19/2025 8:13 AM
237	The skill of being personable and understanding different perspectives. The talent of not letting the public or media phase them	2/19/2025 8:10 AM
238	Compassion, the superintendent should be compassionate to students, teachers, and parents. Understanding that each situation is different.	2/19/2025 8:09 AM
239	Transparency and accountability	2/19/2025 8:09 AM
240	The ability to communicate effectively	2/19/2025 8:05 AM
241	The superintendent must be an open and effective communicator.	2/19/2025 8:04 AM
242	Open communication with teachers, supports teachers AND ADMIN. In all ways.	2/19/2025 8:02 AM
243	Public relations	2/19/2025 8:01 AM

244	Objectively looking at situations to guide our district in the right direction. (Not using personal relationships to persuade decisions.)	2/19/2025 8:00 AM
245	An understanding that every school in the district has different needs. We are cut from the same cloth, but have success/fault in different areas.	2/19/2025 8:00 AM
246	Should not be afraid to make decisions that are best for classroom learning environments even when parents might not agree.	2/19/2025 7:56 AM
247	They should be approachable and willing to create personable relationships with staff and community.	2/19/2025 7:54 AM
248	I would prefer a superintendent that is a good listener, who is patient and willing to communicate and hear perspectives before making a decision.	2/19/2025 7:53 AM
249	Needs to be a personality that staff can trust to lead them.	2/19/2025 7:51 AM
250	The new superintendent should already have relationships with the community and ACPS staff/be known to the community and staff	2/19/2025 7:49 AM
251	The ability to listen to concerns and be creative in problem solving.	2/19/2025 7:47 AM

Q11 In your opinion, what should be a key priority for the new superintendent moving forward?

Answered: 249 Skipped: 113

#	RESPONSES	DATE
1	The highest priority for a new superintendent should be improving student outcomes while ensuring equity and access to high-quality education for all students. By focusing on student-centered decision-making, the superintendent can drive meaningful improvements that benefit all learners and prepare them for future success.	3/3/2025 8:36 PM
2	Recognizing that there are initiatives that are pushing highly qualified professionals out of the division and out of the industry. And also recognizing that there are individuals that are acting in a leadership capacity in central admin that are doing the same thing.	3/3/2025 7:20 PM
3	Continuing to make the school district the best it is able to be for students and staff.	3/3/2025 4:35 PM
4	Revamping Special Education. While great as a whole, there are very important areas that need to be worked on.	3/3/2025 2:25 PM
5	While educating students is the goal, faculty and staff are the heart of the operation. Without them, nothing else is possible. Retaining the talent that out district has should be tantamount. Focusing on unnecessary micromanagement, unrelatable professional development, and constant moving targets will only fluster, frustrate, and drive away dedicated teachers and staff.	3/3/2025 11:36 AM
6	School climate.	3/3/2025 10:46 AM
7	The key priority for the new superintendent should be to facilitate a more challenging and rigorous education for all students at all levels.	2/28/2025 4:17 PM
8	Again, someone who respects their staff and listens to their opinions or needs. Someone who sticks up for their staff during conflict and does not tolerate other administrators disrespecting or talking down to their staff.	2/28/2025 12:44 PM
9	Incase pay for staff	2/28/2025 9:49 AM
10	Unity and transparency	2/26/2025 2:24 PM
11	Must be well like. Personality skill and knowledge of the job	2/26/2025 10:38 AM
12	Knowing how to positively motivate, provide support, and retain staff.	2/25/2025 6:50 AM
13	Putting the educational needs of out community's students first	2/24/2025 7:33 PM
14	Updating buildings/grounds to help serve the growing population in the community and outdated buildings that the students and staff are using.	2/24/2025 12:15 PM
15	A key priority for the new superintendent should be growth in community and parental relationships.	2/24/2025 11:49 AM
16	For our schools to listen to the teachers, enforce the rules of each school, and care more about the students education then keeping up appearances. Ensure parents have a voice in their child's education and understand that every child doesn't fit in a perfect little box.	2/23/2025 4:37 PM
17	Curriculum used in everyday life	2/23/2025 4:34 PM
18	Long term planning - adhering to the long term planning goals / no surprises	2/23/2025 12:01 PM
19	To know their job and do it with integrity.	2/23/2025 8:21 AM
20	Staff retention and salary increases	2/22/2025 2:37 PM
21	Be interested and involved in the area that your schools and students are from	2/22/2025 1:13 PM

22	Get to know everyone involved. Focus groups to help learn who is a part of the team and community.	2/22/2025 12:25 PM
23	Open mindfulness towards maintaining prior administrative routine while incorporating effective, positive changes warranted.	2/22/2025 12:19 PM
24	Have an open door policy for staff. Talk to staff before talking to parents about problems or concerns.	2/22/2025 12:14 PM
25	The advancement of the school system while promoting at positive learning environment for all students.	2/22/2025 11:29 AM
26	Our new superintendent should be tasked with a dual mandate: 1) boost the morale of our individual school buildings as well as connecting our division as one unit while also 2) empowering and respecting teachers and staff. Both of these are addressed in the following as I see them being very intertwined and supportive of one another. I can speak for two of our school buildings that are both lacking majorly in feeling supported, encouraged, and motivated. School morale, administrative trust and respect, and autonomy is at an all time low, leading to an increase in teacher and support staff leaving and staff having a lack of trust in their administration. Teacher's in general are enthusiastic and have passion for their career. Lately, however, it has been increasingly felt that we are merely being used as bodies in a classroom and are unable to bring forth input to our student's needs. Coupling that feeling with the lack of encouragement and support, has felt detrimental to our enthusiasm and outlook. When entering any school within our division, I wish to feel excitement, energy, and an air of support and confidence in educating the students of our county. Because of the small size of our school division, I believe that we are at an incredible advantage to operate as a small business. With four locations, numerous staff, and one goal, I believe that with the right leadership we can transition students through each of our schools smoothly and with high success. The largest gap, known to me, is when moving from Primary to Elementary school. The administrative teams operate more as competitors than as collaborators. This trickles down to the teachers and furthermore affects student transitions. Having the responsibility of being our division superintendent is an honor that I highly respect. As a teacher in our county, I will support and encourage the next set of leadership as I hope they do the same for me and my colleagues.	2/22/2025 10:49 AM
27	Continued open and transparent communication, which is something our school district currently does well.	2/22/2025 10:27 AM
28	Student discipline.	2/22/2025 8:20 AM
29	Managing, and reducing the budget	2/22/2025 6:19 AM
30	Create a sense of Unity in our RAIDER NATION	2/21/2025 10:53 PM
31	Modern and proven curriculum	2/21/2025 10:17 PM
32	Children should be taught how to think, not what to think. Schools exist to provide a solid foundation in reading, writing, math, and history—not to serve as a platform for pushing political or ideological agendas. Parents, not teachers, have the primary right to guide their children’s values and beliefs. Classrooms should be places of education, not indoctrination, and educators must focus on facts and critical thinking rather than activism. Let kids be kids, and let parents do the parenting.	2/21/2025 10:14 PM
33	More services for special education students and parents	2/21/2025 7:39 PM
34	To be for the community, not of the community. Do not make decisions upon popular opinion or support of outspoken locals.	2/21/2025 7:27 PM
35	I think clear communication with staff and parents as well as being available for questions or comments.	2/21/2025 7:14 PM
36	A key priority for a new school superintendent should be improving student outcomes while fostering a strong school community. This includes: 1. Academic Excellence – Ensuring high-quality instruction, closing achievement gaps, and supporting teacher development. 2. Student Well-Being – Addressing mental health, school safety, and equitable access to resources. 3. Community Engagement – Building strong relationships with parents, teachers, and local leaders to create a shared vision for success. 4. Financial Stewardship – Managing budgets wisely to allocate resources where they are needed most. 5. Innovation & Adaptability – Implementing technology and modern teaching methods to prepare students for future	2/21/2025 6:42 PM

	success. By focusing on these areas, a superintendent can create a thriving, student-centered learning environment.	
37	Protecting diverse student learning	2/21/2025 6:05 PM
38	Having CHRISTIAN values	2/21/2025 5:36 PM
39	To take care of the IT department so there isn't another cyber attack	2/21/2025 5:28 PM
40	Making the education students receive much better, not having more graduates but weaker curriculum	2/21/2025 4:51 PM
41	More involvement with the community	2/21/2025 4:08 PM
42	Transparent communication and solutions.	2/21/2025 4:03 PM
43	If the superintendent is unfamiliar with our school division (hasn't worked in the school division previously), I feel they should prioritize time getting to know and really understand our school communities, the talented staff, and amazing students.	2/21/2025 3:58 PM
44	Student focus.	2/21/2025 3:49 PM
45	Protecting student/special education rights	2/21/2025 3:32 PM
46	A new superintendent's key priority should be improving student achievement, as it is the foundation of a successful school district. Ensuring that all students receive a high-quality education requires a commitment to equity, access to resources, and strong instructional support. By prioritizing student success, a superintendent can implement data-driven strategies to close achievement gaps, support educators with professional development, and create a learning environment where every student can thrive. This focus also fosters trust and engagement with parents, staff, and the community, reinforcing a shared commitment to educational excellence. Ultimately, student achievement must drive decision-making, resource allocation, and policy implementation to prepare students for long-term success in college, careers, and beyond.	2/21/2025 3:09 PM
47	In my opinion, the new superintendent should make it a priority to listen to the parents of the community. Listen to our thoughts, ideas and concerns. Do not brush them off like parents don't matter. Engagement from parents is vital to school success.	2/21/2025 3:00 PM
48	Rebuilding trust in public schooling. Financial responsibility.	2/21/2025 2:53 PM
49	A key priority for a school superintendent should be improving student achievement while ensuring equity and access for all students. This means creating a district-wide culture that supports high-quality teaching, effective curriculum, and resources that address the diverse needs of students.	2/21/2025 2:49 PM
50	Transparency & school transportation - staffing drivers & appropriate conditions for the bus shop members.	2/21/2025 2:45 PM
51	I think growth is improrant when it comes to the new generation.	2/21/2025 2:37 PM
52	Development within your staff and promote encouragement of both staff and students.	2/21/2025 2:14 PM
53	The safety and education of the students	2/21/2025 2:12 PM
54	Boosting staff morale county wide	2/21/2025 2:05 PM
55	Prepare our students for real world responsibilities and have staff and decision makers do the same. Stop the immature decision making we a plagued with.	2/21/2025 1:25 PM
56	Safety	2/21/2025 1:15 PM
57	Making sure children are learning basic skills for their future.	2/21/2025 1:00 PM
58	Development of technical programs for students to learn a trade in high school to be ready to enter the workforce upon graduation.	2/21/2025 12:57 PM
59	Students with IEP s not being met or utilized effectively	2/21/2025 12:44 PM
60	Upgrading technology	2/21/2025 12:40 PM
61	Programs within the school need to have equal representation and equal opportunity.	2/21/2025 12:39 PM

62	The children education should top priority .	2/21/2025 12:37 PM
63	Kids and faculty safety first. Staff support.	2/21/2025 11:43 AM
64	Children always top priority	2/21/2025 11:36 AM
65	Always, to do what’s best for the children.	2/21/2025 11:35 AM
66	Building real relationships with the staff/teachers and listening to their needs and working with the teachers instead of against.	2/21/2025 11:34 AM
67	Conservative values, NOT DEI, WOKE and TRANS and GAY nonsense. The public needs to be informed of the curriculum for each class!	2/21/2025 11:24 AM
68	Increasing the progress of our children and keep them safe.	2/21/2025 9:34 AM
69	Preventing and removing divisive and clearly inaccurate LGBTQ, BLM, and other anti-American agendas in the school system, staff, and curriculum.	2/21/2025 7:23 AM
70	Making ACPS a leader in central VA by: *Offering challenging, advanced classes (AP) for college bound students *Offering relevant skills and certifications for work force bound students *Recruitment and retention of teachers by increasing salaries to state average (or at least area average) *Work with local government to get above minimum funding by showing them the importance of a well-educated citizen base *Develop strategic plans to use in times of emergency/crisis *Develop and implement plans for school maintenance and development so it isn't every 40-50 between renovations per school	2/20/2025 8:06 PM
71	focus on the basics: improving core curriculum to help students get into college and/or get jobs	2/20/2025 6:29 PM
72	Curriculum improvements. Sadly students in our Primary school are struggling and the constant change in curriculum is hurting a lot of our kids that are primary age.	2/20/2025 5:21 PM
73	Someone who will reflect the conservative values of the community. Keep spending down	2/20/2025 4:34 PM
74	Inclusion	2/20/2025 3:14 PM
75	Child safety or supporting all staff equally	2/20/2025 2:01 PM
76	Not micromanaging.	2/20/2025 12:14 PM
77	Leading or find an administrator with counseling experience who can bring our school counseling programs where they need to be according to the ASCA National Model.	2/20/2025 10:33 AM
78	That they have ties to this community and to the school system. A superintendent should be tied to our school systems to provide an emphatic response and always have our children and their families in the forefront when make decisions. If it wouldn’t be good enough for their children/grandchildren, it isn’t good enough for ours.	2/20/2025 7:05 AM
79	Student safety and being present in the schools to remember how the day-to day reality is	2/20/2025 6:42 AM
80	Having more security in schools, so the students and faculty can be safe. Also, being more strict on bullying!	2/20/2025 1:59 AM
81	Focus on the students	2/20/2025 12:06 AM
82	Don’t play politics and have your own mind set and not do what people threaten or say what are we paying you for, we pay your salary type. The superintendent needs to have its own mind set and voice and does not come from around the area. To many have come through and was ran over by the political class of higher class. We need someone that treats our kids equally.	2/19/2025 11:39 PM
83	Really taking care of the consistent issues with Mary Sherry. She is literally killing our schools, staff and families. She has no filter and does not mind saying what comes to her mind and then completely spinning it around to fit her narrative. She is sneaky and does NOT want what is best for all students, especially those in the SPED department. The number of vacancies in special education classes continue to tell the truth that is brushed over year. after year. If other employees talked to staff and families the way she did, there would surely be consequences. She is not the best fit for that job. Appomattox used to have one of the top tier SPED departments around our region, that is no longer the case.	2/19/2025 10:46 PM
84	Hire out of the classroom. By the time a superintendent "meets qualifications" they are so far	2/19/2025 10:29 PM

	removed from the classroom and have no empathy for the teachers. Administration passes down "mandates" and programs designed by people who haven't been in a classroom in 20 years. There is NO support from administrators when it comes to dealing with unruly students. These kids know this. Your teachers are quitting mid-year and you have no one willing to take the job. Long term subs are NOT what our kids deserve. Let "administration" take turns teaching and dealing with these kids (and their parents) and I guarantee that our teachers will see a change in their administrative support system. Stand up to Richmond and fight for your staff and your students. That's what our school board should be hiring you to do, NOT interpreting rules/regulations and washing your hands of it because, hey, it's policy ajd Richmond right? Policies are made by groups of people and changed by groups of people. Stop hiding behind "policy" and be the person willing to raise the flag and call BS for what it is.	
85	Creating a "safe, caring, POSITIVE ,& nurturing," environment to learn in, preventing bullying from students & YES- staff- towards students. It's imperative children need to feel they matter! They need to know the school system has their complete best interest at heart & push them to feel appreciated and shown they are cared about while learning & achievements & success can be met with these types of supports! They deserve it!	2/19/2025 10:29 PM
86	The students education and safety are always priority 1	2/19/2025 10:04 PM
87	Adding more electives and AP classes.	2/19/2025 9:58 PM
88	Not a person who makes decisions on what is best for themselves instead what’s best for the over Faculty and Students. There are some who have been Principals and are in positions of administration now who only made decisions in their role to promote themselves to be superintendent one day. Please do not be naive to miss those red flags.	2/19/2025 9:38 PM
89	Na	2/19/2025 9:25 PM
90	Be the most outstanding school district especially in central Virginia	2/19/2025 8:58 PM
91	--Being able to see the differences in all school levels and that their needs are unique/different from each other - a one size fits all is not the model needed --Get out and see your teachers/staff. Some are amazing and are not seen. Others "look" amazing but when the cat is away, ... --	2/19/2025 8:45 PM
92	The superintendent needs to ensure students are getting the proper level of education at all grade levels, and not just passing students along and making them the High School's responsibility to teach for reading, math, etc.	2/19/2025 8:38 PM
93	Open communication	2/19/2025 7:40 PM
94	Evaluate current programs to see what needs to be improved, removed or added at all levels.	2/19/2025 7:24 PM
95	Uniting the school district	2/19/2025 7:17 PM
96	We have to look outside of our district. If we hire the persons standing there-- how are we to expect things to change. "Change nothing---nothing changes." We need a fresh face and one without longstanding relationships that end of being baggage in the leadership role. Look for someone who has made change in a previous job...ask about that. Ask how they assess issues and how we used that information to move forward. I am tired of having to assemble outside educational resouces for my children so that I know they will be successful after graduation. I know our students can learn as well as children in any county...even NOVA...but when are we going to get up and do it?	2/19/2025 7:06 PM
97	This should not be a homegrown hire. There are too many biased views of people that cloud decisions and judgement. New blood would be a breath of fresh air. Breaking the norm with new ideas is exactly what the school system needs.	2/19/2025 7:03 PM
98	Sports facility and building improvements a must. Young ambitious with kids. Education and progress minded. Someone who has experience in Administration,Teaching and Coaching. Anything less will set our kids back and country tremendously.	2/19/2025 6:51 PM
99	Retaining quality , experienced teachers. Many teachers have their kids going to other schools. Bring back rules and consequences in all schools-accountability.	2/19/2025 6:50 PM
100	Improving learning on all levels.	2/19/2025 6:38 PM
101	Conservative, no democrats	2/19/2025 6:23 PM

102	Add extra programs for children back. Focus simultaneously on reading levels as there are High School Students who still struggle with reading and core curriculum. Really dig into that with the Primary and Elementary school Grades.	2/19/2025 6:04 PM
103	Balance needed things, maybe don't just keep adding to athletic things. Lunches are a bit too short and food is a bit too nasty. If there is ever another world changing thing like Covid, there needs to be a MUCH better way to handle things. Some Policies need to be looked at and adjusted.	2/19/2025 6:04 PM
104	Care more about the students books and learning environment	2/19/2025 5:58 PM
105	Rebuild trust within the division, to include faculty, staff, and parents. And remember that test scores and statistics do not tell the whole story of student development.	2/19/2025 5:58 PM
106	The new superintendent should not support common core. I believe it should also be someone outside the school district. I think we need a new direction.	2/19/2025 5:38 PM
107	The key priority for the new superintendent should be to do the absolute best they can for staff and students they are leading. They are the heart of the community.	2/19/2025 5:36 PM
108	no TRANS, DEI, WOKE, ETC. ONLY ABC'S These abnormal ideologies must not be in the school system, they've done too much damage to kids already! Conservative ideologies are needed to bring schools back to normalcy	2/19/2025 5:34 PM
109	To create a school division Instead of a division of schools.	2/19/2025 5:21 PM
110	Must have taught a minimum of 15 years, and then moved to principal and climbed the ladder to superintendent	2/19/2025 5:03 PM
111	Teachers who have no passion to teach, in my opinion, a good superintendent could motivate them and remind them what the purpose of teaching is other than just a paycheck.	2/19/2025 4:49 PM
112	If an applicant was unsuccessful in administration at the school level because of poor relationships with staff and parents, that applicant should not be considered.	2/19/2025 4:44 PM
113	Reducing the bullying that is happening	2/19/2025 4:35 PM
114	Supporting staff more	2/19/2025 4:16 PM
115	Establishing a district wide progressive behavior/discipline policy that balances student needs with providing age and behavior appropriate accountability for infractions.	2/19/2025 4:05 PM
116	Visibility. Be present in your schools. Stay connected to staff. Walk in our shoes. Complete a bus duty and lunch duty at every school, schedule a time to read to a class at APS, join a science lab experiment at AES, make the morning announcements occasionally, sub in a special ed classroom, do anything and everything to stay connected and have boots on the ground with each school's staff.	2/19/2025 3:52 PM
117	Support the teachers and students by implementing effective consequences for disciplinary issues. Stop catering to "the one" and look out for the majority. Whole classrooms should not be routinely disrupted/explosive to accommodate the one child that cannot conform to classroom expectations.	2/19/2025 3:41 PM
118	Finding, return to a classical education.	2/19/2025 3:36 PM
119	The superintendent should not be currently working in the school board office. We desperately need strong leadership and to clean house of the current staff!	2/19/2025 3:22 PM
120	Teacher retention and recruitment and more opportunities/class offerings for our students esp at the high school level. Students need more opportunities to prepare for the ever changing job market.	2/19/2025 3:03 PM
121	That the new superintendent work at each school for a few weeks. This way they can see what each school does and how things are handled.	2/19/2025 2:54 PM
122	Effective communication, addressing parents concerns	2/19/2025 2:53 PM
123	Safety and diversity initiatives.	2/19/2025 2:49 PM
124	Communication and staff morale during a time where the educational landscape is rapidly changing.	2/19/2025 2:46 PM

125	Performance based salary	2/19/2025 2:13 PM
126	A superintendent that truly shows how much they care for our school and community. Kind, caring, and compassionate.	2/19/2025 2:07 PM
127	Reading comprehension deficiencies in the district; identifying and supporting specific ways to address these deficiencies.	2/19/2025 2:02 PM
128	Opening lines of communication with parents and the community. Since Covid it does not feel like the schools have been receptive to what parents are identifying as reasons that they want to remove their children from the schools. They need to be willing to take feedback and hear what people have to say.	2/19/2025 2:02 PM
129	I feel that the key priority would be to establish relationships with your current facutly and staff and work to create an environment where the superintendent is approachable.	2/19/2025 2:00 PM
130	Support services for students, school safety, student/staff bullying, remove toxicity from the workplace, teacher/staff pay raise.	2/19/2025 1:53 PM
131	I think a key priority moving forward is realizing the importance of highly qualified and licensed teachers and providing stipends when there have been so many teachers coming in that are unlicensed and have minimal experience which creates more of a burden on the other teachers who then have to do additional things to make up for that.	2/19/2025 1:48 PM
132	Effective communication and accountability	2/19/2025 1:47 PM
133	Anticipating and dealing with changes at the federal and state levels of the education department to ensure that high-quality, inclusive education remains the priority for ACPS.	2/19/2025 1:47 PM
134	Increasing relationships with faculty and staff. Getting feedback on principals and making adjustments in leadership roles.	2/19/2025 1:33 PM
135	Transparency	2/19/2025 1:28 PM
136	Visibility and Attention to Details to find solutions to the existing problems within the district. Motivation to fixing them quickly.	2/19/2025 1:23 PM
137	Making students AND staff a high priority even when it isn’t the popular choice.	2/19/2025 1:21 PM
138	There are several key priorities that I believe the new superintendent should focus on moving forward. Effective communication with the school community, exemplary leadership among faculty and staff, and proficient financial and budget management are essential components of this role.	2/19/2025 1:11 PM
139	Looking outside current employees	2/19/2025 1:01 PM
140	Strengthen community including teachers, students and parents	2/19/2025 12:47 PM
141	Building a positive relationship with staff and the community. This will encourage staff to feel safe expressing concerns. Also will help parents/guardians see that their concerns or issues are truly being heard.	2/19/2025 12:44 PM
142	Someone who is looking out for the staff and students and not their own agenda	2/19/2025 12:38 PM
143	Communicating with staff as well as students. Be more proactive in appearing in the schools and seeing what goes on in the day to day.	2/19/2025 12:33 PM
144	Full transparency and equality for all staff and the entire school system.	2/19/2025 12:33 PM
145	Open communication. Meetings with the community and staff regularly to see how things are going.	2/19/2025 12:33 PM
146	In an effort to continue the high quality public education that is expected from our school system, he/she should continue to support the staff of the county.	2/19/2025 12:32 PM
147	Communication, honesty	2/19/2025 12:32 PM
148	Understanding and experience in Curriculum and Instruction.	2/19/2025 12:31 PM
149	Communication with everyone in community	2/19/2025 12:19 PM
150	Losing staff members and earning trust from school staff.	2/19/2025 12:17 PM

151	Building relationships with faculty and staff. What can be improved or changed to eliminate so much turnover in each school.	2/19/2025 11:58 AM
152	Student centered	2/19/2025 11:47 AM
153	Understanding every facet and role be engaged in learning the complexity of school settings, parental challenges, laws and accountability.	2/19/2025 11:41 AM
154	Encouraging, motivating, and supporting faculty and staff. Establishing relationships with faculty and staff and helping us feel valued and appreciated.	2/19/2025 11:41 AM
155	A key priority for ACPS division should be to bring in someone from the “outside “ as many in leadership now are there due to favoritism. The next leader should steer the curriculum away from the Common Core path we are currently on. Additionally, the Superintendent should not have family members who work for the division. Also, administrators should not be allowed to force staff out for not awarding a higher grade when it was not earned and then be allowed to fill the position with a family member. The temptation for the board will be to promote from within or to go with the known verses the unknown . I challenge the board to look beyond the easy path. If the next leader to take the helm was already amongst us then the morale of the staff would not be so low and the success of our students would not be floundering. Thank you for your willingness to serve on the school board and serve our community.	2/19/2025 11:36 AM
156	Teacher accountability and training	2/19/2025 11:21 AM
157	develop more CTE classes and work with business to partner in that growth	2/19/2025 11:18 AM
158	Find a way to retain our good teachers, get them better pay to stay. Get rid of all of the nonsense they have to go thru and just let them teach our kids.	2/19/2025 11:14 AM
159	Preparing students for college (more advanced classes so our students can compete with students from other districts) and getting teacher/bus driver/etc. pay up to statewide standards	2/19/2025 11:13 AM
160	More parent involved and more fun activities for the kids while learning Accountability. These schools need to have better disciplinary actions taken on problems or issues with students. Job incentives. These teachers need help and already do not get paid enough and people do not want to work for free dealing with problem kids that they can't just expel and or be held Accountable for their actions.	2/19/2025 11:06 AM
161	Visting the schools more and communicate with the students	2/19/2025 11:05 AM
162	Building trust in the county school system and taking feedback sincerely - many parents are ready to pull their children because they feel like they are not learning enough or that behaviors are running the classroom. This should be a serious concern for any superintendent.	2/19/2025 11:03 AM
163	Making sure that we have teachers and staff who are providing our students with an education that will make them successful, not just good test takers.	2/19/2025 10:53 AM
164	Someone who is willing to be a part of the Raider community and attend student after school events. Trust staff.	2/19/2025 10:41 AM
165	A presence in the schools and community.	2/19/2025 10:36 AM
166	Key priority for finding the new superintendent is to extend the search to allow a wide variety of applicants to allow new ideas into our system.	2/19/2025 10:35 AM
167	Showing staff appreciation	2/19/2025 10:31 AM
168	Stay visible and connected with schools and teachers who are in the classroom every day.	2/19/2025 10:29 AM
169	Truly ensuring that school is safe for ALL students and staff to ensure academic success for everyone.	2/19/2025 10:29 AM
170	Working to maintain and be consistent with the continued focus on the community and our school system.	2/19/2025 10:26 AM
171	Na	2/19/2025 10:19 AM
172	Ensure Appomattox County students are achieving the maximum amount of education they can receive	2/19/2025 10:17 AM
173	Superinendent should be someone that won't hire hire someone only because their friends, but	2/19/2025 10:06 AM

	look at all options and qualifications. Also, past employment history should be considered not brushed under the rug. The new superintendent should have a vision for the county that helps it grow, supports their teachers and staff, and stops allowing certain people in the central office allow parents to run over teachers. Also, a certain central office employee shouldn't be apart of a county that is driving good teachers away because of her lack of respect for teachers or sped teachers and the jobs they do.	
174	A love for our schools and community.	2/19/2025 10:05 AM
175	Hmmm…let’s stop allowing people with authority to be held at a different standard. Parents can’t even voice concerns or get clear answers without being talked down to.	2/19/2025 9:58 AM
176	teaching experience or some type of work within the school system. not someone who worked as outside of education and now wants to move to education	2/19/2025 9:56 AM
177	Setting the example of advocating for all student programs, and exposing the TRUTH of what is really happening in the schools to school board members requiring corrective action instead of putting on a "best of" show for scheduled visits.	2/19/2025 9:54 AM
178	Promoting effective and consistent discipline with in the school system. Accountability!	2/19/2025 9:54 AM
179	Accountability for students and parents, especially towards behavior and attendance issues. Secondly, providing more advance classes in elementary and middle school. There’s no reason to not separate students by educational learning level starting in elementary school.	2/19/2025 9:53 AM
180	Focusing on internal issues with the children. Bullying is bad at the schools and the staff and administrators are doing nothing. Please be more involved and hold administrators accountable	2/19/2025 9:52 AM
181	Due to changes at the state level, our schools have become militant with rigor, and there is a huge drain of enjoyable learning experiences. John Dewey writes, "Traditional (education is) one of imposition from above and outside. It imposes adult standards, subject matter, and methods upon those who only grow slowly towards maturity." He is saying we are teaching kids in the format in which adults learn. This is how I currently see our schools; we are mandated to teach this way by the district administration. For the sake of well-rounded students, the superintendent needs to rely upon their principals to oversee the academic and well-being needs of the school. My hope is that our new superintendent will have the strong capability to delegate academics to the school leaders so that the superintendent can work on the other pressing issues of the district, such as transportation, funding, and building infrastructure. SIDE NOTE: I also hope for a school superintendent who sees value in little kids performing at school functions for the community and their parents and will come watch those events. Some of our schools are missing the boat in terms of this particular growth in children. There is more community engagement and building of student affinity towards their school at the high school level which might be a leadership issue that our new superintendent can monitor. Friendly, approachable, present, and engaged principals are the best thing!	2/19/2025 9:51 AM
182	To hire someone that is not within the organization as there are too many favorites. Also pay them less money, because children's needs are lost as the higher staff are making more money. Pay bonuses according to division achievements in scores.	2/19/2025 9:51 AM
183	To make ACPS the absolute best school district in Virginia	2/19/2025 9:50 AM
184	To reevaluate the current reading curriculum at the primary school.	2/19/2025 9:48 AM
185	Someone new to the division so that we can have a perspective of what is happening in other counties. They may have a different idea that we have not thought about or considered.	2/19/2025 9:47 AM
186	Maintaining education, my child often complains about how there are other children who are disruptive in class and when I was in school those kids were taken out to ISS. I think the discipline at the schools are too easy on the kids.	2/19/2025 9:46 AM
187	Advocating for better benefits for school employees	2/19/2025 9:35 AM
188	publicize curriculum for each class	2/19/2025 9:34 AM
189	Ethical professionalism in all aspects of leadership	2/19/2025 9:33 AM
190	Finding ways to retain teachers in Appomattox County. 66% of our staff has less than 15 years experience and that number appears to be growing. With fewer people entering the field we need to focus on teacher retention.	2/19/2025 9:33 AM

191	Reducing private day educational placements that costs our local community over a million dollars annually for a minuscule number of students.	2/19/2025 9:32 AM
192	Respectful, fair, willing to work	2/19/2025 9:29 AM
193	A key priority for the new superintendent moving forward should be helping student academic success.	2/19/2025 9:29 AM
194	Teacher recruitment and retention	2/19/2025 9:27 AM
195	Make teachers feel supported	2/19/2025 9:22 AM
196	Open communication	2/19/2025 9:19 AM
197	A key priority for the new superintendent moving forward would be to be present in all of the schools and promote the love of education in all of the schools (primary, elementary, middle, and high school). The new superintendent needs to remember that we are teaching whole people and not just numbers on a data chart. It is important to provide avenues for students to be successful in college, military, technical education, and the workplace.	2/19/2025 9:13 AM
198	The children, for sure. There are so many children struggling, wether at home or at school, I wish there was a superintendent who really advocated for the kids!	2/19/2025 9:11 AM
199	Focus on core education, math, science, reading, etc	2/19/2025 9:10 AM
200	As a leader, the superintendent should have an approachable demeanor that allows both the staff and the community to feel heard and that their best interests are supported. When staff feel supported and listened to, the result is more support for students, which is what the community wants to see. Staff retention and community relations should be a key priority for the new superintendent moving forward.	2/19/2025 9:09 AM
201	I want a superintendent that also supports homeschool families. I want him/her to allow children that can’t go to public school the opportunity to take some classes at the high school or even play sports. Include them in activities or fundraising! I think a good superintendent will be available for all children and their families!	2/19/2025 9:08 AM
202	As a leader, the superintendent should be approachable so that both staff and community can feel listened to and that their thoughts are valued. Bad communication/ trust can lead to several issues including lack of trust and a lack of a shared vision.	2/19/2025 9:07 AM
203	Allow/ make homeschooling accessible and homeschool participation in sports/ extra curricular and electives.	2/19/2025 9:07 AM
204	Stop rewarding bad behavior and crack down on disciplining unruly kids. Currently these kids are catered to and create a distracting learning environment. Teachers do not feel supported in the community. Many of them state this is due to funding and an attempt to cut down on referrals, suspensions, etc. This should not happen at the expense of the students who are behaving and trying to learn and most importantly our teachers. Measures should be in place for these unruly children to continue learning but in an alternative situation with Trauma informed and train to best support these kids.	2/19/2025 9:06 AM
205	Bringing everyone together on the same page.	2/19/2025 9:03 AM
206	Teacher recruitment, retention, and support	2/19/2025 9:01 AM
207	Teacher retention, teacher morale, realistic expectations for teachers	2/19/2025 8:54 AM
208	One key priority for the new superintendent moving forward should be school safety and well-being.	2/19/2025 8:54 AM
209	Forward thinking.	2/19/2025 8:52 AM
210	Someone that will hear and respond to concerns from within. Someone who will respect those on the front lines and understand that if they do not feel valued then productivity declines, students and education begin to suffer, and staff turnover increases. Protect the teachers and the school’s as a whole will improve. It does not take a doctorate to understand that.	2/19/2025 8:52 AM
211	A desire to be in the classroom with classroom teachers to build them up and receive feedback. Ask how to better support staff and faculty and care about their needs.	2/19/2025 8:52 AM
212	building trust between the schools and school board administration	2/19/2025 8:51 AM

213	Retaining quality teachers	2/19/2025 8:50 AM
214	Employee success equals student success!!	2/19/2025 8:48 AM
215	Safety of children	2/19/2025 8:46 AM
216	A key priority for the new superintendent should be our children in the school system! They need to listen to the parents when there is a problem and find a solution, not just brush it off to the side and think it will fix itself. The new superintendent should be more involved in the school system, show their face more and make their presence known! We need someone who is going to help our children succeed in this terrible Appomattox public school system.	2/19/2025 8:45 AM
217	There are so many. Discipline for our kids. There should be a line.	2/19/2025 8:43 AM
218	A key priority should be policies and procedures updates. Some of the policies in the handbooks haven't been updated in decades and times have changed.	2/19/2025 8:42 AM
219	Special education. We are losing amazing professionals at an alarming rate and therefore underserving this population.	2/19/2025 8:39 AM
220	Keep visiting buildings like our current Superintendent. They should be able to know their staff deeper than e-mail.	2/19/2025 8:39 AM
221	Following up with students with behavioral issues and making sure they had appropriate consequences and communication about their expectations.	2/19/2025 8:38 AM
222	We need someone who is willing to invest in building relationships to restore morale amongst the teachers. We have some excellent staff who need to be reinvigorated and unified. Building trust will be super important.	2/19/2025 8:36 AM
223	Appomattox County Graduate who resides in Appomattox County and is for the children, teachers ana ancillary staff and not afraid to stand up to government that doesn't align with Christian values regardless of grants.	2/19/2025 8:35 AM
224	Since the superintendent represents the entire district, they need to be a genuine people person. They are going to be interacting with our community and neighboring communities. This person should be involved and engage with the people.	2/19/2025 8:33 AM
225	Keeping effective staff and trimming the fat where needed. Bring in those motivated to teach.	2/19/2025 8:28 AM
226	Staff support/morale, which is at its lowest since I've been employed by ACPS.	2/19/2025 8:27 AM
227	Ensuring our students are receiving the best education they can receive and making sure our staff is happy and appreciated and not burnt out from trying to juggle multiple tasks all at once.	2/19/2025 8:27 AM
228	Safety for our children.	2/19/2025 8:24 AM
229	Community and parent relationships with our school system.	2/19/2025 8:21 AM
230	Be “the leader” we all look up to.	2/19/2025 8:18 AM
231	We need to improve our special education model in the county. For students who are unable to access the curriculum, there needs to be a consistent plan across all schools for them. Additionally, we need to examine our practices with IEP goal and objective setting.	2/19/2025 8:17 AM
232	A key priority for the new superintendent should be building a culture of inclusion and support for all students and staff. This means ensuring that special education services, related therapies (speech, OT, PT), and support staff feel just as valued as classroom teachers. Additionally, the superintendent should focus on equitable access to resources, staff retention, and fostering a positive learning environment where both students and educators feel supported, heard, and empowered to succeed.	2/19/2025 8:16 AM
233	Additional funding for staffing and student needs.	2/19/2025 8:16 AM
234	Continued staff development and restructuring of teams to utilize everyone's strengths. Building a team at the SBO that is balanced and filling with people that understand the job of building principals at all levels to support their continued growth. If the hire is internal, a good plan for replacing that person in their current role is important. That search and hiring would be key and should be done to provide balance and varying perspectives to the SBO team.	2/19/2025 8:15 AM
235	The key priority of our new superintendent should be to prepare our students academically for	2/19/2025 8:14 AM

	the future. He/she must find innovative ways to achieve this. He/she must hire highly qualified individuals to implement academic practices that will prepare the next generation. He/she must be able to listen to staff about what changes need to be made to prepare our students.	
236	Te person hired should be from the “outside”. NOT a current ACPS employee.	2/19/2025 8:13 AM
237	Children first- including knowing how to handle discipline, knowing what the children need for education, and knowing how to be adaptive to those needs. Also, knowing that you don’t know everything and you may not always be right, but that being alright.	2/19/2025 8:10 AM
238	Being more involved with students, parents, and teachers. Regularly checking in with each group to ensure teachers are supported, parents are involved, and students are thriving.	2/19/2025 8:09 AM
239	Teacher supports	2/19/2025 8:09 AM
240	Making health insurance more affordable for families	2/19/2025 8:05 AM
241	The superintendent should communicate regularly with all staff.	2/19/2025 8:04 AM
242	Communication	2/19/2025 8:01 AM
243	Come to Appomattox County and take a year to see the amazing, strong community that has been built and figure out how to build it up stronger. Not tear it down and start again. So many come in with all these ideas and start changing things immediately. How about see what is working and what is broken. Let’s work together!	2/19/2025 8:00 AM
244	Safety and respect. Putting policies in place to make a better classroom environment for everyone. Where students aren’t allowed to come in and cuss out teachers/other students and then be returned to class with no consequences. Where students aren’t kept in the classroom if they pose a threat to the teacher or students (I.e. when physical violence has been threatened or actions could result in harm). Currently teachers do not feel safe to do their job, nor do they feel like they are being respected which wears on their state of minds.	2/19/2025 7:56 AM
245	Promoting from within	2/19/2025 7:55 AM
246	They should have experience in differing levels of education (teacher, principal, etc.).	2/19/2025 7:54 AM
247	Supporting experienced building level admin with what they actually need to improve students education and finding areas of overspending on employees downtown. Increasing transparency and clear communication from the Superintendent down to support staff.	2/19/2025 7:53 AM
248	Creative ideas for staff recruitment and retention	2/19/2025 7:49 AM
249	Problem solving skills.	2/19/2025 7:47 AM

Minutes of
Appomattox County School Board
February 20, 2025 Regular Monthly Business Meeting and
Public Hearing on the Proposed 2025-2026 School Budget

The Appomattox County School Board met virtually in regular session on Thursday, February 20, 2025 at 5:00 p.m. to conduct the Regular Monthly Business Meeting and a Public Hearing on the Proposed 2025-2026 School Budget. Present were Board members Mr. Gregory A. Smith, Mr. Roger B. Stough, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Mr. Jason L. Wells, and Dr. Annette A. Bennett, Division Superintendent.

This meeting was held electronically due to the hazardous weather. A State of Emergency was issued by Governor Youngkin for the state of Virginia.

CALL TO ORDER

Mr. Wells, School Board Chair, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSENT AGENDA – APPROVAL

It was moved by Mr. Stough and seconded by Mr. Smith to approve the following consent agenda items:

1. Minutes of January 9, 2025 Organizational and Regular Monthly Business Meeting
2. Payment of Bills as of February 20, 2025:

a)	General Fund Bill Listing	-	$ 183,242.94
b)	School Food Bill Listing	-	$ 105,921.85
c)	General Fund EOM Bill Listing	-	$ 181,017.52
d)	CIP Bill Listing	-	$ 62,750.00

(Attachments #1-7)

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the superintendent.

CONSIDERATION OF AGENDA

It was moved by Mr. Smith and seconded by Mr. Stough to approve the agenda as presented. By unanimous voice vote, the motion was approved.

RECOGNITIONS

Virginia School Boards Appreciation Month February 2025

The Virginia School Boards Association (VSBA) has designated February 2025 as their annual observance of School Board Appreciation Month.

Appomattox County Public Schools takes great pride in recognizing the following members of the School Board for their service and dedication to public education:

- Mr. Jason Wells, Chair
- Mr. Bobby Waddell, Vice-Chair
- Mr. Gregory Smith
- Mr. Roger Stough
- Mr. Wyatt Torrence

COMMUNICATIONS

Communication Items from the Superintendent

Dr. Bennett shared the news of the passing of Mrs. Beatrice Totty Hudson, former bus driver for the Appomattox County school division for 36 years: October 26, 1973 to July 30, 2009. On behalf of the School Board, a contribution was made to the Appomattox County Education Foundation in Mrs. Hudson's memory and a card was sent to her family.

(Attachment #8)

PUBLIC HEARINGS

Public Hearing on Proposed 2025-2026 School Budget

School Board Chair, Mr. Wells, opened a public hearing to receive comments on the proposed 2024-2026 school budget. There were no individuals wishing to address the Board. Mr. Wells closed the public hearing.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests to address the Board concerning agenda items.

SUPERINTENDENT'S REPORT

Superintendent's 2025-2026 Proposed Budget Presentation and Key Dates for 2025 General Assembly

Dr. Jason Tibbs presented the Superintendent's 2025-2026 Proposed Budget and reviewed the key dates for the 2025 General Assembly.

The Appomattox County School Board adopted the following budget goals for FY26:

1. Continue to focus on employee compensation.
2. Continue to focus on capital improvements.

Dr. Tibbs shared areas in which the division is meeting the comprehensive plan goals related to Instruction & Student Achievement and Finance.

School Board members reviewed proposed budgets from the Governor - $34,605,376 and the House & Senate - $35,439,806. Federal title revenue projections for FY26 totaled $1,369,810.75, based on 2025-2025 allocation amounts.

Dr. Tibbs reviewed a snapshot comparison of the division's FY25 expenditures – appropriations vs. the division's FY26 expenditures – projected.

Proposed revenue changes include possible increase in state funding and local funding, Federal Title funds, and the final year of ALL In Tutoring Fund carryover. Proposed expenditure changes include a 3% salary plus step increase for all staff, health insurance rate increase of estimated 10%, and positions and stipends (SPED support, teaching positions, future center coordinator, coaching supplement scale process change).

The next steps in developing the FY26 budget involve a joint meeting between the School Board and the Board of Supervisors on March 4, 2025. The target date for School Board approval is March 27, 2025. The final step working closely with Appomattox County Board of Supervisors and county staff regarding appropriation to ACPS and amending the FY26 budget as needed.

(Attachment 9)

Instructional Calendar Revision

School administration proposed approval of revision of the instructional calendar to reflect March 5 and March 14 as full instructional days for students. March 5 was originally scheduled as an Early Dismissal for Students for a Teacher Workday in the afternoon. March 14 was originally scheduled as a Teacher Workday with no school for students.

School Discipline Process Presentation

Superintendent Dr. Bennett presented requested information on the division's discipline process.

(Attachments #10-11)

POSTPONED – ACPS Job Fair

The ACPS Job Fair scheduled for Saturday, February 22, 2025 was postponed due to hazardous weather. A scheduled date will be announced.

Discussion of Joint Board Meeting of March 4, 2025

School Board members and the Superintendent discussed the Joint Board Meeting with the Appomattox County Board of Supervisors scheduled for Tuesday, March 4, 2025. The School Board's proposed agenda items focuses on a budget overview and CIP (Capital Improvement Plan) needs.

Discussion of March 27, 2025 Tour of School Facilities

School Board members discussed the March 27, 2025 Tour of School Facilities schedule. Tour attendees will travel to all four division schools with lunch provided at Appomattox Primary School. The tours will complete at 3:30 p.m. and the March 27, 2025 Regular Monthly Business Meeting will begin at 4:00 p.m.

Membership Report as of January 31, 2025

The Superintendent reviewed the January 31, 2025 Membership Report. The Average Daily Membership for January 2025 was 2355.3. Total funded ADM for 2024-2025 was 2262.

(Attachment #12)

VSBA and NSBA Activities as of February 20, 2025

The 2025 VSBA Southern Spring Networking Forum will be held on Wednesday, March 26, 2025. The event will take place at Rustburg Middle School from 5:00 p.m. to 7:00 p.m.

VSBA will conduct a Hot Topic Conference on Thursday, April 17, 2025. The in-person event will be held at the VSBA office in Charlottesville, VA and the registration fee is $190.00.

(Attachments #13-14)

ACTION ITEMS

Consideration of Adoption of National FFA Week Proclamation

It was moved by Mr. Stough and seconded by Mr. Smith to adopt the proclamation designating February 15-22, 2025 as National FFA Week as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval of Revised 2025 School Board Meeting Calendar

It was moved by Mr. Stough and seconded by Mr. Torrence to approve the revised 2025 School Board Meeting Calendar as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #15)

Consideration of Approval of Revised 2024-2025 Instructional Calendar

It was moved by Mr. Waddell and seconded by Mr. Stough to approve the revised 2024-2025 instructional calendar with the revisions of March 5 and March 14 as full instructional days for ACPS students as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

UNFINISHED BUSINESS

There were no items of unfinished business to come before the Board.

NEW BUSINESS

There were no items of new business to be considered by the Board.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests to address the Board concerning non-agenda items.

NEXT MEETINGS

A Public Hearing on the Superintendent Search will be held Tuesday, March 5, 2025 at 5:00 p.m. in the School Administration Building located at 316 Court Street in Appomattox, Virginia.

A Joint Board Meeting with the Appomattox County Board of Supervisors is scheduled for Tuesday, March 5, 2025 at 6:00 p.m. in the School Administration Building located at 316 Court Street in Appomattox, Virginia.

A Tour of School Facilities will take place Thursday, March 27, 2025 at 9:00 a.m. The tours will be of all four division schools and will begin at Appomattox County High School located at 198 Evergreen Avenue in Appomattox, Virginia.

A Regular Monthly Business Meeting will be held Thursday, March 27, 2025 at 4:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

CLOSED SESSION

Adjourn to Closed Session

Mr. Stough moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment

for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended in particular for review of the personnel report; and,

2. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports.

Mr. Torrence seconded the motion made by Mr. Stough. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student discipline, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Stough and seconded by Mr. Waddell to adjourn to public session. By unanimous voice vote, the motion was approved.

PUBLIC SESSION

Certificate of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Stough made this motion, which was seconded by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote.

(Attachment #16)

Approval of Personnel Dated February 20, 2025

It was moved by Mr. Stough and seconded by Mr. Torrence to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved.

(Attachment #17)

ADJOURNMENT

There being no further business, Mr. Stough moved the meeting be adjourned with a second from Mr. Waddell. By unanimous voice vote, the motion was approved.

Jason L. Wells
Chairman

Carrington W. Pritchard
Clerk of the Board

CERTIFICATION OF CLOSED MEETINGS

MOTION: Mr. Stough moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

SECOND: Mr. Torrence seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mr. Smith	-	Yes
Mr. Stough	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Mr. Wells	-	Yes

What is a Dear Colleague Letter? (and Why You Need to Know)

Individual offices within the U.S. Department of Education (USDOE or Department) will issue documents called Dear Colleague Letters (DCLs) to provide guidance to schools, colleges, and other education-related entities on how to interpret and comply with federal laws and policies. Over the past decade, DCLs have been used more frequently, gaining heightened attention most recently with the February 14, 2025, DCL regarding discrimination on the basis of race, color, or national origin.

So, it seemed like a good time to go over what Dear Colleague Letters are and what they mean for school boards. Many DCLs come from the Office for Civil Rights (OCR) and many, if not most, DCLs are relevant to K-12 schools. Because DCLs can influence how federal laws are expected to be enforced, school board members should be aware of them and understand their effects.

Dear Colleague Letters are Guidance Documents

The USDOE refers to the content of DCLs as "guidance." In general, DCLs are not legally binding, but they are important. DCLs do not create new laws or regulations, but instead, explain how the USDOE interprets and enforces existing laws.

School boards should take DCLs seriously, because they indicate how the federal government expects the school divisions to act. DCLs can shape federal investigations and enforcement actions. Additionally, USDOE can rely on DCLs in judicial proceedings, and has argued that the positions taken in the DCLs have the force of law. Courts, however, generally treat DCLs as persuasive but not binding, meaning courts may consider DCLs but are not required to follow them.

Topics Covered by Dear Colleague Letters

DCLs focus on a diverse scope of important federal legal topics such as civil rights protections under Title IX (sex discrimination) and Title VI (race, color and national origin discrimination), racial preference, bullying and harassment, school programming, and special education requirements.

What Do School Boards Need to Know – Key Takeaways

School boards should be aware of DCLs because they outline the USDOE's positions on important topics and because they establish standards that the Department expects school divisions to follow and meet. School boards should know that DCLs are influential guidance documents but are not legally binding. School boards may need to check with their local school board attorney to ensure that they do not adopt requirements for their divisions that exceed or contradict legal requirements before the school board adopts any standard established by a DCL into a local policy.

Robinson Funeral Home

Nancy Slagle Cawthorn Webb

(May 9, 1940 - February 5, 2025)

Nancy Slagle Cawthorn Webb, 84, of Appomattox passed away on Wednesday, February 5, 2025, at Appomattox Health and Rehab Center. She was twice widowed, her first husband was the late Jack Cawthorn, her second the late Donald Webb.

Born on May 9, 1940, in Mars Hill, North Carolina, she was the daughter of the late William Ophard Slagle and Mable Wyatt Slagle. She was a lifetime member of Hollywood Baptist Church. She was a retired cafeteria worker for Appomattox County Public Schools.

She is survived by two sons, Steve Cawthorn of Appomattox and Matthew Webb and wife, Kami of Roanoke; one daughter, Donna C. Miller of Lynchburg; six grandchildren, Joey, Cora, Charlie, Alex, and Ben Webb, and James Buchholz; three siblings, William “Bill” Slagle and wife, Sarah, Linda Seay and husband, Richard, and Roger D. Slagle all of Appomattox; and numerous nieces and nephews.

She was preceded in death by a sister-in-law, Judy B. Slagle, and a son-in-law, Jimmy Miller.

A funeral service will be held 2 pm, Sunday, February 9, 2025, at Hollywood Baptist Church with Rev. Bob Phillips officiating. Burial will follow in the church cemetery.

The family will receive friends from 5-7 pm, Saturday, February 8, 2025, at Robinson Funeral Home.

In lieu of flowers please consider making memorial donations to Appomattox Volunteer Fire Department, PO Box 894, Appomattox, VA 24522.

Robinson Funeral Home is serving the family.

1945 — Edwina — 2025

Edwina Ann Covington

April 15, 1945 — February 17, 2025
Prospect, VA

Edwina Ann Miles Covington, 79 of Prospect, VA passed away on February 17, 2025. She was born on April 15, 1945 to the late Edward and Winnie Roley Miles. She was raised in Exmore, VA on the Eastern Shore of Virginia. She attended Longwood College where she met the love of her life Julian Covington. He was a farmer and drove a taxi in Farmville. On the farm they raised tobacco, hand milked dairy cows, had a small herd

of beef cattle, a few pigs and seasonal vegetables. Edwina taught high school French and English for many years and retired from Appomattox Public School.

Edwina also was a local correspondent for the Farmville Herald with columns about the goings on in the Elam-Prospect area. Her biggest passion was local history, she was active in both the Prospect Historical Society and the Farmville, Prince Edward historical society. Her knowledge of the rural history of the area was unsurpassed and she often shared stories about the “old days”.

She was a member of Olive Branch United Methodist Church.

She enjoyed trips to revisit her home place on the Eastern Shore and was active in her high school reunions. She was an avid reader and took up painting and art with the encouragement from Audrey Sullivan and the Red Door 104 Art Studio in Farmville. Her cats Hilda and Georgie and her border collie Prince were her constant companions. She is survived by her niece Joette Barr Finchum (James).

A funeral service will be held on Friday, February 28, 2025 at 11:00AM in the Olive Branch Church with interment in the church cemetery.

Memorial contributions may be made to the Olive Branch Cemetery Association c/o Darin Thomas, Treasurer, 550 Hixburg Rd, Prospect, VA 23960.

Puckett Funeral Home is serving the family. www.puckettfh.com.

Teresa Lee McIntire-Harnett

(January 18, 1957 - March 19, 2025)

Teresa Lee McIntire-Harnett, 68, of Pamplin passed away peacefully on Wednesday, March 19, 2025, at her residence surrounded by family. She was a loving mother, grandmother, and wife.

Born in Allegan, Michigan, on January 18, 1957, she was the daughter of the late Everett Lorenzo McIntire and Marian Elizabeth Allen McIntire.

Teresa is survived by her husband, Michael D. Harnett; six children, Shane Drennan and wife, Erin, Aubrey Sprouse and husband, Philip, Travis Drennan and wife, Virginia, Kelly Harnett and husband, Chaz Adams, Zachary McIntire and wife, April, Justin Harnett and wife, Emily; 11 grandchildren; one brother, Everett L. McIntire and wife, DeVona; and brother-in-law, Thomas E. Cook.

She was preceded in death by a sister, Mary Ann Cook.

A private family service will take place at a later date.

In lieu of flowers please consider making memorial donations to the American Lung Association, 9702 Gayton Rd, #110, Henrico, VA 23238.

Robinson Funeral Home

Nancy Christian Jamerson

(August 27, 1942 - March 22, 2025)

Nancy Christian Jamerson, 82, went to be with Jesus on Saturday, March 22, 2025, at her home surrounded by family and dear friends. She was the loving wife of Floyd "Pete" Lee Jamerson for 65 years.

Born in Appomattox County, VA, on August 27, 1942, she was the daughter of the late Lucille Ryan Christian and William David Christian, Sr. She was a member of Rocks Baptist Church, and a former member of New Hope Baptist Church, where she spent many years working in the church nursery and with Vacation Bible School. Nancy retired from the Appomattox Middle School Cafeteria. As the "neighborhood mom" she welcomed all children into her home. Nancy loved to cook and feed people and was often heard saying "Come on in and getcha some." Nancy lived her life with a positive spirit.

In addition to her husband, she is survived by three children, Tammy Lynn Jamerson, JoAnn Jamerson Willis and husband, Scott, and Gregory Dean Jamerson and wife, Wendy; six grandchildren, Zac Willis, Rachel Willis, Jacob Willis, Matthew Willis (Leanna), Nathan Jamerson, and Gabby Jamerson; two siblings, Iris Mann and William "Billy" David Christian Jr.; one brother-in-law, Donald "Donnie" Jamerson; two sisters-in-law Darlene Jamerson Dunn, and Pam Jamerson, She is also survived by her beloved hairdresser and friend, Sissy; many dear neighbors including Barbara and Larry Hudson; and her feline companion, Max.

She was preceded in death by two sisters, Myrtle "Tish" Christian Inge and Amy Christian Glenn.

A funeral service will be held at 2 pm on Tuesday, March 25, 2025, at Robinson Funeral Home, officiated by Pastor Doug Lee. The family will receive friends one hour before the service. Burial will follow at Rocks Baptist Church at 3 pm.

In lieu of flowers, memorials may be made to St. Jude's Hospital, 501 St. Jude Place Memphis, TN 38105 or Centra Hospice of Farmville, 1705 East Third Street, Farmville, VA 23901.

The family wishes to thank Centra Hospice of Farmville for their loving care of Nancy.

SCHOOL ADMISSION

No person is charged tuition for admission or enrollment in the Appomattox County public schools, whether on a full-time or part-time basis, who is eligible for admission under Policies JEC School Admission or JECA Admission of Homeless Children. School officials do not inquire into the student's citizenship or B, C or D visa status in determining eligibility for tuition-free enrollment in the Appomattox County public schools.

However, the school division may admit and charge tuition to a student who:

A. Is a resident of the school division but not of school age;
B. Is of school age and not a resident of Virginia but is temporarily living with a non-parent who resides within the school division;
C. Is of school age and resides beyond the boundaries of Virginia but near thereto in a state or the District of Columbia which grants equal attendance privileges to residents of the Commonwealth;
D. Is of school age and resides on a military or naval reservation located wholly or partly within the geographical boundaries of the school division, is not a domiciled resident of the Commonwealth of Virginia, and is a student for whom federal funds provided under Public Law 874 of 1950, commonly known as Impact Aid, fund less than 50 percent of the total per capita cost of education in Appomattox County Public Schools exclusive of capital outlay and debt service; such students shall be eligible for interscholastic programs immediately upon enrollment, provided that such persons (i) satisfy all other requirements for eligibility and (ii) are dependents of a military service member required by the military to live on the military installation as evidenced by a statement on command letterhead signed by, or by direction of, the service member's commanding officer;

E. Is of school age and attending a school in the division pursuant to a foreign student exchange program approved by the School Board;
F. Is a resident of the Commonwealth but not of the school division, except as provided in Policy JEC School Admission;
G. Is of school age and was enrolled in a public school within the division as a domiciled resident of the Commonwealth, and has been required as a result of military or federal orders issued to their parents to relocate and reside on federal property in another state or the District of Columbia, where such state or the District of Columbia is contiguous to the school division; or
H. Is of school age and residing within the school division, and is enrolled in summer programs other than remediation required under Va. Code § 22.1-253:13.1, or is enrolled in local initiatives or programs not required by the Standards of Quality or the Standards of Accreditation.

The Appomattox County School Board designates the following categories of students as eligible for consideration for admission and base tuition waivers and credits where indicated:

1. Reside with a parent or guardian who is a resident of the county – no tuition is required for this category.
2. Have a parent or guardian who is employed full-time (employment contract and 25 hours or more per week) by the Appomattox County School Board, County of Appomattox, or Town of Appomattox – base tuition is waived for this category.
   If a parent or guardian is employed by the Appomattox County School Board less than 25 hours per week the Board may, in its sole discretion, approve a reduction in base tuition based on the ratio of hours worked to 25 hours. (Example: A person works 15 hours; base tuition will be reduced by 15/25 or 3/5.) People employed as short-term or long-term substitutes do not receive an employment contract and are not eligible for benefits including a tuition waiver.
3. Have approval from the School Board to attend and pay tuition established annually by the School Board. Parents will receive a tuition credit, not to exceed $1,000.00 per child enrolled in all grades after February 27, 2014, equal to the amount of real estate taxes paid in Appomattox County and/or business license taxes paid in the Town of Appomattox.
4. If a parent or guardian serves as a volunteer or full time first responder (Police, Fire, EMT, Dispatch, Emergency Management Personnel) and/or service as active or reserve military personnel, the Board may, in its sole discretion, approve a 50% reduction of tuition cost. Proof in the form of a current ID or pay stub must be provided with the applicant. Only one discount per household will be given.

Eligibility for consideration does not signify acceptance of the admission application of a student. Each application for admission will be considered on an individual basis. The residency of persons in the above categories who reside in housing or temporary shelter, or on property located in multiple jurisdictions, shall be determined in the manner set forth in Policy JEC School Admission.

Foreign students in an F-1 immigration status or who obtain F-1 student visas are not admitted in the division's elementary schools or publicly funded adult education programs. Such students may be admitted, for a period up to twelve months, in the division's

secondary schools only if they pre-pay the full, unsubsidized per capita cost of the education.

Procedure for Admission

The following procedure is followed for application and review of applications for admission of students who are not eligible for tuition-free enrollment.

A parent or guardian of a student shall apply for admission on behalf of the student by completing the division application. The application form contains information and agreements including, but not limited to:

- the current legal residence of the child and the school division in which the child is currently enrolled, if any;
- the child's unique student identification number, if any;
- the basis for requesting admission;
- the specific building and grade level (elementary) or course offerings (secondary) in which the student desires to be enrolled if accepted by the division; and,
- the agreement that the student is subject to all policies and regulations of the school division, including Policy JFC Student Conduct and the Standards of Student Conduct.

Within 15 calendar days of receipt of the application, the Appomattox County Office of the school division shall provide the applicant with written notification of the approval or denial of the application. If the student is to be admitted, the superintendent or superintendent's designee shall notify the division which the student previously attended, if any, and make necessary arrangements for the transfer of student records. The notification of admission shall state the period for which the student is accepted and the subsequent conditions which could cause the acceptance to be terminated.

If the application is denied, the Appomattox County Office shall notify the parent or guardian of the right to have the decision reviewed by sending a written request to the superintendent or superintendent's designee within seven calendar days. Applications denied based upon the student's suspension, expulsion or withdrawal of admission shall be reviewed as provided in Policy JEC School Admission. For all other denials of admission, the superintendent or superintendent's designee shall respond in writing to the request for review within 10 calendar days.

Tuition Rate

The base tuition rate is set by the Appomattox County School Board for each academic year. Actual, additional costs of any special education or gifted and talented program provided to the pupil will be paid by the parent/guardian in addition to the annual base tuition rate established by the School Board, except for those students for whom the Board was already paying such additional costs at the time of enactment of this revised policy dated June 14, 2018. In the case of those students, the Board shall continue paying the additional costs.

Transportation

Transportation is not furnished to nonresident students except in those cases where:

- agreements between divisions specify transportation services;
- federal or state legislation mandates the provision of transportation services; or
- transportation services can be provided at no cost to the division.

Surrounding School Divisions Tuition Rate

2/28/2025

School Division	2024-2025	2025-2026
Amelia	No tuition	Anticipate this remaining the same for 2025-2026
Amherst	$500.00 ($250.00 per semester)	Not yet decided
Bedford	$4,100	Not yet decided
Brunswick	No tuition	Anticipate this remaining the same for 2025-2026
Buckingham	$1,000.00 ($500.00 per semester)	Not yet determined
Campbell	$500.00 ($250.00 per semester) $50.00 application fee that is applied to the tuition if approved.	Anticipate this remaining the same for 2025-2026
Charlotte	They currently do not charge out of division tuition.	Anticipate this remaining the same for 2025-2026.
Cumberland	$2,200 is the tuition cost but it is waived upon parent completing a variance form.	Anticipate this remaining the same for 2025-2026
Greensville	No tuition if in state.	Anticipate this remaining the same for 2025-2026
Halifax	$400.00 Elementary $500.00 Secondary	Anticipate this remaining the same for 2025-2026
Lunenburg	$2,269.00 per child	Not set until June for next year.
Mecklenburg	$2,400 for the 1st child $1,200 each additional	Anticipate this remaining the same 2025-2026
Nelson	$2,000.00	Anticipate this remaining the same 2025-2026
Nottoway	$200.00 but has been waived since Covid	Not yet determined
Prince Edward	Waived	Waived

ACPS historical charges for tuition:

1. 2011-2012 and 2012-2013 - $750.00 per student
2. 2014-2015, 2015-2016, 2016-2017, 2017-2018 - $1,000.00 per student with the exception of $750.00 per student for students enrolled in 8th through 12th grades in ACPS as of February 27, 2014. Please note: 2017-2018 was the last year the $750.00 exception applied.
3. 2018-2023 - $1,000.00 per student
4. 2023-present - $1,000.00 for the first student and $500.00 for each additional student.

SCHOOL BOARD SELF-ASSESSMENT

THE BOARD MEMBER TEAM	Very Good	Satisfactory	Needs to Improve
1. Keeps the education and welfare of students as their primary concern.			
2. Is open and honest with each other, as well as administrators and is able to maintain an attitude of mutual trust and respect.			
3. Works to preserve the confidentiality of items discussed in executive session.			
4. Represents the interests of the entire system rather than a special interest group(s).			
5. Understands the need for compromise and is willing to support the majority decision.			
6. Encourages each other to work together as a team.			
7. Realizes that independent decisions or commitments on the board's behalf are improper.			
8. During meetings is polite, listens carefully and is respectful of each other, as well as school personnel.			
9. Comes to meetings prepared to focus on discussion issues and keeps comments relevant and brief.			
10. Does not use the position of board member for personal profit and/or advancement of patronage.			
11. Is concerned about achieving results rather than giving a good appearance.			
BOARD/SUPERINTENDENT RELATIONS	**Very Good**	**Satisfactory**	**Needs to Improve**
1. The board and superintendent work together in a spirit of mutual trust and respect.			
The board:			
A. Understands the distinction between the board's role and the function of the administration.			
B. Avoids interference with the superintendent's duties.			
C. Solicits input from the superintendent in the development of board policies.			
D. Gives direction to the superintendent rather than through individual staff members.			
2. The board and superintendent develop, in cooperation, long-and short-term goals, and a process for regular evaluations of the superintendent's progress and performance.			

3. A spirit of open discussion prevails so that board members do not feel alienated and are able to address potentially destructive issues.			
4. The board plans regular opportunities for open communication between the board and the superintendent.			
BOARD/STAFF RELATIONS	**Very Good**	**Satisfactory**	**Needs to Improve**
1. Appropriate personnel policies in the area of employment evaluation are reviewed and adopted by the board.			
2. The board encourages and offers opportunities for professional growth for all employees.			
3. Suggestions from staff for improvement of the school system are welcome.			
4. Staff accomplishments are recognized by the board.			
5. An appropriate study of staff attitudes is conducted on a regular basis.			
6. Board members avoid making excessive personal requests from staff.			
7. The board provides a safe and productive working environment.			
BOARD/COMMUNITY RELATIONS	**Very Good**	**Satisfactory**	**Needs to Improve**
1. **The Board:**			
A. Keeps the public informed through regular newsletters, reports, and contact with the media.			
B. Is aware of community attitudes and of special interest groups.			
C. Seeks community input prior to establishing system goals and objectives.			
D. Holds public hearings on important issues before taking final action.			
E. Encourages public attendance/input at board meetings and at school functions.			
F. Cooperates with parent or citizen groups.			
G. Allows adequate time for public participation at board meetings, but prevents a single individual or group from dominating discussion.			
H. Channels public complaints/concerns about the school system to the appropriate member of the staff.			
BOARD MEMBER ORIENTATION AND CONTINUING DEVELOPMENT	**Very Good**	**Satisfactory**	**Needs to Improve**
1. **The system has a planned program to orient newly-elected board members:**			
A. The nature of their duties and responsibilities.			
B. The nature of the duties and responsibilities of			

administrative personnel.			
C. The difference in responsibilities between the board and the administration.			
D. The educational relationship between the school system and the state: i.e. finances, transportation, etc.			
E. The roll of the teachers' education association.			
F. The use of parliamentary procedure.			
2. **The board keeps informed through:**			
A. Professional publications and educational periodicals.			
B. Use of pertinent data, research and consulting services.			
C. Training opportunities such as conferences and workshops relevant to board responsibilities.			
D. Listening to educators, students, parents and community.			
PLANNING	**Very Good**	**Satisfactory**	**Needs to Improve**
1. Demographic information is current and provided to the board.			
2. **The board:**			
A. Establishes its own goals and objectives through a yearly review and evaluation process.			
B. Provides for a continuous process of strategic planning which focuses on student achievement citizenship, and other board priorities.			
C. Develops long- and short-term goals and objectives for the school system jointly with the superintendent and administrative team.			
D. Requires the superintendent to discuss progress on goals and objectives at designated intervals during the year.			
POLICY	**Very Good**	**Satisfactory**	**Needs to Improve**
1. **The board:**			
A. Maintains well-defined policies consistent with strategic goals of the system.			
B. Periodically reviews and updates policies according to an existing plan or system.			
C. Involves administrators, teachers, staff, students, parents and community members in the development or review of policy.			
D. Ensures that policies are current with mandates by governmental agencies and courts.			
E. Makes policy manuals available for system employees, students and the public.			
BUDGET/FINANCE	**Very Good**	**Satisfactory**	**Needs to Improve**

1. **The annual budget:**			
A. Reflects the strategic plan and supports the system's goals and objectives for student achievement, citizenship and other board priorities.			
B. Demonstrates the results of an evaluation of existing programs.			
C. Considers both short-range and long-range funding sources and expenditures.			
2. The board encourages input from staff, parents, students and community members throughout the budgeting process.			
3. Monthly or quarterly reports, depicting the system's financial status, including bills paid and other expenditures are presented in written form, clearly and concisely.			
4. Financial reports present clear and understandable data to the public.			
INSTRUCTIONAL PROGRAM	**Very Good**	**Satisfactory**	**Needs to Improve**
1. The board formulates educational goals based on the needs and values of the community.			
2. The board provides a quality educational program imposing high individual academic standards for each student.			
3. The board provides alternative instructional programs for the non-traditional student.			
4. The board provides appropriate courses-information for post high school careers/education.			
5. The board understands and follows the basic instructional program mandated by the legislature and the State Board of Education.			
6. The board reaches decisions affecting school programs on the basis of study of all available data and the superintendent's recommendations.			
7. Programs are evaluated on a timely basis and reported to the board.			
8. Student academic performance in the system, state and nation is presented regularly to the board.			
9. The board recognizes student accomplishments.			
10. The board promotes a positive, consistent approach to student discipline.

2025 VSBA HYBRID CLERKS CONFERENCE

MAY 8, 2025
VSBA OFFICE OR VIRTUAL

About the Conference

Join us for an exciting day of learning, networking and professional growth at the VSBA Clerk's Conference! This must-attend event is designed to equip school board clerks and administrators with essential knowledge, key updates and practical tools to enhance their roles.

The day kicks off with a warm welcome from Gina Patterson, executive director of VSBA, setting the stage for an engaging and impactful experience. Prepare to be inspired by our keynote speaker, Dr. Herb Monroe, who will share powerful insights to motivate and energize you. Next, Michelle Minor and Bella Corbo will guide you through Clerks Reminders 101, ensuring you're up to speed on the VSBA database and website—key resources to streamline your work.

After a well-deserved break, Lesley Rigney, Director of Legal and Policy Services at VSBA, will take the stage for an eye-opening session on school law, providing the latest legal updates and best practices. Following lunch, Rodney Jordan will lead a dynamic discussion on Building Relationships with School Board Members, offering valuable strategies to foster strong, effective partnerships. The afternoon continues with an essential FOIA Presentation by Alan Gernhardt, who will break down Freedom of Information Act guidelines in a clear and engaging way.

We'll wrap up the day with exciting announcements and door prizes—you won't want to miss your chance to win! Don't miss this opportunity to connect with colleagues from across Virginia, gain valuable knowledge, and leave feeling more empowered than ever.

THURSDAY, MAY 8, 2025

9:00 am	**Introduction and Welcome** Gina Patterson, Executive Director, VSBA
9:15 am	**Keynote** Dr. Herb Monroe, Superintendent, Surry County Public Schools
9:45 am	**Clerks Reminders 101: Database and VSBA Website** Michelle Minor, Database Specialist, VSBA Bella Corbo, Member Engagement Specialist, VSBA
10:15 am	**Networking Break**
10:30 am	**School Law** Lesley Rigney, Director of Legal and Policy Services, VSBA
11:45 am	**Lunch**
12:15 pm	**Building Relationships with School Board Members** Rodney Jordan, Consultant, VSBA
1:00 pm	**FOIA Training** Alan Gernhardt, Executive Director, Virginia Freedom of Information Advisory Council
2:00 pm	**Adjournment**

LODGING INFORMATION:

A block of rooms has been reserved for attendees at the Hilton Garden Inn Charlottesville, 1793 Richmond Rd., Charlottesville, VA 22911, for the night of May 7, 2025. Please make your hotel reservations by calling 434-979-4442 and letting them know you are with VSBA.

Thank You to Our Sponsor:

BoardDocs®
A DILIGENT BRAND

REMINDER:

Nametags must be visible to be admitted to ALL VSBA meetings and conferences.

COSTS:

Registration: $200
Late Registration: $250
(After April 24)

Please mail payment to:
VSBA
200 Hansen Road, Suite 2
Charlottesville, VA 22911

REGISTRATION INFORMATION:

The deadline for cancellations is April 24, 2025. Cancellations must be received in writing via email to mikaela@vsba.org by April 24 and will incur a $50 cancellation fee. Cancellation requests received after April 24 and no shows will not be refunded. Substitution of an individual may be made at any time.

If a meeting or conference is canceled and/or postponed due to inclement weather, registration fees will be automatically transferred to the rescheduled date of the conference. If attendees are unable to attend the rescheduled date, a substitution can be made, or the school division will be credited the registration fee to use for future events.

2025 VSBA SCHOOL LAW CONFERENCE: ENGAGE IN-PERSON OR VIRTUALLY

MAY 30, 2025
HILTON RICHMOND HOTEL & SPA SHORT PUMP

About the Conference

Get ready for an insightful and impactful day designed to equip school board members, administrators, and legal professionals with relevant updates and strategies in education law.

We'll dive right into the latest developments from the U.S. Department of Education with John Foster, tackling one of the most pressing legal issues shaping public education today. The conversation continues with an essential session on school board member access to records, led by Wesley Allen and Kristi Johnson, ensuring an understanding of rights and responsibilities.

After a networking break, the spotlight turns to court orders, where Robert Falconi and Pam O'Berry will walk you through key legal considerations for school divisions. Then, Andrew Fox and Mike Lockaby will unpack the complexities of School PPEA projects, offering guidance on navigating public-private partnerships.

Over a working lunch, stay ahead of the curve with a critical legislative update from J.T. Kessler, VSBA Director of Legislative Services, and Stacy Haney, VSBA Chief Lobbyist, as they break down the new laws that will shape the future of Virginia public education.

FRIDAY, MAY 30, 2025

9:00 am	**Introduction and Welcome** Dr. JoWanda Rollins-Fells, VSBA President Greetings: Nicole Cheuk, Attorney, Sands Anderson
9:05 am	**USDOE Updates/Emergence** John Foster, Attorney, Fairfax County Public Schools
10:00 am	**School Board Member Access to Records** Wesley Allen and Kristi Johnson, Attorneys, Loudoun County Public Schools
10:45 am	**Networking Break**
11:00 am	**What Do I Do with This? How School Divisions Address the Implementation of Court Orders at the School Level** Robert Falconi, Attorney, Alexandria City Public Schools Pam O'Berry, Attorney, Sands Anderson
11:45 am	**Putting the E Back in PPEA - Using the Public-Private Education Facilities and Infrastructure Act of 2002 for School Construction and Renovation Projects** Andrew Fox, Attorney, Norfolk City Public Schools Mike Lockaby, Attorney, Spillman Thomas & Battle, PLLC
12:30 pm	**Lunch and Learn: Legislative Update** J.T. Kessler, VSBA Director of Legislative Services Stacy Haney, VSBA Chief Lobbyist
1:30 pm	**Adjournment**

Don't miss out on this opportunity to stay informed, engaged, and prepared for the challenges ahead!

LODGING INFORMATION:

A block of rooms has been reserved for attendees at the Hilton Richmond Hotel & Spa Short Pump, 12042 West Broad Street, Richmond, VA 23233, for the night of May 29, 2025. Please make your hotel reservations directly by visiting the link here.

Inform the reservation staff you are attending the Virginia School Boards Association Conference to receive the special rate of $159 (Run of House). The deadline for the reserved block is May 7, 2025. If reservations are made after the May 7 deadline, the group rate may not be available.

LOCAL EDUCATIONAL AGENCY CERTIFICATION

Use of Funds: The applicant designated above applies for an allocation of federal assistance as appropriated under *ESEA*. Funds are available to support local education reform efforts that are consistent with statewide education reform efforts to: 1) provide funding to implement promising education reform programs and school improvement programs based on evidence-based research; 2) provide a continuing source of innovative and educational improvement; 3) meet the educational needs of all students; and 4) develop and implement education programs to improve student achievement and reduce barriers to education.

Assurances: The local educational agency assurances that federal funding will be administered and implemented in compliance with all applicable statutes, regulations, policies, and program plans under ESEA. Additionally, the local educational agency agrees by signing below to implement the general and program specific assurances included in the application. The assurances and signed cover page are to be retained at the division level and may be requested during monitoring and evaluation.

Certification: We hereby certify that, to the best of our knowledge, the information contained in this application is correct and we agree to the assurances outlined in this application. The agency named above has authorized us as its representatives to file this application, and such action is recorded in the minutes of the School Board meeting held

on _____.

REVISIONS AND AMENDMENTS

Place an "X" in the first box indicating whether it is a revision or amendment. Enter the date of the revision or amendment. Indicate the tab(s) that have been changed. **Provide a concise description of changes** (for example, "Budget Changes--decreased travel budget in object code 5000 and increased contracting coaching services in object code 3000"). When completing an amendment, changes to the program overview may be reflected as additions at the end of the narrative.

NOTE: Any changes to the program budget should first be reflected in an amended application, followed by a budget transfer within 7 business days of approval of the amended application. Budget transfers will not be accepted without an approved amended application reflecting budget changes.

B. PROGRAM OVERVIEW (1 PAGE)

Describe the LEA's plan to support schools as they educate families in removing barriers to education such as focusing on the topics below. Parent education programs should focus on community conversations and removing student barriers to learning.

a. cell phone addictions,
b. mental health challenges related to social media,
c. chronic absenteeism,
d. bullying,
e. hazing, etc.

See initial application submitted by LEA on file with the Virginia Department of Education.

1. Describe the results of the needs assessment process to determine the schools that would benefit from a microgrant to remove barriers to academic achievement. Include information about why these schools were chosen to participate in this initiative. Provide the justification in row 97 and list the participating schools in row 98.

Appomattox County Public Schools recognizes the growing concern regarding the negative impacts of cell phone and social media use on student mental health and academic performance. National and local data indicate an increase in anxiety, depression, and cyberbullying linked to excessive technology use. Discussions with administrators, teachers and parents reveal that students are struggling with focus, social engagement, and academic success due to screen time overuse. Administrators stress that the overuse of cell phones and technology contribute to many discipline issues in the school building, including mental health issues and cyberbullying.

Current school programs lack targeted initiatives that address digital wellness and mental health in a comprehensive manner. This grant will fill those gaps by implementing a multi-faceted approach, including student-led awareness campaigns, family-centered tech detox activities, and the integration of digital wellness content into literacy events. Given the post-pandemic increase in screen time and its effects on student well-being, there is an urgent need to act to support students and families in creating healthier technology habits. T

List Title I, Part A Schools	List Non-Title I, Part A Schools
Appomattox Primary School Appomattox Elementary School	Appomattox Middle School Appomattox County High School

2. Describe how the local educational agency will evaluate the effectiveness of the activities carried out under this grant based on grant objectives and outcomes.

To ensure the effectiveness of the activities outlined in this grant, we will implement an evaluation plan aligned with the stated objectives and performance targets. Our evaluation will be based on quantitative and qualitative measures, including surveys, participation rates, and stakeholder feedback. The evaluation objectives focus on assessing the increase in awareness of mental health issues related to technology use among students and parents, measuring family participation in the Tech Detox Challenge, and evaluating the integration and impact of digital wellness topics in literacy events.

For the Student-Led Mental Health Awareness Campaign, we aim to conduct at least one parent information session each year for the next three years and achieve a 20% increase in awareness of mental health issues related to technology use. To evaluate this, we will administer pre- and post-campaign surveys to students and parents to assess knowledge and awareness gains, maintain attendance records for parent information sessions, and collect qualitative feedback from students, teachers, and parents regarding campaign effectiveness.

The Family Tech Detox Challenge aims to engage at least 50% of families in tech detox weekends by the end of the school year and distribute tech detox information packets and choice boards to 100% of students. We will measure effectiveness through submission rates of completed choice boards, post-event surveys assessing changes in family technology use and engagement in alternative activities, logs of information packet distribution, and feedback from partnering mental health agencies on the effectiveness of follow-up sessions.

For the Title I Family Literacy Night, we will integrate digital wellness content into at least two family literacy events per school by the end of the 2025-2026 school year and distribute take-home resources to 100% of participating families. Evaluation will include event attendance logs to measure family participation, feedback surveys from families assessing the usefulness of digital wellness content and provided resources, and documentation of materials distributed to families.

C. COORDINATION OF SERVICES

Describe how the parent programs to assist with the removal of barriers to education that focus on cell phone addiction, mental health challenges related to social media, chronic absenteeism, bullying, hazing, etc. will be coordinated with other federal, state, and/or local programs to meet the measurable objectives and goals identified in this application.

This program will be coordinated with other federal and state initiatives to maximize resources and ensure a comprehensive approach to supporting student well-being. Appomattox County Public Schools uses Title I funds to promote parent and family engagement by organizing family literacy nights and providing take-home resources that support academic achievement. The proposed program aligns with these efforts by incorporating digital wellness and mental health topics into existing Title I family events. This integration will provide parents with practical strategies to reduce technology-related stress and improve student focus and learning outcomes.

Additionally, the district utilizes Title IV funds to address chronic absenteeism through targeted interventions that support student mental health and increase school connectedness. The proposed student-led mental health awareness campaign and the Family Tech Detox Challenge will complement these efforts by fostering positive school environments and encouraging healthy technology use. By addressing the root causes of absenteeism, such as anxiety and social disconnection, the program supports the district's broader goals of improving student attendance and academic engagement.

D. MEASURABLE OBJECTIVES

Write measurable objectives that will guide the activities funded with the requested federal funds.

What is a Measurable Objective?
A measurable objective has four components:
1) **Subject** (What is the target or focus?);
2) **Behavior** (What will be changed/improved?);
3) **Specific criteria** for assessing improvement, and tools to be used to measure effectiveness; and
4) **Time period** for performance or assessment.

Measurable Objective 1:

Achieve a 20% increase in awareness of mental health issues related to technology use, measured by pre- and post-campaign surveys.

Evidence-based research strategies, services, and activities that will be implemented and supported by the requested funds to achieve the objective.

To effectively address issues such as technology addiction, mental health challenges, and cyberbullying, the student-led initiative can incorporate several evidence-based strategies:

Collaborative Content Creation: Involving students in developing campaign materials, such as videos and print resources, ensures the content is relatable and engaging. This participatory approach increases the likelihood of peers connecting with the message, thereby amplifying its impact.

Measurable Objective 2:

Distribute tech detox information packets and choice boards to 100% of students. Engage at least 50% of families in tech detox weekends by the end of the school year as measured by the return of signed choice boards

Evidence-based research strategies, services, and activities that will be implemented and supported by the requested funds to achieve the objective.

Structured Screen-Free Challenges: Organizing family challenges that promote screen-free periods can effectively reduce device dependency. For example, families can participate in activities such as outdoor excursions, board games, or community events during these detox weekends. This approach encourages collective participation and accountability, making the detox experience more engaging and sustainable.

Educational Resources on Digital Detox Benefits: Providing families with informational packets that outline the advantages of reduced screen time can motivate participation. Benefits include improved sleep quality, enhanced mood, and better academic performance. Understanding these positive outcomes can encourage families to commit to tech-free weekends.

Incentivized Participation: Offering incentives, such as the chance to win prizes upon submitting completed activity choice boards, can boost engagement. This gamification element adds excitement and encourages families to fully embrace the detox experience.

Measurable Objective 3:

Integrate digital wellness content into at least two family literacy events per school by the end of the 2025-2026 school year. Distribute take-home resources to 100% of participating families.

Evidence-based research strategies, services, and activities that will be implemented and supported by the requested funds to achieve the objective.

Embed Digital Wellness into Literacy Activities: Incorporate discussions on digital wellness within existing family literacy programs. This approach allows families to explore topics such as responsible technology use and online safety in a familiar setting, enhancing engagement and comprehension.

Provide Accessible Take-Home Resources: Distribute materials that are relevant and easily understandable, ensuring they cater families.

Engage Families with Interactive Content: Offer resources that include practical tips and activities, such as setting screen time boundaries and encouraging offline hobbies. This interactive approach empowers families to apply digital wellness practices in their daily lives.

F. BUDGET SUMMARY

		Title I, Part A School Microgrant Application: Removing Barriers Related to Academic Achievement		
		Allocation:	5,311.00	
OBJECT CODE	EXPENDITURE	AMOUNT BUDGETED	FTEs	DOES THE BUDGET SUMMARY MATCH THE DETAILED BUDGET BREAKDOWN?

	Total for Object Code:	5,311.00

F. BUDGET SUMMARY

		Virginia Department of Behavioral Health & Developmental Services (DBHDS) School Microgrant Application: Removing Barriers Related to Academic Achievement		
		Allocation:	5,314.00	
OBJECT CODE	EXPENDITURE	AMOUNT BUDGETED	FTEs	DOES THE BUDGET SUMMARY MATCH THE DETAILED BUDGET BREAKDOWN?
1000 - Personnel Services	Non Set-Aside	1,500.00		
	Set-Aside			
	Total Personnel Services	1,500.00		Yes
2000 - Employee Benefits	Non Set-Aside			
	Set-Aside			
	Total Employee Benefits	0.00		Yes
3000 - Purchased/ Contracted Services	Non Set-Aside			
	Set-Aside			
	Total Purchased/Contracted Services	0.00		Yes
4000 - Internal Services	Non Set-Aside			
	Set-Aside			
	Total Internal Services	0.00		Yes
5000 - Other Charges	Non Set-Aside			
	Set-Aside			
	Total Other Charges	0.00		Yes
6000 - Materials and Supplies	Non Set-Aside	3,814.00		
	Set-Aside			
	Total Materials and Supplies	3,814.00		Yes
8000 - Capital Outlay	Non Set-Aside			
	Set-Aside			
	Total Capital Outlay	0.00		Yes
	TOTAL BUDGET	5,314.00		
	DOES THE BUDGET SUMMARY MATCH THE TOTAL ALLOCATION?	Yes		Difference -

Notes: (1) Object codes 7000 and 9000 are not used in application budgets or in requests for reimbursements for this grant.

G. DETAIL BUDGET BREAKDOWN

Prepare a detailed breakdown of the budget categories for Object Codes 1000-6000 and 8000.

Does the Detailed Budget Breakdown Match the Total Allocation? Yes

DETAILED BUDGET DESCRIPTION OF OBJECT CODE 1000

Provide a description of the positions supported with funds from this program. Indicate if any positions are newly funded under this program. Explain the supplementary nature of any new positions. **Required if staff positions are to be funded by federal funds.**

Teacher stipened for a teacher to work on video creation

Item Description	FTEs	Total Cost
Teacher Stipened for Video Creation		1,500.00
Total for Object Code:	0.00	1,500.00

DETAILED BUDGET DESCRIPTION FOR OBJECT CODE 6000

Provide a description for expenses related to object code 6000 Materials and Supplies. Include items that are consumed or materially altered when used and minor equipment that is not capitalized. Equipment under $5,000, including computer equipment, should be reported under this object code unless the LEA has set a lower capitalization threshold. Indicate the quantity for each item.

Materials and supplies for parent handouts and educational materials including card stock.

Various prizes for families who participate in family technology detox weekends.

Item Description	Quantity	Total Cost
Materials and Supplies for Parent Handouts and Education materials		500.00
Prizes for Family Tech Detox Challenge		3,314.00

VSBA POLICY UPDATE – February 2025

WHAT THE UPDATE CONTAINS . . .

The most recent revisions to the sample policies in the VSBA Policy Manual have been posted on the VSBA website (policyservices.vsba.org). The revisions are provided in both final and strike-through (also called redline or RL) format. The strike-through format shows each change made to the policies (the changes are designated by underlining new language and striking through deleted language). The Policy Update will remain on the website for approximately one year. After that the policies will be incorporated into the VSBA Policy Manual available on the website. The revisions are based on changes in law and regulations. In addition, some policies are revised for editorial reasons or to correct technical errors. All of the revisions have been reviewed for legality.

This document is also posted with the updated policies as is a list of policies that were reviewed but not revised.

HOW TO USE THE UPDATE . . .

A brief explanation is given for each revision later in this document. Each revision should be examined and then the school board should decide whether to adopt the revised policies. Some policies require local input before adoption. Be sure to add information where indicated. As with all sample polices provided by the VSBA, each board should decide whether to use the sample policies as they are written, make changes to them, write local policies themselves, or not adopt a policy on the topic.

The VSBA copyright and the date the policies are revised appear on all VSBA policies. If VSBA policies are changed in any way, the copyright reference should be deleted from the policy. VSBA policies adopted verbatim should retain the VSBA copyright symbol.

Please contact the Policy Services Department at VSBA if you have any questions, (434) 295-8722.

Explanation of Revisions – February 2025 Policy Update

Policy Code	Revision
BBBB (Optional)	**Student Representatives to the School Board** Policy updated. Footnote added. *Please note: Revision requires the school board to establish procedures for student representatives.*
BFE/CHD	**Administration in Policy Absence** Policy updated for clarity.
CHD/BFE	**Administration in Policy Absence** Policy updated for clarity.
DI	**Financial Accounting and Reporting** Cross References updated.
DN	**Disposal of Surplus Items** Policy updated for clarity.
EF	**Food Service Management** Policy updated. Cross References updated.
EFD	**Food Sanitation Program** Policy updated. Legal References updated.
FB	**Facilities Planning** Policy updated for clarity. Legal References and Cross References updated.
GBEA	**Unlawful Manufacture, Distribution, Dispensing, Possession or Use of a Controlled Substance** Policy updated.
GBLA	**Third-Party Complaints Against Employees** Policy updated. Legal References and Cross References updated. Footnote added. *Please note: Revision includes language directing the superintendent to establish regulations for processing third-party complaints at the option of the Board.*
GBN	**Staff Hiring Procedures** Policy updated.
GBR	**Voluntary Retirement Savings Program** Policy updated. Legal References updated.

GDQ	**School Bus Drivers** Policy updated. Legal References and Cross References updated.
IKG	**Remediation Recovery Program** Policy deleted because it is encompassed in other policies. *Please see sample policies: AG Literacy Plan, IGBD Programs for Students with Reading Deficiencies and IGBE Remedial and Summer Instruction Program*
JCA	**Transfers by Student Victims of Crime** Policy updated. Legal References and Cross References updated.
JCB	**Transfers by Students in Persistently Dangerous Schools** Policy updated. Legal References and Cross References updated.
JECB (Option 1)	**Admission of Nonpublic Students for Part-Time Enrollment** Policy updated. Legal References and Cross References updated. Footnote added.
JECB (Option 2)	**Admission of Nonpublic Students for Part-Time Enrollment** Policy updated. Legal References updated. Footnote added.
JFCA-F (formerly JFCA-E)	**Student Removal Form** Coding reference updated. Form and formatting updated.
JFCC	**Student Conduct on School Buses** Policy updated. Cross References updated.
JHDA	**Human Research** Cross References updated. Footnote added.
JJAC	**Student-Athlete Concussions** Cross References updated. *Please note: Va. Code § 22.1-271.5(B) requires the school division to update policies and procedures biennially, therefore, this policy requires the superintendent to develop and biennially update procedures regarding identification and handling of suspected concussions in student-athletes. In addition, the School Board must biennially update the policy.*

© 2/25 VSBA

JM	**Restraint and Seclusion of Students** Cross References updated. *Please note: 8 VAC 20-750-70 requires that both this policy and the procedures developed by the superintendent as required by the policy be reviewed annually. Superintendents should be sure that the division's procedures are reviewed and updated on a schedule that complies with that requirement.*
JOD (Optional)	**Release of Student Data/Records** Policy updated. Cross Reference updated. *Please note: The form was removed from the body of policy JOD to create a separate form known as JOD-F.*
JOD-F (Optional) (New)	**Consent Form Authorizing Release of Student Data/Records** Title of Form updated. Form and formatting updated. *Please note: This form was moved from the body of policy JOD to create a separate form.*
KA	**Goals for School-Community Relations** Policy updated. Cross References updated.
LBD	**Home Instruction** Policy updated. Cross References updated.

© 2/25 VSBA

STUDENT REPRESENTATIVE TO THE SCHOOL BOARD

The opinions and concerns of the students in BLANK school division are important to the BLANK School Board. Therefore, the School Board ~~selects a~~ may appoint student representation to the School Board. ~~representative~~.

~~The principal of each high school nominates two students from the school to serve as the student representative to the School Board. From these nominations, the Superintendent selects the student representative subject to final approval by the School Board. The student representative serves a one year term.~~

Any student representative to the School Board ~~The student representative~~ serves only in an advisory capacity, does not count toward quorum and does not vote.

The School Board establishes the following procedures related to the appointment of student representatives from enrolled students in the division.[1]

INSERT PROCEDURES HERE

Student representatives are expected to adhere to rules established by the School Board to fulfill their role.

~~The student representative does not attend closed meetings. The school division provides the meeting agenda and other public materials to the student representative in advance of each open meeting. The student representative does not have access to confidential information, including student or personnel records. The student representative is expected to attend all regular, open meetings and complete assignments for research and data collection when requested by the School Board.~~ [2]

FOOTNOTE IS FOR REFERENCE ONLY AND SHOULD BE REMOVED FROM FINAL POLICY.

[1] The School Board must establish procedures for appointing student representative(s) to the School Board. The previously included procedure was removed from the substance of the sample policy but may be included or replaced with a procedure that the division determines is best.

One procedural option is the following: The principal of each high school nominates two students from the school to serve as the student representative to the School Board. From these nominations, the Superintendent selects the student representative subject to final approval by the School Board. The student representative serves a one-year term.

[2] It is good practice for the School Board to establish clear rules related to student representatives. The rules can be separately adopted or included within the policy.

Examples of rules relating to student representatives that the School Board may consider adopting: The student representative does not attend closed meetings. The school division provides the meeting agenda and other public materials to the student representative in advance of each open meeting. The student representative does not have access to confidential information, including student or personnel records. The student representative is expected to attend all regular, open meetings and complete assignments for research and data collection when requested by the School Board.

_____

Legal Ref.: Code of Virginia, 1950, as amended, § 22.1-86.1.

ADMINISTRATION IN POLICY ABSENCE

In situations ~~cases~~ where action must be taken by the school division and the School Board has not adopted a policy nor provided ~~no~~ guidelines for administrative action, the superintendent has the power to act, but the superintendent's decisions are subject to review by the School Board at its next regular meeting. It is the duty of the superintendent to inform the School Board promptly of such action taken and of the need for policy.

Adopted:

_____

_____

Legal Ref.: Code of Virginia, 1950, as amended, §§ 22.1-70, 22.1-78.

ADMINISTRATION IN POLICY ABSENCE

Legal Ref.: Code of Virginia, 1950, as amended, §§ 22.1-70, 22.1-78.

FINANCIAL ACCOUNTING AND REPORTING

The superintendent or superintendent's designee is responsible for implementing a modern system of accounting for all school funds as established by the Board of Education and the Auditor of Public Accounts.

The BLANK School Board receives monthly statements of the funds available for school purposes.

At least once each year the School Board submits a report of all its expenditures to the appropriating body. Such report is also made available to the public either on the school division website or in hard copy at the central school division office on a template prescribed by the Board of Education.

Adopted:

DISPOSAL OF SURPLUS ITEMS

The school division shall apply trade-in allowances on equipment to be replaced against the purchase cost of the new equipment whenever possible.

The school division may dispose of equipment having no trade-in value by informal bid, auction or pre-priced sale as appropriate to the public. If items are valued in excess of $500.00, formal authorization for negotiated sale or for putting the items to bid shall be obtained from the School Board.

The bidder or purchaser shall certify whether ~~he/she~~ the purchaser is an officer or employee of the school division or a member of the immediate family of an officer or employee of the school division. Officers and employees of the school division, and members of their immediate families, may purchase surplus property from the school division only if the property is being sold at uniform prices available to the public or if the goods are sold for less than $500.00.

If reasonable attempts through the bidding or direct sales process to dispose of the items are unsuccessful, then the superintendent is authorized to arrange for ~~their~~ disposal of the items.

Obsolete educational technology hardware and software that is being replaced pursuant to Va. Code § 22.1-199.1(B)(4) may be donated to other school divisions, to students, as provided in Board of Education guidelines, and to preschool programs in the Commonwealth. In addition, the ~~school board~~ School Board may donate such obsolete educational technology hardware and software and other obsolete personal property to a Virginia nonprofit organization which is exempt from taxation under § 501(c)(3) of the Internal Revenue Code.[1]

FACILITIES PLANNING

The School Board provides for the erecting, furnishing, equipping, and maintenance of all school facilities.

The superintendent presents to the School Board annually, or as necessary to coordinate with the planning process of the appropriating body, a Capital Improvement Program which includes recommendations regarding timing, location, costs and savings associated with:

- new building requirements
- restoration and renewal of existing school facilities

The superintendent may make recommendations for new buildings and renovations after receiving input from the community concerning facilities utilization, development and closure ~~from the community~~. Recommendations provided to the School Board are supported by data that ~~supports~~ demonstrates the feasibility and ~~need~~ necessity for construction and/or renovation.

UNLAWFUL MANUFACTURE, DISTRIBUTION, DISPENSING, POSSESSION OR USE OF A CONTROLLED SUBSTANCE

Generally

The BLANK School Board is committed to maintaining a Drug-Free Workplace.

Prohibited Conduct and Notice of Conviction

Employees may not unlawfully manufacture, distribute, dispense, possess or use a controlled substance on school property, at any school activity or on any school-sponsored trip. It is a condition of employment that each employee of the BLANK School Board will not engage in such prohibited conduct and will notify the BLANK School Board of any criminal drug conviction for a violation occurring on school property, at any school activity or on any school-sponsored trip no later than 5 days after such conviction. An employee who is convicted of criminal drug activity for a violation occurring on school property, at any school activity or on any school-sponsored trip will be subject to discipline, as outlined below. ~~appropriate discipline, up to and including termination, or required to satisfactorily participate in a drug abuse assistance or rehabilitation program.~~

Discipline

Within 30 days of receiving a notice of conviction, as described above, from a School Board employee ~~as described above~~, the superintendent and School Board will take appropriate personnel action, against the employee who is convicted, up to and including dismissal~~. of any employee found to have engaged in prohibited conduct listed above~~ or will require the employee who is convicted to satisfactorily participate ~~satisfactory participation~~ in a drug abuse assistance or rehabilitation program approved by a federal, state, or local health, law enforcement, or other appropriate agency.

Distribution of Policy

All employees are given a copy of this policy.

Drug-Free Awareness Program

The BLANK School Board shall establish a drug-free awareness program to inform its employees about the dangers of drug use and abuse in the workplace, the School Board's policy of maintaining a drug-free workplace, ~~any~~ the available drug counseling, rehabilitation, and employee assistance programs and the penalties that may be imposed upon employees for violations of laws and policies regarding drug abuse.

THIRD-PARTY COMPLAINTS AGAINST EMPLOYEES

Any parent or guardian of a student enrolled in the BLANK Public Schools or any resident of BLANK may file a complaint regarding an employee of the BLANK School Board. Such complaint should be filed with the superintendent or superintendent's designee. If the complaint involves allegations that an employee of the BLANK School Board has abused or neglected a child in the course of his employment, the complaint will be investigated in accordance with Va. Code §§ 63.2-1503, 63.2-1505 and 63.2-1516.1.

Information determined to be unfounded after a reasonable administrative review is not maintained in any employee personnel file, but may be retained in a separate sealed file by the administration if such information alleges civil or criminal offenses. Any dispute over such unfounded information, exclusive of opinions retained in the personnel file, or in a separate sealed file, notwithstanding the provisions of the Government Data Collection and Dissemination Practices Act, Va. Code §§ 2.2-3800 et seq., is settled through the employee grievance procedure as provided in Va. Code §§ 22.1-306 and 22.1-308 through 22.1-314.

The superintendent will establish regulations for processing third-party complaints against employees.[1]

~~Individuals lodging a complaint are notified in writing that the complaint has been received and is being investigated.~~

~~The complaint should be filed as soon as possible after the alleged incident, usually within 15 school days, and will be processed promptly, usually within 15 school days.~~

STAFF HIRING PROCEDURES

It is the desire of the BLANK School Board to recruit, hire and retain the best possible qualified applicants.

The Superintendent is responsible for developing procedures for advertising vacancies and new positions. Those procedures will be designed to ensure that all openings are properly advertised to give all interested and qualified parties the opportunity to apply. While most positions will be filled using those procedures, the School Board may, at the request of the Superintendent, fill positions in other ways. For example, the School Board may authorize the filling of a position to accommodate the disability of an employee, to transfer an employee when it is determined to be in the best interest of the school division, to satisfy the rights of employees returning from leave, to move an employee whose performance is unsuccessful to a position in which the employee might be successful or to discipline an employee for conduct deficiencies.

Current division employees are given an opportunity to apply for positions for which they are qualified.

The applicant determined to be the best qualified shall be selected for a vacant or new position, regardless of whether the applicant is an internal or external candidate.

Application for employment in the BLANK Public Schools shall be made on forms provided by [**insert job title or office**].

It is the responsibility of the applicant to furnish accurate information ~~and a~~ . Any omission of pertinent information or falsification of either information or credentials is cause for dismissal or refusal to employ.

VOLUNTARY RETIREMENT SAVINGS PROGRAM

The ~~Blank School Division~~ BLANK School Board offers its employees the opportunity to participate in a defined contribution retirement plan, also known as a ~~tax sheltered~~ tax-sheltered annuity or 403(b) program. This program is maintained and operated pursuant to a written plan.

The written plan contains all the material terms and conditions for eligibility, benefits, applicable limitations, the contracts available under the plan and the time and form under which benefit distributions may be made.

The written plan also addresses any optional features, including hardship withdrawal distributions, loans, plan-to-plan or annuity contract-to-annuity contract transfers and acceptance of rollovers to the plan, which are included in the ~~Division's~~ division's program.

The written plan may

- allocate responsibility for administrative functions, including functions to comply with the requirements of 26 U.S.C. § 403(b) and other tax requirements[1]
- assign such responsibilities to parties other than the school division, but not to participants (unless the administration of the plan is a substantial portion of the duties of the participant)
- incorporate by reference other documents which thereupon become part of the written plan[2]
- address termination of the program

Every employee ~~of~~ in the school division is notified annually about the program.

Adopted:

_____

_____

Cross Ref.: GBO Virginia Retirement System

FOOTNOTES ARE FOR REFERENCE ONLY AND SHOULD BE REMOVED FROM FINAL POLICY.

[1] Responsibilities which are not allocated to another entity remain with the school division.

[2] If the plan incorporates documents by reference, the division must ensure that there is no conflict between the incorporated documents.

SCHOOL BUS DRIVERS

Eligibility for Employment

Any applicant for employment operating a school bus transporting pupils must

a. have a physical examination of a scope prescribed by the Board of Education and furnish a form prescribed by the Board of Education showing the results of such examination
b. furnish a statement or copy of records from the Department of Motor Vehicles showing that the applicant, within the preceding five years, has not been convicted of a charge of driving under the influence of alcohol or drugs, convicted of a felony or assigned to any alcohol safety action program or driver alcohol rehabilitation program pursuant to Va. Code § 18.2-271.1 or, within the preceding 12 months, has not been convicted of two or more moving traffic violations or required to attend a driver improvement clinic by the Commissioner of the Department of Motor Vehicles pursuant to Va. Code § 46.2-498
c. furnish a statement signed by two reputable persons who reside in the school division or in the applicant's community that the person is of good moral character
d. exhibit a license showing the person has successfully undertaken the examination prescribed by Va. Code § 46.2-339
e. have reached the age of 18 ~~on~~ by the first day of the school year
f. submit to testing for alcohol and controlled substances as required by state and federal law and regulation

Persons for whom registration with the Sex Offender and Crimes Against Minors Registry is required are not eligible for employment as a school bus driver.

Persons hired as school bus drivers must annually furnish the documents listed in (a) and (b) above prior to the anniversary date of their employment as a condition of continued employment as a school bus operator.

The BLANK School Board requires proof of current certification or training in emergency first aid, cardiopulmonary resuscitation, and the use of an automated external defibrillator as a condition of employment to operate a school bus transporting pupils.[1]

FOOTNOTES ARE FOR REFERENCE ONLY AND SHOULD BE REMOVED FROM FINAL POLICY.

[1] Whether or not to require the documents listed in this paragraph is discretionary with each school board. Boards which do not require these documents should delete this paragraph from this policy.

The BLANK School Board does not employ drivers subject to controlled substances and alcohol testing required by federal law without first conducting a pre-employment query of the federal Drug and Alcohol Clearinghouse (the Clearinghouse) to obtain information about the driver. Drivers must give specific consent for the query.

No driver is permitted to perform any safety-sensitive function if the results of a Clearinghouse query demonstrate that the driver has a verified positive, adulterated, or substituted controlled substances test result; has an alcohol confirmation test with a concentration of 0.04 or higher; has refused to submit to a test; or that an employer has reported actual knowledge that the driver used alcohol on duty, used alcohol before duty, used alcohol following an accident, or used a controlled substance in violation of federal regulations, except where a query of the Clearinghouse demonstrated that the driver has successfully completed the substance abuse professional (SAP) evaluation, referral, and education/treatment process required by federal regulation; achieves a negative return-to-duty test result; and completes the follow-up testing plan prescribed by the SAP

The School Board also conducts a query of the Clearinghouse at least once per year for information for all employees subject to controlled substance and alcohol testing required by federal law and regulation to determine whether information exists in the Clearinghouse about these employees.[2]

Drug and Alcohol Testing

Drivers are subject to drug and alcohol testing as required by state and federal law. Any driver who refuses to submit to a test shall not perform or continue to perform safety-sensitive functions. The division administers alcohol and controlled substance tests in accordance with federal laws and regulations.

Prohibited conduct

Drivers are prohibited from alcohol possession and/or use on the job, use during the four hours before performing safety-sensitive functions, having prohibited concentrations of alcohol in their systems while on duty or performing safety-sensitive functions, and use during eight hours following an accident or until after undergoing a post-accident alcohol test, whichever occurs first.

No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when the driver uses any controlled substances except when

---

FOOTNOTES ARE FOR REFERENCE ONLY AND SHOULD BE REMOVED FROM FINAL POLICY.

[2] Federal regulations permit employers to satisfy the requirement of an annual query by conducting either a full query or a limited query. Both types of queries are described in 49 C.F.R 382.701(b). The Superintendent should specify the type of query the division conducts in a written regulation or procedure.

the use is pursuant to the instructions of a licensed medical practitioner who is familiar with the driver's medical history and has advised the driver that the substance does not adversely affect his ability to safely operate a commercial motor vehicle.

Notification

The superintendent or superintendent's designee is responsible for providing educational materials to drivers that explain the requirements of federal regulations and the divisions' policies and procedures with regard to meeting those requirements.[3] The superintendent or superintendent's designee ensures that a copy of the materials is distributed to each driver prior to the start of testing and to each driver subsequently hired or transferred into a position requiring driving a commercial vehicle. Those materials contain at least the following information

- the identity of the person designated by the school division to answer driver questions about the materials;
- the categories of drivers subject to this policy;
- sufficient information about the safety-sensitive functions performed by those drivers to make clear what period of the work day the driver is required to be in compliance;
- specific information concerning driver conduct that is prohibited;
- the circumstances under which a driver will be tested for alcohol and/or controlled substances, including post-accident testing;
- the procedures that will be used to test for the presence of alcohol and controlled substances, protect the driver and the integrity of the testing processes, safeguard the validity of the test results, and ensure that those results are attributed to the correct driver, including post-accident information, procedures and instructions;
- the requirement that a driver submit to alcohol and controlled substances tests;
- an explanation of what constitutes a refusal to submit to an alcohol or controlled substances test and the attendant consequences;
- the consequences for drivers found to have violated federal law or regulations, including the requirement that the driver be immediately removed from safety-sensitive functions;
- the consequences for drivers found to have an alcohol concentration of 0.02 or greater but less than 0.04;
- information concerning the effects of alcohol and controlled substances use on an individual's health, work, and personal life; signs and symptoms of an alcohol or a controlled substances problem (the driver's or a co-worker's); and available methods of intervening when an alcohol or a controlled substances problem is

FOOTNOTES ARE FOR REFERENCE ONLY AND SHOULD BE REMOVED FROM FINAL POLICY.

[3] The superintendent or superintendent's designee must also provide written notice of the availability of the information to representatives of employee organizations.

suspected, including confrontation, referral to any employee assistance program and/or referral to management; and

- the requirement that the following personal information be reported to the Clearinghouse: a verified positive, adulterated, or substituted drug test result; an alcohol confirmation test with a concentration of 0.04 or higher; a refusal to submit to required tests; an employer's report of actual knowledge of on duty alcohol use, pre-duty alcohol use, post-accident alcohol use, and controlled substance use; a SAP report of the successful completion of the return-to-duty process; a negative return-to-duty test; and an employer's report of completion of follow-up testing.

Each driver must sign a statement certifying that the driver has received a copy of the above materials and the division maintains this signed copy.

Before performing each alcohol or controlled substances test, the division notifies the driver that the test is required by federal law or regulation.

Consequences of prohibited conduct

A driver who has engaged in conduct prohibited by federal regulation or for whom testing confirms prohibited alcohol concentration levels or the presence of a controlled substance, is removed immediately from safety-sensitive functions. Before a driver is returned to the performance of safety-sensitive functions, if at all, the driver shall undergo an evaluation by a substance abuse professional, as defined by 49 C.F.R. § 40.281, comply with any required rehabilitation and undergo a return-to-duty test with negative drug test results and/or an alcohol test with an alcohol concentration of less than 0.02.

Record retention

The division maintains records in compliance with ~~the~~ federal regulations in a secure location with controlled access. With the driver's consent, the division may obtain any of the information concerning drug and alcohol testing from the driver's previous employer. A driver is entitled upon written request to obtain copies of any records pertaining to the driver's use of alcohol or controlled substances including information pertaining to alcohol or drug tests.

Records shall be made available to a subsequent employer upon receipt of a written request from a driver. Disclosure by the subsequent employer is permitted only as expressly authorized by the terms of the driver's request.

TRANSFERS BY STUDENT VICTIMS OF CRIME

Whenever any student has been the victim of any crime against the person pursuant to Chapter 4 of Title 18.2 of the Code of Virginia including attempted homicide, crimes by mobs, crimes by gangs, terrorism offenses, kidnapping and related offenses, assaults and bodily woundings, robbery, extortion or other threats, or sexual assault, and such crime was committed:

- by another student attending classes in the school, or
- by any employee of the School Board ~~school board~~, or
- by any volunteer, contract worker or other person who regularly performs services in the school, or
- ~~if the crime was committed~~ upon the school property or on any school bus owned or operated by the school division

the student upon whom the crime was committed shall, upon written request from the student's parents, or the student, if such student is an emancipated minor, be permitted to transfer to another comparable school within the division if available. Any transportation services for such students shall be provided in accordance with School Board policies.

For purposes of this policy, "victim" means any student who has been the victim of a crime against the person pursuant to Chapter 4 of Title 18.2 of the Code of Virginia, and who has suffered physical, psychological, or economic harm as a direct result of the commission of such crime.

ADMISSION OF NONPUBLIC STUDENTS FOR PART-TIME ENROLLMENT

Generally

The BLANK School Board acknowledges the provisions for equivalent instruction under Virginia law.

In accordance with this policy the School Board authorizes part-time enrollment in the BLANK Schools for students attending nonpublic school or being homeschooled pursuant to Va. Code § 22.1-254.1.

The parents of students attending ~~private~~ nonpublic school or being ~~home schooled~~ homeschooled pursuant to Va. Code § 22.1-254.1 who wish to enroll their students on a part-time basis in the BLANK Schools for participation in academic and/or extracurricular~~/club~~ or club activities shall, along with the students, comply with this policy.

Admission

The parents ~~shall~~ must identify their children as ~~private~~ nonpublic school or ~~home school~~ homeschool students who desire part-time enrollment in academic courses of study. Students admitted under this policy are designated as part-time students. At the time of applying for admission, students shall designate the academic course(s) in which they want to enroll and each extracurricular or club activity in which they wish to participate.

Enrollment

Students must enroll in at least one academic class (high school) or one instructional unit (elementary/middle school) more than the requested course(s) and for each extracurricular or club activity in which they choose to participate. If no activity participation is sought, the part-time student must enroll in a minimum of two classes. Students wishing to participate in an academic class shall have completed all prerequisite course work or the equivalent required of full-time public school students wishing to enroll in the course. If part-time enrollment causes total enrollment in a class or grade level to exceed the maximum allowed by state or local policy (*e.g.* resulting in the need to employ another teacher) admission will be denied.

Once enrolled, the student shall comply with behavioral, disciplinary, attendance and other rules applicable to all students, including rules governing the use of the division's computer systems. If a student fails to comply, the school may withhold credit and/or terminate the student's participation in addition to taking any disciplinary action that would be taken against a full-time student for similar conduct.

Activities

Students wishing to participate in a Virginia High School League (VHSL) governed extracurricular or club activity shall satisfy the same or equivalent criteria for such activities that full-time students must satisfy. Students admitted under this policy shall participate in any try-out or selection process required of full-time students.

Transportation

The parents of the children for whom part-time admission is sought are responsible for the transportation of the child to and from school, including any expenses incident thereto.

Academic Credit

Class ranking and grade-point-average are not computed for part-time students.

JROTC Membership for Homeschooled Students

Membership in Junior Reserve Officer Training (JROTC) units is open to homeschooled students as provided in Policy LBD Home Instruction.[1]

STUDENT CONDUCT ON SCHOOL BUSES

Students are required to conduct themselves on school buses in a manner consistent with established standards for ~~classroom~~ student behavior in school and at school activities.

The school principal may suspend or revoke the riding privileges of students and/or take other disciplinary actions for students who ~~are~~ constitute or cause disciplinary problems on the bus. Parents (or guardians) of children whose behavior and misconduct on school buses violates the Standards of Student Conduct ~~Student Code of Conduct~~ or otherwise endangers the health, safety and welfare of other riders shall be notified that their child/children face the loss of school bus riding privileges and/or other disciplinary actions.

If a student's riding privileges are suspended or revoked, the student's parents are responsible for seeing that the student gets to and from school safely.

The bus driver is responsible for maintaining the orderly behavior of students on school buses and shall report misconduct to the student's principal and provide a copy of the report to the transportation office.

HUMAN RESEARCH

Surveys, analyses or evaluations conducted as part of any program which is funded by the United States Department of Education or is otherwise subject to policies and regulations promulgated by any agency of the federal government are conducted in accordance with Policy JOB Administration of Surveys and Questionnaires,[1] 20 U.S.C. § 1232h, and applicable federal regulations. All instructional materials, including teacher's manuals, films, tapes, or other supplementary material which will be used in connection with any such survey, analysis, or evaluation will be available for inspection by the parents or guardians of the students involved.

Any other human research involving students must be approved and conducted under the review of a human research committee established by the school division or the school conducting the research. Such research will be conducted or authorized only after the student and the student's parents or legally authorized representative give their informed consent, as evidenced by a signed and witnessed informed consent form in accordance with Va. Code § 32.1-162.18.

The human research committee will be composed of representatives of varied backgrounds to ensure the competent, complete, and professional review of human research activities. No member of the committee may be directly involved in the proposed human research or have administrative approval authority over the proposed human research except in connection with his responsibilities as a member of the committee. In deciding whether to approve proposed human research, the committee will consider the factors listed in Va. Code § 32.1-162.19.

Research or student learning outcomes assessments conducted in educational settings involving regular or special education instructional strategies, the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods, or the use of educational tests, whether cognitive, diagnostic, aptitude, or achievement, if the data from such tests are recorded in a manner so that subjects cannot be identified, directly or indirectly, are exempt from the requirements of this policy.

Definition: as used in this policy, "human research" means any systematic investigation, including research development, testing and evaluation, utilizing human subjects, that is designed to develop or contribute to generalized knowledge. "Human research" does not include research exempt from federal research regulation pursuant to 45 C.F.R. § 46.101(b).

FOOTNOTES ARE FOR REFERENCE ONLY AND SHOULD BE REMOVED FROM FINAL POLICY.

STUDENT-ATHLETE CONCUSSIONS

Generally

In order to participate in any extracurricular physical activity, each student-athlete and the student-athlete's parent or guardian must review, on an annual basis, information on concussions provided by the school division. After having reviewed materials describing the short- and long-term health effects of concussions, each student-athlete and the student-athlete's parent or guardian must sign a statement acknowledging receipt of such information, in a manner approved by the Board of Education.

Return to Play Protocol

A student-athlete suspected by that student-athlete's coach, athletic trainer, or team physician of sustaining a concussion or brain injury in a practice or game is removed from the activity at that time. A student-athlete who has been removed from play, evaluated, and suspected to have a concussion or brain injury does not return to play that day or until the student-athlete is

- evaluated by an appropriate licensed health care provider as determined by the Board of Education and
- in receipt of written clearance to return to play from such licensed health care provider.

The licensed health care provider evaluating student-athletes suspected of having a concussion or brain injury may be a volunteer.

Return to Learn Protocol

School personnel are alert to cognitive and academic issues that may be experienced by a student who has suffered a concussion or other head injury, including

- difficulty with concentration, organization, and long-term and short-term memory;
- sensitivity to bright lights and sounds; and
- short-term problems with speech and language, reasoning, planning, and problem solving.

School personnel accommodate the gradual return to full participation in academic activities of a student who has suffered a concussion or other head injury as appropriate, based on the recommendation of the student's licensed health care provider as to the appropriate amount of time that such student needs to be away from the classroom.

Procedures

The superintendent is responsible for developing, and biennially updating, procedures regarding the identification and handling of suspected concussions in student-athletes.[1]

Athletic Activities Conducted by Non-School Organizations on School Property

The school division may provide this policy to organizations sponsoring athletic activity for student-athletes on school property. The school division does not enforce compliance with the policy by such organizations.

RESTRAINT AND SECLUSION OF STUDENTS

Physical restraint and seclusion may only be used by BLANK School Board staff[1] for the purpose of behavioral intervention in accordance with this policy and the Virginia Board of Education Regulations Governing the Use of Seclusion and Restraint in Public Elementary and Secondary Schools in Virginia.[2] The School Board encourages the use of positive behavioral interventions and supports to reduce and prevent the need for the use of physical restraint and seclusion.

The superintendent is responsible for developing procedures to address the requirements of the Board of Education Regulations. Those procedures shall include:

- examples of the positive behavioral interventions and support strategies consistent with the student's rights to be treated with dignity and to be free from abuse that the school division uses to address student behavior, including the appropriate use of effective alternatives to physical restraint and seclusion;
- a description of initial and advanced training for school personnel that addresses appropriate use of effective alternatives to physical restraint and seclusion and the proper use of restraint and seclusion;
- a statement of the circumstances in which physical restraint and seclusion may be employed, which shall be no less restrictive than that set forth in 8 VAC 20-750-40 and 8 VAC 20-750-50;
- provisions addressing the
    - notification of parents regarding incidents of physical restraint or seclusion, including the manner of such notification;
    - documentation of the use of physical restraint and seclusion;
    - continuous visual monitoring of the use of any physical restraint or seclusion to ensure the appropriateness of such use and the safety of the student being physically restrained or secluded, other students, school personnel, and others. These provisions shall include exceptions for emergency situations in which securing visual monitoring before implementing the physical restraint or seclusion would, in the reasonable judgment of the school personnel implementing the physical restraint or seclusion, result in serious physical harm or injury to persons;

FOOTNOTE IS FOR REFERENCE ONLY AND SHOULD BE DELETED FROM FINAL POLICY.

[1] School divisions that utilize school resource officers must address the use of seclusion and restraint by law enforcement personnel in school settings in their memorandum of understanding with the local law enforcement agency that employs the school resource officers.

[2] School boards that do not permit the use of physical restraint or seclusion should not adopt this policy.

- securing of any room in which a student is placed in seclusion. These provisions shall ensure that any seclusion room or area meet specifications for size and viewing panels that ensure the student's safety at all times, including during a fire or other emergency; and
- the appropriate use and duration of seclusion based on the age and development of the student[3].

The School Board reviews this policy at least annually and updates it as appropriate. The superintendent reviews the procedures at least annually and updates them as appropriate.

GOALS FOR SCHOOL-COMMUNITY RELATIONS

The BLANK School Board recognizes that good school-community relations are essential to securing public input and public support for educational programs. The School Board sets goals and standards for school-community relations and regularly evaluates its relationship with the public. The School Board also regularly evaluates its programs for maintaining open channels of communication and good relations with parents, community organizations, other governmental organizations, non-profit organizations, businesses and industries and the community at large.

Through its school-community relations program, the School Board encourages the community ~~to~~ to:

- take an active interest in the schools and participate in school activities,
- place a high priority on education and make funds available for an educational system that supports learning for all children, and
- establish partnerships with the schools to enhance learning opportunities.

HOME INSTRUCTION

GENERALLY

The BLANK School Board recognizes that when the requirements of Va. Code § 22.1-254.1 are complied with instruction of children by their parents is an acceptable alternative form of education under the policy of the Commonwealth of Virginia. Any parent of any child who is five years or older ~~will have reached the fifth birthday~~ on or before September 30 of any school year and which child is not yet eighteen years old ~~who has not passed the eighteenth birthday~~ may elect to provide home instruction in lieu of school attendance if the ~~parent~~ parent:

- holds a high school diploma;
- is a teacher of qualifications prescribed by the Board of Education;
- provides the child with a program of study or curriculum which may be delivered through a correspondence course or distance learning program or in any other manner; or
- provides evidence that the parent is able to provide an adequate education for the child.

DEFINITION

For purposes of this policy, "parent" means any parent, guardian, legal custodian or other person having control or charge of a child.

NOTIFICATION BY PARENTS

Any parent who elects to provide home instruction in lieu of school attendance shall annually notify the superintendent no later than August 15 of the parent's intention to so instruct the child and provide a description of the curriculum, limited to a list of subjects to be studied during the coming year and evidence of having met one of the criteria for providing home instruction. Any parent who moves into a school division or begins home instruction after the school year has begun shall notify the superintendent of the parent's intention to provide home instruction as soon as practicable and shall comply with the requirements of this policy within thirty days of such notice. The superintendent shall notify the Superintendent of Public Instruction of the number of students in the school division receiving home instruction.

EVIDENCE OF PROGRESS

A parent who elects to provide home instruction to a child who is over the age of six as of September 30 of the school year shall provide the superintendent by August 1 following the school year in which the child has received home instruction with either (i) evidence that the child has attained a composite score in or above the fourth stanine any nationally normed standardized achievement test or an equivalent score on the ACT, SAT or PSAT test or (ii) an evaluation or assessment ~~which~~ that the superintendent determines to indicate that the child is achieving an adequate level of

educational growth and progress, including ~~but not limited to~~: (a) an evaluation letter from a person licensed to teach in any state, or a person with a master's degree or higher in an academic discipline, having knowledge of the child's academic progress, stating that the child is achieving an adequate level of educational growth and progress; or (b) a report card or transcript from a community college or college, college distance learning program or home-education correspondence school.

In the event that evidence of progress as required in this subsection is not provided by the parent, the home instruction program for that child may be placed on probation for one year. Parents shall file with the superintendent evidence of their ability to provide an adequate education for their child and a remediation plan for the probationary year which indicates their program is designed to address any educational deficiency. Upon acceptance of such evidence and plan by the superintendent, the home instruction may continue for one probationary year. If the remediation plan and evidence are not accepted or the required evidence of progress is not provided by August 1 following the probationary year, home instruction shall cease and the parent shall make other arrangements for the education of the child which comply with Va. Code § 22.1-254.

IMMUNIZATIONS

Any parent, guardian or other person having control or charge of a child being home instructed, exempted or excused from school attendance shall comply with the immunization requirements provided in Va. Code § 32.1-46 in the same manner and to the same extent as if the child has been enrolled in and is attending school.

Upon request by the superintendent, the parent shall submit to the superintendent documentary proof of immunization in compliance with Va. Code § 32.1-46.

No proof of immunization shall be required of any child upon submission of (i) an affidavit to the superintendent stating that the administration of immunizing agents conflicts with the parent's or guardian's religious tenets or practices or (ii) a written certification from a licensed physician, physician assistant, licensed advanced practice registered nurse ~~practitioner~~, or local health department that one or more of the required immunizations may be detrimental to the child's health, indicating the specific nature of the medical condition or circumstance that contraindicates immunization.

NOTIFICATION TO PARENTS

Advanced Placement (AP), Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) and PreACT examinations are available to students receiving home instruction pursuant to Va. Code § 22.1-254.1. The superintendent establishes a schedule identifying the dates by which students receiving home instruction must register to participate in such examinations. The superintendent notifies students receiving home instruction and their parents of the registration deadlines and

the availability of financial assistance to low-income and needy students to take such examinations.

DISCLOSURE OF INFORMATION

Neither the superintendent nor the School Board shall disclose to the Department of Education or any other person or entity outside of the local school division information that is provided by a parent or student to satisfy the requirements of this policy or subdivision B 1 of Va. Code § 22.1-254 without express consent from the parent or legal guardian of the child receiving home instruction. Nothing in this policy prohibits the superintendent from notifying the Superintendent of Public Instruction of the number of students in the school division receiving home instruction.

JROTC MEMBERSHIP FOR HOMESCHOOLED STUDENTS

Homeschooled students who reside in the division and who are otherwise eligible for membership in a Junior Reserve Officers' Training Corp (JROTC) unit maintained by a secondary school but for their lack of enrollment in the division are permitted to be members of the unit.

Homeschooled students who are members in ~~the division's~~ a division JROTC ~~units~~ unit is required to conduct themselves in a manner consistent with established standards for student behavior and must comply with behavioral, disciplinary, attendance and other policies and rules applicable to all students, including rules governing the use of the division's computer systems. If a student fails to comply, the school may withhold credit and/or terminate the student's participation in addition to taking any disciplinary action that would be taken against a full-time student for similar conduct.

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, March 27, 2025 at 4:00 p.m. in the School Administration Building located at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business Meeting. Present were Board members Mr. Greg A. Smith, Mr. Roger B. Stough, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, Mr. Jason L. Wells, and Dr. Annette A. Bennett, Division Superintendent.

CALL TO ORDER

Mr. Wells, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSENT AGENDA – APPROVAL

It was moved by Mr. Stough and seconded by Mr. Torrence to approve the following consent agenda items:

1. Minutes of February 20, 2025 Regular Monthly Business Meeting and Public Hearing Concerning the Proposed 2025-2026 School Budget
2. Payment of Bills as of March 27, 2025:

   a) $ 93,909.61 – General Fund End-of-Month
   b) $ 70.00 – School Food End-of-Month
   c) $ 505,985.59 – General Fund Bill Listing
   d) $ 86,007.04 – School Food Bill Listing

(Attachments #1-4)

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the Superintendent.

CONSIDERATION OF AGENDA

It was moved by Mr. Torrence and seconded by Mr. Stough to approve the agenda as presented. By unanimous voice vote, the motion was approved.

RECOGNITIONS

The School Board recognized the Appomattox County Public Schools 2024-2025 Teachers and Support Staff of the Year. The following individuals were recognized for their outstanding commitment to their schools:

Teachers of the Year:

APS – Mary Michael Millner
AES – Amy Noble
AMS – Brittany Thomson
ACHS – Kelsey Bowman

Support Staff of the Year:

APS – Rhoda Allen
AES – Renee Myers
AMS – Allison Garrett
ACHS – Lisa Romano

COMMUNICATIONS

Communication Items from the Superintendent

Mrs. Nancy Slagle Cawthorn Webb, retired cafeteria worker, passed away Wednesday, February 5, 2025. Mrs. Webb worked in our school division for almost 30 years, from September 1, 1979 until her retirement on June 30, 2006.

Mrs. Edwina Ann Covington, retired teacher, passed away Monday, February 17, 2025. Mrs. Covington worked in our school division for 41 years, from September 1, 1967 until her retirement on June 30, 2008.

Mrs. Teresa Lee McIntire-Harnett, former ACHS teacher assistant, passed away Wednesday, March 19, 2025. Mrs. McIntire-Harnett worked in our school division for 10 years, from September 1, 1997 until August 27, 2007.

Mrs. Nancy Christian Jamerson, former cafeteria worker, passed away Saturday, March 22, 2025. Mrs. Jamerson worked in our school division for 23 years, from September 1, 1976 until her retirement on June 30, 1999.

On behalf of the School Board, contributions were made to the Appomattox County Education Foundation in these ladies' memories. Board Members and the Superintendent acknowledged the contributions made to the ACPS school division and extended deepest sympathy to their families.

Dr. Bennett shared a VSBA Dear Colleague Letter with School Board Members.
(Attachments #5-9)

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests to address the Board concerning agenda items.

SUPERINTENDENT'S REPORT

School Board Discussion and Feedback – Schools Tour and Open House

School Board members provided feedback from their tours of all four division schools. Members reported the following encouraging comments about their visits at each school:

Mr. Wells was thankful to administrators and staff for opening up the buildings to board members and other community visitors. He was especially appreciative of the lunch at Appomattox Primary School, where they were served lunch by second grade students. Mr. Wells also reported observing literacy instruction from seniors receiving intervention all the way to primary students learning new skills. He emphasized how graduating students who can read is so important.

Mr. Stough was also appreciative of the administration's guidance on the school tours. He enjoyed that the tours were guided, yet flexible; a few visitors wandered into classrooms that not on the agendas, and he thanked those teachers and students for being so welcoming. Mr. Stough noted he was happy Mr. Wolfskill from the Appomattox Board of Supervisors was able to attend the tours for the day. Because public schools are constantly changing, Mr. Stough said it was nice to have a local Board of Supervisors representative and a local Town Council representative attend the tours to see and ask questions about what goes on. He believes this will help take things a long way with the boards' relationships.

Curriculum, Instruction & CTE Update

Mr. Luke Cunningham briefly presented on Raider Ready Day 2025 and introduced Mr. Jonathan Garrett and two students to present on Raider Garage. Raider Garage is a CTE program established at Appomattox County High School and is also a fully functional car garage, run by students, supervised by licensed teachers.

Dr. Cheryl Servis shared proposed calendar revisions for 2025-2026 and reviewed the proposed 2026-2027 instructional calendar.

(Attachment #10)

Business, Finance and Operations Update

Dr. Jason Tibbs provided information on the following items:

- FY24 Audit
- ACHS Wind Damage
- Peach Street Turnaround

- Applications and Open Positions for 2025-2026
- Review of the 2025-2026 Superintendent's Budget Proposal

(Attachments #11-12)

Discussion of Division Out-of-County Tuition Charges for 2025-2026

Board members engaged in discussion about the out-of-county tuition charges for the upcoming 2025-2026 school year. The superintendent shared data from surrounding counties and the tuition breakdown for Appomattox County. Board members agreed to keep the rate at $1,000.00 per student and $500 for each additional student per family.

(Attachments #13-14)

Schedule Date of Board Self-Evaluation

The School Board is required to complete a self-evaluation prior to the end of each school year. Board members discussed and decided to hold their self-evaluation at the June 12, 2025 Regular Monthly Business Meeting. Each School Board Member was requested to complete a blank School Board Self-Assessment form and submit the form to the School Board Clerk prior to the June 12 meeting.

(Attachment #15)

Graduation Ceremony 2025

The 2025 ACHS Graduation will take place at the Liberty University Vines Center on Monday, May 19, 2025 at 7:00 p.m.

Membership Report as of February 28, 2025

The superintendent reviewed the February 28, 2025 Membership Report. The Membership Average for February 2025 was 2353.57. The budgeted ADM for 2024-2025 was 2262.

(Attachment #16)

VSBA and NSBA Activities as of March 27, 2025

The 2025 Hybrid Clerks Spring Conference will be held Thursday, May 8, 2025 at the VSBA Offices in Charlottesville or virtually. The cost is $200 per registration and Kathy Inge is registered to participate.

The 2025 Hybrid School Law Conference will be held Friday, May 30, 2025 at the Hilton Richmond Hotel & Spa Short Pump, or virtually. The cost is $215 per registration and board members were asked to inform the School Board Clerk if they wish to be registered.

(Attachments #17-18)

ACTION ITEMS

Consideration of Adoption of 2025-2026 FY School Budget

It was moved by Mr. Stough and seconded by Mr. Waddell to approve the 2025-2026 School Budget in the total amount of $36,681,725.00, which includes local funding of $8,280,277.00 and $1,130,175.00 for the Food Service Program, as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval of Out-of-County Tuition Rate for 2025-2026

It was moved by Mr. Stough and seconded by Mr. Smith to approve $1,000 per student, and $500 for each additional student per family, as the out-of-county tuition rate for the 2025-2026 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved

(Attachment #19)

Consideration of Approval of Microgrant Application

It was moved by Mr. Waddell and seconded by Mr. Stough to approve the ACPS Microgrant Application: Removing Barriers Related to Academic Achievement, as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #20)

Consideration of Approval of Revised 2025-2026 Instructional Calendar

It was moved by Mr. Torrence and seconded by Mr. Smith to approve the revised 2025-2026 ACPS Instructional Calendar, changing the early dismissal times for congruency, as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #21)

Consideration of Approval of 2026-2027 Instructional Calendar

It was moved by Mr. Torrence and seconded by Mr. Waddell to approve the 2026-2027 ACPS Instructional Calendar as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #22)

Consideration of Approval of Out-of-County Tuition Requests for 2024-2025

It was moved by Mr. Stough and seconded by Mr. Smith to approve admission of the out-of-county tuition students for the 2024-2025 school year as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #23)

Consideration of Approval of Request for Exemption from Compulsory Attendance Laws for Bona Fide Religious Belief for 2024-2025

It was moved by Mr. Stough and seconded by Mr. Torrence to approve the request for Exemption from Compulsory Attendance Laws for Bona Fide Religious Belief for 2024-2025 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #24)

Consideration of Approval of First Reading of Revised Policies

It was moved by Mr. Torrence and seconded by Mr. Waddell to approve the first reading of the revised policies as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachments #25-26)

UNFINISHED BUSINESS

There were no items of unfinished business to come before the Board.

NEW BUSINESS

There were no items of new business to be considered by the Board.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were four individuals who addressed the School Board on non-agenda items:

1. Elizabeth Duncan, 14190 Richmond Highway, Pamplin, VA 23958
2. Miranda Almond, 810 Oakville Road, Appomattox, VA 24522
3. Jessica and Estelle Robinson, 133 Daniel Lane, Appomattox, VA 24522

NEXT MEETINGS

A Regular Monthly Business Meeting will be held Thursday, April 24, 2025 at 5:00 p.m. in the School Administration Building located at 316 Court Street in Appomattox, Virginia, 24522.

CLOSED SESSION

Adjourn to Closed Session

Mr. Smith moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended in particular for review of the personnel report and employees #10559 and #11531, and,
2. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports.

Mr. Torrence seconded the motion made by Mr. Stough. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and consideration of the monthly disciplinary reports, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Waddell to adjourn to public session. By unanimous voice vote, the motion was approved.

PUBLIC SESSION

Certificate of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Waddell made this motion, which was seconded by Mr. Smith, unanimously approved by Board Members, and recorded by roll call vote.

(Attachment #27)

Approval of Personnel Matters

It was moved by Mr. Torrence and seconded by Mr. Smith to approve the personnel report as presented and recommended by the Superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved.

(Attachment #28)

ADJOURNMENT

There being no further business, Mr. Smith moved the meeting be adjourned with a second from Mr. Waddell. By unanimous voice vote, the motion was approved.

_____
Jason L. Wells
Chairman

_____
Carrington W. Pritchard
Clerk of the Board

CERTIFICATION OF CLOSED MEETINGS

MOTION: Mr. Waddell moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

SECOND: Mr. Smith seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

ROLL CALL VOTE:

Mr. Stough	-	Yes
Mr. Smith	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Mr. Wells	-	Yes

Carrington W. Pritchard, Clerk of the Board
Date: March 27, 2025

Business, Finance, and Operations Update
School Board Meeting
Thursday, April 24, 2025

FY24 Audit

Corrections were made to the FY24 Audit resulting in a carryover amount from FY24 by the school division in the amount of $1,134,311.00. ACPS will submit a Supplemental Appropriation Request for the following:

Balance of unspent funds to Fiscal Year 2025 Appropriation	$350,495.00
Balance of unspent funds to the Capital Improvement Fund	$783,816.00

This will be provided to the County Administrator to be included in the Board of Supervisors agenda for the May meeting.

FY25

The current budget was built with an ADM of 2261. The March 31 ADM came in at 2297.26. The increase of 36.26 would result in approximately $239.239 in additional state funding by the end of the 2025 fiscal year.

DLT Grant

ACPS submitted a grant application to the Distance Learning and Telemedicine Grant Program in the spring of 2024. ACPS was notified at the end of September of 2024 of the grant award. However, given the freeze on federal programs, ACPS decided to wait until the grant funds were committed and released before moving forward with this program. We will submit a request of appropriation from the Board of Supervisors for this grant award in May.

FY26

Appomattox County Board of Supervisors held the public comment period for the proposed FY26 county/school budget on Monday, April 21, 2025. No one appeared during the public comment period.

A Special Called meeting is scheduled for Wednesday, April 30, 2025 at 6:00 p.m. to approve the FY26 budget.

Re: Grants.gov Application # GRANT14129678

Dear Dr. Tibbs:

I am pleased to congratulate you on your organization's selection for a $317,482 grant under the FY 2024 Distance Learning and Telemedicine (DLT) Grant Program administered by the Rural Utilities Service. The RUS designation for your grant is VA0729-A16.

Although we are very glad to be awarding this grant to Appomattox County School Board, we would appreciate if you did not announce this award until USDA makes a formal announcement.

In the near future, you will receive legal documents for your execution. This will formalize the agreement and enable you to request funds. If you wish to view a draft of the grant document, you will find a blank copy on our DLT website under the *To Apply* tab at: https://www.rd.usda.gov/sites/default/files/dlt_grant_agreement.pdf.

To generate the legal documents, we request that you send an email to dltinfo@usda.gov, confirming that (1) Appomattox County School Board is the correct legal name of the entity, and (2) Dr. Jason Tibbs can sign on behalf of Appomattox County School Board and should receive all correspondence regarding the VA0729-A16 grant.

If the entity's legal name is incorrect, please send an email to dltinfo@usda.gov specifying the correct legal name along with acceptable evidence of legal existence. Further, if Dr. Tibbs is not the representative who can sign on behalf of Appomattox County School Board, please provide the name, title, phone number and email address of the correct representative.

Please provide your email response to dltinfo@usda.gov by October 10, 2024.

Your final budget is enclosed. Any adjustments to your budget are noted on the last page.

We look forward to working with you to bring the benefits of advanced telecommunications services to rural America.

USDA is an equal opportunity provider, employer, and lender.

Sincerely,

RANDALL MILLHISER, Deputy Assistant Administrator
Loan Origination and Approval Division
Telecommunications Program

Enclosure

cc: Perry Hickman, Virginia State Director
Richard Jenkins, General Field Representative

Application Number: DLT-2024-032

The Rural Utilities Service Distance and Learning Telemedicine Program
Governed by the Code of Federal Regulations 7 CFR 1734

Appomattox County School Board

DLT-2024-032
VA0729-A16

Line Item Budget - Approved Revised

Notwithstanding the prior approval by RUS of the budget for the grant project, if the additional documentation accompanying a request for advance of grant funds demonstrates that the advance is to fund a non-approved purpose for grants in accordance with 7 CFR 1734.23, that advance will not be made.

Items being funded by Grant and Cash Match

				Total Grant and Cash Match	$ 424,612.00		$ 365,107.00

Items being contributed as In-Kind Match (if applicable)

Line Item	Site Number & Name	Description	Unit Cost	# of	Extended Cost
1					$ -
				Total In-Kind Match	$ -

A	**Overall DLT Project Budget** (Sum of Total Grant & Cash Match and Total In-Kind Match)	~~$ 424,612~~	$ 365,107.00
B	**Less Proposed Cash Match** (As documented on Match Calculation Worksheet)	~~$ 55,385~~	$ 47,625.00
C	**Less In-Kind Match**	~~$ -~~	$ -
D	**DLT Grant Request (A-B-C)**	~~$ 369,227~~	$ 317,482.00
	Grant to Match % (minimum of 15% required)	~~15.00%~~	15.00%

BUDGET NOTES:

Lines 33 & 79 (LU Uno System) - Per 1734.23(a)(1), a grant made under this subpart will not be provided or used to pay for medical or educational equipment not having telemedicine or distance learning as its essential function; therefore, these items were removed from the budget.

Line 109 - This item was excluded from the calculated total by the applicant. It has been included in RUS calculations.

Based on the above adjustments, the adjusted Grant Amount is $317,482 with an adjusted Match Amount of $47,625, maintaining the proposed match percentage. The final Overall Project Budget totals $365,107.

Subject:	VA0729-A16 DLT Release of Funds
Attachments:	SF270 Guidance.pdf; SF-270.pdf; VA0729-A16 DLT Release Notification Letter.pdf

Good Afternoon,

This serves as notification that the A16 DLT Grant Funds have been released. Attached is a blank SF-270 form used to submit reimbursement requests.

Please reach out to your field representative Richard, who is copied on this email, if you have any other further questions.

Thank You,

Angel Joseph

Dr. Jason Tibbs
Director of Finance and Human Resources
Appomattox County School Board
316 Court Street
Appomattox, Virginia 24522-5607

Dear Dr. Tibbs:

We are pleased to advise that funds for the "VA0729-A16" grant in the amount of $317,482 approved under the Distance Learning and Telemedicine ("DLT") Grant Program have been released.

Funds may now be requested by completing the attached Standard Form 270, "Request for Advance or Reimbursement" in accordance with 7 CFR 1734.6. Specifically, grant funds will be disbursed on a reimbursement basis, or with unpaid invoices for the eligible purposes. Grant recipients may not submit a SF 270 to RUS more frequently than once a month. In addition, matching funds must be disbursed in advance of grant funds, or on a pro rata basis with grant funds.

When requesting funds, please provide RUS with the following: (1) Form 270, (2) paid or unpaid invoices with a detailed description for eligible purposes for both grant and matching funds, and (3) a breakdown of the disbursement amount which applies to grant funds and the amount which applies to matching funds. Invoices must be issued from the original seller; dated contemporaneously with the sale; indicate when payment is due, if unpaid, but in no case longer than 60 days; indicate when and where purchased items will be delivered, if not immediately; and be in the name of the grantee for warranty purposes. If disbursement on a pro rata basis is desired, both grant funds and matching funds must be disbursed simultaneously.

In accordance with Article III, Section 3.1 (b) Expiration Date of the Grant Agreement, the obligation of RUS to advance the Grant or any portion thereof, shall expire on April 2, 2028, three (3) years from the date of this letter.

If you have any questions regarding the Form 270 or your advance of funds, please do not hesitate to contact your state General Field Representative ("GFR"). Your state GFR information can be found at the following website: https://www.rd.usda.gov/contact-us/telecom-gfr.

Sincerely,

AYLENE MAFNAS Digitally signed by AYLENE MAFNAS

Top Priorities for CIP Projects at Each School 25-26

Completed Projects 24-25

1-1 Fence repairs - (Bus Lot, APS, ACHS (entrance gate - Auto Tech))
1-2 Tile installation in the main office to replace carpet - (APS)
1-3 Boiler installation - (APS)
1-4 Installation of LPG tanks, concrete pad, trenching, fencing (AES)
1-5 Boiler installation - (AES)
1-6 Floor tile replacement - 100 and 200 buildings (AMS)
1-7 Water heater replacements - (AMS)
1-8 Exterior painting - (AMS)
1-9 Cafeteria upgrades - (APS, AES, AMS)

Division-wide

1-1 Interior painting (APS, AES, SBO)
1-2 Exterior Painting (APS, AMS, ACHS)
1-3 Brick Pressure-washing (APS, AES, ACHS)

APS

1-1 Carpet Removal in administration area with new carpet and tile replacement
1-2 Patch and reseal & reline parking lots

AES

1-1 Patch and reseal & reline parking lots
1-2 Canopy sheetrock repair and paint
1-3 Window replacements

AMS

1-1 Water heater installation - main building
1-2 Patch and reseal & reline parking lots
1-3 Lockers
1-4 VCT removal and possible replacement - ongoing
1-5 Replacement of wall units and controls upgrade
1-6 Door repairs and replacements

ACHS

1-1 Roof Systems- Gym Lobby, Auditorium, Concourse, Porches
1-2 Lamp Post replacements
1-3 Parking lot Phase 3 - rear
1-4 CTE water heater replacement
1-5 Interior doors
1-6 Exterior metal beams - Painting

SBO

1-1 HVAC Replacement and Upgrades
1-2 Interior Painting
1-3 Replacement Windows – (County?)
1-4 Patch and reseal and reline parking lots – (County?)

Technology Building

1-1 New Railings on porch

Transportation

1-1 School Zone signage – Installation needed

Maintenance

1-1 New Facility- Combine Maintenance and Technology

General Maintenance Projects/Priorities

1-1 Lighting LED- All buildings
1-2 HVAC Unit drainage for classrooms at AES
1-1 Ceiling Tile Insulation -SBO

NOTICE OF PUBLIC HEARING
APPOMATTOX COUNTY, VIRGINIA

PROPOSED BUDGET FOR THE FISCAL YEAR 2026 COMMENCING JULY 1, 2025

This budget synopsis is prepared and published for informative planning purposes only. The inclusion of any item does not constitute an obligation or commitment on the part of the Board of Supervisors to appropriate funds for that purpose. There is no allocation or designation of Appomattox County funds for any purposes until an appropriation for that purpose has first been made by the Board of Supervisors.

A Public Hearing will be held by the Board of Supervisors respecting the proposed 2025/2026 Appomattox County consolidated budget (inclusive of the School and Social Services budgets) in the Board of Supervisors meeting room located at 171 Price Lane, Appomattox, Virginia on Monday, April 21, 2025 at approximately 6:00 p.m. at which time citizens of this County shall have the right to address and state his or her views.

ESTIMATED REVENUES

Appomattox County Public Schools

Gifted Education Executive Summary | 2024–2025

The Appomattox County Public Schools Gifted Advisory Committee presents the following summary of gifted education services and enrichment opportunities provided throughout the 2024–2025 school year.

Appomattox Primary School

- **Identified Gifted Learners:** 1 student currently receives gifted services once per week.
- **Evaluation Efforts:** 7 students were evaluated earlier this year; 7 additional students are currently undergoing evaluation for possible gifted identification.
- **Enrichment Highlights:**
    - After-school STEM opportunities including circuits, light-up cards, owl pellet investigations, rocket design, oscilloscope use, and hands-on electricity lessons for 2nd grade.

Appomattox Elementary School

- **Identified Gifted Learners:** 32 students receive gifted services for 50 minutes a day, four days a week.
- **High-Achieving Learners:** 71 additional students participated in ALPs units based on teacher recommendations.
- **Currently Evaluating:** 7 students under review for gifted program placement.
- **Curriculum Themes:**
    - Global Learning via Mystery Skype and Google Meet (India, Kansas, Illinois, Michigan, New York)
    - Project-Based Learning, Engineering Design, Electricity, Stock Market Game, Thimble.io Coding, and more.
- **Whole-School Initiatives:**
    - 24 Math Tournament (3rd–5th grades)
    - Scripps Spelling Bee (5th grade)
    - Science Fair (3rd–5th grades)
    - 4-H Public Speaking (4th–5th grades)
    - Memorize the Presidents Contest
    - PTO-Sponsored World Exhibition

Appomattox Middle School

- **Service Model:** ALPs students participate in rotating enrichment modules every six weeks, including additional high-achieving students based on teacher recommendations.
- **Enrichment Activities:**
  - Egg Drop Challenge, Python Coding, Robotics, Cubelets, Mythology, Escape Rooms
- **High School Credit Courses:**
  - Algebra I (8th grade)
  - Spanish I (three sections, including one during Raider Reach for band students)
- **KidWind Engineering Competition:**
  - **6th Grade:** "The Divas and Donovan" placed 2nd at regionals, received a judges' award, and competed at the state level with high design iteration and testing.
  - **7th Grade:** "Triple Threat" earned top score on the Knowledge Quiz and placed 3rd at regionals.
  - **8th Grade:** "Those Guys and That Girl" achieved top Knowledge Quiz score at regionals hosted by Virginia Tech.
- **Field Experiences:**
  - 8th grade visited Central Virginia Governor's School.

Appomattox County High School

- **Advanced Coursework Offerings:**
  - **AP:** Language & Composition, Literature, Psychology, Government
  - **Dual Enrollment:** ENG 111/112, BIO 101/102, HIST 121/122, ADJ 100, TFT I/II, HVAC I
- **Governor's School Participation:**
  - 3 seniors continuing at Central Virginia Governor's School (CVGS)
  - 4 juniors accepted for CVGS (2025–2026)
  - 1 senior and 2 juniors enrolled in CVCC STEM Academy
- **Early College Program:**
  - 28 seniors returning to CVCC Early College cohort
  - 13 juniors accepted for 2025–2026
- **Student Recognition & Enrichment:**
  - **Leadership & Service:** 3 students selected for Boys State, 2 for Girls State, and 2 for HOBY (Hugh O'Brien Youth Leadership)
  - **Governor's School:** 2 students attending Summer Residential Governor's School
  - **National Park Service:** 8 students completed 90 hours of training and 40 hours of volunteer service; eligible to apply for paid summer internships

Ongoing Priorities & Targeted Improvements

- Explore innovative service delivery models to support gifted learners across all grade levels
- Expand professional development on differentiation and gifted instructional strategies
- Continue to refine identification practices to better recognize twice-exceptional, economically disadvantaged, and culturally diverse students
- Enhance student preparation for SAT/ACT
- Investigate additional STEM-focused enrichment opportunities, particularly for K–8 learners

Welcome to the 2025-2026 Special Education Annual Plan/Part B Flow-Through Application.

Please Select your entity name

APPOMATTOX COUNTY PUBLIC SCHOOLS

NOTE: Must Enable Macros to Proceed.

VIRGINIA DEPARTMENT OF EDUCATION

Welcome to the 2025-2026 Special Education Annual Plan/Part B Flow-Through Application. Please use the tabs at the bottom of this spreadsheet to work your way through the certifications, assurances, budget forms, and other required components. Use your local personal computer to prepare the document for submission to the Virginia Department of Education via VDOE's Online Management of Education Grant Awards (OMEGA). The OMEGA submission and all division-level approvals must be completed no later than May 9, 2025.

To print Annual Plan/Part B Flow-Through Application Document, please select this button:

To view Annual Plan/Part B Flow-Through Application Document by pages, click on "Page Break Preview" under View.

Annual Plan/Part B Flow-Through Application Process

All local educational agencies (LEAs), which include local school divisions, state-operated programs (SOPs), and the Virginia School for the Deaf and the Blind (VSDB), are required to establish their eligibility to receive funding under the Individuals with Disabilities Education Improvement Act of 2004 (IDEA). IDEA, at 20 USC § 1413(a)(1), and its federal implementing regulations, at 34 CFR § 300.201, require that each LEA, in providing for the education of children with disabilities within its jurisdiction, has in effect policies, procedures, and programs that are consistent with the Virginia Department of Education's (VDOE's) policies and procedures, which have been established in accordance with the IDEA. This Annual Plan/Part B Flow-Through Application is a component of the VDOE's overall responsibility to ensure each LEA's compliance with the implementation of the requirements of IDEA and its federal implementing regulations. Links to the 2006 federal IDEA implementing regulations and the April 2007 and December 2008 revisions to the federal regulations are available online at:

Proportionate Share Calculation

Federal Register - IDEA (pages 17769-17774, and 17781)

Significant Disproportionality

Please refer also to the information outlined below, and the Superintendent's Newsletter, *Virginia Education Update* 2024-47, dated December 5, 2024, for additional information and contact assistance.

A. Submission of the Annual Plan/Part B Flow-Through Application using the OMEGA System:

Each LEA must submit its Annual Plan/Part B Flow-Through Application using the Online Management of Grant Awards (OMEGA) System. LEAs are requested to use the sequence of activities outlined below when completing and submitting their Annual Plan/Part B Flow-Through Application for approval. For LEAs to be eligible to receive Part B funds the following components are required: Excess Costs and Maintenance of Effort (MOE). Information will be collected concerning Excess Costs using an automated Web-based application. Projected Maintenance of Effort information will be collected within this application.

1. Verify completion of an "OMEGA User Permission Form OP1" - An OP1 Form must be on file with the VDOE's Fiscal Services Office for each person in the LEA's OMEGA approval queue for applications for Sections 611 or 619 funding. If your LEA has previously submitted an OP1 Form and has been granted permission for each individual in the approval queue to either "Create/Cancel," or to "Approve/Deny" an "Application Request" for "Section 611" and "Section 619," then you are not required to submit new OP1 Forms. However, if there are new staff members participating in the approval queue, please verify that an OP1 form, requesting the appropriate permissions, has been filed with the VDOE's Fiscal Services Office.

   Instructions for completing the OP1 Form and online training opportunities are available online at:

   Online Management of Education Grants Awards (OMEGA)

   Please ensure that if applicable, new OP1 forms are completed and mailed to the following address no later than April 4, 2025.

   Virginia Department of Education
   Fiscal Services Office
   P.O. Box 2120
   Richmond, Virginia 23218-2120

   Additional assistance regarding the OP1 Form may be obtained by telephone at (804) 371-0993 or by email at:
   omega.support@doe.virginia.gov

   Note: If you are not a current user of the VDOE's Single Sign-on for Web Applications Systems (SSWS) portal, prior to submitting an OMEGA user permission form to VDOE, you must contact your local SSWS Coordinator, who will establish an SSWS "user logon" and access to OMEGA.

2. After completing all tabs below, the Annual Plan/Part B Flow-Through Application must be reviewed by the school division's local special education advisory committee, and approved by the school board prior to submission via OMEGA to VDOE for review and approval.

3. OMEGA Data Submission - Once the LEA's electronic 2025-2026 Annual Plan/Part B Flow-Through Application has been reviewed and approved, as outlined in Step 2 above, LEAs are requested to do the following:

   a. Log in to the Virginia Department of Education's SSWS at the following website (NOTE: The website suffix is "do" rather than "doe").

      https://p1pe.doe.virginia.gov/ssws/login.page.do

   b. Select the Application Name "Online Management of Education Grant Awards - OMEGA."

   c. On the left side of the OMEGA home page is a column entitled, "I want to…." From that list, select "Submit an application." That will bring up OMEGA's "Application Request Page."

   d. On the "Application Request Page," the first step is to "Choose the Award Year." This will be **2025**

   e. The next question is "Do you wish to submit a consolidated application?" The answer is "**Yes**." (Please note that failure to select "Yes" may delay approval of your Annual Plan/Part B Flow-Through Application.)

   f. Choose the Project Groups - If your LEA is applying for both Section 611 and Section 619 funding, in OMEGA, under "Choose the Project Groups," select Both "IDEA Part B Section 611 Special Education" and "IDEA Part B Section 619 – Special Education Preschool" as part of the Same consolidated application. However, if Section 611 is the Only funding stream for which your LEA is applying, under "Choose the Project Groups," select Only "IDEA Part B Section 611 Special Education."

NOTE: If you currently use OMEGA to submit ESSA applications, those funding streams may appear under "Choose the Project Group." Please be careful to select only the IDEA Part B selections, which are applicable to your Annual Plan/Part B Flow-Through Application.

g. The next step is to "Browse." Selecting "Browse" will allow you to locate and attach the Excel file containing your saved, completed 2025-2026 Annual Plan/Part B Flow-Through Application.

h. Once the file containing the Excel spreadsheet has been attached, select "Go to Submit" from the options at the bottom of the screen. This will bring up a "Confirmation Page." The "Confirmation Page" will allow you to ensure that the file you uploaded is the appropriate file, and that you selected the appropriate "Project Group(s)." Once you have verified that the information is ready for submission, select "Submit Request."

i. Once the OMEGA application is submitted, it will be routed to the individual(s) within the LEA, who are authorized to approve OMEGA applications, and it will appear in the approvers' OMEGA "To Do List." The application must be approved by each required LEA-level approver before it will be submitted via OMEGA to VDOE for review. At a minimum, at the LEA level, the OMEGA application must be approved by the individual authorized to provide "Level 4" approval, typically the Superintendent or other authorized designee.

4. To ensure a timely approval process, the electronic 2025-2026 Annual Plan/Part B Flow-Through Application must be uploaded via OMEGA, and all LEA-level approvals must be completed no later than May 9, 2025.

B. Contact Information:

If you have any questions during the completion of your Annual Plan/Part B Flow-Through Application, please contact a VDOE staff member using the following information:

Plan Section	Contact Person	Telephone	Email Address

OMEGA Submission Support and OP1 Form	OMEGA Support	(804)371-0993	OMEGA.Support@doe.virginia.gov

C. Local Policies and Procedures:

Each LEA must provide assurances via its Annual Plan/Part B Flow-Through Application that its local policies and procedures are in compliance with the requirements of, and any revisions to, the IDEA, its federal implementing regulations, and Virginia's state special education regulations. Approval of the electronic Annual Plan/Part B Flow-Through Application in OMEGA by the LEA's Level 4 approver serves as that assurance. Thus, LEAs are not required to submit copies of their local policies and procedures, or revisions to those policies and procedures to the VDOE. Nonetheless, LEAs are reminded that revisions to local special education policies and procedures must be approved by school boards for school divisions, or the Board of Visitors for the VSDB. State-operated programs must submit revisions to policies and procedures to the State Special Education Advisory Committee for review. A guidance document that provides technical assistance regarding those areas in which LEAs are required to have local special education policies and procedures is available online at:

Developing Local Policies and Procedures

D. Private School Set-Aside Requirements:

Approval of the electronic Annual Plan/Part B Flow-Through Application in OMEGA by the LEA's Level 4 approver will provide assurance that each school division will comply with the 2006 federal IDEA implementing regulations regarding parentally-placed private school students, at 34 CFR 300.129 to 300.144. and Virginia's special education regulations at 8 VAC 20-81-150 C. Nonetheless, each school division will be required to submit information demonstrating compliance with its proportionate set-aside (PSA) share of its Section 611 and Section 619 subgrant to provide services to the population. This information is subject to review and public disclosure. Preliminary PSA amounts should be included within this annual plan.

Upon notification of its grant award, each school division must calculate the proportionate share amounts from its 611 and 619 subgrants to be spent on parentally-placed private school students. These calculations will be submitted to the VDOE using the online Spec-ed PSA application. If set-aside funds received in accordance with the 2025-2026 Annual Plan/Part B Flow-Through Application are not spent by the end of the 2025-2026 fiscal year, any remaining funds must be obligated for one additional year to provide special education and related services to children with disabilities who are parentally placed in a private school or are home-schooled and may not be used for other purposes. The PSA funds may be reallocated for other allowable uses after June 30, 2027. Note: A web-based application will be used to submit the information to the VDOE. Additionally, school divisions will identify these expenditures in OMEGA.

E. Excess Costs and Maintenance of Effort Requirements:

Each school division must comply with requirement provisions of the 2006 federal IDEA implementing regulations, and the Virginia Regulations, at 8 VAC 20-81-260 B and C. These local records are subject to review and public disclosure, including in the event of a financial audit, or if an applicable state complaint or due process action is filed. Each school division will use the web-based Excess Costs application to submit information to the VDOE to complete its Excess Cost calculations. The federal mandates regarding Maintenance of Effort are in the federal IDEA implementing regulations, at §§ 300.154(g)(2), and 300.203-300.205. Preliminary Maintenance of Effort information is to be included with this annual plan. The Level 4 (Superintendent or Authorized Designee) approval will ensure compliance with Excess Costs and Maintenance of Effort requirements.

F. Section 611 and Section 619 Grant Applications:

Grant awards will be issued upon receipt of funds from the U.S. Department of Education (USED) and the VDOE approval of the LEA's Annual Plan/Part B Flow-Through Application. Awards will be made upon a determination that the LEA has met all eligibility requirements of IDEA. The amount of funds to be allocated to your LEA is based on a formula specified by the IDEA.

Additional Tips:

- **Required components:** In order for your LEA to receive funding under Part B of IDEA, all sections of this application must be completed in accordance with federal and state funding requirements. (LEAs not applying for Section 619 funding are not required to complete the tab entitled, "Section 619.")
- **Application Signature:** Approval by the LEA's Level 4 approver of this Annual Plan/Part B Flow-Through Application in OMEGA serves as an electronic signature for purposes of applying for federal funds.
- **Contact Information:** Please ensure the "Contact Person" identified in the application is available during the summer.

- **Proposed Budget:** We recommend that you base your 2025-2026 proposed budget, for both Section 611 and Section 619, on the LEA's 2024-2025 grant award for each funding stream, as specified in Superintendent's Newsletter #2023-03 dated July 20, 2023. Please review both the proposed budget and the narrative budget description to ensure consistency.

- **Personnel:** For personnel to be paid from project funds, please clearly indicate percentages of salaries (FTEs) to be covered by Part B funds. For personnel who do not spend 100 percent of their time serving children with disabilities, only the amount of time (i.e., percentage of salary and fixed charges) spent serving children with disabilities may be charged to Part B funds. When employees are expected to work on a single Federal award or cost objective, the LEA must ensure that a semi-annual certification is made supporting the employees' salaries and wages. When employees are expected to work on multiple projects the LEA must ensure that a monthly certification is made supporting the employee's salaries and wages.

- **Equipment Purchases:** Approval for specific items of equipment is required for items costing $5,000 or more. **You must obtain approval of each equipment item prior to purchase**. For items not included in this application, approval must be obtained prior to purchase in accordance with the policies and procedures in effect at that time. School divisions are expected to maintain an inventory of purchases costing less than $5,000 for items such as I-pads, computers, smartboards, library reference books, etc.

- **Indirect Costs:** Applicants are encouraged to consider budgeting for "indirect costs" (restricted rate). Please consult with your LEAs chief financial officer for information pertinent to indirect costs and the restricted cost rate(s) computed for your LEA.

- **Equipment/Travel:** Where equipment items and/or travel details are not known at the time this application is submitted, applicants may budget for equipment and travel and shall seek specific prior approval at a later date (prior to purchase or out-of-state travel). All out-of-state travel requires preapproval by VDOE staff, even if included in this annual plan,

- **Capital Outlay:** Proposed expenditures for capital outlay, object code 8000, must be itemized. These items would normally cost at least $5,000 per item.

- **Amendments:** Once the VDOE receives a federal grant award for Sections 611 and 619 funding, each LEA whose Annual Plan/Part B Flow-Through Application has been received in substantially approvable form, and which continues to meet the eligibility requirements of Part B of IDEA, will receive sub-grant awards in accordance with federal and state funding requirements. The amount of the sub-grant awards will be published in a Superintendent's Memorandum, and posted in OMEGA. It is anticipated that the LEA's sub-grant award may differ from the proposed 611 or 619 budget amount submitted as part of the LEA's Annual Plan/Part B Flow-Through Application. If so, the amount of the discrepancy will appear in OMEGA under Object Code 0000. Select "Change my object code budget" to reallocate any funds in Object Code 0000 between the remaining Object Codes. The LEA is not required to submit a revised Annual Plan/Part B Flow-Through Application to the VDOE via OMEGA to make this adjustment.

Following approval of the LEA's Annual Plan/Part B Flow-Through Application, if the LEA proposes to spend IDEA Part B funds differently than outlined in its Annual Plan/Part B Flow-Through Application, the amendment process will differ depending on the type of amendment requested. To make a change to a proposed expenditure **within the same object code**, please send an e-mail message to the appropriate contact for the funding stream to be amended, outlining the proposed amendment. VDOE staff will review the proposed change and notify you regarding whether or not it is approved or denied. To make a change to a proposed expenditure **between object codes**, transfer the funds using "Change my object code budget" in OMEGA, and insert a "justification" in the comment box. The justification will be reviewed by VDOE staff, who will then either approve or deny the request via OMEGA. **Note that both amendment processes require VDOE approval of proposed expenditure changes, prior to the purchase of goods or services**. The LEA is not required to submit a revised Annual Plan/Part B Flow-Through Application to the VDOE via OMEGA to request an amendment.

- **Reimbursements:** The VDOE is responsible for assuring that federal special education funds are used in accordance with all applicable federal and state requirements. Thus, reimbursement requests will be monitored closely to ensure compliance with such requirements. If you have any questions about the appropriateness of a proposed use of these funds, please contact Kesha Reed. Contact information is identified in section B above.

- **Technical Assistance Documents:** Additional technical assistance information regarding completion of the Annual Plan/Part B Flow-Through Application is available on the VDOE's website at:

Special Education Annual Plan / Part B Flow-Through Application

These documents provide guidance regarding object codes and the types of expenditures to be included under each object code, and suggestions for the appropriate use of early childhood special education funds.

SUPERINTENDENT'S CERTIFICATION

For the purpose of implementing the provisions of the Individuals with Disabilities Education Improvement Act of 2004 (IDEA), I certify that throughout the period of the 2025-2026 grant award, this School Division will comply with the requirements outlined in each of the following:

(1) Part B of IDEA, including the eligibility requirements of Section 613;

(2) The IDEA federal implementing regulations, dated October 13, 2006, and revised April 9, 2007, and December 31, 2008, at 34 C.F.R. Part 300 et seq.; and

(3) Virginia's "Regulations Governing Special Education Programs for Children with Disabilities in Virginia," at 8 VAC 20-81 et seq., effective January 25, 2010, and any revisions.

I certify that this school division has developed local policies and procedures for the provision of special education and related services, which are kept current, and which ensure compliance with the requirements of, and any revisions to the IDEA, its federal implementing regulations, and the Virginia Board of Education's regulations.

I certify that all students, including those who may be placed in regional programs by this agency, are afforded all assurances as delineated in this document.

Finally, I certify that this Annual Plan/Flow-Through Application for Part B Funds under the provisions of IDEA, was approved by the School Board on _____ **Date**

_____ _____ **Date**

Annual Plan/Part B Flow-Through Application Policy Statements
(continued on next page)

This LEA assures that it has in effect policies, procedures, and programs which have been established and administered to comply with the IDEA, and its federal implementing regulations, including 34 CFR §§ 300.201-300.213, and which are consistent with the policies and procedures that VDOE has established in accordance with IDEA, and its federal implementing regulations, including 34 CFR §§ 300.101–300.163, and 300.165–300.174, to ensure each of the following:

- A free appropriate public education will be available for each child with disabilities, ages two to 21, inclusive.
- All children, ages two to 21, inclusive, residing in the LEA who have disabilities and need special education and related services, who have not been parentally-placed in a private or home school, are identified, located, evaluated, and placed in an appropriate educational program.
- An individualized education program (IEP) will be maintained for each child with a disability, as required.
- To the maximum extent appropriate, children with disabilities will be educated with children who are nondisabled in the Least Restrictive Environment.
- Children with disabilities and their parents or guardians are guaranteed procedural safeguards in the process of identification, evaluation, educational placement, or the provision of a free appropriate public education, including the right to access dispute resolution options.
- Surrogate parents will be appointed, when appropriate, to act as advocates to serve the education interest of children, ages two to 21, inclusive, who are suspected of being or are determined to be disabled.
- Testing and evaluative materials used for the purpose of classifying and placing children with disabilities are selected and administered so as not to be racially or culturally discriminatory.
- The confidentiality of personally identifiable information, that is collected, maintained, or used under IDEA, shall be protected.
- Children with disabilities, who are participating in Part C early intervention programs, and who will be participating in Part B preschool programs, will experience a smooth and effective transition between the programs.
- All children, ages two to 21, inclusive, who have disabilities and need special education and related services, and who are parentally-placed in a private school or home school, that is located within the geographic boundaries of the LEA, are identified, located, evaluated and provided services, in accordance with the results of a timely and meaningful consultation process.
- Homeless children with disabilities will be served in accordance with the requirements of the *McKinney-Vento Homeless Assistance Act.*
- Special education and related service personnel, including paraprofessionals, are appropriately and adequately prepared and trained, and measurable steps will be taken to recruit, hire, train, and retain highly qualified personnel to provide special education and related services to children with disabilities.
- Valid and reliable data is submitted to the VDOE, as requested, including data regarding the performance goals and indicators established by the VDOE to determine the progress of children with disabilities, and the performance of the LEA toward targets outlined in Virginia's State Performance Plan.
- Policies and procedures will be in effect that are designed to prevent the inappropriate overidentification, underidentification, or disproportionate representation by race and ethnicity of children as children with disabilities, including children with disabilities with a particular impairment.

Annual Plan/Part B Flow-Through Application Policy Statements

(continued on next page)

- Children with disabilities are not required to obtain prescription medication as a condition of attending school, receiving an evaluation, or receiving special education and related services.
- Section 427 of the General Education Provisions Act (GEPA) applies to applicants for grant awards under this program. Please refer to the following link for more information. **20 U.S.C. 1228a**
- Children with disabilities are given the right to participate in the state assessment system.
- There will be ongoing parent consultation.
- Funding will be used to develop and implement coordinated early intervening educational services, as required.
- Children with disabilities who attend charter schools are provided services in the same manner as other children with disabilities who attend public schools.
- Instructional materials will be provided to children with a visual impairment or other print disabilities in a timely manner.
- Efforts will be made to cooperate with the United States Department of Education (USED) to ensure the linkage of records pertaining to migratory children with disabilities.
- All documents relating to the LEA's eligibility under IDEA will be made available to the public.

School Division:	APPOMATTOX COUNTY PUBLIC SCHOOLS	Division Number:	006

SUBMISSION STATEMENT (continued on next page)

Under the provisions of the Individuals with Disabilities Education Improvement Act of 2004 (IDEA), and its federal implementing regulations, at 34 C.F.R. Part 300 et seq., a local educational agency, that desires to receive funds under the Act, must provide the following assurances:

1. The local educational agency shall be responsible for (1) the control of funds provided under Part B of the Act; (2) title to property acquired with those funds; and (3) the local educational agency will administer such funds and property.
2. The local educational agency shall maintain records that show that where Part B funds are used to supplement existing services or to provide additional services to meet special needs, those services shall be at least comparable to services provided to other children with disabilities in the local educational agency with state and local funds.
3. The local educational agency application and all pertinent documents related to such application, including all evaluations and reports relative to the application, shall be made available for public inspection.
4. The local educational agency shall maintain records showing that Part B funds are used to supplement and, to the extent practicable, increase the level of state and local funds expended for the education of children with disabilities. Part B funds shall, in no case, be used to supplant local and state funds.
5. The funds provided under Part B of the Act shall be used to employ only those professional personnel who meet appropriate State standards. In addition, all other professional personnel employed, such as therapists, etc., shall be properly licensed.
6. The Virginia Department of Education assumes rights to all materials and/or products developed in this project, including equipment purchased with Part B funds.
7. No person shall, on the grounds of race, color, national origin, sex, disabling condition or age, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant received financial assistance under the provisions of the Act.
8. The local educational agency shall provide students enrolled in private schools an opportunity to participate in programs funded through Part B of IDEA.
9. The local educational agency will ensure that projects involving construction, are consistent with overall State plans for the construction of school facilities. In developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed under Section 504 of the Rehabilitation Act of 1973 and subsequent amendments in order to ensure that facilities constructed with the use of Federal funds are accessible to, and usable by, individuals with disabilities.
10. The local educational agency has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in Part B programs significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects.
11. The local educational agency will ensure that none of the funds expended under Part B programs will be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization.
12. Except when used to provide Comprehensive Coordinated Early Intervening Services or Coordinated Early Intervening Services, the local educational agency will ensure that funds expended under Part B of IDEA will only be used for the costs which are directly attributable to the education of children with disabilities, and which exceed the average annual per student expenditure during the preceding year as computed in accordance with 34 C.F.R. § 300.202, Appendix A of the IDEA federal implementing regulations, and as documented using the Web-based application.

School Division: APPOMATTOX COUNTY PUBLIC SCHOOLS **Division Number:** 006

SUBMISSION STATEMENT (continued from previous page)

13. The local educational agency will ensure that funds expended under Part B of IDEA will not be used to reduce the level of expenditures made from local funds below the amount expended for the education of children with disabilities from state or local funds during the preceding fiscal year, in accordance with 34 C.F.R. §§ 300.203 to 300.205 of the IDEA federal implementing regulations, and as documented using the web-based application.
14. The school division will ensure that, in accordance with 34 C.F.R. § 300.133, and Appendix B of the IDEA federal implementing regulations, during the grant award period, a proportionate share of the school division's Section 611 subgrant will be set aside to be expended for children with disabilities, ages 3 through 21, who are parentally-placed in a private school within the school division, and a proportionate share of its Section 619 subgrant will be set aside to be expended for children with disabilities, ages 3 through 5, who are parentally-placed in a private school within the school division. This school division further assures that if it has not expended for equitable services all of its set-aside funds by the end of the fiscal year for which it was appropriated, the school division will obligate any remaining funds for one additional year to provide special education and related services to children with disabilities who are parentally placed in a private school within the school division. Actual proportionate set-aside amounts will be submitted using the web-based application.
15. The local educational agency shall maintain records demonstrating compliance with the provisions of IDEA and its federal implementing regulations, including each of the assurances outlined above, and afford the Virginia Department of Education access to those records that it may find necessary to ensure the correctness and verification of the information required under this Act.
16. The local educational agency certifies this application as a material representation of its compliance with the following provisions of Education Department General Administrative Regulations (EDGAR), as applicable: 34 CFR Part 82 § 82.110—New Restrictions on Lobbying; 34 CFR Part 85 § 85.105 and § 85.110—Governmentwide Debarment and Suspension (Nonprocurement); and 34 CFR Part 84 §§ 84.200 through 84.230, and 84.300 – "Governmentwide Requirements for Drug-Free Workplace" (Grants). In addition the LEA certifies this application complies with 2 CFR, Part 200 Uniform Guidance, as applicable.

School Division:	APPOMATTOX COUNTY PUBLIC SCHOOLS	Division Number:	006

IDENTIFICATION OF BARRIERS AND DESCRIPTIONS OF STEPS TO OVERCOME THEM IN ACCORDANCE WITH PROVISIONS IN SECTION 427 OF THE GENERAL EDUCATION PROVISIONS ACT

Applicants for federal assistance are required under Section 427 of the General Education Provisions Act (GEPA), enacted as a part of the Improving America's Schools Act of 1994 (P.L. 103-382) to include in its application a description of the steps in addressing equity concerns and full participation of students, teachers and other program beneficiaries with special needs in designing their federally-assisted projects or activities. The legislation highlights six characteristics that describe broad categories of persons or groups that may more frequently encounter barriers to participation. The characteristics are: Gender, Race, National Origin, Color, Disability, and Age.

1.Describe how your entity's existing mission, policies, or commitments ensure equitable access to, and equitable participation in, the proposed project or activity.

Appomattox County Public Schools maintains up-to-date policies, procedures, and practices to ensure the effective delivery of special education and related services in full compliance with the Individuals with Disabilities Education Act (IDEA).

2.Based on your proposed project or activity, what barriers may impede equitable access and participation of students, educators, or other beneficiaries?

There are no identified barriers related to gender, race, national origin, color, disability, or age that would limit participatin in the division's programs.

3.Based on the barriers identified, what steps will you take to address such barriers to equitable access and participation in the proposed project or activity?

Appomattox County Public Schools does not have any barriers to equitable access and participation.

4. What is your timeline, including targeted milestones, for addressing these identified barriers?

Appomattox County Public Schools does not have any barriers to equitable access and participation.

Notes:

1. Applicants are not required to have mission statements or policies that align with equity in order to submit an application.
2. Applicants may identify any barriers that may impede equitable access and participation in the proposed project or activity, including, but not limited to, barriers based on economic disadvantage, gender, race, ethnicity, color, national origin, disability, age, language, migrant status, rural status, homeless status or housing insecurity, pregnancy, parenting, or caregiving status, and sexual orientation.
3. Applicants may have already included some or all of this required information in the narrative sections of their applications or their State Plans. In responding to this requirement, for each question, applicants may provide a cross-reference to the section(s) and page number(s) in their applications or State Plans that includes the information responsive to that question on this form or may restate that information on this form.

2025-2026 SPECIAL EDUCATION IN LOCAL AND REGIONAL JAILS

Each local school division with a regional or local jail in its jurisdiction shall establish an interagency agreement with the sheriff or jail administrator responsible for the operation of the jail. The interagency agreement shall address staffing and security issues associated with the provision of special education and related services in the jail. It is suggested that you review your agreement annually.

Interagency Agreement

Name of Local or Regional Jail:

1. Is there a local or regional jail located within the geographic boundaries of your school division? No

You have completed the special education in jails section of the annual plan.

2. Has the interagency agreement between your school division and the jail been revised since the submission of your most recent annual plan?

REPORT ON IMPLEMENTATION
OF THE 2023-2024 ANNUAL PLAN

Submit a report indicating the extent to which the annual plan for the 2023-2024 school year has been implemented (*Code of Virginia* , Section 22.1-215). (Maximum capacity of each text box is 975 characters.)
The 2023-2024 Annual Plan for Appomattox County Public Schools was implemented in accordance with the submitted assurances, policy statements, and procedures. This included, but was not limited to: salaries and benefits for special education teachers * Proportionate set-aside funds allocated for designated speech-language pathoogists to provide speech/ language services to students with disabilities enrolled by parents in private schools * Procurement of instructional materials, including classroom supplies, books, assessment instruments, instructional software, and assistive technology necessary for the daily operation of special education classrooms * Child Find activities, including referrals from parents, instructional staff, physicians, mental health professionals, and Infant and Toddler Connection of Central Virginia case managers * Professional development opportunities, such as conferences, courses, workshops, and seminars, for staff working with students with disabilities.

School Division: APPOMATTOX COUNTY PUBLIC SCHOOLS **Division Number:** 006

Maintenance of Effort

The Virginia Department of Education (VDOE) is required by federal regulation to ensure all school divisions in Virginia comply with §300.203 of the *Individuals with Disabilities Education Act* (IDEA), which mandates that school divisions meet a maintenance of effort (MOE) obligation. This regulation requires school divisions to spend at least the same amount from at least one of the following sources: (i) local funds; (ii) state plus local funds; (iii) local per capita; or (iv) state plus local per capita for a current school year on the delivery of special education and related services, as were spent for the most recent fiscal year (i.e., 2023 - 2024) for which the information is available, subject to the Subsequent Years rule.

34 CFR §300.203(a) requires that in order for an LEA to be eligible for an IDEA Part B subgrant for the upcoming fiscal year, the LEA must budget, in each subsequent year, at least the same amount that it actually spent for the education of children with disabilities in the most recent fiscal year for which information is available, subject to the Subsequent Years rule. When establishing eligibility, an LEA is **not** required to use the same method it used to meet compliance standard in the most recent fiscal year for which the information is available. An LEA can change methods to establish eligibility from one year to the next, as long as the division uses the same method for calculating the amount it spent in the comparison year for which it is establishing eligibility.

Provide the total local and the total state plus local expenditure budget and per capita amount for the school division's total special education program for the years designated below. The projected/estimated expenditure budget amounts provided must come from the district's 2025-2026 preliminary budget, and must be reviewed and confirmed by the division's fiscal's office.

	Local	Local plus State
	School Year 2025-2026 (estimated/projected)	School Year 2025-2026 (estimated/projected)
Dollar $	2,053,652.00	37,333,913.00
	School Year 2025-2026 (estimated/projected)	School Year 2025-2026 (estimated/projected)
Per Capita	6,418.00	11,668.00

If an LEA determines that the budget above did not meet the eligibility standard in any of the four methods for which the information is available, an LEA is allowed to consider Exceptions under §300.204 and Adjustments to MOE under §300.205 to the extent the information is available. These exceptions and adjustments must also be taken in the intervening year (i.e., SY2024-2025) and that the LEA reasonably expect to take these exceptions and adjustments in the year it is budgeting (i.e., SY2025-2026). Please describe which allowable exceptions will be used and provide the corresponding dollar amount.

MOE Procedures

NOTE: The Dec. 1, 2024 Child Count totals should be used to compute the per capita amounts. The Child Count should be adjusted to exclude students funded through CSA. To confirm the CSA student count, please log into the Special Ed December 1 Membership Application and locate the Maintenance of Effort Report. Also, the budgeted amount must be based on the division's preliminary budget and must be within the same level of effort or higher amount to meet the MOE eligibility requirements by using either dollar or per capita amounts. Division's budgeting the same exact amount it spent in the comparable year (i.e., the year it met its MOE requirement) may be requested to provide additional documentation.

School Division: APPOMATTOX COUNTY PUBLIC SCHOOLS | Division Number: 006
Region 008

2025-2026 SPECIAL EDUCATION CCEIS/CEIS AND PROPORTIONATE SET ASIDE

Each local school division shall ensure Comprehensive Coordinated Early Intervening Services (CCEIS) and Coordinated Early Intervening Services (CEIS) and Proportionate Set-aside (PSA) requirements have been addressed.

If your answer is "yes' to question 1A or 1B, the annual CCEIS/CEIS Plan will be required. Please provide a preliminary budget by object code below; budget must not exceed 15 percent of the Part B allocation used under the 611 and 619 sections of the application. The annual CEIS application will be requested to be completed in OMEGA at a later time.

1A Is your school division required to set aside 15 percent of Part B funds for Comprehensive Coordinated Early Intervening Services?

Select Yes or No: No

1B Is your school division voluntarily setting aside up to 15 percent of Part B funds for Coordinated Early Intervening Services?

Select Yes or No: No

For Additional Information Regarding "Allowable Expenditures":
Comprehensive Coordinated Early Intervening Services

2 Is your school division required to set aside funds for parentally-placed students in private schools or students identified during child find?

Select Yes or No: Yes

If no, explain why the division is not required and if yes, explain how funds will be used. The actual budget will be determined when the division submits its data in the Proportionate Set-Aside (speced-PSA) application. Amounts entered here are estimates.

Proportionate set-aside funds will be allocated to provide speech and language services for students with disabilities who have been parentally placed in private schools.

Please explain how funds will be used and enter proposed budget amounts in PSA Columns below.

EXPENDITURE ACCOUNTS		OBJECT CODE	Section 611 (D) CCEIS/CEIS	Section 611 (E) Proportionate Set-Aside	Section 619 (D) CCEIS/CEIS	Section 619 (E) Proportionate Set-Aside

2025 VSBA HYBRID CLERKS CONFERENCE

MAY 8, 2025
VSBA OFFICE OR VIRTUAL

About the Conference

Join us for an exciting day of learning, networking and professional growth at the VSBA Clerk's Conference! This must-attend event is designed to equip school board clerks and administrators with essential knowledge, key updates and practical tools to enhance their roles.

The day kicks off with a warm welcome from Gina Patterson, executive director of VSBA, setting the stage for an engaging and impactful experience. Prepare to be inspired by our keynote speaker, Dr. Herb Monroe, who will share powerful insights to motivate and energize you. Next, Michelle Minor and Bella Corbo will guide you through Clerks Reminders 101, ensuring you're up to speed on the VSBA database and website—key resources to streamline your work.

After a well-deserved break, Lesley Rigney, Director of Legal and Policy Services at VSBA, will take the stage for an eye-opening session on school law, providing the latest legal updates and best practices. Following lunch, Rodney Jordan will lead a dynamic discussion on Building Relationships with School Board Members, offering valuable strategies to foster strong, effective partnerships. The afternoon continues with an essential FOIA Presentation by Alan Gernhardt, who will break down Freedom of Information Act guidelines in a clear and engaging way.

We'll wrap up the day with exciting announcements and door prizes—you won't want to miss your chance to win! Don't miss this opportunity to connect with colleagues from across Virginia, gain valuable knowledge, and leave feeling more empowered than ever.

THURSDAY, MAY 8, 2025

9:00 am	**Introduction and Welcome** Gina Patterson, Executive Director, VSBA
9:15 am	**Keynote** Dr. Herb Monroe, Superintendent, Surry County Public Schools
9:45 am	**Clerks Reminders 101: Database and VSBA Website** Michelle Minor, Database Specialist, VSBA Bella Corbo, Member Engagement Specialist, VSBA
10:15 am	**Networking Break**
10:30 am	**School Law** Lesley Rigney, Director of Legal and Policy Services, VSBA
11:45 am	**Lunch**
12:15 pm	**Building Relationships with School Board Members** Rodney Jordan, Consultant, VSBA
1:00 pm	**FOIA Training** Alan Gernhardt, Executive Director, Virginia Freedom of Information Advisory Council
2:00 pm	**Adjournment**

LODGING INFORMATION:

A block of rooms has been reserved for attendees at the Hilton Garden Inn Charlottesville, 1793 Richmond Rd., Charlottesville, VA 22911, for the night of May 7, 2025. Please make your hotel reservations by calling 434-979-4442 and letting them know you are with VSBA.

Thank You to Our Sponsor:

BoardDocs®
A DILIGENT BRAND

REMINDER:

Nametags must be visible to be admitted to ALL VSBA meetings and conferences.

COSTS:

Registration: $200
Late Registration: $250
(After April 24)

Please mail payment to:
VSBA
200 Hansen Road, Suite 2
Charlottesville, VA 22911

REGISTRATION INFORMATION:

The deadline for cancellations is April 24, 2025. Cancellations must be received in writing via email to mikaela@vsba.org by April 24 and will incur a $50 cancellation fee. Cancellation requests received after April 24 and no shows will not be refunded. Substitution of an individual may be made at any time.

If a meeting or conference is canceled and/or postponed due to inclement weather, registration fees will be automatically transferred to the rescheduled date of the conference. If attendees are unable to attend the rescheduled date, a substitution can be made, or the school division will be credited the registration fee to use for future events.

2025 VSBA SCHOOL LAW CONFERENCE: ENGAGE IN-PERSON OR VIRTUALLY

MAY 30, 2025
HILTON RICHMOND HOTEL & SPA SHORT PUMP

About the Conference

Get ready for an insightful and impactful day designed to equip school board members, administrators, and legal professionals with relevant updates and strategies in education law.

We'll dive right into the latest developments from the U.S. Department of Education with John Foster, Ellen Kennedy, and Erin Ashwell, tackling one of the most pressing legal issues shaping public education today. The conversation continues with an essential session on school board member access to records, led by Wesley Allen and Kristi Johnson, ensuring an understanding of rights and responsibilities.

After a networking break, the spotlight turns to court orders, where Robert Falconi and Pam O'Berry will walk you through key legal considerations for school divisions. Then, Andrew Fox and Mike Lockaby will unpack the complexities of School PPEA projects, offering guidance on navigating public-private partnerships.

Over a working lunch, stay ahead of the curve with a critical legislative update from J.T. Kessler, VSBA Director of Legislative Services, and Stacy Haney, VSBA Chief Lobbyist, as they break down the new laws that will shape the future of Virginia public education.

Don't miss out on this opportunity to stay informed, engaged, and prepared for the challenges ahead!

FRIDAY, MAY 30, 2025

9:00 am **Introduction and Welcome**
Dr. JoWanda Rollins-Fells, VSBA President
Greetings: Nicole Cheuk, Attorney, Sands Anderson

9:05 am **Updates to Federal Law and Guidance**

Local Plan for the Education of the Gifted

LEA#	**006**		
Superintendent	**Dr. Annette Bennett**		
Mailing Address	**P.O. Box 548, Appomattox, VA 24522**		
Gifted Education Coordinator/ Designee	**Dr. Cheryl Servis**	**Title:** **Address:** **Telephone:** **E-mail:**	**Director of Curriculum, Instruction, and CTE** **P.O. Box 548** **Appomattox, VA 24522** **434-352-8251** **cjservis@acpsweb.com**
Local School Board Chairperson	**Bobby Waddell (2023)** **Jason Wells (2025)**		
Date Approved by School Board **Revision Approved**	**October 26, 2023** **April 24, 2025**		

Local Plan for the Education of the Gifted

Each school board must review and approve a comprehensive plan for the education of the gifted. That plan must provide specific explanations of the school division's implementation of the *Regulations Governing Educational Services for Gifted Students*. School divisions, working in conjunction with their school boards, should determine the appropriate time frame of applicability for their division's gifted plan. Historically, division plans span ten years. For the technical review, the DOE will request a division to send their most current, approved plan at the time of the review. The applicable timeframe for the division's plan does not need to correspond to the collection year of their technical review. Information on the DOE technical review schedule can be found at the gifted education homepage at the Virginia Department of Education's Web site http://www.doe.virginia.gov/instruction/gifted_ed/index.shtml

Section 8VAC20-40-60A of the *Regulations* states that, "Each school board shall submit a comprehensive plan for the education of gifted students to the Department of Education (DOE) for technical review on a schedule determined by the Department. Each school board shall approve a comprehensive plan for the education of gifted students that includes the components identified in these regulations." To assist school divisions and school boards in complying with section 8VAC20-40-60A, the Virginia Department of Education has created this template for developing Local Plans for the Education of the Gifted (revised January 2011). This public document addresses all aspects of local services for gifted students, including, but not limited to, the area(s) of giftedness the school division will serve, an operational definition of giftedness in the division and its supporting identification procedures, program services, professional development, curriculum development, and parent and community involvement.

Each section of the plan should address specific procedures and information for each area of giftedness identified by the school division. If a school division identifies students in general intellectual aptitude (GIA) and specific academic aptitude-mathematics (SAA-M), then the section for referral procedures, for example, should reflect the specific referral procedures for GIA and SAA-M. Throughout the local plan template, school divisions may need to copy and paste the drop down boxes, the insert text form fields, and any pertinent information for each area of giftedness identified by the division. In order to be able to 'choose an item' from a drop down box, simply right click on the highlighted 'choose an item' wording and the drop down arrow should appear on the right. Right clicking on the arrow will then allow the drop down box choices to appear. If certain procedures or policies apply to more than one area of giftedness, simply copy and paste the drop down selection box to reflect all areas of giftedness that are applicable to the procedures or policy.

Once the completed comprehensive local plan for the education of gifted students has been approved by the local school board, the plan shall be accessible to the public through the division's Web site. The division shall ensure that printed copies of the plan are available to citizens who do not have online access.

For more information, contact the Virginia Department of Education specialist for Governor's Schools and Gifted Education at 804-225-2884.

General Information regarding the Gifted Program in Appomattox County Public Schools

In section 8VAC20-40-40A of the *Regulations*, divisions are required to screen, refer, identify, and serve gifted students in at least general intellectual aptitude or specific academic aptitude. School divisions may identify and serve gifted students in career and technical aptitude or visual or performing arts aptitude, or both, at their discretion. On the chart below, please indicate all areas of giftedness that are identified and served within the division. Please copy and paste any additional rows as might be needed to address all areas in Specific Academic Aptitude and/or Visual and/or Performing Arts that are identified by the school division.

Area of Giftedness Identified by the Division	**Grades Served**
General Intellectual Aptitude (GIA)	K-12
Specific Academic Aptitude (SAA)	7-12
Math (SAA)	7-12
English (SAA)	9-12
Science (SAA)	9-12
History (SAA)	9-12
Career and Technical Aptitude (CTA)	N/A
Visual and/or Performing Arts Aptitude (VPA)	11-12
Summer Regional and Residential Governor's School (VPA)	11-12

Part I: Statement of Philosophy and Local Operational Definition of Giftedness for the School Division (8VAC20-40-60A.1)

A. Division Statement of Philosophy for the Education of Gifted Students

The Appomattox County School Division recognizes the need to provide appropriate educational experiences, which will promote maximum learning opportunities for all students. Each school recognizes, within its population, their students whose superior abilities require unique educational provisions in order that they may strive to reach their maximum potential.

We adhere to the definition of gifted students as defined in the *Regulations Governing Educational Services for Gifted Students,* describing gifted students as those students…*whose abilities and potential for accomplishment are so outstanding that they require special educational programs to meet their educational needs".*

Gifted students differ from the general student population in the way and speed with which they process information. They also differ from each other in areas of giftedness and motivation. Education of gifted students must be individualized to allow for and capitalize upon these differences while providing each student opportunities to develop cognitive and affective capacities. A differentiated program for the gifted must take into consideration individual learning styles, interests, performance, and special abilities.

A continuous program, which allows gifted students to grow in motivation, self-awareness, and quality of thinking, shall be available in kindergarten through grade 12. The gifted program shall help develop self-esteem and skills in independent and group study, research, creative and critical thinking and life-long processes. The program objectives shall reflect the fundamental beliefs that learning is achieved through purposeful activity, the integration of subject matter, a multitude of instructional strategies and learning strategies to initiate the ability to utilize acquired knowledge by transference to a new situation.

B. Division Operational Definition of Giftedness

An operational definition provides the concrete, observable, and/or measurable criteria for 'giftedness' used by the division in the identification process. Such a definition might include a listing of the evidence of student readiness for gifted educational services, e.g. evidence of gifted behaviors as determined by a valid and reliable teacher checklist or evidence of superior academic performance based on a norm-referenced assessment of aptitude.

In Appomattox County, students in grades K-12 may be identified as gifted using General Intellectual Aptitude (GIA). Criteria for GIA identifications include multiple indicators including ability testing, teacher checklists, achievement testing and grades.

Specific Academic Aptitude (SAA), may also be used in grades 7-12. SAA criteria would include portfolio products, teacher checklist, achievement testing and grades. In Appomattox County, students are offered history (9-12), science (9-12), math (7-12), and English (9-12).

Summer Governor School programs are available for students who show giftedness in the areas of Visual/Performing Arts Aptitude (VPA), in grades 11 and 12. Teachers of the Visual and Performing Arts nominate students for this program using an audition process. In Appomattox County, students are offered the Summer Regional and Residential Governor's School.

Part II: Program Goals and Objectives (8VAC20-40-60A.2)

This section should include goals and objectives for the school division's gifted education program. Specific references pertaining to each area of giftedness identified by the division should be clearly indicated.

Goals

This section includes the division's goal(s) for each of the five components listed below. These goals serve as targets against which the division will evaluate its growth and development.

A. Identification:

The school division will implement uniform procedures with common criteria for screening and identification of gifted students as indicated by the following:

- Annually the process for identifying gifted students will be reevaluated and refined based on current research and best practices.
- Annually specific processes for the identification of under-represented student populations, including primary school age children and students in underserved subgroups will be evaluated and implemented as feasible.
- Annually referral forms will be available in a variety of languages in accordance with the school division's population.

B. Delivery of Services:

Options for the most effective delivery of services to gifted students will be researched, and services will be adjusted as appropriate across grade levels.

- Options for the effective delivery of services to gifted students will be provided and adjusted.
- Identified gifted K-5 pull-out program
- Specific Academic Aptitudes-advanced classes

C. Curriculum and Instruction:

The curriculum for gifted education will be expanded to include additional academic areas, based on school and student needs.

- Diversify, enrich, and accelerate curriculum for gifted learners through the modification of content, process, and/or product based on the readiness, interests, and learning styles of individual students.

D. Professional Development:

Staff development will be provided in gifted characteristics, identification, and differentiation.

- Staff development will be provided related to characteristics, identification, and differentiation of instruction for gifted learners.
- Teachers of gifted education will be provided opportunities for additional coursework for endorsement in gifted education, and extended learning in best practices in gifted education as they are available.

E. Equitable Representation of Students:

- As Staff is trained to look for specific characteristics of gifted learners, all student groups are equally screened.
- Identification tools are continually reviewed to diminish cultural bias and gender bias.
- Data related to student demographics is gathered and analyzed.

F. Parent and Community Involvement:

- Continue to strengthen family and community involvement in the Advanced Learners Program. (ALPs is Appomattox County's name for our gifted and talented program)
    - Provide gifted brochures that are available for parents to pick up at any school or the school board office
    - Invite parents to attend and participate on the school division's gifted advisory board
    - Parents are invited to attend and participate in gifted eligibility meetings
    - The local gifted plan is posted on the Appomattox County School Division website

Part III: Screening, Referral, Identification, and Service Procedures

A. Screening Procedures (8VAC20-40-60A.3)
This section should provide screening procedures for each area of giftedness identified and served by the division. These procedures should include the annual review of student data used to create a pool of potential candidates for further assessment. Specific references pertaining to each area of giftedness identified by the division should be clearly indicated.

Area(s) of Giftedness/Grade Levels Served in the Division

Area of Giftedness	Grades Served
General Intellectual Aptitude (GIA)	K-12
Specific Academic Aptitude (SAA)	7-12
Math (SAA)	7-12
English (SAA)	9-12
Science (SAA)	9-12
History (SAA)	9-12
Career and Technical Aptitude (CTA)	
Visual/Performing Arts Aptitude (VPA)	11-12
Summer Regional and Residential Governor's School (VPA)	11-12

Screening, Identification, Placement Procedures [8 VAC 20-40-40]

1. **Screening Procedures** [8 VAC 20-40-40]
This section describes the process used annually to create a pool of candidates. It describes the routine, annual review of data for students for areas of giftedness identified by the division in Part II, Section A.

Area of Giftedness: __X__General Intellectual Aptitude
__X__Specific Academic Aptitude
_____ Practical and Technical Arts Aptitude
__X__Visual and Performing Arts Aptitude

Screening: Review of Test Data
The school division adheres to the Guidelines for Management of Students' Scholastic Records in gifted procedures and programs.

Screening
Candidates for gifted services in the area of General Intellectual Aptitude may be discovered through an on-going screening process beginning with the kindergarten population and continuing through grade 12. Administrators and teachers are trained in characteristics of gifted learners and continuously monitor students for giftedness.

In kindergarten through second grade, the general student population is screened using multiple criteria that may include data from VALLSS, SOL tests, Otis-Lennon, and records of observations of class behavior. At all grade levels where standardized test scores are available, students whose records indicate an aptitude/achievement test score at or >87% will be added to the screening pool. The school division administers the Otis-Lennon School Abilities Test at grades 2 and 4 and participates in the required State Assessment Program. Results of the Otis-Lennon School Abilities Test and SOL assessments are also used in the process of screening students.

The screening process automatically includes transfer students who have been verified as eligible for gifted program services. School personnel responsible for registering new students notify the principal and gifted education resource contact person in each building of gifted students who register. These students, with parent permission, advance to formal assessment, if needed.

The nomination process is ongoing and screening of any student can occur at any time.
To actively encourage educator and community referrals, information regarding the characteristics of gifted students, including underserved populations, is regularly provided.

The screening process includes all student that are enrolled in Appomattox County Public Schools regardless of race, ethnicity, gender, native language, and identified disabilities.

B. Referral Procedures (8VAC20-40-60A.3)

This section provides referral procedures for each area of giftedness identified and served by the division. These procedures shall permit referrals from parents or legal guardians, teachers, professionals, students, peers, self, or others. These procedures should include to whom referrals are submitted and the timeline for the division to provide parents/guardians with the results of the eligibility process. Specific references pertaining to each area of giftedness identified by the division should be clearly indicated.

Area of Giftedness:
- X K-12, General Intellectual Aptitude
- X 7-12, Specific Academic Aptitude
- ___ Career and Technical Aptitude
- X Visual and Performing Arts Aptitude

Referral

Annually, information about the referral process for gifted education is disseminated in a variety of methods, including, but not limited to, brochures, parent newsletters, advisory committee meetings, faculty in-service sessions, the school division's website, and local media.

Through classroom observation and/or involvement, gifted program personnel and teachers actively seek candidates for referral at all grade levels. Referrals from parents, guardians, school personnel, community and persons of related expertise, self, and peers are encouraged within each school.

To initiate a referral, the person making the referral must contact the school's principal or gifted program resource personnel and complete the appropriate gifted program referral form. Completed referral forms must be returned to the principal/designee and will be accepted at anytime throughout the school year.

C. **Identification Procedures** (8VAC20-40-60A.3)

This section provides identification procedures for each area of giftedness identified and served by the division. Identification in GIA programs shall be K-12 and must include a nationally norm-referenced aptitude test. Identification in SAA programs shall be K-12 or as assessment instruments exist to support identification, and must include either a nationally norm-referenced aptitude or achievement test. Identification in CTA and VPA programs shall be at the discretion of the school division. Specific references pertaining to each area of giftedness identified by the division should be clearly indicated.

Procedures, Actions and Timelines

The Identification Process begins immediately after the referral form is received by school personnel. The Identification/Placement Committee collects data and meets on the referral within **90** days from the date parent permission is received. The Identification/Placement Committee is appointed by the principal and consists of the principal/designee, gifted resource personnel, grade, subject area, referring teachers, guidance counselor, and advocate(s) for the child. Data indicated as criteria will be collected and presented to the Identification/Placement Committee.

1. **Multiple Criteria Listing** (8 VAC 20-40-40D.3)
   This section includes the three or more criteria that are used by the division to develop a profile or composite for each student being considered. This listing of criteria should be repeated for each area of giftedness identified by the division. Please copy and paste the section below to support all identified areas of giftedness. NOTE: No single instrument, score, or criterion may be used to exclude or include a child for eligibility. Selection of either item 5a or 5b or both counts as a single criteria.

Area of Giftedness:

- General Intellectual Aptitude (K-12)
- Specific Academic Aptitude (7-12)
- Career and Technical Aptitude
- Visual and Performing Arts Aptitude (11-12)

☐ 1. Assessment of appropriate student products, performance, or portfolio

☐ 2. Record of observation of in-class behavior

☑ 3. Appropriate rating scales, checklists, or questionnaires

☐ 4. Individual interview (K-2)

☑ 5a. Individual or group-administered, nationally norm-referenced aptitude test(s) (must be included for GIA)

For General Intellectual Aptitude (GIA), one of the following unless otherwise deemed necessary by the committee.

- Sages 2 (Reasoning)
- Otis-Lennon School Ability Test
- Kaufman Assessment Battery for Children
- Stanford-Binet Intelligence Scale
- Wechsler Intelligence Scale for Children
- Wechsler Adult Intelligence Scale
- Naglieri Non-verbal Intelligence Test

- Other as appropriate

Cognitive Abilities Test

- Wide Range Achievement Test - 5th Edition

and/or

☑ 5b. Individual or group-administered, nationally norm-referenced achievement test(s)

For General Intellectual Aptitude (GIA), one of the following unless otherwise deemed necessary by the committee.

- Kaufman Test of Educational Achievement - Brief
- Virginia Standards of Learning Assessments
- Woodcock Johnson Tests of Achievement (admininstered by SpEd teacher)
- SAGES-2 (Reading- Social Studies),(Math-Science)

☐ 6. Record of previous achievements (awards, honors, grades, etc.)

☐ 7. Additional valid and reliable measures or procedures

2. Additional identification information for General Intellectual Aptitude

Identification/Placement Committee [8 VAC 20-40-40]

a. This section includes the **number** of persons comprising the Identification/Placement Committee by category. This committee must include a professional who knows the child; please indicate who will serve in that capacity.

D. Placement Procedures (8VAC20-40-60A.3)
This section provides procedures for the placement of gifted students in each area of giftedness identified and served by the division. These procedures include information about the identification and placement committee.

1. The **Identification/Placement Committee** will review and respond to referrals from the Referral/Screening Committee within **90** days from the date parent permission is received. The Identification/Placement Committee will be appointed by the principal and consist of the principal/designee, gifted resource personnel, teacher, and guidance counselor. Data will be collected and presented to the Identification/Placement Committee.

Area of Giftedness:
- ☒ General Intellectual Aptitude (K-12)
- ☒ Specific Academic Aptitude (7-12)
- Career and Technical Aptitude
- ☒ Visual and Performing Arts Aptitude (11-12)

Relevant data may be provided to the Identification / Placement Committee by:

Classroom Teacher(s)

Gifted Education Resource Teacher(s)

Counselor(s)

☐ School Psychologist(s)

☐ Assessment Specialist(s)

Principal(s) or Designee(s)

Gifted Education Coordinator

Other(s) Specify: Referring Teacher/Source
Advocate for the child

b. Type of Identification/Placement Committee
This section indicates the type of Identification/Placement Committee the division uses.

☑ School-level ☐ Division-level

2. **Eligibility** (8VAC20-40-60A.3)
   This section includes a chart detailing all criteria that could be considered in the identification process for a specific area of giftedness identified by the division. A description of the eligibility process used by the committee to make decisions regarding eligibility for services shall follow the chart. It includes a timeline for making eligibility decisions within 90 instructional days of the school division's receipt of the parents' or legal guardians' consent for assessment.

Area of Giftedness:
- ☐ General Intellectual Aptitude (K-12)
- ☒ Specific Academic Aptitude (7-12)
- Career and Technical Aptitude
- Visual and Performing Arts Aptitude (11-12)

Measure	**Administered/ Completed by**	**Scored by**	**Provided to the committee by**
Ability Test	Classroom Teacher /Guidance/ School Psychologist / Counselor/ Resource teacher / Division testing coordinator	Pearson / School psychologist / Gifted resource teacher	Building level administration / Guidance / Resource teacher / psychologist
Teacher checklist	Classroom Teacher	Placement Committee	Gifted Resource teacher
Achievement Test / SOL scores	Classroom Teacher / Resource Teacher	Harcourt Educational Measurement / Resource teacher	Building Level administration / Guidance / Gifted Resource teacher
Grade Point Average	Guidance Counselors	Classroom Teacher	Classroom Teacher

<u>Eligibility Determination and Timeline</u>

Eligibility determination is made on the basis of data collected, including, but not limited to ability scores, achievement scores, grades/classroom performance, observation/checklist and other data cited in this section. ***No single criterion shall be used in the eligibility process to deny or guarantee access to gifted program services.***

Eligibility decisions are generally based on a cut-off score through a matrix system. The final decision is determined on the consensus of the Identification/Placement Committee based on the information presented, and determination of placement most appropriate for the student.

Timeline for Notification and Follow-up Action

Within 15 School days following the decision of the Identification Placement Committee, parent notification and placement action will begin.

.

If a student **is** deemed eligible for services, the Identification Placement Committee may recommend an appropriate program placement for the student, considering the potential of the student and the available program options. The committee will consider data gathered through the eligibility process, school program options, and recommendations of the classroom teacher when making program recommendations.

If a student **is not** eligible for placement in the gifted program, parents/referring source will receive written notification of the committee's action. The Identification/Placement Committee or parents may request re-evaluation of the student by the committee at a later time.

3. **Determination of Services** (8VAC20-40-60A.3)
   This section describes the process of determining appropriate educational services for identified K-12 students.

Area of Giftedness: __X__ K-12, General Intellectual Aptitude
__X__ 7-12, Specific Academic Aptitude
_____ Career and Technical Aptitude
__X__ Visual and Performing Arts Aptitude

Determination of Services Timeline

Once a student's eligibility status has been determined by the Identification/Placement Committee, the principal/designee will notify the parents and student of the committee's decision within **fifteen days**. If the student is eligible for services, written parental permission for participation will be secured. If the eligible student and parents accept an offer of admission into the program, the gifted resource teacher will coordinate the development of the student's curriculum and degree of participation in the program. The committee's recommendations and parent/student input are used during the process. Efforts will be made to initiate active student participation within **six weeks** of determination of eligibility.

Part IV: Notification Procedures (8VAC20-40-60A.4)

This section includes the procedures used for (a) notifying parents/guardians when the individual identification process is initiated; (b) requesting permission for individual testing and/or collection of additional information; (c) requesting permission for provision of appropriate service options; and, (d) parents/guardians wishing to file an appeal of the identification outcome, change in placement, or exit decision. Any procedural differences pertaining to a specific area of giftedness identified by the division should be clearly indicated.

Area of Giftedness: ____X___K-12, General Intellectual Aptitude
____X___7-12, Specific Academic Aptitude
_____Career and Technical Aptitude
____X___ Visual and Performing Arts Aptitude

Parent Notification Timelines

Parents will be notified when a student is referred to the **Identification/Placement Committee** and written permission for further evaluation and testing will be requested. The **90 day timeline** for the completion of the Identification/Placement Committee begins on the date parental permission is received. Documentation of all correspondence and written permissions will be maintained in each student's individual folder.

Written communication will be provided to parents/guardians at the following steps in the process:

1) Notification when student referral is made to the Identification/Placement Committee and data is collected in an individual folder.
2) Written parent permission is requested prior to administration of individual student assessments.
3) Notifications of findings of the Identification/Placement Committee and Right to Appeal.
4) Request for written parent permission prior to program placement (within 15 days following determination of eligibility for program.)
5) Notification of diagnostic re-evaluation and review (if applicable).
6) Communication related to a student's change in placement or progress in the program.

Part V: Change in Instructional Services (8VAC20-40-60A.5)

This section includes the policy for written notification to parents or legal guardians of identification and placement decisions, including initial changes in placement procedures or exit policy from the program.

Area of Giftedness:
__X__ K-12, General Intellectual Aptitude
__X__ 7-12, Specific Academic Aptitude
_____Career and Technical Aptitude
__X__Visual and Performing Arts Aptitude

Placement options may include:

- Participation in Independent studies (Gr. K-12)
- Cluster grouping in classrooms (K-8) for differentiated instruction
- Participation in instructional/enrichment activities conducted by the classroom/resource teacher for gifted education (Gr. K-12)
- Placement in Advanced academic classes (Gr. 9-12)
- Placement in Advanced Placement classes (Gr. 9-12)
- Placement in college level classes (Gr. 9-12)
- Attendance at Central Virginia's Governor's School (Gr. 11-12)
- Attendance at the Virginia's Governor's School for the Gifted (Academic and Fine Arts, summer residential program) (Gr. 10-11)
- Participation in after-school programs and/or summer enrichment programs and related activities when available (Gr. K-12)
- Participation in distance-learning and internet coursework (Gr. 9-12)
- Placement in accelerated course offerings and classes (Gr. 7-12)

Parents will be notified through an appropriate letter prior to changes in placement. If parents wish to initiate a change in placement, they must confer with the building principal/designee and gifted resource teacher/designee. A change in placement may be initiated at any time by parents or school personnel. Evaluation of student progress will be used to determine the appropriate instructional services for each student.

Students determined ineligible for continued services following review by the Identification / Placement Committee will exit the program. Parents will be notified in writing of the decision and their right to appeal by the building principal/designee.

Parents may consent for a student to voluntarily exit the program at any time upon written notification to the principal/designee.

Parents and students will be notified of all committee decisions by the building principal/designee and informed of their right to appeal.

Appeals [8 VAC 20-40-60. A. 5]

This section includes the process used when an identification, change in placement, or exit decision is appealed.

Area of Giftedness:		
	X	K-12, General Intellectual Aptitude
	X	7-12, Specific Academic Aptitude
		Career and Technical Aptitude
	X	Visual and Performing Arts Aptitude

The Appomattox School Division shall adhere to the following procedural safeguards and **appeal process:**

1) Parents of students referred to gifted services, upon request, shall be afforded an opportunity to inspect and review all educational records of their child.
2) Parents who disagree with the original decision of the Identification/Placement Committee may begin an appeals process by notifying the principal in writing within ten school days of the notification of the decision. This notification shall include specific reasons for which the appeal is made.
3) Parents may review the committee's findings and provide additional student data during the appeals process.
4) The appeal may be made to an appeals committee consisting of the division coordinator of the gifted program, the school principal, and selected teachers with knowledge of gifted characteristics. A majority of this committee is not involved with the original decision. The committee will meet within 15 school days following the written request for an appeal by the parent. A decision will be rendered within ten school days following the meeting of the appeals committee. In the event that additional data is determined to be needed, the committee will reconvene following the acquisition of such data, no later than 90 days from the original date of the meeting. The committee shall render a decision to the parents in writing within 10 school days following the date of the meeting. The decision of the appeals committee shall be considered final and shall conclude the appeals process.
5) At each stage of the appeal, all information related to the original decision and additional information will be considered.
6) Parents shall have the right to obtain an independent educational evaluation at their own expense.
7) Parents may request and shall be provided information regarding recommended independent educational evaluations.

Part VI: Evidence of Appropriate Service Options (8VAC20-40-60A.10)

This section provides evidence that gifted education service options from kindergarten through twelfth grade are offered continuously and sequentially, with instructional time during the school day and week to (i) work with their age-level peers, (ii) work with their intellectual and academic peers, (iii) work independently; and (iv) foster intellectual and academic growth of gifted students. Parents and legal guardians shall receive assessment of each gifted student's academic growth. Career and Technical aptitude programs and Visual and/or Performing Arts programs are offered at the discretion of the school division.

A. Service Options are Continuous and Sequential

This section provides evidence that the division's program of curricula and instruction for gifted learners is continuous and sequential. For GIA programs the evidence provided needs to be from kindergarten through twelfth grade. SAA programs need to provide evidence that service options are continuous and sequential from identification until twelfth grade.

Levels/Grades	**General Intellectual Aptitude (GIA)**	**Specific Academic Aptitude (SAA)**	**Practical/ Technical Aptitude (PTA)**	**Visual/ Performing Arts Aptitude (VPA)**
Primary Grades: K-2	**2b** **8a** **12a,b**			
Elementary Grades: 3-5	**2a,b** **8a,b** **12 a,b**			
Middle School Grades: 6-8	**2 a,b** **3 c** **7 a** **8 a,b** **12 a,b**			
High School Grades: 9-12	**1** **2 a,b** **3a, c, d,e** **4 a, c,d,e** **6** **7a,b** **8 a, b 11**	**1** **2** **3 a, c, d, e** **4 *a,*c,d,e** **8 a,b** **11** ***Virtual Virginia**		**15,16**

Codes (All appropriate codes for each area of giftedness the division serves will be entered on the chart in Part II, C. Delivery of Services)

1. Academic-Year Governor's School
2. Acceleration based on individual needs
   - 2a. Content area
   - 2b. Grade level
3. Advanced/Honors classes in specific content areas
   - 3a. English
   - 3b. Foreign language
   - 3c. Mathematics
   - 3d. Science
   - 3e. Social Studies
4. Advanced Placement
   - 4a. English
   - 4b. Foreign language
   - 4c. Mathematics
   - 4d. Science
   - 4e. Social Studies
5. Center-based program
   - 5a. Biweekly
   - 5b. Full-time
   - 5c. Weekly
6. Dual enrollment
7. Guidance services addressing special needs of the gifted
   - 7a. College/career counseling
   - 7b. Small group sessions
8. In-class differentiation by regular classroom teacher (cluster model)
   - 8a. Heterogeneously grouped
   - 8b. Homogeneously grouped
   - 8c. Multi-age grouped
   - 8d. Other cluster format_____
9. Independent study
   - 9a. For credit
   - 9b. Not for credit
10. International Baccalaureate
11. Mentorship program
12. Resource teacher
    - 12a. Pull-out
    - 12b. Within regular classroom
13. Special seminars
    - 13a. For credit
    - 13b. Not for credit
14. Saturday or Summer Services
    (May not be used as the division's single delivery of services)
15. Summer Regional Governor's School
16. Summer Residential Governor's School
17. Talent Pool, grades K-2

A list of all center-based programs should be included using the table on page 22. The type of school or program and the grades served should be noted. Divisions may not use 5a, 5c, 12a, 12b, or summer or weekend services as the sole services provided to students at any grade level. [*Virginia Plan for the Gifted*, page 9].

Center Based Programs

Central Virginia Governor's School for Science and Technology
Lynchburg, Virginia

Appomattox County students may apply for selected placement at CVGS in the 11th and 12th grades. Students attend CVGS for morning classes and return to their home school in the afternoon.

Center Information

NAME OF CENTER	**GRADES SERVED**	**TIME FRAME** (Daily, Weekly, Biweekly, Monthly)	**AREAS OF GIFTEDNESS SERVED** (General Intellectual Ability-GIA, Specific Academic Aptitude-SAA, Practical/Technical Arts-PTA, Visual/Performing Arts-VPA)	**SPECIAL PROGRAMS** (Advanced Placement – AP, International Baccalaureate-IB, Cambridge, etc.)
Central VA Governor's School for Science and Technology Lynchburg, VA	11-12	Daily for morning sessions	SAA	Advanced Placement Dual enrollment

B. Service Options Provide Instructional Time with Age-level Peers

This section includes a description of the instructional strategies or program model that allows gifted students to interact with their age-level peers during the school day and week.

Instructional and Pedagogical Frameworks [8 VAC 20-40-60 A. 10]

1. Theoretical Foundations

This section describes the theoretical foundations that frame the division's curricula and instruction for gifted learners.

Area of Giftedness: ☒ K-12, General Intellectual Aptitude
☒ 7-12, Specific Academic Aptitude
_____ Career and Technical Aptitude
_____ Visual and Performing Arts Aptitude

Appomattox County Public Schools provides a differentiated curriculum for identified gifted students in grades K-12 through the Advanced Learners Program (ALPs). A wide range of opportunities for academic extension are provided in the regular classroom. Math and Language Arts are the primary areas of service for identified ALPs students. The ALPs Program has two primary purposes. The first aim is to offer challenging academic opportunities that foster creativity, academic growth, higher level thinking skills, and problem solving. Secondly, the program supports classroom teachers as they meet the challenges of teaching students at all levels by creating a differentiated curriculum.

The Advanced Learners Program is organized around Joseph Renzuilli's Enrichment Triad.

Type I – Enrichment/General Exploratory experiences are designed to expose students to areas not covered in the regular curriculum. Students are provided opportunities to choose a study topic to explore at greater depths and at a higher level of involvement.

Type II – Group Training Activities provide students with opportunities to develop higher level thinking skills, critical thinking and problem solving skills, divergent thinking, research and reference skills, and processes related to personal and social development.

Type III – Investigations of Real Problems, combined with Treffineger's model for Self-Directed Learning, is based on student interest. At this level, the student engages in activities in which he/she is interested and becomes the actual investigator of real problems. This process encourages divergent thinking skills and practice with process as the student moves from a "consumer" of knowledge to a "producer" of knowledge.

In addition, Gardner's Multiple Intelligence Model is used to help students develop products based on their particular learning strengths and interests.

Elementary students in grades K-5 are instructed by a full-time gifted resource teacher who serves students in grades K-2 at Appomattox Primary School and grades 3-5 at Appomattox Elementary School. Primary and elementary level students are served by the resource teacher through a pull out program. At both schools, schedules are coordinated with the regular education teachers to make optimum use of the school day. Students work with the ALPs teacher and in the regular classroom on advanced activities and differentiated curriculum that foster higher level problem solving and thinking skills, and self-directed learning. The program allows advanced students instructional and social time with both academic and age peers.

Middle school students in grades 6-8 at Appomattox Middle School are served through a combination of advanced classes and in the general classroom. Opportunities for acceleration in math and language arts are available for identified students. The middle school ALPs program is designed to enhance the unique learning styles of the middle school student and provide opportunities for self-directed learning, intensive study of selected topics, and participation in enrichment activities, competitions, and subject acceleration.

Appomattox County High School students in grades 9-12, are provided opportunities to enroll in advanced level courses in all academic disciplines and participate in extracurricular academic activities. Through faster-paced teaching and working with more detailed and complex subject matter, the advanced learners are provided opportunities to widen their horizon and explore new concepts. The ALPs program at the high school level is not designed as a "pull out" program. The honors, advanced, and advanced placement classes are designed for students who need and desire more challenging academic settings. These courses require the use of higher cognitive skills to complete class work, homework, and special projects. The classes move at a faster pace, encompassing more of the subject matter as well as including more detailed and complex material. ALPs students are not only encouraged to take the higher level course offerings, but also to participate in various contests throughout the year. These competitions cover a wide variety of areas including writing, public speaking, scientific endeavors, and inventions while providing opportunities for self-directed learning, critical inquiry, and developing creative processing skills.

Through a competitive process, students may apply for admission to the Central Virginia Governor's School for Science and Technology (CVGS) and the Governor's Summer Enrichment Programs, focusing on academics, fine arts, foreign languages, and agriculture. Students at CVGS engage in an innovative and dynamic curriculum which explores the connections between mathematics, science, and technology. The mission of CVGS is to develop leaders who possess the research and technical skills, the global perspective, and the vision needed to address the challenges of a rapidly changing society.

C. Service Options Provide Instructional Time with Intellectual and Academic Peers

This section includes a description of the instructional strategies used in the division to accelerate and enrich the content for gifted learners beyond the grade-level or course expectations for all learners. The description should include how these academic needs are met during the school day and week.

Instructional Strategies

This section includes a description of the instructional strategies used in the division to accelerate and enrich the content for gifted learners beyond the grade-level or course expectations for all learners.

Area of Giftedness:

- ☐ K-12, General Intellectual Aptitude
- ☒ 7-12, Specific Academic Aptitude
- _____ Career and Technical Aptitude
- _____ Visual and Performing Arts Aptitude

School administrators work with gifted program personnel and individual teachers, in faculty/staff development settings, to adapt the core curriculum for the advanced learner in the regular classroom and to provide supplemental learning and enrichment experiences, as appropriate,

through outside activities. The curriculum framework is directed toward differentiation of instruction, which provides academic rigor and challenging content experiences.

Classroom content is differentiated in both pace and complexity. Differentiation of content, process, and product is achieved using a step-by-step approach in unit and lesson planning. Curriculum development and refinement are on-going processes in order to provide appropriate instruction. The use of innovative resources, such as community experts and technology, are utilized. Pull out instruction and independent study allow for investigations into contemporary and futuristic issues. At all levels, teaching materials of appropriate level and complexity are provided. Teachers are encouraged to use an interdisciplinary/thematic approach to focus on issues and real life situations and problems.

Through staff development activities, teachers are provided opportunities on alternative teaching/learning methods, alternative assessment techniques, differentiation, and use of data to improve instruction for gifted learners.

D. Service Options Provide Instructional Time to Work Independently

This section includes a description of the instructional strategies or program model used in the division to allow gifted learners to work independently during the school day and week.

Area of Giftedness:		
	X	K-12, General Intellectual Aptitude
	X	7-12, Specific Academic Aptitude
		Career and Technical Aptitude
	X	Visual and Performing Arts Aptitude

- Challenge problems provided by the gifted resource teacher may be worked on in the regular classroom setting upon completion of assigned class work
- Additional challenging math homework provided upon parent or student request
- Accelerated Reader books tailored to student's instructional reading level as well as independent interests
- Independent study projects completed once a year at the elementary level

E. Service Options Foster Intellectual and Academic Growth

This section includes a description of the instructional strategies used in the division to foster intellectual and academic growth during the school day and week.

Area of Giftedness:		
	X	K-12, General Intellectual Aptitude
	X	7-12, Specific Academic Aptitude
		Career and Technical Aptitude
	X	Visual and Performing Arts Aptitude

The research based strategies of Marzano are used at all levels. Teachers are required to document these in daily lesson plans.

Opportunities are provided for students to use higher level thinking through:
Evaluating and creating
Project based learning
Advanced problem solving
Logical reasoning
Synetics
Compacting curriculum in the area of math specifically
Within and between class ability grouping when appropriate

F. Procedures for Assessing Academic Growth in Gifted Students

This section includes a description of the procedures used by the division to assess the academic growth for gifted learners.

Assessment Strategies

This section includes the assessment strategies used to assess students' solutions, products, or projects resulting from the accelerated, enriched, and/or differentiated curricula presented to gifted learners.

Area of Giftedness:

☐ K-12, General Intellectual Aptitude
☒ 7-12, Specific Academic Aptitude
_____ Career and Technical Aptitude
_____ Visual and Performing Arts Aptitude

Evaluation of the results of differentiated curriculum is an on-going process. Administrators work with grade level, subject area and gifted resource teachers to determine the need and strategies for appropriately differentiated curriculum and appropriate assessment of results of instruction. Evaluation strategies may include:

- Teacher-made tests
- Conferences
- Surveys
- Teacher observation
- Student interviews
- Matrices
- Rubrics
- Checklists
- Learning goals reviews
- Self assessment tools
- Learning contracts
- Standardized tests

Part VII: Program of Differentiated Curriculum and Instruction (8VAC20-40-60A.11)

The *Regulations Governing Educational Services for Gifted Students* defines appropriately differentiated curriculum and instruction as curriculum and instruction adapted or modified to accommodate the accelerated learning aptitudes of identified students in their areas of strength. Such curriculum and instructional strategies provide accelerated and enrichment opportunities that recognize gifted students' needs for (i) advanced content and pacing of instruction; (ii) original research or production; (iii) problem finding and solving; (iv) higher level thinking that leads to the generation of products; and (v) a focus on issues, themes, and ideas within and across areas of study. Such curriculum and instruction are offered continuously and sequentially to support the achievement of student outcomes, and provide support necessary for these students to work at increasing levels of complexity that differ significantly from those of their age-level peers. This section provides a description of the school division's appropriately differentiated curriculum and instruction demonstrating accelerated and advanced content for gifted learners.

Area of Giftedness:	X	K-12, General Intellectual Aptitude
	X	7-12, Specific Academic Aptitude
		Career and Technical Aptitude
	X	Visual and Performing Arts Aptitude

Differentiation is accomplished as we are grouping students by ability, interest, and allowing various forms of student choice within projects and lessons. Differentiation of the content, process, and product, based on a math student's interests is also used. At the lower levels, reading and spelling levels are assessed two to three times a year and instruction is designed and adjusted based on those results for each student. In math, more challenging problems are offered to promote higher algebraic thinking. Compacted curriculum is also offered in math and a menu of student choices provided, as appropriate.

-Mystery Skype
-Problem Solving Strategies
-Small group Instruction
-Establish Global Connections
-Project Based Learning
-Role Playing
-Multiple Intelligences

Part VIII: Policies and Procedures for Access to Programs and Advanced Courses (8VAC20-40-60A.12)

This section provides the school division's policies and procedures that allow access to programs of study and advanced courses at a pace and sequence commensurate with the learning needs of the gifted student.

Area of Giftedness:	X	K-12, General Intellectual Aptitude
	X	7-12, Specific Academic Aptitude
		Career and Technical Aptitude
	X	Visual and Performing Arts Aptitude

Appomattox County Public Schools allows open access to programs of study and advanced course for all students. Advanced classes are rigorous and require a commitment from students to work hard in and out of the classroom. Pacing and sequence for the advanced classes is determined first by the standards required for each course and may be individualized or differentiated to accommodate the needs of each learner.

Part IX: Personal and Professional Development (8VAC20-40-60A.13)

School divisions must provide evidence of professional development based on the following teacher competencies outlined in 8VAC20-542-310 below.

1. Understanding of principles of the integration of gifted education and general education, including:
    a. Strategies to encourage the interaction of gifted students with students of similar and differing abilities; and
    b. Development of activities to encourage parental and community involvement in the education of the gifted, including the establishment and maintenance of an effective advisory committee.
2. Understanding of the characteristics of gifted students, including:
    a. Varied expressions of advanced aptitudes, skills, creativity, and conceptual understandings;
    b. Methodologies that respond to the affective (social-emotional) needs of gifted students; and
    c. Gifted behaviors in special populations (i.e., those who are culturally diverse, economically disadvantaged, or physically disabled).
3. Understanding of specific techniques to identify gifted students using diagnostic and prescriptive approaches to assessment, including:
    a. The selection, use, and evaluation of multiple assessment instruments and identification strategies;
    b. The use of both subjective and objective measures to provide relevant information regarding the aptitude/ability or achievement of potentially gifted students;
    c. The use of authentic assessment tools to determine performance, motivation/interest, and other characteristics of potentially gifted students;
    d. The development, use, and reliability of rating scales, checklists, and questionnaires by parents, teachers, and others;
    e. The evaluation of data collected from student records such as grades, honors, and awards;
    g. The structure, training, and procedures used by the identification and placement committee.
4. Understanding and application of a variety of educational models, teaching methods, and strategies for selecting materials and resources that ensure:
    a. Academic rigor through the development of high-level proficiency in all core academic areas utilizing the Virginia Standards of Learning as a baseline;
    b. The acquisition of knowledge and development of products that demonstrate creative and critical thinking as applied to learning both in and out of the classroom; and
    c. The development of learning environments that guide students to become self-directed, independent learners.
5. Understanding and application of theories and principles of differentiating curriculum designed to match the distinct characteristics of gifted learners to the programs and curriculum offered to gifted students, including:

a. The integration of multiple disciplines into an area of study;
b. Emphasis on in-depth learning, independent and self-directed study skills, and metacognitive skills;
c. The development of analytical, organizational, critical, and creative thinking skills;
d. The development of sophisticated products using varied modes of expression;
e. The evaluation of student learning through appropriate and specific criteria; and
f. The development of advanced technological skills to enhance student performance.

6. Understanding of contemporary issues and research in gifted education, including:
   a. The systematic gathering, analyzing, and reporting of formative and summative data; and
   b. Current local, state, and national issues and concerns.

Personnel and Required Training Designation of Personnel and Training Requirements

Teachers who are assigned as teachers of the gifted, whether in full- or part-time positions, are designated in this section. The section includes training requirements for the designation.

One elementary teacher is designated to work as a full-time gifted resource teacher to serve identified students in grades K-5. A Virginia teacher licensure (elementary education) is required and additional gifted education coursework/training is strongly recommended. Classroom teachers and teachers in specific subjects also provide instruction to gifted students in the regular and accelerated K-12 classroom environment.

Full-time teachers of the gifted students are typically those personnel who work predominantly during the day and/or week with identified gifted students. All ALPs and classroom teachers annually participate in training in differentiation.

TEACHING/GRADE	PROGRAM (General Intellectual Ability-GIA, Specific Academic –Aptitude-SAA, Practical/ Technical Arts-PTA, Visual/Performing Arts-VPA)	REQUIRED TRAINING
One full time resource teacher for gifted in Grades K-5	*GIA*	*Annual local training in curriculum differentiation and social & emotional needs of gifted students; Annually ALPs teachers are provided the opportunity to attended Virginia Association of the Education of the Gifted Conferences and other conferences specifically addressing the education of gifted students. Endorsement in gifted education preferred.*

Part-time teachers of the gifted are typically those persons who provide services for gifted students through the regular classroom or for only a portion of their teaching day.

Teachers in the middle schools are designated to work as part-time gifted resource teachers to serve identified students in grades 6-8. Virginia teacher licensure, appropriate to assignment, is required and additional gifted education coursework/training is strongly encouraged.

All regular classroom teachers, who serve identified gifted students for any portion of the school day, are considered teachers of the gifted. Appropriate Virginia teacher licensure is required and additional gifted education coursework/training is recommended.

TEACHING/GRADE	**PROGRAM** (General Intellectual Ability-GIA, Specific Academic –Aptitude-SAA, Practical/ Technical Arts-PTA, Visual/Performing Arts-VPA)	**REQUIRED TRAINING**
One resource teacher in grades K-5 (Pull-out program-multi-age level)	*GIA*	*Annual local training in curriculum differentiation and social & emotional needs of gifted students; Annual opportunities to attend state conferences and workshops in gifted education; ten year license renewal; advanced coursework encouraged*
Twenty four to twenty seven regular classroom teachers; Eight or nine teachers at each grade level-grades K-5/ In-class differentiation of instruction	*GIA*	*Annual local training in curriculum differentiation and social & emotional needs of gifted students; ten year license renewal; advanced coursework encouraged*
Thirty regular classroom teachers teach general curriculum to gifted students	*GIA*	*Annual local training in curriculum differentiation and social & emotional needs of gifted students; ten year license renewal; advanced coursework encouraged*
Ten to twelve teachers of advanced courses in designated subject areas for Pre-AP, advanced placement, and dual enrollment; twenty to thirty regular classroom teachers teach general curriculum to gifted students.	*GIA*	*Annual local training in curriculum differentiation and social &emotional needs of gifted students; ten year license renewal; advanced coursework encouraged*
Central Virginia's Governor's School Program for Math and Science, Grades 11 and 12, For Selected Students	*GIA*	*Annual local training in curriculum differentiation and social &emotional needs of gifted students; ten year license renewal; advanced coursework encouraged*

Part X: Procedures for Annual Review of Effectiveness (8VAC20-40-60A.14)

This section provides the procedures for the annual review of the effectiveness of the school division's gifted education program, including the review of screening, referral, identification, and program procedures toward the achievement of equitable representation of students, the review of student outcomes, and the academic growth of gifted students. School divisions may decide to focus on one or more areas to review each year. However, reviews shall be based on multiple criteria and shall include multiple sources of information.

GIFTED PLAN COMPONENT	**1. Identification**			
GOAL STATEMENT	**ACPS will implement uniform procedures for screening and identification of gifted students.**			
OBJECTIVES	**ACTIVITIES**	**POSITION RESPONSIBLE**	**DATE DUE**	**EXPECTED RESULTS**
Annually review the process for identifying gifted students and refine based on current best practices.	1) Advisory Committee review of process for identifying gifted students based on annual reports from each school. Adjustments and revisions will be based on current procedures and best practices research. 3) Increase effort to encourage participation of under-represented populations in honors, AP, and college level courses.	School Division Gifted Coordinator, Resource Staff, and Advisory Committee.	Annually by June 30	Revision of current practices in identification.
GIFTED PLAN COMPONENT	**2. Delivery of Services**			
GOAL STATEMENT	**Annually the delivery of services provided to gifted students will be evaluated.**			
OBJECTIVES	**ACTIVITIES**	**POSITION RESPONSIBLE**	**DATE DUE**	**EXPECTED RESULTS**
Annually, the options for delivery of services will be examined for the effectiveness.	1) Continue to explore options for improving delivery of services.	School division gifted coordinator and resource staff.	Annually by June 30	Improvement of delivery options.

GIFTED PLAN COMPONENT	**3. Curriculum Development**			
GOAL STATEMENT	Annually, the curriculum for gifted education will be evaluated to determine the best and most current practices.			
OBJECTIVES	**ACTIVITIES**	**POSITION RESPONSIBLE**	**DATE DUE**	**EXPECTED RESULTS**
Annually, the curriculum for gifted students will be expanded to include additional academic areas.	1) Participate in professional development opportunities related to best practices in gifted education. 2) Review current gifted curriculum to reflect best practices	School division gifted coordinator and gifted resource teacher School division gifted coordinator and gifted resource teacher	By June 30 By June 30	Improve current program delivery models.
GIFTED PLAN COMPONENT	**4. Professional Development**			
GOAL STATEMENT	Annually, staff development will be provided in gifted characteristics, identification, and differentiation.			
OBJECTIVES	**ACTIVITIES**	**POSITION RESPONSIBLE**	**DATE DUE**	**EXPECTED RESULTS**
Annually, the teachers in the general education setting will be given opportunities to increase their knowledge of differentiation of instruction and improve skills of evaluation.	1) Provide demonstration and notes in lessons for teachers to use in the regular classrooms to increase the level of rigor in teaching and differentiated learning opportunities.	Gifted resource staff.	By June 30	Increase teacher knowledge and use of differentiated lessons in the regular classroom.
GIFTED PLAN COMPONENT	**5. Parent and Community Involvement**			
GOAL STATEMENT	Annually, opportunities for parent and community participation in gifted education will increase.			
OBJECTIVES	**ACTIVITIES**	**POSITION RESPONSIBLE**	**DATE DUE**	**EXPECTED RESULTS**
Annually, opportunities for parents and community participation in	Current composition of representation on the gifted advisory committee will be	School division gifted coordinator.	By June 30	More diverse community and parent representation and

gifted education will increase.	reviewed and expanded to ensure balanced representation, as well as a developed rotation system.			involvement in gifted education.
Annually, effort will be expanded to provide additional opportunities for parents and community to be involved and have additional input into the program for gifted education.	Public awareness information will be developed and disseminated to increase access to programs. Geographical and ethnic representation will be studied and efforts to expand representation will be sought.	Teachers, administrators, school division gifted coordinator, and gifted teachers.	By June 30	Increased knowledge of and access to programs. More diverse community and parent representation and involvement in gifted education.
Annually, revised print and web-based information will be provided for parents regarding the procedures and processes for referral of students.	Information will be developed and published and disseminated expanded from current procedure to inform public and parents; information will list procedures and timelines.	School division gifted coordinator, teachers, and administration.	By June 30	Improvement and clarity in information for referrals.

Part XI: Procedures for the Establishment of the Local Advisory Committee (8VAC20-40-60B)

Each school division shall establish a local advisory committee composed of parents, school personnel, and other community members who are appointed by the school board. This committee shall reflect the ethnic and geographical composition of the school division. This section should include the school division's procedures for the establishment of the local advisory committee for the gifted program.

1. **Composition of Local Advisory Committee (LAC)**

Categories	**Number represented**
Parents	2
Teachers	6
Administrators	1
Support Staff	1
Community ❑ representatives of business, industry, arts	1
Community ❑ persons who are not parents of identified students	2
Students (optional)	

2. **Selection of Members for the Local Advisory Committee**

This section includes the procedures for selecting advisory committee members and for insuring that the committee is geographically and demographically balanced to reflect the school division.

Representatives to serve on the advisory board are solicited from school administrators, teachers of gifted education, parent representatives on the board, and in public announcements. Board members are contacted regarding willingness to serve. The school division includes advisory committee information in its parent publications. When necessary, parents and community members are contacted individually and invited to serve on the committee as a way of increasing the balance of school personnel and parents and increasing ethnic and geographic diversity.

3. Meeting Schedule of the Local Advisory Committee

Number of times the committee is scheduled to meet annually.

____ Monthly __3 times _____ 4 times _____ 5 times

___/__ Other, specify _2_____

Part XII: Assurances (8VAC20-40-60A.6; A.7; A.8; A.9)

In accordance with the *Regulations Governing Educational Services for Gifted Students*, the following assurance must be provided by the school division:

- Assurances that student records are maintained in compliance with applicable state and federal privacy laws and regulations;
- Assurances that (i) the selected and administered testing and assessment materials have been evaluated by the developers for cultural, racial, and linguistic biases; (ii) identification procedures are constructed so that those procedures may identify high potential or aptitude in any student whose accurate identification may be affected by economic disadvantages, by limited English proficiency, or by disability; (iii) standardized tests and other measures have been validated for the purpose of identifying gifted students; and (iv) instruments are administered and interpreted by trained personnel in conformity with the developer's instructions;
- Assurances that accommodations or modifications determined by the school division's special education Individual Education Plan (IEP) team, as required for the student to receive a free appropriate public education, shall be incorporated into the student's gifted education services; and
- Assurances that a written copy of the school division's approved local plan for the education of the gifted is available to parents or legal guardians of each referred student, and to others upon request.

Pursuant to these requirements, I hereby certify that the school division is in compliance with this language.

VSBA POLICY UPDATE – February 2025

WHAT THE UPDATE CONTAINS . . .

The most recent revisions to the sample policies in the VSBA Policy Manual have been posted on the VSBA website (policyservices.vsba.org). The revisions are provided in both final and strike-through (also called redline or RL) format. The strike-through format shows each change made to the policies (the changes are designated by underlining new language and striking through deleted language). The Policy Update will remain on the website for approximately one year. After that the policies will be incorporated into the VSBA Policy Manual available on the website. The revisions are based on changes in law and regulations. In addition, some policies are revised for editorial reasons or to correct technical errors. All of the revisions have been reviewed for legality.

This document is also posted with the updated policies as is a list of policies that were reviewed but not revised.

HOW TO USE THE UPDATE . . .

A brief explanation is given for each revision later in this document. Each revision should be examined and then the school board should decide whether to adopt the revised policies. Some policies require local input before adoption. Be sure to add information where indicated. As with all sample polices provided by the VSBA, each board should decide whether to use the sample policies as they are written, make changes to them, write local policies themselves, or not adopt a policy on the topic.

The VSBA copyright and the date the policies are revised appear on all VSBA policies. If VSBA policies are changed in any way, the copyright reference should be deleted from the policy. VSBA policies adopted verbatim should retain the VSBA copyright symbol.

Please contact the Policy Services Department at VSBA if you have any questions, (434) 295-8722.

FINANCIAL ACCOUNTING AND REPORTING

The superintendent or superintendent's designee is responsible for implementing a modern system of accounting for all school funds as established by the Board of Education and the Auditor of Public Accounts.

The Appomattox County School Board receives monthly statements of the funds available for school purposes.

At least once each year the School Board submits a report of all its expenditures to the appropriating body. Such report is also made available to the public either on the school division website or in hard copy at the central school division office on a template prescribed by the Board of Education.

DISPOSAL OF SURPLUS ITEMS

The school division shall apply trade-in allowances on equipment to be replaced against the purchase cost of the new equipment whenever possible.

The school division may dispose of equipment having no trade-in value by informal bid, auction or pre-priced sale as appropriate to the public. If items are valued in excess of $500.00, formal authorization for negotiated sale or for putting the items to bid shall be obtained from the School Board.

The bidder or purchaser shall certify whether the purchaser is an officer or employee of the school division or a member of the immediate family of an officer or employee of the school division. Officers and employees of the school division, and members of their immediate families, may purchase surplus property from the school division only if the property is being sold at uniform prices available to the public or if the goods are sold for less than $500.00.

If reasonable attempts through the bidding or direct sales process to dispose of the items are unsuccessful, then the superintendent is authorized to arrange for disposal of the items.

Obsolete educational technology hardware and software that is being replaced pursuant to Va. Code § 22.1-199.1(B)(4) may be donated to other school divisions, to students, as provided in Board of Education guidelines, and to preschool programs in the Commonwealth. In addition, the School Board may donate such obsolete educational technology hardware and software and other obsolete personal property to a Virginia nonprofit organization which is exempt from taxation under § 501(c)(3) of the Internal Revenue Code.1

FACILITIES PLANNING

The School Board provides for the erecting, furnishing, equipping, and maintenance of all school facilities.

The superintendent presents to the School Board annually, or as necessary to coordinate with the planning process of the appropriating body, a Capital Improvement Program which includes recommendations regarding timing, location, costs and savings associated with:

· new building requirements
· restoration and renewal of existing school facilities

The superintendent may make recommendations for new buildings and renovations after receiving input from the community concerning facilities utilization, development and closure. Recommendations provided to the School Board are supported by data that demonstrates the feasibility and necessity for construction and/or renovation.

UNLAWFUL MANUFACTURE, DISTRIBUTION, DISPENSING, POSSESSION OR USE OF A CONTROLLED SUBSTANCE

Generally

The Appomattox County School Board is committed to maintaining a Drug-Free Workplace.

Prohibited Conduct and Notice of Conviction

Employees may not unlawfully manufacture, distribute, dispense, possess or use a controlled substance on school property, at any school activity or on any school-sponsored trip. It is a condition of employment that each employee of the BLANK School Board will not engage in such prohibited conduct and will notify the BLANK School Board of any criminal drug conviction for a violation occurring on school property, at any school activity or on any school-sponsored trip no later than 5 days after such conviction. An employee who is convicted of criminal drug activity for a violation occurring on school property, at any school activity or on any school-sponsored trip will be subject to discipline, as outlined below.

Discipline

Within 30 days of receiving a notice of conviction, as described above, from a School Board employee, the superintendent and School Board will take appropriate personnel action, against the employee who is convicted, up to and including dismissal or will require the employee who is convicted to satisfactorily participate in a drug abuse assistance or rehabilitation program approved by a federal, state, or local health, law enforcement, or other appropriate agency.

Distribution of Policy

All employees are given a copy of this policy.

Drug-Free Awareness Program

The Appomattox County School Board shall establish a drug-free awareness program to inform its employees about the dangers of drug use and abuse in the workplace, the School Board's policy of maintaining a drug-free workplace, the available drug counseling, rehabilitation, and employee assistance programs and the penalties that may be imposed upon employees for violations of laws and policies regarding drug abuse.

THIRD-PARTY COMPLAINTS AGAINST EMPLOYEES

Any parent or guardian of a student enrolled in the Appomattox County Public Schools or any resident of Appomattox County may file a complaint regarding an employee of the Appomattox County School Board. Such complaint should be filed with the superintendent or superintendent's designee. If the complaint involves allegations that an employee of the Appomattox County School Board has abused or neglected a child in the course of his employment, the complaint will be investigated in accordance with Va. Code §§ 63.2-1503, 63.2-1505 and 63.2-1516.1.

Information determined to be unfounded after a reasonable administrative review is not maintained in any employee personnel file, but may be retained in a separate sealed file by the administration if such information alleges civil or criminal offenses. Any dispute over such unfounded information, exclusive of opinions retained in the personnel file, or in a separate sealed file, notwithstanding the provisions of the Government Data Collection and Dissemination Practices Act, Va. Code §§ 2.2-3800 et seq., is settled through the employee grievance procedure as provided in Va. Code §§ 22.1-306 and 22.1-308 through 22.1-314.

The superintendent will establish regulations for processing third-party complaints against employees.

STAFF HIRING PROCEDURES

It is the desire of the Appomattox County School Board to recruit, hire and retain the best possible qualified applicants.

The Superintendent is responsible for developing procedures for advertising vacancies and new positions. Those procedures will be designed to ensure that all openings are properly advertised to give all interested and qualified parties the opportunity to apply. While most positions will be filled using those procedures, the School Board may, at the request of the Superintendent, fill positions in other ways.

For example, the School Board may authorize the filling of a position to accommodate the disability of an employee, to transfer an employee when it is determined to be in the best interest of the school division, to satisfy the rights of employees returning from leave, to move an employee whose performance is unsuccessful to a position in which the employee might be successful or to discipline an employee for conduct deficiencies.

Current division employees are given an opportunity to apply for positions for which they are qualified.

The applicant determined to be the best qualified shall be selected for a vacant or new position, regardless of whether the applicant is an internal or external candidate.

Application for employment in the Appomattox County Public Schools shall be made in writing on forms provided or online as available.

It is the responsibility of the applicant to furnish accurate information. Any omission of pertinent information or falsification of either information or credentials is cause for dismissal or refusal to employ.

VOLUNTARY RETIREMENT SAVINGS PROGRAM

The Appomattox County School Board offers its employees the opportunity to participate in a defined contribution retirement plan, also known as a tax-sheltered annuity or 403(b) program. This program is maintained and operated pursuant to a written plan.

The written plan contains all the material terms and conditions for eligibility, benefits, applicable limitations, the contracts available under the plan and the time and form under which benefit distributions may be made.

The written plan also addresses any optional features, including hardship withdrawal distributions, loans, plan-to-plan or annuity contract-to-annuity contract transfers and acceptance of rollovers to the plan, which are included in the division's program.

The written plan may

- allocate responsibility for administrative functions, including functions to comply with the requirements of 26 U.S.C. § 403(b) and other tax requirements1
- assign such responsibilities to parties other than the school division, but not to participants (unless the administration of the plan is a substantial portion of the duties of the participant)
- incorporate by reference other documents which thereupon become part of the written plan2
- address termination of the program

Every employee in the school division is notified annually about the program.

SCHOOL BUS DRIVERS

Eligibility for Employment

Any applicant for employment operating a school bus transporting pupils must

a. have a physical examination of a scope prescribed by the Board of Education and furnish a form prescribed by the Board of Education showing the results of such examination
b. furnish a statement or copy of records from the Department of Motor Vehicles showing that the applicant, within the preceding five years, has not been convicted of a charge of driving under the influence of alcohol or drugs, convicted of a felony or assigned to any alcohol safety action program or driver alcohol rehabilitation program pursuant to Va. Code § 18.2-271.1 or, within the preceding 12 months, has not been convicted of two or more moving traffic violations or required to attend a driver improvement clinic by the Commissioner of the Department of Motor Vehicles pursuant to Va. Code § 46.2-498
c. furnish a statement signed by two reputable persons who reside in the school division or in the applicant's community that the person is of good moral character
d. exhibit a license showing the person has successfully undertaken the examination prescribed by Va. Code § 46.2-339
e. have reached the age of 18 by the first day of the school year
f. submit to testing for alcohol and controlled substances as required by state and federal law and regulation

Persons for whom registration with the Sex Offender and Crimes Against Minors Registry is required are not eligible for employment as a school bus driver.

Persons hired as school bus drivers must annually furnish the documents listed in (a) and (b) above prior to the anniversary date of their employment as a condition of continued employment as a school bus operator.

The Appomattox County School Board requires proof of current certification or training in emergency first aid, cardiopulmonary resuscitation, and the use of an automated external

defibrillator as a condition of employment to operate a school bus transporting pupils.

The Appomattox County School Board does not employ drivers subject to controlled substances and alcohol testing required by federal law without first conducting a pre-employment query of the federal Drug and Alcohol Clearinghouse (the Clearinghouse) to obtain information about the driver. Drivers must give specific consent for the query.

No driver is permitted to perform any safety-sensitive function if the results of a Clearinghouse query demonstrate that the driver has a verified positive, adulterated, or substituted controlled substances test result; has an alcohol confirmation test with a concentration of 0.04 or higher; has refused to submit to a test; or that an employer has reported actual knowledge that the driver used alcohol on duty, used alcohol before duty, used alcohol following an accident, or used a controlled substance in violation of federal regulations, except where a query of the Clearinghouse demonstrated that the driver has successfully completed the substance abuse professional (SAP) evaluation, referral, and education/treatment process required by federal regulation; achieves a negative return-to-duty test result; and completes the follow-up testing plan prescribed by the SAP.

The School Board also conducts a query of the Clearinghouse at least once per year for information for all employees subject to controlled substance and alcohol testing required by federal law and regulation to determine whether information exists in the Clearinghouse about these employees.

Drug and Alcohol Testing

Drivers are subject to drug and alcohol testing as required by state and federal law. Any driver who refuses to submit to a test shall not perform or continue to perform safety-sensitive functions. The division administers alcohol and controlled substance tests in accordance with federal laws and regulations.

Prohibited conduct

Drivers are prohibited from alcohol possession and/or use on the job, use during the four hours before performing safety-sensitive functions, having prohibited concentrations of alcohol in their systems while on duty or performing safety-sensitive functions, and use during eight hours following an accident or until after undergoing a post-accident alcohol test, whichever occurs first.

No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when the driver uses any controlled substances except when the use is pursuant to the instructions of a licensed medical practitioner who is familiar with the driver's medical history and has advised the driver that the substance does not adversely affect his ability to safely operate a commercial motor vehicle.

Notification

The superintendent or superintendent's designee is responsible for providing educational materials to drivers that explain the requirements of federal regulations and the divisions' policies and procedures with regard to meeting those requirements.3 The superintendent or superintendent's designee ensures that a copy of the materials is distributed to each driver prior to the start of testing and to each driver subsequently hired or transferred into a position requiring driving a commercial vehicle. Those materials contain at least the following information

- the identity of the person designated by the school division to answer driver questions about the materials;
- the categories of drivers subject to this policy;
- sufficient information about the safety-sensitive functions performed by those drivers to make clear what period of the work day the driver is required to be in compliance;
- specific information concerning driver conduct that is prohibited;
- the circumstances under which a driver will be tested for alcohol and/or controlled substances, including post-accident testing;
- the procedures that will be used to test for the presence of alcohol and controlled substances, protect the driver and the integrity of the testing processes, safeguard the validity of the test results, and ensure that those results are attributed to the correct driver, including post-accident information, procedures and instructions;
- the requirement that a driver submit to alcohol and controlled substances tests;
- an explanation of what constitutes a refusal to submit to an alcohol or controlled substances test and the attendant consequences;
- the consequences for drivers found to have violated federal law or regulations, including the requirement that the driver be immediately removed from safety-sensitive functions;
- the consequences for drivers found to have an alcohol concentration of 0.02 or greater but less than 0.04;
- information concerning the effects of alcohol and controlled substances use on an individual's health, work, and personal life; signs and symptoms of an alcohol or a controlled substances problem (the driver's or a co-worker's); and available methods of intervening when an alcohol or a controlled substances problem is suspected, including confrontation, referral to any employee assistance program and/or referral to management; and
- the requirement that the following personal information be reported to the Clearinghouse: a verified positive, adulterated, or substituted drug test result; an alcohol confirmation test with a concentration of 0.04 or higher; a refusal to submit to required tests; an employer's report of actual knowledge of on duty alcohol use, pre-duty alcohol use, post-accident alcohol use, and controlled substance use; a SAP report of the successful completion of the return-to-duty process; a negative return-to-duty test; and an employer's report of completion of follow-up testing.

Each driver must sign a statement certifying that the driver has received a copy of the above materials and the division maintains this signed copy.

Before performing each alcohol or controlled substances test, the division notifies the driver that the test is required by federal law or regulation.

Consequences of prohibited conduct

A driver who has engaged in conduct prohibited by federal regulation or for whom testing confirms prohibited alcohol concentration levels or the presence of a controlled substance, is removed immediately from safety-sensitive functions. Before a driver is returned to the performance of safety-sensitive functions, if at all, the driver shall undergo an evaluation by a substance abuse professional, as defined by 49 C.F.R. § 40.281, comply with any

required rehabilitation and undergo a return-to-duty test with negative drug test results and/or an alcohol test with an alcohol concentration of less than 0.02.

Record retention

The division maintains records in compliance with the federal regulations in a secure location with controlled access. With the driver's consent, the division may obtain any of the information concerning drug and alcohol testing from the driver's previous employer. A driver is entitled upon written request to obtain copies of any records pertaining to the driver's use of alcohol or controlled substances including information pertaining to alcohol or drug tests.

Records shall be made available to a subsequent employer upon receipt of a written request from a driver. Disclosure by the subsequent employer is permitted only as expressly authorized by the terms of the driver's request.

TRANSFERS BY STUDENT VICTIMS OF CRIME

Whenever any student has been the victim of any crime against the person pursuant to Chapter 4 of Title 18.2 of the Code of Virginia including attempted homicide, crimes by mobs, crimes by gangs, terrorism offenses, kidnapping and related offenses, assaults and bodily woundings, robbery, extortion or other threats, or sexual assault, and such crime was committed:

- by another student attending classes in the school, or
- by any employee of the School Board, or
- by any volunteer, contract worker or other person who regularly performs services in the school, or
- upon the school property or on any school bus owned or operated by the school division

The student upon whom the crime was committed shall, upon written request from the student's parents, or the student, if such student is an emancipated minor, be permitted to transfer to another comparable school within the division if available. Any transportation services for such students shall be provided in accordance with School Board policies.

For purposes of this policy, "victim" means any student who has been the victim of a crime against the person pursuant to Chapter 4 of Title 18.2 of the Code of Virginia, and who has suffered physical, psychological, or economic harm as a direct result of the commission of such crime.

TRANSFERS BY STUDENTS IN PERSISTENTLY DANGEROUS SCHOOLS

Any student attending a school which has been designated as a persistently dangerous school by the Virginia Department of Education will be offered the opportunity to transfer to another school in the division which is not so designated. If there is not another school in the division to which students may transfer, other appropriate options may be explored.

If a student elects to transfer, the transfer may be permanent or remain in effect as long as the student's original school is identified as persistently dangerous.

STUDENT CONDUCT ON SCHOOL BUSES

Students are required to conduct themselves on school buses in a manner consistent with established standards for student behavior in school and at school activities.

The school principal may suspend or revoke the riding privileges of students and/or take other disciplinary actions for students who constitute or cause disciplinary problems on the bus. Parents (or guardians) of children whose behavior and misconduct on school buses violates the Standards of Student Conduct or otherwise endangers the health, safety and welfare of other riders shall be notified that their child/children face the loss of school bus riding privileges and/or other disciplinary actions.

If a student's riding privileges are suspended or revoked, the student's parents are responsible for seeing that the student gets to and from school safely.

The bus driver is responsible for maintaining the orderly behavior of students on school buses and shall report misconduct to the student's principal and provide a copy of the report to the transportation office.

HUMAN RESEARCH

Surveys, analyses or evaluations conducted as part of any program which is funded by the United States Department of Education or is otherwise subject to policies and regulations promulgated by any agency of the federal government are conducted in accordance with Policy JOB Administration of Surveys and Questionnaires,120 U.S.C. § 1232h, and applicable federal regulations. All instructional materials, including teacher's manuals, films, tapes, or other supplementary material which will be used in connection with any such survey, analysis, or evaluation will be available for inspection by the parents or guardians of the students involved.

Any other human research involving students must be approved and conducted under the review of a human research committee established by the school division or the school conducting the research. Such research will be conducted or authorized only after the student and the student's parents or legally authorized representative give their informed consent, as evidenced by a signed and witnessed informed consent form in accordance with Va. Code § 32.1-162.18.

The human research committee will be composed of representatives of varied backgrounds to ensure the competent, complete, and professional review of human research activities. No member of the committee may be directly involved in the proposed human research or have administrative approval authority over the proposed human research except in connection with his responsibilities as a member of the committee. In deciding whether to approve proposed human research, the committee will consider the factors listed in Va. Code § 32.1-162.19.

Research or student learning outcomes assessments conducted in educational settings involving regular or special education instructional strategies, the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods, or the use of educational tests, whether cognitive, diagnostic, aptitude, or achievement, if the data from such tests are recorded in a manner so that subjects cannot be identified, directly or indirectly, are exempt from the requirements of this policy.
Definition: as used in this policy, "human research" means any systematic investigation, including research development, testing and evaluation, utilizing human subjects, that is designed to develop or contribute to generalized knowledge. "Human research" does not include research exempt from federal research regulation pursuant to 45 C.F.R. § 46.101(b).

Title	Copy of Student-Athlete Concussions
Code	JJAC
Status	Second Reading
Last Revised	July 25, 2019

STUDENT-ATHLETE CONCUSSIONS

Generally

In order to participate in any extracurricular physical activity, each student-athlete and the student-athlete's parent or guardian must review, on an annual basis, information on concussions provided by the school division. After having reviewed materials describing the short- and long-term health effects of concussions, each student-athlete and the student-athlete's parent or guardian must sign a statement acknowledging receipt of such information, in a manner approved by the Board of Education.

Return to Play Protocol

A student-athlete suspected by that student-athlete's coach, athletic trainer, or team physician of sustaining a concussion or brain injury in a practice or game is removed from the activity at that time. A student-athlete who has been removed from play, evaluated, and suspected to have a concussion or brain injury does not return to play that day or until the student-athlete is

· evaluated by an appropriate licensed health care provider as determined by the Board of Education and
· in receipt of written clearance to return to play from such licensed health care provider.

The licensed health care provider evaluating student-athletes suspected of having a concussion or brain injury may be a volunteer.

Return to Learn Protocol

School personnel are alert to cognitive and academic issues that may be experienced by a student who has suffered a concussion or other head injury, including

· difficulty with concentration, organization, and long-term and short-term memory;
· sensitivity to bright lights and sounds; and

· short-term problems with speech and language, reasoning, planning, and problem solving.

School personnel accommodate the gradual return to full participation in academic activities of a student who has suffered a concussion or other head injury as appropriate, based on the recommendation of the student's licensed health care provider as to the appropriate amount of time that such student needs to be away from the classroom.

Procedures

The superintendent is responsible for developing, and biennially updating, procedures regarding the identification and handling of suspected concussions in student-athletes.

Athletic Activities Conducted by Non-School Organizations on School Property

The school division may provide this policy to organizations sponsoring athletic activity for student-athletes on school property. The school division does not enforce compliance with the policy by such organizations.

Last Revised	April 25, 2024

RESTRAINT AND SECLUSION OF STUDENTS

Physical restraint and seclusion may only be used by Appomattox County School Board staff for the purpose of behavioral intervention in accordance with this policy and the Virginia Board of Education Regulations Governing the Use of Seclusion and Restraint in Public Elementary and Secondary Schools in Virginia. The School Board encourages the use of positive behavioral interventions and supports to reduce and prevent the need for the use of physical restraint and seclusion.

The superintendent is responsible for developing procedures to address the requirements of the Board of Education Regulations. Those procedures shall include:

· examples of the positive behavioral interventions and support strategies consistent with the student's rights to be treated with dignity and to be free from abuse that the school division uses to address student behavior, including the appropriate use of effective alternatives to physical restraint and seclusion;
· a description of initial and advanced training for school personnel that addresses appropriate use of effective alternatives to physical restraint and seclusion and the proper use of restraint and seclusion;
· a statement of the circumstances in which physical restraint and seclusion may be employed, which shall be no less restrictive than that set forth in 8 VAC 20-750-40 and 8 VAC 20-750-50;
· provisions addressing the
· notification of parents regarding incidents of physical restraint or seclusion, including the manner of such notification;
· documentation of the use of physical restraint and seclusion;
· continuous visual monitoring of the use of any physical restraint or seclusion to ensure the appropriateness of such use and the safety of the student being physically restrained or secluded, other students, school personnel, and others.

These provisions shall include exceptions for emergency situations in which securing visual monitoring before implementing the physical restraint or seclusion would, in the reasonable judgment of the school personnel implementing the physical restraint or seclusion, result in serious physical harm or injury to persons;

· securing of any room in which a student is placed in seclusion. These provisions shall ensure that any seclusion room or area
meet specifications for size and viewing panels that ensure the student's safety at all times, including during a fire or other emergency; and
· the appropriate use and duration of seclusion based on the age and development of the student.

The School Board reviews this policy at least annually and updates it as appropriate. The superintendent reviews the procedures at least annually and updates them as appropriate.

GOALS FOR SCHOOL-COMMUNITY RELATIONS

The Appomattox County School Board recognizes that good school-community relations are essential to securing public input and public support for educational programs. The School Board sets goals and standards for school-community relations and regularly evaluates its relationship with the public. The School Board also regularly evaluates its programs for maintaining open channels of communication and good relations with parents, community organizations, other governmental organizations, non-profit organizations, businesses and industries and the community at large.

Through its school-community relations program, the School Board encourages the community to:

· take an active interest in the schools and participate in school activities,
· place a high priority on education and make funds available for an educational system that supports learning for all children, and
· establish partnerships with the schools to enhance learning opportunities.

HOME INSTRUCTION

GENERALLY

The Appomattox County School Board recognizes that when the requirements of Va. Code § 22.1-254.1 are complied with instruction of children by their parents is an acceptable alternative form of education under the policy of the Commonwealth of Virginia. Any parent of any child who is five years or older on or before September 30 of any school year and which child is not yet eighteen years old may elect to provide home instruction in lieu of school attendance if the parent:

- holds a high school diploma;
- is a teacher of qualifications prescribed by the Board of Education;
- provides the child with a program of study or curriculum which may be delivered through a correspondence course or distance learning program or in any other manner; or
- provides evidence that the parent is able to provide an adequate education for the child.

DEFINITION

For purposes of this policy, "parent" means any parent, guardian, legal custodian or other person having control or charge of a child.

NOTIFICATION BY PARENTS

Any parent who elects to provide home instruction in lieu of school attendance shall annually notify the superintendent no later than August 15 of the parent's intention to so instruct the child and provide a description of the curriculum, limited to a list of subjects to be studied during the coming year and evidence of having met one of the criteria for providing home instruction. Any parent who moves into a school division or begins home instruction after the school year has begun shall notify the superintendent of the parent's

intention to provide home instruction as soon as practicable and shall comply with the requirements of this policy within thirty days of such notice. The superintendent shall notify the Superintendent of Public Instruction of the number of students in the school division receiving home instruction.

EVIDENCE OF PROGRESS

A parent who elects to provide home instruction to a child who is over the age of six as of September 30 of the school year shall provide the superintendent by August 1 following the school year in which the child has received home instruction with either (i) evidence that the child has attained a composite score in or above the fourth stanine any nationally normed standardized achievement test or an equivalent score on the ACT, SAT or PSAT test or (ii) an evaluation or assessment that the superintendent determines to indicate that the child is achieving an adequate level of educational growth and progress, including: (a) an evaluation letter from a person licensed to teach in any state, or a person with a master's degree or higher in an academic discipline, having knowledge of the child's academic progress, stating that the child is achieving an adequate level of educational growth and progress; or (b) a report card or transcript from a community college or college, college distance learning program or home-education correspondence school.

In the event that evidence of progress as required in this subsection is not provided by the parent, the home instruction program for that child may be placed on probation for one year. Parents shall file with the superintendent evidence of their ability to provide an adequate education for their child and a remediation plan for the probationary year which indicates their program is designed to address any educational deficiency. Upon acceptance of such evidence and plan by the superintendent, the home instruction may continue for one probationary year. If the remediation plan and evidence are not accepted or the required evidence of progress is not provided by August 1 following the probationary year, home instruction shall cease and the parent shall make other arrangements for the education of the child which comply with Va. Code § 22.1-254.

IMMUNIZATIONS

Any parent, guardian or other person having control or charge of a child being home instructed, exempted or excused from school attendance shall comply with the immunization requirements provided in Va. Code § 32.1-46 in the same manner and to the same extent as if the child has been enrolled in and is attending school.

Upon request by the superintendent, the parent shall submit to the superintendent documentary proof of immunization in compliance with Va. Code § 32.1-46.

No proof of immunization shall be required of any child upon submission of (i) an affidavit to the superintendent stating that the administration of immunizing agents conflicts with the parent's or guardian's religious tenets or practices or (ii) a written certification from a licensed physician, physician assistant, licensed advanced practice registered nurse, or local health department that one or more of the required immunizations may be detrimental to the child's health, indicating the specific nature of the medical condition or circumstance that contraindicates immunization.

NOTIFICATION TO PARENTS

Advanced Placement (AP), Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) and PreACT examinations are available to students receiving home

instruction pursuant to Va. Code § 22.1-254.1. The superintendent establishes a schedule identifying the dates by which students receiving home instruction must register to participate in such examinations. The superintendent notifies students receiving home instruction and their parents of the registration deadlines and the availability of financial assistance to low-income and needy students to take such examinations.

DISCLOSURE OF INFORMATION

Neither the superintendent nor the School Board shall disclose to the Department of Education or any other person or entity outside of the local school division information that is provided by a parent or student to satisfy the requirements of this policy or subdivision B 1 of Va. Code § 22.1-254 without express consent from the parent or legal guardian of the child receiving home instruction. Nothing in this policy prohibits the superintendent from notifying the Superintendent of Public Instruction of the number of students in the school division receiving home instruction.

Minutes of
Appomattox County School Board
April 14, 2025 Special Called Meeting

The Appomattox County School Board met on Monday, April 14, 2025, at 10:00 a.m. in The American Civil War Museum located at 159 Horseshoe Road in Appomattox, Virginia to conduct a special called meeting. Present were Board Members Mr. Roger B. Stough, Mr. Gregory A. Smith, Mr. Wyatt K. Torrence, Mr. Bobby K. Waddell, and Mr. Jason L. Wells.

CALL TO ORDER

Mr. Wells, Chairman, called the meeting to order, welcomed those in attendance, and led in the pledge of allegiance followed by a moment of silence.

CLOSED SESSION

Adjourn to Closed Session

Mr. Stough moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to prospective candidates for employment of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, specifically for the position of Division Superintendent.

Mr. Waddell seconded the motion made by Mr. Stough. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student matters, the Board voted to return to public session.

Adjourn to Public Session

It was moved by Mr. Stough and seconded by Mr. Smith to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only

such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Stough made this motion which was seconded by Mr. Torrence, unanimously approved by all Board Members, and recorded by roll call vote. (Attachment #1)

Announcement of Superintendent Interviews

Mr. Jason Wells, Chairman, made the following announcement: The Appomattox County School Board will be conducting interviews for the position of superintendent from April 17 - May 1, 2025. These interviews will be held in accordance with the Code of VA Section 2.2-3712.

NEXT MEETINGS

A Regular Monthly Business Meeting will be held on Thursday, April 24, 2025 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

ADJOURNMENT

There being no further business, Mr. Stough moved the meeting be adjourned with a second from Mr. Smith. By unanimous voice vote, the motion was approved

Business, Finance, and Operations Update
School Board Meeting
Thursday, May 22, 2025

Business Update

FY24 Carryover and CIP Appropriations

The Re-appropriation Request was shared with the County Administrator in hopes of getting it on the May BOS agenda. Unfortunately, it will be included on the June agenda for approval by the Board of Supervisors.

FY26

Appomattox County Board of Supervisors held a Special Called meeting on Wednesday, April 30, 2025. The Board of Supervisors approved the FY26 County budget at this meeting. The local appropriation to ACPS is $8,280,277. This is the recommended Required Local Match from the Budget Calculation Planning Tool published on March 6, 2025 by the Virginia Department of Education. This appropriation allows for ACPS to participate in all Incentive and Lottery Funded programs in FY26.

Operations Update

Summer Work

Purchase orders have been issued for the following:

- ACHS Parking Lot Completion
- ACHS Replacement Roof Completion
- Seal, Recoat and Relining of APS, AES and AMS Parking Lots
- Painting (Interior and Exterior) – APS, AES
- Rubbish dumpsters currently on school sites to facilitate purging

Human Resources Update

FY26 Contracts

Electronic contracts were issued to 308 staff on Wednesday, May 14, 2025. As of the afternoon of May 21, 2025, 190 signed contracts have been received for a 62% return rate. The deadline to return signed contracts is on Wednesday, May 28, 2025. Reminders were sent out through PowerSchool Records.

Eighty-nine (89) paper contracts were issued to Support Staff (Food Service, Transportation and Custodial). These contracts are due back on May 28, 2025 as well.

2025 VSBA SCHOOL LAW CONFERENCE: ENGAGE IN-PERSON OR VIRTUALLY

MAY 30, 2025
HILTON RICHMOND HOTEL & SPA SHORT PUMP

About the Conference

Get ready for an insightful and impactful day designed to equip school board members, administrators, and legal professionals with relevant updates and strategies in education law.

We'll dive right into the latest developments from the U.S. Department of Education with John Foster, Ellen Kennedy, and Erin Ashwell, tackling one of the most pressing legal issues shaping public education today. The conversation continues with an essential session on school board member access to records, led by Wesley Allen and Kristi Johnson, ensuring an understanding of rights and responsibilities.

After a networking break, the spotlight turns to court orders, where Robert Falconi and Pam O'Berry will walk you through key legal considerations for school divisions. Then, Andrew Fox and Mike Lockaby will unpack the complexities of School PPEA projects, offering guidance on navigating public-private partnerships.

Over a working lunch, stay ahead of the curve with a critical legislative update from J.T. Kessler, VSBA Director of Legislative Services, and Stacy Haney, VSBA Chief Lobbyist, as they break down the new laws that will shape the future of Virginia public education.

Don't miss out on this opportunity to stay informed, engaged, and prepared for the challenges ahead!

FRIDAY, MAY 30, 2025

9:00 am **Introduction and Welcome**
Dr. JoWanda Rollins-Fells, VSBA President
Greetings: Nicole Cheuk, Attorney, Sands Anderson

2025 VSBA CONFERENCE ON EDUCATION

JULY 25, 2025
HILTON RICHMOND HOTEL & SPA SHORT PUMP

About the Conference

Get ready to celebrate four decades of inspiration, innovation, and impact in education at the Virginia School Boards Association's 40th Annual Conference on Education!

We'll kick off the morning with a warm welcome from Dr. Grace Creasey, President of the Virginia Board of Education. Stay tuned for the announcement of our dynamic keynote speaker who will share a powerful message aligned with our theme.

Afterward, engage in mini-workshops designed to spark ideas and provide actionable takeaways. Then gather for our Awards Luncheon, where we'll celebrate outstanding achievements with the presentation of the Excellence in Workforce Readiness Awards, Food for Thought Awards, and the Student Essay Contest winner.

We'll close out this exciting day with a compelling student-led panel: "Through Our Eyes: A Student Lens on Education." Hear directly from Student School Board Representatives as they share honest reflections and insights.

Whether you're a returning attendee or joining us for the first time, this milestone event promises to inform, inspire, and remind us all why we champion public education.

FRIDAY, JULY 25, 2025

9:00 am **Introduction and Welcome**
Dr. JoWanda Rollins-Fells, VSBA President

9:05 am **Morning General Session**

Minutes of
Appomattox County School Board
May 8, 2025 Interim Meeting

The Appomattox County School Board met on Thursday, May 8, 2025 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an interim meeting. Present were Board Members Mr. Gregory Smith, Mr. Roger Stough, Mr. Wyatt Torrence, Mr. Bobby Waddell, Mr. Jason Wells, and Dr. Annette Bennett, Division Superintendent.

CALL TO ORDER

Mr. Wells, Chairman, called the meeting to order, welcomed those in attendance, and led in the pledge of allegiance followed by a moment of silence.

CONSIDERATION OF AGENDA

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the agenda as presented. By unanimous voice vote, the motion was approved.

RECOGNITIONS

Student Recognitions

The School Board recognized the following first-place winning team of the Virginia Elementary Level Stock Market Game from Appomattox Elementary School:

- Lane Richardson
- Leah Jordan
- Layton Ferguson
- Lynden Harris

The School Board also recognized Elijah Zug from Appomattox Middle School for placing second in the Regional Civics Bee.

SUPERINTENDENT'S REPORT

Presentation of Proposed 2025-2026 ACPS Salary Scales

Dr. Tibbs presented the proposed 2025-2026 Appomattox County Public Schools Salary Scales.

The proposed salary scales reflect a 5% increase for all division staff; some positions also included a step grade increase.

(Attachment #1)

ACTION ITEMS

Consideration of Approval of the 2025-2026 ACPS Salary Scales

It was moved by Mr. Torrence and seconded by Mr. Smith to approve the 2025-2026 ACPS Salary Scales as submitted and recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval of 2025-2026 ACPS Employee Calendar

It was moved by Mr. Smith and seconded by Mr. Waddell to approve the 2025-2026 ACPS Employee Calendar as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved.

(Attachment #2)

Consideration of Approval of Request by the Appomattox County Sheriff's Office

It was moved by Mr. Smith and seconded by Mr. Torrence to approve the request from the Appomattox County Sheriff's Office for two to three school buses to transport participants in the Law Enforcement Fun Run to support the Virginia Special Olympics on Friday, June 27, 2025, as recommended by the Superintendent. By unanimous voice vote, the motion was approved.

(Attachment #3)

CLOSED SESSION

Adjourn to Closed Session

Mr. Stough moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report and employees #346 and #11414; and,
2. Discussion of personnel matters relating to prospective candidates for employment of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, specifically for the position of Division Superintendent.

Mr. Torrence seconded the motion made by Mr. Stough. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student matters, the Board voted to return to public session.

Adjourn to Public Session

It was moved by Mr. Smith and seconded by Mr. Stough to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Stough made the motion which was seconded by Mr. Smith, unanimously approved by all Board Members, and recorded by roll call vote.

(Attachment #4)

Approval of Personnel Matters

It was moved by Mr. Torrence and seconded by Mr. Waddell to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved.

(Attachment #5)

NEXT MEETINGS

A Regular Monthly Business Meeting will be held on Thursday, May 22, 2025 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

Mr. Smith	-	Yes
Mr. Stough	-	Yes
Mr. Torrence	-	Yes
Mr. Wells	-	Yes
Mr. Waddell	-	Yes

_____

Carrington W. Pritchard, Clerk of the Board
Appomattox County School Board

Date: May 8, 2025

Minutes of
Appomattox County School Board
Regular Monthly Business Meeting

The Appomattox County School Board met in regular session on Thursday, May 22, 2025 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct the Regular Monthly Business. Present were Board members Mr. Gregory Smith, Mr. Roger Stough, Mr. Wyatt Torrence, Mr. Bobby Waddell, Mr. Jason Wells, and Dr. Annette A. Bennett, Division Superintendent.

CALL TO ORDER

Mr. Wells, Chairman, called the meeting to order, welcomed those in attendance, and led in the Pledge of Allegiance and a Moment of Silence.

CONSENT AGENDA – APPROVAL

It was moved by Mr. Torrence and seconded by Mr. Stough to approve the following consent agenda items:

1. Minutes of April 14, 2025 Special Called School Board Meeting
2. Minutes of April 24, 2025 Regular Monthly Business Meeting
3. Payment of Bills Dated May 22, 2025
   a) $1,373,698.75 – General Fund Bill Listing
   b) $ 76,709.81 – School Food Bill Listing
   c) $ 167,059.88 – General Fund End-of-Month
   d) $ 4,738.40 – School Food End-of-Month
   e) $ 150.000.00 – Capital Improvement Fund

(Attachments #1-5)

By unanimous voice vote, the consent agenda items were approved as presented and recommended by the superintendent.

CONSIDERATION OF AGENDA

It was moved by Mr. Smith and seconded by Mr. Stough to approve the agenda as presented. By unanimous voice vote, the motion was approved.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests to address the Board concerning agenda items.

SUPERINTENDENT'S REPORT

Special Education Advisory Committee Presentation

Ms. Tina Allen, SEAC Chair and ACPS parent, presented information to the School Board on inclusive playgrounds for the school division. Ms. Allen's presentation included safe, age-appropriate ideas and layouts for sensory inclusive playgrounds.

(Attachment #6)

Business, Finance, and Human Resources Update

Dr. Tibbs provided a Business, Operations, and Human Resources update. The following items were addressed:

- FY24 Carryover and CIP Appropriations
- FY26 Budget Planning
- Summer work plans
- FY26 Contracts

(Attachment #7)

School Board Discussion of Student Truancy

The School Board engaged in discussion related to the student attendance policy and truancy issues for families in the division. Mr. Stough requested the board consider revising the attendance policy to allow parent notes after five days.

(Attachment #8)

Membership Report as of April 30, 2025

The Superintendent provided the April 30, 2025 Membership Report, which indicated the Membership Average for the month of April 2025 was 2349. The budgeted ADM for 2024-2025 was 2262.

(Attachment #9)

VSBA Activities as of May 22, 2025

The 2025 VSBA Hybrid School Law Conference is scheduled for Friday, May 30, 2025. The cost to register is $215.00 per connection and multiple registrations are needed if viewing from multiple devices/locations. Mr. Waddell is registered to participate. Any board members wishing to register were asked to notify the School Board Clerk.

The 2025 VSBA Conference on Education is scheduled for Friday, July 25, 2025. The conference will be located at the Hilton Richmond Hotel & Spa Short Pump. The cost to register is $220.00 per connection and multiple registrations are needed if viewing from multiple devices/locations. Any board members wishing to register were asked to notify the School Board Clerk.

(Attachments #10-11)

ACTION ITEMS

Consideration of Approval of ACHS Application for VHSL Membership for 2025-2026

It was moved by Mr. Torrence and seconded by Mr. Stough to approve the Virginia High School League (VHSL) Membership Application for the School Year 2025-2026 as presented and recommended by the Superintendent. By unanimous voice vote, the motion as amended was approved.

(Attachment #12)

Consideration of Approval of Requests for Admission as Out-of-County Tuition Students for 2025-2026

It was moved by Mr. Smith and seconded by Mr. Waddell to approve the requests for admission as out-of-county tuition students for the 2025-2026 school year as presented and recommended by the Superintendent. By unanimous voice vote, the motion was approved.

(Attachment #13)

Consideration of Disapproval of Request for Admission as Out-of-County Tuition Student for 2024-2025

It was moved by Mr. Smith and seconded by Mr. Stough to disapprove the request for admission as an out-of-county tuition student for the 2024-2025 school year as presented and recommended by the Superintendent. By unanimous voice vote, the motion was approved.

(Attachment #14)

Consideration of Approval of First Reading of Revised Policies

It was moved by Mr. Torrence and seconded by Mr. Smith to approve the first reading of the revised policies as presented and recommended by the Superintendent. By unanimous voice vote, the motion was approved.

(Attachments #15-16)

UNFINISHED BUSINESS

There were no items of unfinished business to come before the Board.

NEW BUSINESS

There were no items of new business to be considered by the Board.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

There were no requests to address the Board concerning non-agenda items.

NEXT MEETINGS

A Regular Monthly Business Meeting of the Appomattox County School Board is scheduled on Thursday, June 12, 2025 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

The annual Close-out Meeting will be held Thursday, June 26, 2025 at 5:00 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia.

CLOSED SESSION

Adjourn to Closed Session

Mr. Stough moved the Board convene in closed meeting for the following purposes:

a) Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, in particular for review of the personnel report; and,
b) Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia, 1950, as amended, specifically the monthly school discipline reports and student #14766; and,
c) Discussion of personnel matters relating to prospective candidates for employment of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia, 1950, as amended, specifically for the position of Division Superintendent.

Mr. Waddell seconded the motion made by Mr. Stough. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and consideration of the monthly disciplinary reports, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Waddell and seconded by Mr. Torrence to adjourn to public session. By unanimous voice vote, the motion was approved.

PUBLIC SESSION

Certificate of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Stough made the motion, which was seconded by Mr. Torrence, unanimously approved by Board Members, and recorded by roll call vote.

(Attachment #17)

Approval of Personnel Matters

It was moved by Mr. Torrence and seconded by Mr. Smith to approve the personnel report as presented and recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved.

(Attachment #18)

Approval of New Superintendent

It was moved by Mr. Waddell and seconded by Mr. Torrence to approve Dr. Jason Tibbs as the new superintendent of Appomattox County Public Schools, effective July 1, 2025. By unanimous voice vote, the motion was approved.

ADJOURNMENT

There being no further business, Mr. Stough moved the meeting be adjourned with a second from Mr. Smith. By unanimous voice vote, the motion was approved.

Mr. Smith	-	Yes
Mr. Stough	-	Yes
Mr. Torrence	-	Yes
Mr. Waddell	-	Yes
Mr. Wells	-	Yes

Carrington W. Pritchard, Clerk of the Board
Date: May 22, 2025

AAEC 2024-2025 End of Year Report

Summary

- A total of 38 high school students and 1 middle school student were served during the 2024-2025 school year at the Appomattox Alternative Education Center (AAEC)
- AAEC began the first semester with 37 students and ended with 27 students.
- AAEC began the second semester with 28 students and ended with 21 students.
- AAEC graduated 18 students: 8 with a high school diploma and 10 with a GED.
- AAEC served 6 students while they were on homebound.

Individual Student Alternative Education Plan (ISAEP)

- Over the course of the 2024 – 2025 school year, the ISAEP program enrolled a total of 19 students.
- 10 students completed the program and earned their GED.
- All 19 students have completed all 4 of the GED qualifying test (GED Ready) and have been released to test.
- 17 students have earned their CTE credentials by passing the WorkKeys test.
- 1 student dropped from the program.
- 8 students will continue to work towards completing the GED for the 2025-2026 school year.

AAEC

- AAEC assisted 8 students in graduating with a standard diploma for the 2025 – 2026 school year.
- AAEC assisted 19 students from ACHS in recovering credits.
- Due to the progress in credit recovery, 3 students returned to ACHS for the second semester for general education classes.
- 1 student is being recommended for classes outside of AAEC starting next school year.
- 1 student was sent to outside placements.
- AAEC assisted 18 students who were at risk of dropping out.

SCNP (Dir.) Memo #2024-2025-83

COMMONWEALTH of VIRGINIA
Department of Education

DATE: May 8, 2025

TO: Directors, Supervisors, and Contact Persons Addressed

FROM: Crystal Crutchfield, SNS

SUBJECT: Virginia Ban on Expanded Polystyrene Applies to Schools and Community Sponsors – Effective Date July 1, 2025

In 2021, the Virginia General Assembly passed HB1902, which bans the use of Expanded Polystyrene (EPS) by food vendors (*Code of Virginia* § 10.1-1424.3). During the recent Reconvened General Session, the Governor's proposed amendments to the budget included an amendment to *Code of Virginia* § 10.1-1424.3 that would have impacted the dates of implementation. The Virginia Department of Education, Office of School and Community Nutrition Programs, has just received confirmation from the Office of the Attorney General that the ban *applies* to school divisions and community sponsors operating the National School Lunch Program, School Breakfast Program, Fresh Fruit and Vegetable Program, Seamless Summer Option, Summer Food Service Program, and At-Risk Child and Adult Care Food Program. The ban has an effective implementation date of July 1, 2025.

The ban, commonly referred to as the "Virginia Styrofoam Ban," applies to food vendors that provide food for public consumption on or off its premises. This includes stores, shops, restaurants, grocery stores, supermarkets, delicatessens, food trucks, catering companies, and any individual, organization, group, or state or local government entity that regularly provides food as part of its services. For the purposes of this legislation, NSLP, SBP, FFVP, SSO, CACFP, and SFSP operators meet the definition of a food vendor. Beginning July 1, 2025, no food vendor of any type shall dispense prepared food to a customer in an EPS food service container.

Definitions Within The *Code of Virginia* § 10.1-1424.3

- An EPS food service container is a rigid single-use container made primarily of expanded polystyrene and used in the restaurant and food service industry for serving or transporting prepared, ready-to-consume food or beverages.

- EPS food service containers include plates, cups, bowls, trays, and hinged containers but does not include packaging for unprepared foods or packaging, including a cooler, used in the shipment of food.

Virginia Styrofoam Ban Exemption

SFA and community sponsor food vendors may request an exemption through their locality, not the state agency. VDOE-SCNP cannot apply for a statewide exemption or approve any exemptions. By law, only the locality may grant an exemption if a food vendor demonstrates that compliance with the new regulation would impose undue economic hardship on the food vendor. Undue economic hardship means a situation in which:

- a food vendor has no reasonable alternative to the EPS food service containers used by that food vendor, and
- compliance would cause significant economic hardship to that food vendor.

If approved, an exemption is only valid for one year from the date of the exemption. A food vendor granted an exemption may reapply to the locality before the expiration of the exemption. The locality may grant an additional exemption not to exceed one year for each such reapplication if the food vendor demonstrates a continuing undue economic hardship at the time of reapplication to the satisfaction of the locality.

SFAs and Community Sponsors Must Use Alternative Materials

SFAs and community sponsors that currently use EPS products must use alternative materials per Virginia law. The Virginia Department of Environmental Quality has resources on EPS alternative materials including an extensive Reference Guide. Any person who violates the new regulation shall be assessed with a civil penalty of not more than $50 for each day of such violation.

For More Information

For more information, contact your assigned SNP or CNP regional specialist or send questions to the SNP policy mailbox at SNPPolicy@doe.virginia.gov.

Foam-Free Resources

The Virginia General Assembly passed legislation in 2021 that will ban the use of Expanded Polystyrene (EPS) by food vendors. The EPS ban applies to any food vendor, which is defined as any establishment that provides prepared food for public consumption on or off its premises and includes a store, shop, sales outlet, restaurant, grocery store, supermarket, delicatessen, or catering truck or vehicle; any other person who provides prepared food; and any individual, organization, group, or state or local government entity that regularly provides food as a part of its services.

The ban is also applicable to Virginia Schools. For more information, please see the memo from the Virginia Department of Education.

Currently the ban is to take effect in two phases: food vendors with 20 or more Virginia locations must stop using EPS containers by July 1, 2025, while all other food vendors must comply by July 1, 2026.

By law, localities may grant food vendors up to one year exemption for the EPS ban if they can demonstrate compliance with the ban would impose undue economic hardship. Food vendors granted an exemption can reapply to the locality before the exemption expires. Localities may then grant an additional exemption to vendors continuing to demonstrate the ban imposes undue economic hardship.

For anyone currently using EPS products in any industry, the legislation also discourages the sale and use of EPS products and encourages the promotion of alternatives to EPS.

EPS isn't the best choice for people or the environment. It's time to learn about and plan for alternatives.

2025 VSBA CONFERENCE ON EDUCATION

JULY 25, 2025
HILTON RICHMOND HOTEL & SPA SHORT PUMP

About the Conference

Get ready to celebrate four decades of inspiration, innovation, and impact in education at the Virginia School Boards Association's 40th Annual Conference on Education!

We'll kick off the morning with a warm welcome from Dr. Grace Creasey, President of the Virginia Board of Education. Stay tuned for the announcement of our dynamic keynote speaker who will share a powerful message aligned with our theme.

Afterward, engage in mini-workshops designed to spark ideas and provide actionable takeaways. Then gather for our Awards Luncheon, where we'll celebrate outstanding achievements with the presentation of the Excellence in Workforce Readiness Awards, Food for Thought Awards, and the Student Essay Contest winner.

We'll close out this exciting day with a compelling student-led panel: "Through Our Eyes: A Student Lens on Education." Hear directly from Student School Board Representatives as they share honest reflections and insights.

Whether you're a returning attendee or joining us for the first time, this milestone event promises to inform, inspire, and remind us all why we champion public education.

FRIDAY, JULY 25, 2025

9:00 am **Introduction and Welcome**
Dr. JoWanda Rollins-Fells, VSBA President

9:05 am **Morning General Session**
- Dr. Grace Creasey, President, Virginia Board of Education
- Keynote

9:45 am **Mini-Workshops**

12:05 pm **Regional Meetings**

12:30 pm **Luncheon Program**
- Presentation of the 2025 Excellence in Workforce Readiness Awards
- Presentation of 2025 Food for Thought Awards: Sponsored by VA Lottery
- Presentation of 2025 Student Essay Contest Awards: Sponsored by Haney Phinyowattanachip PLLC
- Through Our Eyes: A Student Lens on Education, Panel Discussion

2:00 pm **Adjournment**

Resolution in Honor of the
2025 Appomattox Raiders Softball Team
For High Academic and Athletic Achievement

WHERAS, the Appomattox Raiders Softball Team, under the direction of longtime Head Coach Janet Rawes, possessed the physical and mental strength to win 11 district games against only a single loss in the very competitive Dogwood District; and

WHEREAS, the Appomattox Raiders Softball Team, as the #1 seed in the Region Tournament, overwhelmed Gretna High School by a score of 11-0 in the Region Quarterfinals before prevailing against Glenvar High School by a score of 3-2 in the Region Semifinals; and

WHEREAS, the Appomattox Raiders Softball Team defeated Chatham High School by the score of 1-0 to win the Virginia High School League Class 2 Region C Championship; and

WHEREAS, the Appomattox Raiders Softball Team defeated Lee High School by the score of 7-3 in the Virginia High School League Class 2 State Quarterfinals; and

WHERAS, the Appomattox Raiders Softball Team saw its season come to an end at the hands of King William High School by a score of 5-2 in the Virginia High School League Class 2 State Semifinals on June 13, 2025; and

WHEREAS, the Appomattox Raiders Softball Team achieved this high level of athletic success while also posting a collective team Grade Point Average of 3.92, one of only three Raiders teams with a Grade Point Average over 3.90 during the 2024-2025 school year.

AND NOW, THEREFORE, BE IT RESOLVED that with great pride, the Appomattox County Board of Supervisors does hereby honor the Appomattox Raiders Softball Team for achieving both athletic and academic success during this most recent academic year.

AND BE IT FURTHER RESOLVED that the Board commends the players, coaches, managers, trainers, administrators, teachers and parents for the dedication and sacrifices necessary to achieve such accomplishments.

ADOPTED by the Board of Supervisors of Appomattox County on this 21st day of July, 2025.

_____

John Hinkle, Chairman
Appomattox County Board of Supervisors

Resolution Honoring the 2025 Appomattox Raiders Baseball Team
Virginia High School League Class 2 State Champions

WHEREAS, the Appomattox Raiders Baseball team, under second-year Head Coach James "Jamie" Terry, a 2001 graduate of Appomattox County High School, entered the season with high hopes and dreams of playing deep into June; and

WHEREAS, the Appomattox Raiders Baseball Team possessed the mental and physical toughness necessary to win 10 district games against two defeats, finishing first in the tough Dogwood District; and

WHEREAS, the Appomattox Raiders Baseball Team, seeded #2 in the Region Tournament, defeated James River High School by the score of 2-0, then beat Floyd County High School by the score of 9-2 and Dan River High School by the score of 8-3 to win the Virginia High School League Class 2 Region C Championship; and

WHEREAS, the Appomattox Raiders Baseball Team defeated Lebanon High School by the score of 2-0 in the Virginia High School League Class 2 State Quarterfinals before beating Poquoson High School by the score of 3-2 in the State Semifinals to earn a spot in the Virginia High School League Class 2 State Championship Game; and

WHEREAS, the Appomattox Raiders Baseball Team triumphed over King William High School by the score of 3-1 in the Class 2 State Championship Game held at Salem Memorial Stadium in Salem, Virginia, on Saturday, June 14, 2025 to claim the Virginia High School League Class 2 State Championship.

AND NOW, THEREFORE, BE IT RESOLVED that with great pride, the Appomattox County Board of Supervisors does hereby honor the Appomattox Raiders Baseball Team for winning the Virginia High School League Class 2 State Baseball Championship.

AND BE IT FURTHER RESOLVED that the Board commends the players, coaches, managers, trainers, administrators, and parents for the dedication and sacrifices necessary to achieve such an accomplishment in today's competitive high school sports landscape.

ADOPTED by the Board of Supervisors of Appomattox County on this 21st day of July, 2025.

_____
John Hinkle, Chairman
Appomattox County Board of Supervisors

Resolution Honoring the Appomattox Senior FFA Chapter
The Top FFA Chapter in Virginia for the Third Consecutive Year

WHEREAS, the National FFA Organization has its roots in the 1925 formation of the Future Farmers of Virginia by four Virginia Tech educators responsible for teaching future agricultural education teachers; and

WHEREAS, the Virginia FFA Association of the National FFA Organization currently has 233 chapters with 33,900 members across the Commonwealth of Virginia; and

WHEREAS, Appomattox Senior FFA is an active chapter of the National FFA Organization, and with 203 members during the 2024-2025 school year, is the premier leadership organization for students in Agricultural Education at Appomattox County High School; and

WHEREAS, the Appomattox Senior FFA Chapter participated in several Growing Leaders activities during the recent school year, including their "Grim Reaper Day", AMS Pen Pal Letter, Jacket Jubilee Program, VCE Shepherding Workshop, and Leadership Workshop; and

WHEREAS, the Appomattox Senior FFA Chapter also participated in several Building Communities activities, including the Spirit FM Butterfly Hugs Drive, Ag Specialist Halloween Craft Store, Pollinator Workshop, Railroad Day Parade Float Line Up, Appomattox Farm Bureau Partnership; and

WHEREAS, the Appomattox Senior FFA also participated in several Strengthening Agriculture activities, including Drive A Tractor To School Day, Party at the Patch Recruitment Night, Raider Road Rescue Kits, FFA Day at the Capitol, and the APS Kindergarten Day Tour; and

WHEREAS, the Appomattox Senior FFA Chapter, at the 99th Virginia State FFA Convention held at Virginia Tech, received a gold rating in the superior chapter contest, earning the opportunity to attend the National FFA Convention in Indianapolis, Indiana, this October; and

WHEREAS, the Appomattox Senior FFA Chapter was also the state champion in the Growing Leaders category as well as the Southeast Area winner in the Building Communities category; and

WHEREAS, the Appomattox Senior FFA Chapter's Veterinary Science team placed first in the State, beating out 27 other teams to win the State Championship and the right to represent Appomattox County High School and the Commonwealth of Virginia at the National FFA Veterinary Science CDE to be held at the National FFA Convention in October; and

WHEREAS, the Appomattox Senior FFA Chapter was named the Overall Top FFA Chapter in Virginia for the third consecutive year, testament to the excellent leadership and direction of the 2024-2025 FFA Officer Team.

AND NOW, THEREFORE, BE IT RESOLVED that with great pride, the Appomattox County Board of Supervisors does hereby honor the Appomattox Senior FFA for earning recognition as the Overall Top FFA chapter in the Commonwealth of Virginia.

AND BE IT STILL FURTHER RESOLVED that the Board commends all involved for the dedication and sacrifices necessary to achieve such accomplishments and wishes safe travels and best of luck to those attending the National FFA Convention this October.

ADOPTED by the Board of Supervisors of Appomattox County on this 21st day of July, 2025.

_____
John Hinkle, Chairman
Appomattox County Board of Supervisors

Resolution in Honor of
Xavier Moseley
2025 VHSL Class 2 Indoor Track
Long Jump State Champion

WHEREAS, Xavier Moseley, as a Sophomore, proved to be a strong and integral part of the 2024-2025 Appomattox Raiders Indoor Track team; and

WHEREAS, Xavier Moseley, at the VHSL Region 2C Championships held in Salem, Virginia, on February 23, 2025, placed 10th in the Boys Long Jump with a jump of 17'11" and finished 2nd in the Boys 55 Meter Dash; and

WHEREAS, Xavier Moseley, also at the VHSL Region 2C Championships, won the Boys Triple Jump with a distance of 42'6"; and

WHEREAS, Xavier Moseley, at the VHSL Class 2 Indoor State Championships held at Liberty University on March 5-6, 2025, finished 6th in the Boys 55 Meter Dash with a time of 6.79 seconds; and

WHEREAS, Xavier Moseley, also at the VHSL Class 2 Indoor State Championships, with a season-best jump of 22'6.5" won the Class 2 State Championship in the Boys Long Jump; and

WHEREAS, Xavier Moseley was named the Appomattox County High School Boys Indoor Track MVP for the 2024-2025 season in recognition of his accomplishments and value to his team.

AND NOW, THEREFORE, BE IT RESOLVED that with great pride, the Appomattox County Board of Supervisors does hereby honor Xavier Moseley for capturing the VHSL Class 2 Indoor Track State Championship in the Boys Long Jump.

AND BE IT FURTHER RESOLVED that the Board commends the teammates, coaches, family members, teachers and administrators of Xavier Moseley for providing the opportunity and support necessary for him to achieve this level of success.

ADOPTED by the Board of Supervisors on this 21st day of July, 2025.

Business, Finance, Operations Update
School Board Meeting
Thursday, July 23, 2025

Business/Finance

Appropriation Request for FY2024 End of Year CIP Transfer

At this month's Board of Supervisors meeting held on Monday, July 21, 2025, the BOS unanimously approved the request for the unspent balance of $1,134.311.00 to be transferred to the School Capital Improvement Fund.

ACHS Roof Replacement (Auditorium, Concourse, Gym Lobby and Porches), ACHS Phase 3 Paving and Parking lot crack repair, sealing and painting were the major items contracted out of Fund 3 – CIP this summer. With the encumbrance of these purchase orders, this brings the Fund 3 balance to $1,144,181.

Styrofoam Waiver

The Appomattox County Board of Supervisors on Monday evening additionally unanimously approved the schools request for a waiver of exemption to HB1902 regarding the use of Styrofoam serving trays in food service.

Weather-related Equipment Failures

As you know our area has experienced torrential rains including dangerous thunder and lighting with some of the storms over the past couple of weeks. Two of our schools have experienced mechanical issues due to these weather incidents.

- Fire alarm system replacement – 6th grade building
  - Main SMB board is not communicating with the pull stations
  - Numerous detection devices on the system are not communicating or responding
  - This system is obsolete. We are replacing with the same system currently at ACHS with a new fire control panel, remote annunciator and all detection devices. The cost for this repair is $18,867.00.
- Compressor failure on RTU 20 and RTU 8 on the new wing of ACHS. These items are no longer under warranty and are the result of a lightning strike on the grounds of ACHS during one of the storms.
- Main Control Boards on RTU 2, 5, 11 at ACHS

A property damage claim has been submitted to the VaCORP for coverage.

Operations

Summer Projects

APS

- Painting exterior beams, hand rails and door frames
- Painting interior specific requested areas
- Carpet replacement – Administration, Bookkeeper and Conference room. Vinyl flooring to match main lobby down the hallway.
- Patch, seal, re-coat and re-paint lines in parking lots
- Summer cleaning – floors, carpets, bathrooms, furniture walls and light covers

AES

- Repair and painting canopies and walkways
- Painting interior specific requested areas
- Repair canopy walkway lights
- Patch, seal, re-coat and re-paint lines in parking lots
- Summer cleaning – floors, carpets, bathrooms, furniture walls and light covers

AMS

- Painting interior specific requested areas
- Repurpose old Synergistics lab to 2 classrooms – Agriculture building

STUDENT CELL PHONE AND SMART DEVICE POSSESSION AND USE

Definitions

As used in this policy and related regulations,

"Bell to bell" means after the first bell rings at the start of the school day to begin instructional time until the dismissal bell rings at the end of the school day. "Bell to bell" includes lunch and time in between class periods.

"Smart device" means any personal electronic device that can connect to the internet and wirelessly collect, process, and transmit data, including smart watches and tablets.

Generally

The Appomattox County School Board establishes age-appropriate and developmentally appropriate restrictions for student use and possession of cell phones and smart devices on school property from bell-to-bell.

The superintendent issues regulations setting forth the restrictions and procedures to be followed to effectuate this policy. Any regulations issued in accordance with this policy may include additional exemptions, including procedures for emergency communications with students.

Student Cell Phones and Smart Devices on School Property

Students are permitted to use and possess cell phones and smart devices on school property before or after bell to bell, subject to additional regulations as may be issued. Such permitted use must not result in distractions or disruptions to the learning environment, disruptive behavior, bullying, harassment, crime, or any other behavior that violates other policies, regulations or laws.

From bell to bell, students are restricted from using or possessing cell phones on school property in accordance with this policy, issued regulations, and applicable laws.

Restrictions By Age Group

Elementary Schools (Kindergarten through Grade 5):

The division’s restrictions for elementary schools can be found in the schools’ student handbooks.

Middle Schools (Grades 6 through 8):

At school, phones are to remain turned off and stored in the student's locker. Phones are not to be visible or used during the school day (7:55 – 3:35). Failure to follow this policy may result in the following:

- 1st Offense: phone confiscated and returned to parent; student given ISS for 1 day
- 2nd Offense: phone confiscated and returned to parent; student given ISS for 2 days
- 3rd Offense: phone confiscated and returned to parent; student given ISS for 3 days
- 4th Offense: phone confiscated and returned to parent; student given ISS for 4 days. The student will lose the privilege to bring the cell phone to school. Other loss of privileges which may include attendance/participation at afterschool events, attendance of field trips, etc.
- 5th and Additional Offenses: phone confiscated and returned to parent; student suspended from school up to 5 days. Loss of privileges which will include attendance/participation at after-school events, attendance of field trips, etc.

Any cell phone usage that includes threats made to other students which leads to disruption in the school (i.e. student conflict, class disruption, etc.) can result in the student losing the privilege to bring a cell phone to school. Administrators will discuss the situation with parents and could require cell phones to be turned in to the main office each morning upon arrival.

Please note that smart watches will be considered the same as a cell phone and will be treated as the same offenses if they are utilized in a cell phone-like manner (i.e. used to text or otherwise communicate with others).

High/Secondary Schools (Grade 9 through 12):

Students may possess a cellular telephone or other communications device in school buildings and on school buses, provided that the device must remain off and out of sight during the time the student is on a school bus and during school hours. Instructional hours are from the time the student enters the building until 3:10 p.m.; students are expected to keep their phones and other electronic devices stored and secured in their book bags or purses throughout the instructional part of the school day.

Students on activity or team buses may use cellular phones only with permission of the driver or sponsor/coach.

Electronic devices may not be used during instructional time without the specific permission of the teacher.

An electronic device may be used only by the individual student and not to communicate with another student or device.

Violators of this policy will be subject to disciplinary action as prescribed in the Code of Student Conduct including the immediate confiscation and search of the device and revocation of the privilege to possess the device in school.

Consequences of violating the policy:

- 1st Offense: Phone confiscated and returned to parent/parent conference with administrator
- 2nd Offense: Phone confiscated and returned to parent, 1 Day ISS
- 3rd Offense: Phone confiscated and returned to parent; 2 Days ISS
- 4th Offense: Phone confiscated and returned to parent; 3 Days of ISS; Loss of privileges which may include attendance/participation at after school events, parking, attendance of field trips, etc.
- 5th and Additional Offenses: Phone confiscated and returned to parent; 1-5 Days OSS, Loss of privileges which will include attendance/participation at after school events, parking, attendance of field trips, etc.

Students are prohibited from using any electronic device to record students and or staff. (Policy JR) – Except as otherwise provided, no student shall photograph, record, sound record or cause to be similarly recorded any student or group of students; or employee or group of employees during the school day on the school premises or during a school activity without the prior consent of a professional staff member of the school attended by the students.

Exemptions

Any student who, pursuant to an Individualized Education Plan, Section 504 Plan, individualized health care plan, or Limited English Proficiency plan, is permitted to possess and use a cell phone or smart device on school property, including in the classroom, from bell to bell to monitor or address a health concern or as an accommodation or assistive technology support.

Implementation and Enforcement

The superintendent and the school administration of each elementary and secondary school in the division are responsible for implementing and enforcing this policy. Any implementation and enforcement of this policy minimizes, to the extent possible, any conflict with the instructional responsibilities of teachers or any

disturbance to instructional time and does not involve any school resource officer employed in any school in the division.

Discipline of Students

No student will be suspended or expelled solely for a violation of this policy. Any violation of this policy that involves, coincides with, or results in an instance of disruptive behavior, bullying, harassment, crime, or any other behavior that violates other policies, regulations or laws, is subject to discipline, addressed in accordance with the Standards of Student Conduct and applicable policies and regulations.

STUDENT-ATHLETE EXTREME HEAT SAFETY AND PROTECTION

For purposes of this policy, heat guidelines are based on Wet Bulb Globe Temperature (WBGT) levels developed by an organization or entity whose purpose is to regulate or govern interscholastic athletics programs in the Commonwealth.

Heat-Acclimation and Modification Procedure

The scheduling or cancellation of outdoor athletics practices or games are determined in relation to parameters established in connection with the different WBGT levels and tiers of the heat-acclimation and modification procedures.

The Appomattox County School Board establishes the following procedures for outdoor athletics practices or games with at least five tiers of procedures based on heat or humidity levels, beginning with the first tier for the lowest heat or humidity level requiring special student-athlete safety and protection precautions and the final tier for the most severe heat or humidity level before the level at which all outdoor athletics practices or games will be cancelled.

Each tier identifies:

- required equipment modifications, if applicable for the sport,
- work-to-rest ratios,
- modification of water break requirements, and
- use of shaded areas for rest breaks

Procedures:

The procedures for outdoor athletics practices or games can be found in the Appomattox County Public Schools Heat Procedures and Guidelines.

Cancellation of Athletics Practice or Games

Any athletics practice or game that is scheduled to take place during a time when the WBGT is above the highest tier addressed in the Heat-Acclimation and Modification Procedure, such event will be cancelled.

Hydration and Cooling Space

Each student-athlete is given unhindered access at all times to hydration and a cooling space. The cooling space may be a shaded or air-conditioned area. Ice is made available and provided to each student-athlete and coach at any time there is a WBGT level of 80 degrees Fahrenheit or higher.

Additional Procedures

The superintendent establishes:

- parameters for scheduling and cancelling outdoor athletics practices or games in accordance with the heat-acclimation and modification procedure;
- procedures relating to preventing, recognizing, and addressing heat-related illnesses, including dehydration, heat syncope, heat exhaustion, and heat stroke; and
- a process for reporting and investigating any instance in which a student-athlete experiences a severe heat-related illness requiring emergency medical treatment or resulting in death.
